FISCAL CONSIDERATIONS:

The proposed funding sources and uses approved by this action will increase the Housing Authority approved Fiscal Year (FY) 2017 Housing Commission Budget by \$58,250. Approving this action will not change the FY 2017 total budget.

Funding sources approved by this action will be as follows:

Bonds/note Issuance Fees - \$58,250

If the Bonds/note is ultimately issued for the project, the Bonds/note will not financially obligate the City, the Housing Authority or the Housing Commission because security for the repayment of the Bonds/note will be limited to specific private revenue sources. Neither the faith and credit nor the taxing power of the City nor the faith and credit of the Housing Authority will be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including the Housing Commission's issuer fee (estimated at \$58,250 with a \$23,300,000 Bonds/note), annual bond administration fee, as well as Housing Commission bond counsel and financial advisor fees. Payments to Housing Commission include an estimated \$27,000 payment for attorney costs, and an estimated \$25,500 annual payment for affordability monitoring.

Project Comparison Chart

There are multiple factors and variables that influence the cost of developing multifamily affordable rental housing, including but not limited to project location, site conditions, site improvements needed, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City of San Diego impact fees, developer experience and capacity, and amenities necessary to gain tax credit approval. Table 5 shows a comparison of the subject property and other developments of similar construction type and size.

Proposed Housing Bonds`

The Housing Commission utilizes the Housing Authority’s tax-exempt borrowing status to pass on lower interest rate financing (and make Federal 4 percent tax credits available) to developers of affordable rental housing. The Housing Authority’s ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a development, the Housing Authority must first submit an application to the

California Debt Limit Allocation Committee (CDLAC) for a bond allocation. Prior to submitting applications to CDLAC, developments are brought before the Housing Commission, Housing Authority and the San Diego City Council (City Council). Housing Authority bond inducement resolutions must be obtained prior to application submittal, and City Council Tax Equity and Fiscal Responsibility Act (TEFRA) resolutions must be secured no later than 30 days after application submittal. These actions were previously completed for Bella Vista on May 23, 2016.

On September 21, 2016, the California Tax Credit Allocation Committee (TCAC) approved \$14,739,310 of 4 percent tax credits and CDLAC approved a \$23,300,000 of tax-exempt Multifamily Housing Revenue Bonds. The developer proposes to issue the bonds through a tax-exempt private placement bond issuance. The proposed financing structure will meet all the requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego's (City) ordinance on bond disclosure. The Bonds/note amount that will ultimately be set will be based upon development costs, revenues, and interest rates prevailing at the time of bond issuance. The Bonds/note proceeds will be used for construction financing and permanent financing. A general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financings are described in Attachment 6.

Public Disclosure and Bond Authorization

The tax-exempt debt, in the form of the Bonds/note, will be sold through a private placement, purchased directly by Citibank, N.A. (Citi). Citi is a "qualified institutional buyer" within the meaning of the U.S. securities laws. At closing, Citi will sign an "Investor's Letter" certifying, among other things, that it is buying the Bonds/note for its own account and not for public distribution. Because the Bonds/note is being sold through a private placement, an Official Statement will not be used. In addition, the Bonds/note will be neither subject to continuing disclosure requirements nor credit enhanced or rated.

Under the private placement structure for this transaction, Citi will make a loan to the Housing Authority pursuant to the terms of a Funding Loan Agreement among Citi, the Housing Authority, and a to be selected Fiscal Agent. The loan made by Citi to the Housing Authority (Funding Loan) will be evidenced by the Bonds/note, which will obligate the Housing Authority to pay Citi the amounts it receives from the Borrower, as described below. The Housing Authority and the Borrower will enter into a Borrower Loan Agreement pursuant to which the proceeds of the Funding Loan will be advanced to the Borrower. In return, the Borrower agrees to pay the Fiscal Agent amounts sufficient for the Fiscal Agent to make payments on the Bonds/note. The Housing Authority's obligation to make payments on the Bonds/note is limited to amounts the Fiscal Agent receives from the Borrower under the Borrower Loan Agreement, and no other funds of the Housing Authority are pledged to make payments on the Bonds/note.

The transfer of the Bonds/note to any subsequent purchaser will comply with Housing Commission policy number PO300.301. Moreover, any subsequent Bonds/note holder would be required to represent to the Housing Authority that it is a qualified institutional buyer or accredited investor who is buying the Bonds/note for investment purposes and not for resale, and it has made due investigation of any material information necessary in connection with the purchase of the Bonds/note. The following documents will be executed on behalf of the Housing Authority with respect to the Bonds/note: Funding Loan Agreement, Borrower Loan Agreement, Assignment of Deed of Trust, Regulatory Agreement, and other ancillary loan documents. At the time of docketing, documents in substantially final form will be presented to members of the Housing Authority. Any changes to the documents following Housing Authority approval require

the consent of the City Attorney's Office and Bond Counsel. The Note will be issued pursuant to the Funding Loan Agreement. Based upon instructions contained in the Funding Loan Agreement and the Borrower Loan Agreement, Citi will disburse Note proceeds for eligible costs and will, pursuant to an assignment from the Housing Authority, receive payments from the Borrower. The Borrower Loan Agreement sets out the terms of repayment and the security for the loan made by the Housing Authority to the Borrower, and the Housing Authority assigns its rights to receive repayments under the loan to Citi. The Regulatory Agreement will be recorded against the property in order to ensure the long-term use of the project as affordable housing. The Regulatory Agreement will also ensure that the project complies with all applicable federal and state laws. An Assignment of Deed of Trust and other Loan Documents, which assigns the Housing Authority's rights and responsibilities as the issuer to Citi, is signed by the Housing Authority for the benefit of Citi. Rights and responsibilities that are assigned to Citi include the right to collect and enforce the collection of loan payments, monitor project construction and related budgets, and enforce insurance and other requirements. These rights will be used by Citi to protect its financial interests as the holder of the Note.

Financial Advisor's Recommendation

Stradling Yocca Carlson & Rauth will be the bond counsel and CSG Advisors will be the bond financial advisor to work on the tax-exempt bonds issuance. After evaluating the terms of the proposed financing and the public benefits to be achieved, it is the financial advisor's recommendation that the Housing Authority should proceed with the issuance of the bonds/note. The financial advisor's analysis and recommendation is included as Attachment 7.

TEFRA Hearing

A San Diego City Council TEFRA hearing for Bella Vista was held on May 23, 2016 (Resolution HA-1691). The resulting TEFRA approval expired after one year. The IRS Code requires a new TEFRA hearing and approval. The new TEFRA hearing is anticipated to be held on June 27, 2017.

Estimated Development Schedule

The estimated development timeline is as follows.

Milestones	Estimated Dates
• Housing Authority proposed final bond authorization & TEFRA	• June 27, 2017
• Estimated bond issuance and escrow closing	• July 2017
• Estimated start of rehabilitation	• August 2017
• Estimated completion of rehabilitation	• August 2018

AFFORDABLE HOUSING IMPACT

Under the proposed bond financing, Bella Vista would restrict:

- 144 of its affordable units to households with incomes at or below 50 percent of AMI, currently \$45,450 per year for a family of four; and
- 24 of its affordable units to households at or below 60 percent of AMI, currently \$54,540 per year for a family of four.
- One two-bedroom unit, and one three-bedroom unit, will be used as rent-free employee units with no income restrictions.

Bella Vista will be affordable for a 55-year term. Table 6 summarizes the affordability:

* Estimated net rents after utilities allowance deduction. Rent comparability study by Lea & Company.

** The Department of Housing and Urban Development (HUD) previously approved a Project Based Section 8 Housing Assistance Payments Contract (HUD/HAP Contract) for 144 of the 170 units. The HUD/HAP Contract was renewed in 2009 and will run until 2027. The developer has obtained HUD approval of the property transfer and of the proposed Section 8 rents. Under this Project Based Section 8 program, the tenant's rent portion is determined by using the applicable minimum rent or a calculated amount based on their income level, whichever is higher, with the remainder federally subsidized up to a contract rent level approved by HUD.

In addition to the bond and tax credit regulatory restrictions, the Bella Vista development is subject to an existing Declaration of Covenants, Conditions, and Restrictions from a previous Housing Commission loan that has been fully repaid. The more stringent of the various rent restrictions will take precedence during the term of their applicability

FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this action will increase the Housing Authority approved Fiscal Year (FY) 2017 Housing Commission Budget by \$58,250. Approving this action will not change the FY 2017 total budget.

