REPORT

DATE ISSUED: August 8, 2005

ITEM: 102

REPORT NO.: HCR05-78
For the Agenda of August 26, 2005

SUBJECT: Public Housing Assessment System for FY05
(Citywide)

SUMMARY

Issue: Should the Housing Commission approve a resolution authorizing the submission of Indicator #3 – Management Operations Certification to the U.S. Department of Housing and Urban Development (HUD) as required by the Public Housing Assessment System (PHAS)?

Recommendation: Authorize the President & Chief Executive Officer to execute the PHAS Certification for Indicator #3 – Management Operations (Attachment 1) and submit to the HUD-Los Angeles office with the approved resolution (Attachment 2).

Previous Related Action(s): The Housing Commission has approved the annual submission of PHMAP/PHAS Certifications since 1992, most recently on August 20, 2004.

BACKGROUND

On October 1, 1998, HUD implemented a new measurement system, the Public Housing Assessment System (PHAS). Under the PHAS, HUD evaluates a Public Housing Agency's (PHA's) performance based on the following four Indicators:

1. Physical condition of the PHA's public housing properties as determined by an independent HUD-contracted inspector;
2. PHA's entity wide financial condition based on audited financial statements;
3. PHA's management operations;
4. Residents' satisfaction as determined through an independent resident survey administered by a HUD contractor.

PHA's are required to submit an annual PHAS Certification (Attachment 1) for Indicator #3 – Management Operations, which includes information on the following Sub-Indicators:

1. Vacant Unit Turnaround Time
2. Capital Fund
3. Work Orders
4. Annual Inspection of Units and Building Systems
5. Security
6. Economic Self-Sufficiency

The PHA must submit this certification within 60 days of the close of the fiscal year, along with an approved Board Resolution (Attachment 2).

DISCUSSION

In fiscal year 2004, Housing Commission Management Operations achieved 30 points out of a possible 30 points and an overall PHAS score of 92 points out of 100. For fiscal year 2005, the subject of this report, the Housing Commission's Management Operations again achieved 30 points out of a possible 30 points (Attachment 3). After collection and review of all data on Indicators 1–4 (including Physical Inspection, the Resident Survey, and the audited financial statement), HUD will determine and notify the Housing Commission of its overall FY05 PHAS score.

Public reporting burden for this collection of information is estimated to average 1.8 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is collected to implement section 502 of the National Affordable Housing Act of 1990, as amended, which established specific indicators to assess the management performance of public housing agencies (PHAs) in all major areas of management operations. PHAs will complete the PHAS Certification form HUD-50072 and electronically submit it to HUD. If a PHA does not have this capability in-house, the PHA should consider utilizing local resources, such as the library or another local government entity that has Internet access. In the event local resources are not available, a PHA may go to the nearest HUD Public Housing program office and assistance will be given to the PHA to transmit this PHAS certification. The information is used by HUD as a component of PHAS to assess all major areas of PHA's management operations, designate PHAs as troubled and PHAs troubled with respect to the program for assistance from the Capital Fund under Section 9, enter into a Memorandum of Agreement (MOA) with troubled PHAs and PHAs troubled with respect to the program for assistance from the Capital Fund under Section 9, and report annually to Congress on the status of troubled PHAs and PHAs troubled with respect to the program for assistance from the Capital Fund under Section 9. This information is required for HUD to fulfill statutory requirements of the 1990 Act. The information collected does not lend itself to confidentiality.

Instructions: A PHA/AME's electronic responses to this certification must be the PHA/AME's actual data; e.g., prior to any adjustments to the indicators. Round percentages to the nearest two decimal points.
