

The San Diego Housing Commission (SDHC) is a leading partner in collaborative efforts to address homelessness in the city of San Diego, with an emphasis on the “Housing First” approach – to provide housing as quickly as possible with supportive services as needed.

In Fiscal Year 2017 (July 1, 2016 – June 30, 2017), SDHC directed \$69.3 million toward homelessness programs.

HOUSING FIRST – SAN DIEGO

HOUSING FIRST – SAN DIEGO, SDHC’s Homelessness Action Plan, is an effective, diverse funding and housing strategy.

Over the next three fiscal years (2018-2020), SDHC will direct \$79.7 million in Federal, City of San Diego and SDHC resources for six programs that will provide permanent housing opportunities for 3,000 homeless San Diegans.

These new programs build on the accomplishments of the first three years of **HOUSING FIRST – SAN DIEGO** (2014-2017).

Launched on November 12, 2014, as a five-point action plan, **HOUSING FIRST – SAN DIEGO** expanded to include eight initiatives and is on target to impact the lives of close to 3,000 homeless San Diegans—Veterans, families and individuals in the city of San Diego—which far exceeds its initial goal of 1,500 homeless San Diegans.
