

The San Diego Housing Commission (SDHC) has earned a national reputation as a model public housing agency, creating innovative programs that provide housing opportunities for low-income and homeless individuals and families in the city of San Diego—the eighth-largest city in the nation, second largest in California.

An award-winning, state-chartered public housing agency created in 1979, SDHC performs three major program functions that create affordable housing opportunities:

- Federal rental housing assistance provider for more than 15,000 low-income households, annually;
- Partner to address homelessness, including **HOUSING FIRST – SAN DIEGO**, SDHC's landmark Homelessness Action Plan; and
- Affordable housing developer, investor and lender—producing more than 17,000 affordable housing units since 1981 through partnership developments and acquisitions.

## Governance

- SDHC is governed by the San Diego City Council, sitting as the Housing Authority of the City of San Diego (Housing Authority).
- SDHC President & CEO Richard C. Gentry is the Executive Director of the Housing Authority.
- The Housing Authority has final authority over SDHC's budget and major policy decisions.
- A seven-member Board of Commissioners oversees SDHC's operations and makes recommendations to the Housing Authority.
- The Mayor appoints Commissioners, who are confirmed by the San Diego City Council. All members must file an annual Statement of Economic Interest and disclose any potential conflicts of interest.

## Providing Rental Assistance

- SDHC's largest program provides rental assistance funded by the U.S. Department of Housing and Urban Development (HUD) to more than 15,000 low-income households annually, with a waiting list of more than 84,000 households.
- The majority of SDHC's rental assistance households are seniors or individuals with disabilities.
- SDHC is one of only 39 housing authorities nationwide, out of 3,400, to receive a "Moving to Work" (MTW) designation from HUD. MTW status provides SDHC the flexibility to design and implement innovative approaches to provide Federal housing assistance.
- The SDHC Achievement Academy is a learning and resource center and computer lab, which provides programs that emphasize career planning, job skills and personal financial education at no cost to Federal rental assistance participants or public housing residents.

## Addressing Homelessness

**HOUSING FIRST – SAN DIEGO: 2018-2020**, SDHC’s homelessness action plan, is an effective, diverse funding and housing strategy to create permanent housing opportunities for homeless San Diegans.

This action plan is rooted in the national “Housing First” model of addressing homelessness – to provide homeless individuals with housing as quickly as possible, with supportive services as needed.

Through **HOUSING FIRST – SAN DIEGO: 2018-2020**, SDHC will direct \$79.7 million in Federal, City of San Diego, and SDHC resources over the next three fiscal years for six programs to provide permanent housing opportunities for 3,000 homeless San Diegans:

- SDHC Moving Home Rapid Rehousing
- Landlord Incentives
- Homelessness Prevention & Diversion
- New Permanent Supportive Housing
- SDHC Moving On Rental Assistance
- Coordinated Outreach
