WHEREAS, on February 10, 2017, the Board of Commissioners of the Housing Commission heard and recommended that the Housing Commission make a loan of up to \$5,500,000 to Affirmed Housing Group's to-be-formed limited partnership for the construction and permanent financing of the Project, as more particularly described in Housing Commission Report HCR 17-013;

NOW, THEREFORE,

BE IT RESOLVED, by the Housing Commission that it is hereby authorized to make and fund a residual receipts loan of up to \$5,500,000 to Affirmed Housing Group's to-be-formed limited partnership for the construction and permanent financing of the

Project on the terms and conditions more particularly described in Housing Commission Report HCR 17-013, including a contingency that the developer receive all necessary third party funding commitments.

BE IT FURTHER RESOLVED that the President and Chief Executive Officer of the Housing Commission, or designee, is authorized to:

1. Execute any and all documents and to take such actions as are necessary and appropriate to implement these approvals, including without limitation the execution of the final agreements contemplated in the items approved by this action, upon the advice and consent of the Housing Commission's General Counsel and bond counsel.

2. Adjust terms and conditions as necessary for consistency with the requirements of other funding sources or to accommodate market changes that may occur after approval of this action, provided that the total funds authorized by this action shall not exceed \$5,500,000.

3. Substitute any portion of the proposed funding sources with any other funds available within the Housing Authority-approved budget of the Housing Commission, should the operational need arise or should such actions be to the benefit of the Housing Commission and its mission, provided that the total Housing Commission funding provided to the Project does not exceed the amounts approved by the Housing Commission, and provided that any funding substitutions will be memorialized in an Informational Report at the next scheduled Housing Commission Board meeting.

BE IT FURTHER RESOLVED that the proposed development activities set forth in Housing Commission Report HCR 17-013 are covered under the following:

The action being taken at this time involves only consideration of a loan. This activity is not a

"project" and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(3). This determination is predicated on Section 15004 of the Guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. This action does not constitute approval of a project. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process. The proposed actions are approval of a loan and do not constitute approval of the development activity. Future actions to consider and approve development entitlement approvals related to the development of the site, if applicable, will require additional review under the provisions of CEQA by the lead agency.

BE IT FURTHER RESOLVED, that HOME Investment Partnerships Program (HOME) funds will constitute a part of the funding for the project and a final reservation of HOME funds will occur only upon satisfactory completion of the environmental review and receipt by the City of San Diego of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58 of the National Environmental Policy Act (NEPA). The parties agree that the provision of any HOME funds to the project is conditioned on the City of San Diego's determination to proceed with, modify, or cancel the project based on the results of the subsequent environmental review under NEPA.

THIS ACTION BECAME FINAL ON FEBRUARY 17, 2017, pursuant to the provisions of San Diego Municipal Code Section 98.0301(e)(1).