Funding sources approved by this action will be as follows:

Bonds/note Issuance Fees - \$58,250

Funding uses approved by this action will be as follows:

Rental Housing Finance Program Administration Costs - \$58,250

The bonds will not constitute a debt of the City. If the Bonds/note is ultimately issued for the project, the Bonds/note will not financially obligate the City, the Housing Authority or the Housing Commission because security for the repayment of the Bonds/note will be limited to specific private revenue sources. Neither the faith and credit nor the taxing power of the City nor the faith and credit of the Housing Authority will be pledged to the payment of the bonds. The developer is responsible for the payment of

all costs under the financing, including the Housing Commission's issuer fee (estimated at \$58,250 with a \$23,300,000 Bonds/note), annual bond administration fee, as well as Housing Commission bond counsel and financial advisor fees. Payments to Housing Commission include an estimated \$27,000 payment for attorney costs, and an estimated \$25,500 annual payment for affordability monitoring.

PREVIOUS COUNCIL AND COMMITTEE ACTIONS:

On October 12, 2001 the Housing Commission approved (HCR 01-110) a \$1,000,000 residual receipt loan and authorized issuance of \$10,500,000 of tax-exempt Multifamily Housing Revenue Bonds for this complex which was previously called Logan Square Apartments. The developer has paid off that Logan Square residual receipts loan. On May 20, 2016, the Housing Commission (HCR16-042) and on May 23, 2017, the Housing Authority (HAR-16-017) approved preliminary steps to issue up to \$23,300,000 of tax exempt multifamily housing financing.

COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS

On March 21, 2016, the Encanto Neighborhoods Community Planning Group voted in support of the project: 10 in favor with one abstention.

KEY STAKEHOLDERS and PROJECTED IMPACTS

Stakeholders for this project include: the residents of Bella Vista, Logan Square Housing Partners, L.P. as the project's current owner/seller, the proposed buyer Bella Vista Affordable Communities, L.P., and the Housing Authority as the proposed bonds issuer. The property rehabilitation is expected to have a positive impact on the community because it will preserve and improve existing affordable housing.

ENVIRONMENTAL REVIEW

The project is exempt under the provisions the California Environmental Quality Act of 1970 [CEQA] as a Class 1 existing facility exemption for the reasons hereinafter stated. There are no federal funds involved in this project and therefore no NEPA analysis is required.

Class 1 existing facility exemption consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The types of "existing facilities" include but are not limited to interior or exterior alterations involving such things as interior partitions, plumbing, and electrical improvements. In this case, the project exists and has existed for many years. The proposed rehabilitation is limited to the existing structures and involves interior and exterior renovation, which qualifies it for an exemption under the provisions of Categorical Exemption 15301. Therefore, the project is categorically exempt from the provisions of CEQA.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Casa Familiar, Inc.

3

We have audited the accompanying statements of Casa Familiar, Inc. (a California nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U. S. accounting principles generally accepted; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U. S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that our audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Casa Familiar, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

3

Report on Summarized Comparative Information

We have previously audited Casa Familiar Inc.'s June 2013 financial statements, and we expressed an unmodified opinion on those financial statements in our report dated November 15, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional revenue and expenses on page 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: Casa's financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. To provide visibility for budgeted grant resources, revenue and expense accounts use sub accounts to identify revenues and expenses by program.

Basis of Presentation: Casa is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Note 2. Summary of Significant Accounting Policies (Continued)

Unrestricted net assets - net assets that are not subject to donor-imposed stipulations. In 2006, the Board of Directors elected to designate \$300,000 of the unrestricted funds (which includes proceeds from the Casitas project sale) for new program development.

Temporarily restricted net assets - net assets subject to donor imposed stipulations that may or will be met either by actions of Casa and/or the passage of time. Temporarily restricted net assets as of June 30, 2014 were \$174,336.

Permanently restricted net assets - net assets to be held in perpetuity as directed by donors. The income from the contributions is available to support activities as designated by the donors. Casa does not have any permanently restricted net assets as of June 30, 2014.

Contributions: Contributions, including unconditional promises to give, are recorded when received. All contributions are available for unrestricted use unless specifically restricted by the donor. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Expenses are reported as decreases in unrestricted net assets.

Cash and Cash Equivalents: For purposes of the Statement of Cash Flows, Casa considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Casa had no cash equivalents at June 30, 2014.

Fair Value Measurements: Accounting Standard Codification (ASC) 820 defines fair value as the amount that would be received from the sale of an asset or paid for the transfer of liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1: Quoted prices in active markets for identical securities.

Level 2: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayments, spreads, credit risk, etc.).

Level 3: Significant unobservable inputs (including Casa's own assumptions in determining the fair value of investments).

The valuation of Casa's investment in housing partnerships according with the fair value hierarchy is Level 3.

Note 2. Summary of Significant Accounting Policies (Continued)

Property and Equipment: All acquisitions of property and equipment in excess of \$1,000 are capitalized. Maintenance and repairs are expensed. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the assets. The estimated useful lives are generally five to seven years for furniture and equipment and forty years for buildings and building improvements.

Equipment acquired by Casa using grant funds is considered to be owned by Casa while used in the program for which it was purchased or in other authorized programs. However, the funding source has reversionary interest in the equipment, and its disposition.

Impairment of Long-lived Assets: Casa evaluates its investment in long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the estimated future cash flows (undiscounted and without interest charges) from the use or disposition of an asset are less than the carrying value, a write-down will be recorded to reduce the related asset to its estimated fair value. To date, no such write-downs have occurred.

Functional Expenses: The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated between the programs and supporting services benefitted.

Donated Materials and Services: Donated materials and services are recognized as contributions if the materials or services (a) create or enhance non-financial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by Casa. Volunteers provide services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met. Casa generally pays for services requiring specific expertise.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. No amounts have been reflected in the financial statements for the risk of environmental liabilities associated with properties purchased for rehabilitation as low income housing units.

Comparative Financial Information: The financial statements include certain prior-year summarized comparative information in total but not by asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, it should be read in conjunction with Casa's financial statements for the year ended June 30, 2013 from which the summarized information was derived.

Note 2. Summary of Significant Accounting Policies (Continued)

Date of Management Review: Casa's management has evaluated subsequent events through November 14, 2014, the date the financial statements were available to be issued. Management is not aware of any such subsequent events that would require adjustment to, or disclosures in, the financial statements.

Note 3. Income Taxes

Casa is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California State Revenue and Taxation Code. Casa may be subject to tax on income which is not related to its exempt purposes. No such unrelated business taxable income was reported for the year ended June 30, 2014. Casa qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as a public charity under Section 509(a)(1).

ASC 740-10-25, Income Taxes, prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Management of Casa has evaluated its uncertain tax positions and related income tax contingencies. Management does not believe that any material uncertain tax positions exist. Casa's tax returns are subject to examination by Federal taxing authorities for a period of three years from the date they are filed and a period of four years for California taxing authorities.

Note 4. Concentrations of Credit Risk

Casa maintains its cash balances in three financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At various times during the year there were balances in the bank that were over the FDIC limit. However, at June 30, 2014, Casa had no uninsured cash balances.

Concentrations of credit risk with respect to promises and accounts receivable are limited due to the large number of contributors and clients. As of June 30, 2014, Casa had no significant concentrations of credit risk related to accounts receivable. An allowance for uncollectible accounts has been recorded.

Note 5. Investment in Housing Partnerships, Note Payable, and Management Fees

At June 30, 2014, Casa had partnership agreements with seven different housing limited partnerships. All seven partnership agreements shall continue in full force and effect until December 31, 2025, except as noted in the partnership agreements. In the case of six partnerships, Casa has acquired a partnership interest as a "donation" without making any payment for the acquisition. For the remaining one partnership, Casa issued a note payable to the partners in the amount of \$25,000, equal to the value of the partnership interest obtained as consideration for the investment. The investments were recorded at fair value at the time of acquisition.

Note 5. Investment in Housing Partnerships, Note Payable, and Management Fees (Continued)

In the case of one partnership, Casa entered into a verbal agreement at inception of the partnership to serve as the partnership's contact point with the San Ysidro community, for which the partnership would build and give to Casa a childcare center built to existing State Regulations, for Casa's use or as a sublet leasehold to another group and that the apartment residents would get some priority in terms of use of this facility. The verbal agreement allowed Casa to conduct a transitional housing project on the property, contributed rent free two apartments of at least two bedrooms per unit, and should Casa acquire further monies to expand the transitional housing project the partnership would rent them to Casa at a reduced rate. No amounts for the donated center and rent free units have been reflected in the financial statements.

Casa acts as a managing General Partner for each of the partnerships. According to the partnership agreements, Casa, as a managing General Partner, is not liable for any debts, obligations, or negative cash flows of the partnerships. According to the partnership agreements, Casa is not liable in any way in the event of a judicial foreclosure, and the Administrative General Partners agree to indemnify and hold the managing General Partner harmless from any such claims and/or liabilities. However, it is not certain whether Casa, under the provisions of California General Partnership Law, can be exempted from any partnership liabilities as set forth in the partnership agreements.

