DESCRIPTIVE SUMMARY OF ITEM:

Recommend that the Housing Authority of the City of San Diego and the San Diego City Council approve the use of funds from the sale of the Hotel Metro and the grant from the City of San Diego resulting from the ground lease on San Diego Square Apartments to serve all homeless subpopulations, including Veterans, through the San Diego Housing Commission’s expanded HOUSING FIRST – SAN DIEGO landlord engagement program.

STAFF RECOMMENDATION:

Approve requested actions.

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

With a long-standing commitment to assisting individuals and families experiencing homelessness, the San Diego Housing Commission (Housing Commission) is proposing to expand the success experienced through the landlord outreach program of the Housing Our Heroes initiative (previously known as The 1,000 Homeless Veterans Initiative) beyond homeless Veterans to all subpopulations experiencing homelessness. This expansion is part of the Housing Commission’s continuation of HOUSING FIRST – SAN DIEGO, the Housing Commission’s landmark Homelessness Action Plan. Through this change, the Housing Commission will provide permanent housing opportunities for up to 3,000 homeless individuals and families over a three-year period (Fiscal Years 2018 to 2020).

Over the three-year plan, the landlord engagement program will invest approximately \$6.6 million in City of San Diego and Housing Commission resources to provide housing in the city of San Diego (ZIP code 92037 and ZIP codes that begin with 921, excluding 92118) for anyone who is living on the streets or living in shelters. Of this total dollar amount, approximately \$4.4 million will be funded by the proceeds from the sale of the Hotel Metro and the ground lease of San Diego Square Senior Apartments.

Landlords who rent their units to homeless individuals and families are important partners in HOUSING FIRST – SAN DIEGO. A historically low rental vacancy rate and tight competition for affordable and market-rate apartments make it difficult for this population to obtain rental housing. This expanded program will provide the same incentives as Housing Our Heroes for landlords who rent to anyone experiencing homelessness in the City.

SUMMARY

With a long-standing commitment to assisting individuals and families experiencing homelessness, the San Diego Housing Commission (Housing Commission) is proposing to expand the success experienced through the landlord outreach program of the Housing Our Heroes initiative (previously known as The 1,000 Homeless Veterans Initiative) beyond homeless Veterans to all subpopulations experiencing homelessness. Through this change, the Housing Commission will provide permanent housing opportunities for up to 3,000 homeless individuals and families over a three-year period (Fiscal Years 2018 to 2020).

Over the three-year plan, the landlord engagement program will invest approximately \$6.6 million in City of San Diego and Housing Commission resources to provide housing in the city of San Diego (ZIP code 92037 and ZIP codes that begin with 921, excluding 92118) for anyone who is living on the streets or living in shelters. Of this total dollar amount, approximately \$4.4 million will be funded by the proceeds from the sale of the Hotel Metro and the ground lease of San Diego Square Senior Apartments.

Landlords who rent their units to homeless individuals and families are important partners in HOUSING FIRST – SAN DIEGO. A historically low rental vacancy rate and tight competition for affordable and market-rate apartments make it difficult for this population to obtain rental housing. This expanded program will provide the same incentives as Housing Our Heroes for landlords who rent to anyone experiencing homelessness in the City. These include:

- **Incentive Payments for Landlords** – Landlords will receive \$500 for the first apartment they rent to a homeless family or individual and \$250 for each additional unit.
 - **Budget:** Up to \$1,125,000 total
- **Security Deposit & Utility Assistance** – An average of \$1,500 in security deposits and \$100 in utility assistance per household.
 - **Budget:** Up to \$2,250,000 total
- **Landlord Contingency Fund** – Funds will be set aside to help landlords cover expenses, such as repairs that exceed security deposits upon move-out or rent due to unforeseen vacancies.
 - **Budget:** Up to \$1,500,000 total
- **Landlord Liaison** – The Housing Commission will provide dedicated housing specialists to answer landlords' questions, as well as to provide credit report and application assistance for homeless individuals and families. The Housing Commission will also coordinate recruitment fairs and training sessions for landlords, service providers and tenants and pre-inspect units.
 - **Budget:** Up to \$1,396,798 total

All homeless participants of the landlord engagement program must be referred by Housing Commission partner agencies or organizations that provide supportive services to homeless San Diegans. A list of service providers is available on the "Housing Our Heroes" page on the Housing Commission's website, www.sdhc.org

To be included, homeless individuals and families can add their names to the Coordinated Entry System database, which will assess their housing needs and vulnerability to help identify those households who are most in need.

Funding approvals are required by the City Council, Housing Authority, and Housing Commission Board of Commissioners.

FISCAL CONSIDERATIONS

The proposed FY 2018 funding approved by this action is included in the Housing Commission’s proposed FY 2018 Housing Authority-approved budget.

Funding sources and Housing Commission uses approved by this action include:

Table 1: Funding Sources and Housing Commission Uses Approved by this Action		Funding Uses

ENVIRONMENTAL REVIEW

The actions described in this report are not a project as defined by the California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378(b)(4) and (b)(5), as they are fiscal and administrative activities of government which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment. The determination that this activity is not subject to CEQA, pursuant to Section 15060(c)(3), is not appealable and a Notice of Right to Appeal the Environmental Determination (NORA) is not required. Processing under the National Environmental Policy Act (NEPA) is not required as federal funds are not involved in the actions being approved; nevertheless, these actions and any actions related to the “1000 Homeless Veterans Initiative” are exempt pursuant to Part 58.34(a)(3) and (4) and categorically excluded pursuant to Part 58.35(b)(1) and (2) of Title 24 of the Code of Federal Regulations.
