

## City of San Diego Single-Room Occupancy (SRO) Ordinance Public Meeting

You are invited to attend a public meeting to provide comments on the City of San Diego's (City) SRO Ordinance and proposals to amend it.

The San Diego Housing Commission (SDHC) administers the City's SRO Ordinance (San Diego Municipal Code Sections 143.0510 – 143.0590):

*"The purpose of these regulations is to ensure the retention of the existing number of SRO hotel rooms and to provide assistance to tenants of SRO hotel rooms that will be displaced by the demolition, conversion, or rehabilitation of existing SRO hotel rooms. These regulations are intended to benefit the general public by minimizing the adverse impact on the housing supply and on displaced persons, particularly those who are very low income, elderly, or disabled, resulting from the permanent or temporary loss of SRO hotel rooms through their demolition, conversion, or rehabilitation."*