Note 6. Casitas Project Recoverable Grants

Effective December 2004, Casa entered into agreements with five low-income home buyers to provide them with grants in order to allow them to be qualified for the purchase of homes from the Casitas Project. The total amount of all grants is \$13,896 and has been disbursed. No interest will be charged and repayments are set to begin between 2010 and 2015, depending on income levels.

No payments were received as of June 30, 2014. If certain income levels have not been reached by 2015, the total grant is forgiven. Given the uncertainty of recovery, an allowance of 50% has been established for this account. As of June 30, 2014, \$13,896 has been disbursed and is receivable, less an allowance of \$6,948.

Note 7. Line of Credit

Casa has a line of credit agreement with Citibank. The credit limit is \$100,000. The interest rate is the prime rate as published in The Wall Street Journal plus 4.75%. The rate was 8% during the year ended June 30, 2014 for a total interest expense on the balances outstanding during the year of \$4,620. The funds borrowed were repaid prior to year end. There is no outstanding balance as of June 30, 2014.

Note 8. Promissory Notes (Continued)

The Lender agreed to forgive \$542,500 of the principal amount if, in the Lender's discretion, certain conditions are met. Of \$542,500, \$271,250 has been forgiven, and the balance will be forgiven upon substantial completion of both projects. Contribution revenue for the principal balances to be forgiven was recognized in the periods the funds were advanced. Another amendment to extend substantial completion deadline from January 30, 2015 to a later date for both projects is expected to be approved.

Because the loan bears no interest, when the loan proceeds were advanced, contribution revenue and a loan discount using 3% rate were recorded. The loan is reported in the statement of financial position net of unamortized discount. The discount on the loans is being amortized to interest expense over the life of the loan. Imputed interest expense of \$16,275 was reported in the accompanying statement of activities for the year ended June 30, 2014.

1111 D Street and 1101-1119 E Street, National City: seventeen affordable units and one manager's unit were rehabilitated and operate as low and very low income housing for fifty-five years. Casa charges the project a fee of \$900 per month for management services, which is reported as the project's management fee expense and Casa's management fee revenue. Also, a portion of Casa's payroll, insurance, office, and other expenses related to the project's operations is charged to the project.

Loan e) \$1,016,000 from Healy Family Trust, the seller of the property, obtained in 2008. The note is secured by the real property and is payable to Wells Fargo bank at an interest rate of 5.50% per annum for the term of forty years. The principal balance as of June 30, 2014 is \$1,004,324.

Loan f) \$669,653 from the Community Development Commission of National City (CDC), secured by the real property. Permanent Financing Loan Agreement (Agreement) was signed on November 9, 2009. The note bears interest at 3%. Annually, on November 15th, Casa should calculate its residual receipts for the immediately previous fiscal year and pay to the CDC 19% of such residual receipts. The remaining unpaid principal and accrued interest are due in fifty-five years. No payments have been made for the year ended June 30, 2014. The residual receipts balance has been applied to the developer fee receivable (see below). The balances of principal and accrued interest at June 30, 2014 are \$669,653 and \$90,914 accordingly.

Loan g) \$1,110,347 from CDC, signed in 2009, secured by the real property. This is a HUD HOME program loan. In accordance with the Agreement, the note bears interest at 3% simple interest per annum. Annually, on November 15, Casa should calculate its residual receipts for the immediately previous fiscal year and pay to the CDC 31% of such residual receipts. The remaining unpaid principal and accrued interest are due in fifty-five years. No payments have been made for the year ended June 30, 2014. The residual receipts balance has been applied to the developer fee receivable (see below). The balances of principal and accrued interest at June 30, 2014 are \$1,110,347 and \$150,743 accordingly.

Note 8. Promissory Notes (Continued)

Per the Agreement, the property is also financed by deferral of \$95,908 of the developer fee. The revenue, corresponding receivable from the City of National City and payable to the contractor were recorded upon completion of the rehabilitation in April 2011. No payments are expected to be received from the City of National City. The receivable is being reduced by the amount of residual receipts for the preceding year and increased by the interest accrued on the outstanding developer fee at an annual rate of 4.45%. As of June 30, 2014, developer fee receivable is \$72,479.

Casa is required to set aside reserves for replacement is the amount \$7,650 annually, subject to the revision upward as determined by CDC. The reserves should be maintained in a separate account and disbursements from this account may be made only after the written consent of CDC. The funds have been transferred as required.

304 East 5th Street, National City: nine affordable units and one manager's unit were rehabilitated and operate as low and very low income housing for fifty-five years. Casa charges the project a fee of \$710 per month for management services, which is reported as the project's management fee expense and Casa's management fee revenue. In addition, a portion of Casa's payroll and related expenses, insurance, office, and other expenses related to the project's operations is charged to the project.

Loan h) \$685,000 from Clearinghouse CDFI, secured by the property, at an interest rate of 7.5% per annum, maturing on August 1, 2018, at which time all unpaid principal, accrued interest, and any other unpaid amounts are due and payable in full. The principal balance at June 30, 2014 is 656,971.

Loan i) \$835,000 from CDC, signed in October 2009. This is a HUD HOME program loan. In accordance with the Acquisition, Rehabilitation and Permanent Financing Loan Agreement the promissory note bears interest at 2% simple interest per annum. According to the Agreement, annually, on November 15, Casa should calculate its residual receipts for the immediately previous fiscal year and pay CDC 33% of residual receipts toward the loan principal. The remaining unpaid principal and accrued interest are due in fifty-five years. No payments have been made for the year ended June 30, 2014. The residual receipts balance has been applied to the developer fee receivable (see below). The balances of principal and accrued interest at June 30, 2014 are \$835,000 and \$67,131 accordingly.

The property is also financed by deferral of Casa's developer fee with the original amount of \$93,750. The revenue, corresponding receivable from the City of National City and payable to the contractor were recorded upon completion of the rehabilitation in November 2011. No payments are expected to be received from the City of National City. The receivable is being reduced by the amount of residual receipts for the preceding year. As of June 30, 2014, developer fee receivable is \$75,770.

After the completion of the rehabilitation of the project, Casa is required to set aside reserves for replacement of \$4,250 annually, subject to the revision upward by CDC. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U. S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that our audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Casa Familiar, Inc. as of June 30, 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: Casa's financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. To provide visibility for budgeted grant resources, revenue and expense accounts use sub accounts to identify revenues and expenses by program.

Basis of Presentation: Casa is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

CASA FAMILIAR, INC.
Notes to Financial Statements
For the Year Ended June 30, 2015

Note 2. Summary of Significant Accounting Policies (Continued)

Unrestricted net assets - net assets that are not subject to donor-imposed stipulations. In 2006, the Board of Directors elected to designate \$300,000 of the unrestricted funds (which includes proceeds from the Casitas project sale) for new program development.

Temporarily restricted net assets - net assets subject to donor imposed stipulations that may or will be met either by actions of Casa and/or the passage of time.

Permanently restricted net assets - net assets to be held in perpetuity as directed by donors. The income from the contributions is available to support activities as designated by the donors. Casa does not have any permanently restricted net assets as of June 30, 2015.

Contributions: Contributions, including unconditional promises to give, are recorded when received. All contributions are available for unrestricted use unless specifically restricted by the donor. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Expenses are reported as decreases in unrestricted net assets.

Cash and Cash Equivalents: For purposes of the Statement of Cash Flows, Casa considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Casa had no cash equivalents at June 30, 2015.

Fair Value Measurements: Casa measures fair value at the price that would be received upon sale of an asset, or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Authoritative guidance establishes a hierarchy for ranking the quality and reliability of the information used to determine fair values, requiring that assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

- Level 1: Unadjusted quoted market prices for identical assets or liabilities in active markets.
- Level 2: Unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3: Significant unobservable inputs for the asset or liability.

The valuation of Casa's investment in housing partnerships according with the fair value hierarchy is Level 3.

Note 2. Summary of Significant Accounting Policies (Continued)

Property and Equipment: All acquisitions of property and equipment in excess of \$1,000 are capitalized. Maintenance and repairs are expensed. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the assets. The estimated useful lives are generally five to seven years for furniture and equipment and forty years for buildings and building improvements.

Equipment acquired by Casa using grant funds is considered to be owned by Casa while used in the program for which it was purchased or in other authorized programs. However, the funding source has reversionary interest in the equipment, and its disposition.

Impairment of Long-lived Assets: Casa evaluates its investment in long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the estimated future cash flows (undiscounted and without interest charges) from the use or disposition of an asset are less than the carrying value, a write-down will be recorded to reduce the related asset to its estimated fair value. To date, no such write-downs have occurred.

Functional Expenses: The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated between the programs and supporting services benefitted.

Donated Materials and Services: Donated materials and services are recognized as contributions if the materials or services (a) create or enhance non-financial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by Casa. Volunteers provide services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met. Casa generally pays for services requiring specific expertise.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. No amounts have been reflected in the financial statements for the risk of environmental liabilities associated with properties purchased for rehabilitation as low income housing units.

Comparative Financial Information: The financial statements include certain prior-year summarized comparative information in total but not by asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, it should be read in conjunction with Casa's financial statements for the year ended June 30, 2014 from which the summarized information was derived.

Note 3. Income Taxes

Casa is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California State Revenue and Taxation Code. Casa may be subject to tax on income which is not related to its exempt purposes. No such unrelated business taxable income was reported for the year ended June 30, 2015. Casa qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as a public charity under Section 509(a)(1).

Management of Casa has evaluated its tax positions and related income tax contingencies. Management does not believe that any material uncertain tax positions exist. Casa's tax returns are subject to examination by Federal taxing authorities for a period of three years from the date they are filed and a period of four years for California taxing authorities.

Note 4. Concentrations of Credit Risk

Casa maintains its cash balances in three financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At various times during the year there were balances in the bank that were over the FDIC limit. At June 30, 2015, Casa had no uninsured cash balances.

Concentrations of credit risk with respect to promises and accounts receivable are limited due to the large number of contributors and clients. As of June 30, 2015, Casa had no significant concentrations of credit risk related to accounts receivable. An allowance for uncollectible accounts has been recorded.

Note 5. Investment in Housing Partnerships, Note Payable, and Management Fees

At June 30, 2015, Casa had partnership agreements with six different housing limited partnerships. During the year ended June 30, 2015 Casa withdrew from one of the partnerships. All six partnership agreements shall continue in full force and effect until December 31, 2025, except as noted in the partnership agreements. In the case of five partnerships, Casa has acquired a partnership interest as a "donation" without making any payment for the acquisition. For the remaining one partnership, Casa issued a note payable to the partners in the amount of \$25,000, equal to the value of the partnership interest obtained as consideration for the investment. The investments were recorded at fair value at the time of acquisition.

In the case of one partnership, Casa entered into a verbal agreement at inception of the partnership to serve as the partnership's contact point with the San Ysidro community, for which the partnership would build and give to Casa a childcare center built to existing State Regulations, for Casa's use or as a sublet leasehold to another group and that the apartment residents would get some priority in terms of use of this facility. The verbal agreement allowed Casa to conduct a transitional housing project on the property, contributed rent free two apartments of at least two bedrooms per unit, and should Casa acquire further monies to expand the transitional housing project the partnership would rent them to Casa at a reduced rate. No amounts for the donated center and rent free units have been recorded.

Note 5. Investment in Housing Partnerships, Note Payable, and Management Fees (Continued)

Casa acts as a managing General Partner for each of the partnerships. According to the partnership agreements, Casa, as a managing General Partner, is not liable for any debts, obligations, or negative cash flows of the partnerships. According to the partnership agreements, Casa is not liable in any way in the event of a judicial foreclosure, and the Administrative General Partners agree to indemnify and hold the managing General Partner harmless from any such claims and/or liabilities. However, it is not certain whether Casa, under the provisions of California General Partnership Law, can be exempted from any partnership liabilities as set forth in the partnership agreements.

Note 6. Casitas Project Recoverable Grants

Effective December 2004, Casa entered into agreements with five low-income home buyers to provide them with grants in order to allow them to be qualified for the purchase of homes from the Casitas Project. The total amount of all grants is \$13,896 and has been disbursed. No interest will be charged and repayments are set to begin between 2010 and 2015, depending on income levels.

No payments were received as of June 30, 2015. If certain income levels have not been reached by 2015, the total grant is forgiven. Given the uncertainty of recovery, an allowance of 50% has been established for this account. As of June 30, 2015, \$13,896 has been disbursed and is receivable, less an allowance of \$6,948. Subsequent to the year end, Casa's Board of Directors voted to forgive the unpaid grant balances.

Note 7. Line of Credit

Casa has a line of credit agreement with Citibank. The credit limit is \$100,000. The interest rate is the prime rate as published in The Wall Street Journal plus 4.75%. The rate was 8% during the year ended June 30, 2015. As of June 30, 2015, the outstanding loan balance is \$83,000. A total of \$3,554 was paid in interest for the year ended June 30, 2015.

Note 8. Promissory Notes

Loan d) \$1,085,000 from Planning and Art Resources for Communities, Inc. (PARC). The advances requested and received are as follows:

October 26, 2007	\$	400,000
August 27, 2010		393,333
September 2, 2011		106,667
June 2, 2012		185,000

The Lender agreed to forgive \$542,500 of the principal amount if, in the Lender's discretion, certain conditions are met. Of \$542,500, \$271,250 has been forgiven, and the balance will be forgiven upon substantial completion of both projects. Contribution revenue for the principal balances to be forgiven was recognized in the periods the funds were advanced. An amendment to extend substantial completion deadline to November 1, 2017 was approved subsequent to the year end.

Because the loan bears no interest, when the loan proceeds were advanced, contribution revenue and a loan discount using 3% rate were recorded. The loan is reported in the statement of financial position net of unamortized discount. The discount on the loans is being amortized to interest expense over the life of the loan. Imputed interest expense of \$16,275 was reported in the accompanying statement of activities for the year ended June 30, 2015.

Note 12. Employee Benefit Plans

Casa maintains a "Cafeteria Plan" for the benefit of its employees. The Plan allows employees working at least 20 hours per week to pay certain qualified expenses on a pre-tax basis.

Casa also maintains a Tax Sheltered Annuity retirement plan with a SIMPLE individual retirement plan under section 408(p) of the Internal Revenue Code. This is a tax deferred retirement plan, under which Casa matches eligible employee contributions up to 3% of the employee's salary. Note 14. Subsequent Events

Casa's management has evaluated subsequent events through November 16, 2015, the date the financial statements were available to be issued.

Subsequent to the year end, Casa entered into a loan agreement to refinance three existing mortgage loans: loan b), loan c), and loan h), (see Note 8). The loan is a variable rate nondisclosable loan in the amount of \$1,245,000. The loan is payable in monthly installments of principal and interest of \$6,432 starting September 4, 2015 through August 4, 2020. The monthly payment is calculated by amortizing the principal balance of the note over thirty years at a fixed interest rate of 4.5%. On August 4, 2020, the interest rate will be adjusted by applying the then current Index plus two and three-quarters percentage points per the loan agreement. The adjusted payments are due monthly through August 4, 2025, at which time the entire amount of outstanding principal and interest are due.

ATTACHMENT 6
HOUSING COMMISSION MULTIFAMILY
HOUSING REVENUE BOND PROGRAM
SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as “private activity bonds” because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City’s faith, credit or taxing power nor of the Housing Authority’s faith and credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of 10% of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AMI. The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally “AAA” or its equivalent with a minimum rating of “A” or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks). Additional security is normally achieved through the provision of outside credit support (“credit enhancement”) by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

Approval Process:

- **Inducement Resolution:** The bond process is initiated when the issuer (Housing Authority) adopts an “Inducement Resolution” to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any

commitment by the Housing Commission, Housing Authority, or the developer to proceed with the financing.

- TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): To assure that projects making use of tax-exempt financing meet appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located (City Council). This process does not make the City financially or legally liable for the bonds or for the project.

[Note: It is uncommon for the members of the City Council to be asked to take two actions at this stage in the bond process—one in their capacity as the City Council (TEFRA hearing and resolution) and another as the Housing Authority (bond inducement). Were the issuer (Housing Authority) a more remote entity, the TEFRA hearing and resolution would be the only opportunity for local elected officials to weigh in on the project.]

- Application for Bond Allocation: The issuance of these “private activity bonds” (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Authority and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the issuance of bonds through adoption of a final resolution authorizing the issuance. Prior to final consideration of the proposed bond issuance, the project must comply with all applicable financing, affordability, and legal requirements and undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders. If rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.

Mr. Joe Correia
San Diego Housing Commission
1122 Broadway, Suite 300
San Diego, California 92101

RE: Bella Vista Apartments

Dear Mr. Correia:

The San Diego Housing Commission (the "Commission") has retained CSG Advisors, Inc. to analyze the feasibility of the proposed bond financing for the Bella Vista Apartments (the "Project"). Our findings are organized as follows:

- Current Project Status and the Proposed Project
- The Proposed Financing
- Project's Projected Financial Status
- Benefits and Risks to the Commission
- Public Purpose
- Negotiation of Additional Public Benefit
- Recommendations

We have based our analysis of the proposed financing on documents provided by Islas Development, LLC (the "Developer"), and on additional conversations and documents provided by representatives of the Developer and Commission staff. The documents examined included the Developer's proposed financial schedules and financing commitments from the proposed lender and investor. CSG has not visited the site of the proposed Project.

CURRENT PROJECT STATUS AND THE PROPOSED PROJECT

The Project will consist of the rehabilitation of an existing property (the "Property") located at 4742 Solola Avenue, San Diego, California (the "Site"). The Property contains 170 units. The Developer proposes to rehabilitate the Property. Rehabilitation of the Project will be financed, from among other sources, equity raised from the sale of "4%" low-income housing tax credit equity and tax-exempt debt issued by the Housing Authority of the City of San Diego (the "Housing Authority").

All units, including the manager's unit, will be subject to affordability restrictions as further described herein.

The Project was originally financed, in 2001, with the proceeds of tax-exempt bonds, equity from 4% Low Income Housing Tax Credits, and subordinate financing from the San Diego Housing Commission. The subordinate loan from the Commission has been fully repaid.

The Project is currently owned by Logan Square Housing Partners, L.P. On May 23, 2016, the Housing Authority approved a resolution evidencing its official intent to conduct a tax-exempt issuance in the not-to-exceed amount of \$23,300,000 for the Project. The resolution also approved submittal of the application to the California Debt Limit Allocation Committee ("CDLAC").

A Housing Assistance Payment (HAP) Section 8 contract covers 144 of the units. The contract is scheduled to expire in October 2027. The Developer has submitted a request to HUD to update the contract rents.

On June 12, 2016, the City Council held a public hearing ("TEFRA") required pursuant to Section 147(f) of the Internal Revenue Code for tax-exempt issuances. The TEFRA hearing remains valid for a period of one year.

On July 22, 2016, the Housing Authority submitted an application to CDLAC for \$23,300,000 in tax-exempt private activity bond authority for the Project.

On September 21, 2016, CDLAC provided an allocation of \$23,300,000 in tax-exempt authority to the Housing Authority for the Project.

THE PROPOSED FINANCING

According to projections provided by the Developer, the total development cost totals approximately \$45,690,950.

The Developer proposes that Citibank Community Capital ("Citibank") serve as the construction and permanent lender. Citibank will purchase two tranches of construction period bonds issue by the Housing Authority:

- Tranche A: fixed-rate, tax-exempt bonds in the proposed amount of \$23,300,000; and
- Tranche B: variable-rate, taxable bonds in the proposed amount of \$12,700,000.

At permanent conversion, the Tranche B bonds will be redeemed and the Tranche A bonds will remain outstanding and amortize to term/maturity.

Bella Vista : Construction and Permanent Source Summary

	<u>Construction</u>	<u>Permanent</u>
Tax-Exempt Bonds	\$23,300,000	\$23,300,000
Taxable Bonds	\$12,700,000	\$0
Tax Credit Equity	\$1,434,300	\$14,343,600

Deferred Developer Fee	<u>\$5,187,350</u>	<u>\$5,187,350</u>
	\$45,481,650	\$45,690,950

Ownership

The ownership entity for the Project will be Bella Vista Affordable Communities, L.P. (the "Borrower"). Pacific Housing, Inc will serve as the Managing General Partner of the Borrower, and Bella Vista Communities, LLC (an affiliate of the Developer) will serve as the Co-General Partner. An affiliate of Aegon USA Realty Advisors, LLC, the tax credit investor, will serve as the investor limited partner.

Tax-Exempt Bond Structure and Credit Enhancement

Construction Loan

The Developer proposes that the Housing Authority issue up to \$23,300,000 of tax-exempt bonds and \$12,700,000 in taxable bonds to finance the rehabilitation of the Project.

The Bonds would be unrated, without credit enhancement, and would be purchased by Citibank on a private placement basis. Solely revenues pledged under the Indenture and Loan Agreement will secure the payment of principal and interest to the Bondholder(s).

As unrated, non-credit enhanced Bonds sold on a private placement basis, the Bonds must meet the minimum requirements of the Commission's policies for such issues (e.g., maximum \$100,000 minimum denominations, no more than 15 Bondholders, etc).

The construction loan would have a term of up to 24 months (with two 6-month extensions). The Tranche A portion of the construction loan would be fixed-rate – based on 18 year LIBOR swap index plus 2.15% (indicative rate as of October 2016 was 3.99%). The Tranche B portion of the construction loan would be variable rate – based on one month LIBOR plus 2.50%. Payments during the construction period will be interest-only.

Permanent Loan

Upon satisfaction of certain conditions to Conversion, the Tranche B construction loan will be repaid, entirely, and the Tranche A portion will continue as a permanent loan.

Per the Citibank commitment letter, the permanent loan would have a term of 30 years from Conversion. Principal and interest payments would be based on a 35-year fully amortizing schedule. However, Citibank reserves the ability to declare the loan due in the 17th year following the conversion to permanent phase. The interest rate for the permanent loan will have been determined according to the Tranche A construction loan interest rate.

Projected Issuance Date

The Developer proposes that the Housing Authority issue the Bonds on or about July 26, 2017. CDLAC has provided an allocation expiration date of August 15, 2017.

Commission Financial Involvement

The Commission has no other financial involvement.

Affordability Restrictions

The Project is subject to the following *existing* regulatory restrictions:

<u>Source of Restriction</u>	<u>Restriction</u>	<u>Expiration Date</u>
San Diego Housing Commission	20 units at 50% AMI; 149 units at 60% AMI	2058
California Tax Credit Allocation Committee	17 units at 50% AMI; 152 units at 60% AMI	2032
Tax-Exempt Bond	17 units at 50% AMI; 152 units at 60% AMI	2057
HUD Section 8 Contract	144 units at 80% AMI (limitation under Section 8 for 144 units covered by Section 8 contract)	2027

Upon implementing the proposed financing, the Project will be subject to the following *new* regulatory restrictions and regulatory terms:

- New bond and tax credit regulatory agreements (in addition to the existing restrictions) will be restricted to 50% and 60% of area median income (AMI). The Developer has elected to restrict 17 units to 50% AMI and 144 units to 60%

AMI. This election reflects voluntary elections under CDLAC and CTCAC and is effective for a term of 55 years.

PROJECT'S PROJECTED FINANCIAL STATUS

Under the proposed financing – according to information provided by the Developer and analysis by CSG – annual debt service on the maximum senior loan would total approximately \$110,269. According to preliminary information provided by the Developer and analysis by CSG, stabilized annual cash flow (before reserves) after construction and lease-up (including Issuer fees) would total approximately \$420,119 at a debt coverage ratio (DCR) of 1.32 (gross cash flow includes income from restricted units and expected Section 8 contract rents). Cash flow after reserves would total approximately \$369,119 (DCR @ 1.28).

THE BENEFITS AND RISKS TO THE COMMISSION

The proposed financing provides for financing for the acquisition and rehabilitation of the Project.

By approving a recommendation to the Housing Authority to move forward with the approval process for the proposed tax-exempt/taxable bond financing, the Commission will not obligate the Commission or the Housing Authority to issue the bonds.

As proposed, the financing will maintain and extend the affordability of 170 units. These units will remain long-term affordable for an additional 55 years.

If the Authority issues the Bonds, the Commission would receive a fee at closing of 0.25% of the issue amount (approximately \$61,425) and an annual fee equal to 0.125% of the outstanding bonds.

PUBLIC PURPOSE

The proposed financing will result in maintaining and extending the affordability of 170 housing units in the City of San Diego. 20 units will be restricted to households earning 50% of AMI or less; 144 units will be restricted to households earning 60% of AMI or less.

The bond and tax credit regulatory agreements will require the above affordability levels for 55 years.

NEGOTIATION OF ADDITIONAL PUBLIC BENEFIT

As noted above, the financing will result in long-term affordability restrictions on 170 units within the Project.

RECOMMENDATIONS

Based upon analysis of the available information, we recommend that the Commission approve moving forward with the proposed issuance. Our recommendation is based upon the following:

- The financing will maintain and extend the affordability on 170 units in the City of San Diego with long-term affordability covenants.
- The Commission has received tax-exempt authority of \$23,300,000 from CDLAC for the Project.
- Citibank and Aegon are currently underwriting the Project.
- The Commission will not be responsible for costs of issuance. The Commission will receive an issuance fee at closing of approximately \$61,425, and a long-term annual fee equal to 0.125% the outstanding bonds i.e., during construction approximately \$45,000 annually, and at conversion approximately \$29,125.
- The net bond financing and tax credit equity will provide approximately \$37,600,000 for development costs.

Contingent Items

The Commission may choose to move forward with the financing subject to the following contingencies:

- As of this writing, neither Citibank nor Aegon have provided final credit approval for the financing. The tax-exempt Bonds cannot be issued without these final approvals.
- As the financing depends upon the continued availability the Section 8 subsidies, HUD must approve the rent increase requested by the Developer.
- Final tax-exempt Bond documents and approving resolution must be approved by the Housing Authority.

Should you require any further information or would like to discuss the Project or the proposed financing in additional detail, please do not hesitate to contact me.

Sincerely,
CSG Advisors

John Hamilton

Re: Memorandum of Blanks – Bella Vista Apartments

The structure known as a “back-to-back tax-exempt loan structure” is being proposed for financing the acquisition and rehabilitation of the multifamily housing project consisting of 170 units plus one manager’s unit located 4742 Solola Avenue (Project). Under the back-to-back loan structure, if the Housing Authority of the City of San Diego (Authority) adopts the resolution authorizing the tax-exempt debt proposed to be issued by the Authority (Resolution) in the form of a “Governmental Lender Note” pursuant to a Funding Loan Agreement, by and among the Authority, Citibank, N.A. (Citibank) and Wilmington Trust, National Association, as Fiscal Agent (Fiscal Agent), Citibank will loan the Authority the amount authorized to finance the Project (Governmental Loan), and the Authority will in turn loan Bella Vista Affordable Communities, L.P., a California limited partnership (Borrower) the amount of the Governmental Loan (Project Loan, and together with the Governmental Loan, Loan) pursuant to the Borrower Loan Agreement, by and between the Authority and the Borrower. The Borrower will own the Project. It is expected the back-to-back loan will close on or about July 28, 2017.

The primary legal documents for the Loan that are referenced in the Resolution currently contain a number of blanks that are related to the aggregate principal amount of the Loan and the initial installment of the principal amount of the Loan, various dates and other matters. Many of the blanks will be determined upon the final underwriting by Citibank, the funding lender, which will be completed closer to the Loan closing date.

Section 2.1 Terms.

(a) **Principal Amount.** The total principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount.

(b) **Draw-Down Funding.** The Funding Loan is originated on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Funding Lender to the Fiscal Agent for deposit by the Fiscal Agent to the Project Fund for the account of the Governmental Lender as and when needed to make each advance in accordance with the disbursement provisions of the Borrower Loan Agreement and the Construction Funding Agreement. Upon each advance of principal under the Borrower Loan Agreement and the Construction Funding Agreement, a like amount of the Funding Loan shall be deemed concurrently and simultaneously advanced under this Funding Loan Agreement, including the initial advance of \$[INITIAL DRAW]. Subject to the terms and conditions of the Borrower Loan Agreement, the Funding Lender agrees to advance, on behalf of the Governmental Lender, to the Fiscal Agent for deposit by the Fiscal Agent to the Project Fund at least \$_____ on the Closing Date, and the Funding Lender agrees to correspondingly and simultaneously advance this amount for the account of the Governmental Lender under this Funding Loan Agreement as an advance on the Funding Loan. Borrower Loan advances and Funding Loan advances shall be allocated first to the Series A-1 Borrower Note and the related Series A-1 Governmental Lender Note and, once the foregoing notes have been fully funded, then to the Series A-2 Borrower Note and the related Series A-2 Governmental Lender Note. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after [July __, 2020]; provided, however, that upon the delivery of a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender such date may be changed to a later date as specified in such Tax Counsel No Adverse Effect Opinion.

The Governmental Lender consents to the terms of the Contingency Draw-Down Agreement and agrees to take all actions requested in writing by the Funding Lender or the Borrower that are reasonably required of the Governmental Lender, in connection with the conversion of the Funding Loan to a fully drawn loan pursuant to the provisions of the Contingency Draw-Down Agreement in the event a Draw-Down Notice is filed by the Funding Lender or the Borrower, all at the expense of the Borrower. The Funding Lender authorizes and directs the Fiscal Agent to enter into the Contingency Draw-Down Agreement.

(c) **Origination Date; Maturity.** The Funding Loan shall be originated on the Closing Date and shall mature on the corresponding Maturity Date at which time the entire principal amount of the portion of the Funding Loan evidenced by the applicable Governmental Note, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) **Principal.** The outstanding principal amount of each Governmental Lender Note and of the Funding Loan as of any given date shall be the total amount advanced to the Fiscal Agent by the Funding Lender to or for the account of the Governmental Lender to fund corresponding advances with respect to the corresponding Borrower Note under the Borrower Loan Agreement and the Construction Funding Agreement as proceeds of the Borrower Loan, less any payments of

principal of the Governmental Lender Note previously received upon payment of corresponding principal amounts under the corresponding Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of each Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Fiscal Agent shall keep a record of all principal advances and principal repayments made under each Governmental Lender Note and shall upon written request provide the Governmental Lender with a statement of the outstanding principal balance of each Governmental Lender Note and the Funding Loan.

If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Notes, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money

that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

The Governmental Lender Notes shall be substantially in the respective forms set forth in Exhibit A attached hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement.

In connection with Conversion, the Funding Lender shall have the right to exchange the then existing Series A-1 Governmental Lender Note on or after the Conversion Date for a new Series A-1 Governmental Lender Note with a dated date of the Conversion Date and in a stated principal amount equal to the then outstanding principal amount of the Series A-1 Governmental Lender Note, which amount will equal the Permanent Period Amount (as defined in the Borrower Loan Agreement) of the Borrower Loan, but shall not otherwise change any material terms of the Series A-1 Governmental Lender Note.

or assignment. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

(e) The Governmental Lender Notes, or any interest therein, shall be in fully registered form transferable to subsequent owners only on the registration books which shall be maintained by the Funding Lender for such purpose and which shall be open to inspection by the Governmental Lender. The Governmental Lender Notes shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

The Fiscal Agent acknowledges that the Funding Lender is the initial registered owner of the Governmental Lender Notes and shall remain the sole registered owner of the Governmental Lender Note except as provided herein. The Funding Lender shall provide written notice to the Fiscal Agent of any transfer by the Funding Lender of the Governmental Lender Notes or any interest of the Funding Lender in the Governmental Lender Notes.

Section 3.2 Notice of Prepayment. Notice of prepayment of a Governmental Lender Note shall be deemed given to the extent that notice of prepayment of the related Borrower Note is

The Fiscal Agent shall disburse moneys in the Project Fund for the acquisition, rehabilitation, development and equipping of the Project, to pay other Qualified Project Costs and to pay other costs related to the Project as provided herein.

Not less than 97% of the moneys deposited in and credited to the Note Proceeds Account of the Project Fund, and taking into account proceeds of the Funding Loan (if any) deposited in the Closing Costs Fund, representing the proceeds of the Funding Loan, including Investment Income thereon, will be expended for Qualified Project Costs (the "97% Requirement"). No more than 2% of the amounts deposited to the Note Proceeds Account of the Project Fund shall be applied to the payment of Closing Costs.

Before any payment shall be made from the Note Proceeds Account of the Project Fund, the Regulatory Agreement shall have been executed and submitted to a title company for recordation in the official records of the County of San Diego.

Before any payment shall be made from the Note Proceeds Account of the Project Fund following the payment to be made on the Closing Date pursuant to the preceding sentence, there shall be filed with the Fiscal Agent a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit C and consented to by the Funding Lender pursuant to the terms, conditions and provisions of the Construction Funding Agreement, with a copy to the Governmental Lender.

(b) Upon receipt of each Written Requisition submitted by the Borrower and approved in writing by the Funding Lender, the Fiscal Agent shall promptly, but in any case within two Business Days, make payment from the appropriate account within the Project Fund in accordance with such Written Requisition. The Fiscal Agent shall have no duty to determine whether any requested disbursement from the Project Fund complies with the terms, conditions and provisions of the Funding Loan Documents, constitutes payment of Qualified Project Costs or complies with the 97% Requirement. The approval in writing of a Written Requisition by the Funding Lender shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, shall constitute conclusive evidence that all of the terms, conditions and requirements of the Funding Loan Documents applicable to such disbursement have been fully satisfied or waived and the Written Requisition from the Borrower shall, insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence that the costs described in the Written Requisition

constitute Qualified Project Costs or other permitted Project costs. These documents shall be retained by the Fiscal Agent, subject at all reasonable times to examination by the Borrower, the Governmental Lender, the Funding Lender and the agents and representatives thereof upon reasonable notice to the Fiscal Agent. The Fiscal Agent is not required to inspect the Project or the construction work or to make any independent investigation with respect to the matters set forth in any Written Requisition or other statements, orders, certifications and approvals received by the Fiscal Agent. The Fiscal Agent is not required to obtain completion bonds, lien releases or otherwise supervise the acquisition, rehabilitation, development and equipping of the Project.

Notwithstanding anything to the contrary contained herein, only the signature of an authorized officer of the Funding Lender shall be required on a Written Requisition during any period in which a default by the Borrower has occurred and is then continuing under the Borrower Loan (notice of which default has been given in writing by an authorized officer of the Funding Lender to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such Written Notice as to the occurrence and continuation of such a default). Furthermore, the Fiscal Agent shall disburse amounts in the Project Fund upon receipt of a Written Requisition signed only by the Funding Lender (and without any need for any signature by an Authorized Borrower Representative) so long as the amount to be disbursed is to be used solely to make payments of principal, interest and/or fees due under the Funding Loan Documents.

The Fiscal Agent shall immediately provide Written Notice to the Borrower, the Funding Lender and the Governmental Lender if there are not sufficient funds available to or on deposit with the Fiscal Agent to make the payments as and when required by this Section 7.7(b). Except as provided in the next sentence, all such payments shall be made by check or draft payable, or by wire transfer in accordance with the payment instructions set forth in the Written Requisition. The Fiscal Agent shall conclusively rely on the payment instructions provided in any Written Requisition or invoices provided in connection therewith, and the Fiscal Agent shall have no duty to authenticate or investigate such payment instructions or the authority under which they were given. Upon the occurrence of an Event of Default of the Borrower of which the Fiscal Agent has knowledge as provided herein, which is continuing under the Funding Loan Documents, with the Written Consent of the Funding Lender, the Fiscal Agent may apply amounts on deposit in the Project Fund to the payment of principal of and interest on the Funding Loan.

(c) Immediately prior to any mandatory prepayment of the Funding Loan pursuant to hereto, any amounts then remaining in the Project Fund shall, at the written direction of the Funding Lender, be transferred to the Funding Loan Payment Fund to be applied to the prepayment of the Funding Loan pursuant hereto.

(d) Amounts on deposit in the Project Fund, other than the deposit to the Note Proceeds Account on the Closing Date (which will be promptly disbursed therefrom pursuant to Section 7.7(a) above) which shall be held uninvested until disbursed, shall be invested in Permitted Investments directed in writing by the Borrower. Investment Income earned on amounts on deposit in each account of the Project Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Project Fund. Upon final disbursement of all amounts on deposit in the Project Fund, the Fiscal Agent shall close the Project Fund.

Section 7.8 Rebate Fund.

(a) The Fiscal Agent shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(b) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Fiscal Agent shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(c) All payments to the United States of America pursuant to this Section shall be made by the Fiscal Agent for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Fiscal Agent by the Borrower or the Rebate Analyst).

(d) The Fiscal Agent shall preserve all statements, forms and explanations received from the Borrower and delivered to the Fiscal Agent and all records of transactions in the Rebate Fund until six years after the retirement of the Governmental Lender Notes.

(e) The Fiscal Agent may conclusively rely on the instructions of the Borrower (based upon the report of the Rebate Analyst) with regard to any actions to be taken by it pursuant to this Section and shall have no liability for any consequences of any failure of the Borrower or the Rebate Analyst to perform its duties or obligations or to supply accurate or sufficient instructions. Except as specifically provided in Subsection (b) above, the Fiscal Agent shall have no duty or responsibility with respect to the Rebate Fund or the Borrower's duties and responsibilities with respect thereto except to follow the Borrower's specific written instruction related thereto.

(f) If at any time during the term of this Funding Loan Agreement the Governmental Lender, the Fiscal Agent or the Borrower desires to take any action that would otherwise be prohibited by the terms of this Section, such person shall be permitted to take such action if it shall first obtain and provide to the other persons named herein, a Tax Counsel No Adverse Effect Opinion and an opinion of Tax Counsel that such action shall be in compliance with the laws of the State and the terms of this Funding Loan Agreement.

(g) Moneys and securities held by the Fiscal Agent in the Rebate Fund shall not be deemed funds of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Owners to secure the Governmental Lender Notes or any other obligations.

(h) Moneys in the Rebate Fund may be separately invested and reinvested by the Fiscal Agent, at the request of and as directed in writing by the Borrower, in Permitted Investments, subject to the Code. The Fiscal Agent shall sell and reduce to cash a sufficient amount of such Permitted Investments, as directed in writing by the Borrower, whenever the cash balance in the Rebate Fund is insufficient for its purposes.

(i) Notwithstanding anything to the contrary in this Funding Loan Agreement, no payment shall be made by the Fiscal Agent to the United States if the Borrower shall furnish to the Governmental Lender and the Fiscal Agent, an opinion of Tax Counsel to the effect that such

payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes. In such event the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Fiscal Agent with respect to such withdrawal.

(j) The Fiscal Agent shall keep and make available to the Governmental Lender and the Borrower records concerning the investments of all funds held by the Fiscal Agent pursuant to the Funding Loan Agreement including date bought and sold, price and commission paid, and bids taken, if any, and shall keep all such records until six years after the date on which neither of the Governmental Lender Notes are Outstanding in order to enable the Borrower to make the computations required under Section 148(f) of the Code.

(k) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 7.8 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Fiscal Agent and the Governmental Lender.

ARTICLE VIII

REPRESENTATIONS AND COVENANTS

Section 8.1 General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a public body corporate and politic, organized and existing under the laws of the State, has the power and authority to (i) enter into the Funding Loan Documents to which it is a party and the transactions contemplated thereby, (ii) incur the limited obligation represented by the Governmental Lender Notes and the Funding Loan, and apply the proceeds of such obligation or loan to finance the Project, and (iii) carry out its other obligations under this Funding Loan Agreement and the Governmental Lender Notes, and by proper action has duly authorized the Governmental Lender's execution and delivery of, and its performance under, the Funding Loan Documents to which it is a party.

(b) The Governmental Lender is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of, (i) the Act, (ii) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (iii) to its knowledge, the provisions of any agreements and instruments to which the Governmental Lender is a party, a default under or violation of which would prevent it from entering into the Funding Loan Agreement, executing and delivering the Governmental Lender Notes, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions on its part contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental

Lender is making no representations as to the necessity of registering the Governmental Lender Notes or the Borrower Notes pursuant to any securities laws or complying with any other requirements of securities laws).

(c) No litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending with respect to which the Governmental Lender has been served with process or, to the knowledge of the Governmental Lender, is threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

(d) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Notes and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the Funding Loan Agreement as evidenced by the Governmental Lender Notes.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR THE BORROWER LOAN, OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2 No Encumbrance on Security. The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

Section 8.3 Repayment of Funding Loan. Subject to the provisions of Articles III and V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Notes, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Notes and this Funding Loan Agreement.

Section 8.4 Servicer. The Funding Lender may appoint a Servicer to service and administer the Governmental Loan and/or the Borrower Loan on behalf of the Funding Lender, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement.

Section 8.5 Borrower Loan Agreement Performance.

(a) The Funding Lender and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any agreement or covenant of the

Governmental Lender under the Borrower Loan Agreement subject to the terms and provisions contained therein, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify the Borrower, the Servicer and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice of such event.

Section 8.6 Maintenance of Records; Inspection of Records.

(a) The Funding Lender shall keep and maintain adequate records pertaining to any funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Funding Loan and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Governmental Lender and its representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loan, if any, and (at their own expense) to make copies thereof.

Section 8.7 Tax Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will:

(a) Require the Borrower to execute the Regulatory Agreement as a condition of funding the Borrower Loan;

(b) Not knowingly take or cause to be taken any action or actions, or knowingly fail to take any action or actions, which would cause the interest payable on the Governmental Lender Notes to be includable in gross income for federal income tax purposes;

(c) Whenever and so often as requested in writing by Funding Lender, the Governmental Lender (at the sole cost and expense of the Borrower), shall do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Governmental Lender Notes will be excluded from the gross income of the Noteowner, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any owner of the Governmental Lender Notes or a portion thereof is a "substantial user" of the facilities financed with the Funding Loan or a "related person" within the meaning of Section 147(a) of the Code;

(d) Not knowingly take any action nor, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, knowingly permit or suffer any action to be taken if

the result of the same would be to cause the Governmental Lender Notes to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations;

(e) Require the Borrower to agree, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan, or any other moneys which may be deemed to be proceeds of the Funding Loan pursuant to the Code, which would cause the Governmental Lender Notes to be “arbitrage bonds” within the meaning of Sections 103(b) and 148 the Code, and to comply with the requirements of the Code throughout the term of the Funding Loan; and

(f) Require the Borrower, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Funding Loan Agreement and the Tax Certificate, the requirements of the Tax Certificate shall control.

For purposes of this Section 8.7 the Governmental Lender’s compliance shall be based solely on matters within the Governmental Lender’s knowledge and control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.8 Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may (but is under no obligation to) perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under (and as such term is defined in) the Borrower Loan Agreement exists.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1 Events of Default. Any one or more of the following shall constitute an event of default (an “**Event of Default**”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Notes when such interest becomes due and payable;

(b) A default in the payment of principal of, or premium on, the Governmental Lender Notes when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise;

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 12.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period, the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender’s satisfaction, with the Funding Lender’s Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default;

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other “Default” or “Event of Default” under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2 Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Notes and the interest accrued to be immediately due and payable, by notice to the Governmental Lender, Borrower and the Equity Investor, and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Notes shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender rescind and annul such declaration and its consequences if:

(i) there has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Funding Loan, (2) the principal of and Prepayment Premium on the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) all Events of Default, other than the non-payment of the principal of the Funding Loan that has become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower, any of the Borrower's partners or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3 Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear from enforcing any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Notes or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Notes, and provided that the Governmental Lender may seek specific performance by the Borrower to enforce the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion (as such term is defined in the Borrower Loan Agreement).

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower, the Equity Investor and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement (subject to applicable notice and cure periods) to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4 Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Rebate Analyst;

(b) Second: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Notes, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding

Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(c) Third: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5 Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Notes may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Notes or the production thereof in any proceeding relating thereto.

Section 9.6 Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8 Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9 Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10 Remedies Under Borrower Loan Agreement or Borrower Notes. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Notes, whether or not the Governmental Lender Notes have been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11 Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in clause (a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12 Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13 Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

ARTICLE X

AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1 Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Notes may be amended or waived only by an instrument signed by the Funding Lender and the Governmental Lender, provided, however, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower or Fiscal Agent shall be made without the consent of the Borrower or Fiscal Agent, as applicable, and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. ARTICLE XI

THE FISCAL AGENT

Section 11.1 Appointment of Fiscal Agent; Acceptance. The Governmental Lender hereby appoints Fiscal Agent as fiscal agent hereunder. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it by this Funding Loan Agreement by executing this Funding Loan Agreement.

Section 11.2 Certain Duties and Responsibilities of Fiscal Agent.

(a) The Fiscal Agent undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent.

(b) If an event of default exists hereunder or under any Borrower Loan Document, the Fiscal Agent shall exercise such of the rights and powers vested in it by this Funding Loan

Agreement, and exercise any rights or duties or remedies solely at the written direction of the Funding Lender.

(c) No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, in each case, as finally adjudicated by a court of law, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Fiscal Agent shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts;

(iii) The Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Funding Lender relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any power conferred upon the Fiscal Agent under this Funding Loan Agreement; and

(iv) No provision of this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it in its sole discretion.

(v) Subject to its rights to indemnification pursuant to Section 11.4 hereof, the Fiscal Agent is directed to enter into the Borrower Loan Documents to which it is a party and other related documents, solely in its capacity as Fiscal Agent.

(d) Whether or not therein expressly so provided, every provision of this Funding Loan Agreement and the other Funding Loan Documents relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section.

(e) The Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Funding Loan Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Funding Loan Agreement.

(f) The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty.

(g) The rights of the Fiscal Agent and limitations of liability enumerated herein and in Section 11.4 shall extend to actions taken or omitted in its role as assignee of the Governmental Lender under the Borrower Loan Agreement and the other Funding Loan Documents.

Section 11.3 Notice of Defaults. Upon the occurrence of any default hereunder or under any Borrower Loan Document and provided that a Responsible Officer of the Fiscal Agent has actual

knowledge or has received Written Notice of the existence of such default, promptly, and in any event within 15 days, the Fiscal Agent shall transmit to the Governmental Lender, the Borrower, the Equity Investor, the Servicer, if any, and the Funding Lender, in the manner and at the addresses for notices set forth in Section 12.1 hereof, notice of such default hereunder known to the Fiscal Agent pursuant to Section 11.4(g) hereof, unless such default shall have been cured or waived.

Section 11.4 Certain Rights of Fiscal Agent. Except as otherwise provided in Section 11.1 hereof:

(a) The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) Any request or direction of the Governmental Lender mentioned herein shall be sufficiently evidenced by a certificate or order executed by an Authorized Governmental Lender Representative;

(c) Whenever in the administration of this Funding Loan Agreement or any Borrower Loan Document the Fiscal Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Fiscal Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Written Certificate of the Governmental Lender, the Funding Lender, the Servicer or the Borrower, as appropriate;

(d) The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Funding Loan Agreement or any Borrower Loan Document at the request or direction of the Funding Lender, pursuant to this Funding Loan Agreement, unless the Funding Lender shall have offered to the Fiscal Agent in writing security or indemnity reasonably satisfactory to the Fiscal Agent against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction, except costs, expenses and liabilities which are adjudicated to have resulted from its own negligence or willful misconduct, provided, that nothing contained in this subparagraph (d) shall be construed to require such security or indemnity for the performance by the Fiscal Agent of its obligations under Article VIII hereof;

(e) The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books and records of the Governmental Lender, if any, and of the Borrower, in either case personally or by agent or attorney after reasonable notice and during normal business hours;

(f) The Fiscal Agent may execute any of its powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and pay reasonable compensation thereto and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The

Fiscal Agent may act upon the advice of counsel of its choice concerning all matters hereof and the Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in good faith reliance upon said advice; and

(g) The Fiscal Agent shall not be required to take notice or be deemed to have notice of any default hereunder or under any Borrower Loan Document except for failure by the Borrower to make payments of principal, interest, premium, if any, or Ongoing Governmental Lender Fee when due, unless a Responsible Officer of the Fiscal Agent shall be specifically notified by a Written Direction of such default by the Governmental Lender, the Servicer or the Funding Lender, and all notices or other instruments required by this Funding Loan Agreement or under any Borrower Loan Document to be delivered to the Fiscal Agent, must, in order to be effective, be delivered in writing to a Responsible Officer of the Fiscal Agent at the Office of the Fiscal Agent, and in the absence of such Written Notice so delivered the Fiscal Agent may conclusively assume there is no default as aforesaid.

Section 11.5 Not Responsible for Recitals. The recitals contained herein and in the Governmental Lender Notes shall be taken as the statements of the Governmental Lender, and the Fiscal Agent assumes no responsibility for their correctness. The Fiscal Agent makes no representations as to the value or condition of the Pledged Revenues, the Security or any part thereof, or as to the title of the Governmental Lender thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Funding Loan Agreement or of the Funding Loan.

The Fiscal Agent shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the funding of the Funding Loan.

The Fiscal Agent shall not be required to monitor the financial condition of the Borrower or the physical condition of the Project. Unless otherwise expressly provided, the Fiscal Agent shall be under no obligation to analyze, review or make any credit decisions with respect to any financial statements, reports, notices, certificates or documents received hereunder but shall hold such financial statements reports, notices, certificates and documents solely for the benefit of, and review by, the Funding Lender and such other parties to whom the Fiscal Agent may provide such information pursuant to this Funding Loan Agreement.

The Fiscal Agent makes no representations as to and shall have no responsibility for the sufficiency of the insurance required under any of the Borrower Loan Documents.

Section 11.6 May Hold Funding Loan. The Fiscal Agent in its individual or any other capacity may become the owner or pledgee of the Funding Loan and may otherwise deal with the Governmental Lender, the Funding Lender and the Borrower with the same rights it would have if it were not Fiscal Agent.

Section 11.7 Moneys Held Hereunder. Moneys held by the Fiscal Agent hereunder need not be segregated from other funds except to the extent required by law. The Fiscal Agent shall be under no liability for interest on any moneys received by it hereunder except as otherwise provided herein.

Section 11.8 Compensation and Reimbursement. Under the Borrower Loan Agreement, the Borrower has agreed to, except as otherwise expressly provided herein, reimburse the Fiscal Agent as provided in this Funding Loan Agreement or the Borrower Loan Agreement, upon its request for all reasonable expenses, disbursements and advances incurred or made by the Fiscal Agent in accordance with any provision of this Funding Loan Agreement (including the reasonable fees, expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Fiscal Agent's negligence or willful misconduct, both as finally adjudicated by a court of law.

When the Fiscal Agent incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally.

(a) The Governmental Lender has no obligation to pay the Fiscal Agent for services rendered.

(b) As security for the performance of the obligations of the Borrower under this Section and for the payment of such compensation, expenses, reimbursements and indemnity, the Fiscal Agent shall have the right to use and apply any moneys held by it as Pledged Revenues.

(c) The Fiscal Agent's rights to compensation and reimbursement shall survive its resignation or removal, the payment of the Funding Loan or the Borrower Loan or the release of this Funding Loan Agreement.

Section 11.9 Fiscal Agent Required; Eligibility. Any successor Fiscal Agent shall at all times be a trust company, a state banking corporation or a national banking association with the authority to accept trusts in the State approved in writing by the Governmental Lender and either (a) have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, (b) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management and have a combined capital and surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition, or (c) be otherwise acceptable to the Funding Lender in its sole and absolute discretion.

Section 11.10 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Fiscal Agent hereunder and no appointment of a successor Fiscal Agent pursuant to this Article shall become effective until the written acceptance by the successor Fiscal Agent of such appointment.

(b) The Fiscal Agent may resign at any time by giving 60 days' Written Notice thereof to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender. If an instrument of acceptance by a successor Fiscal Agent shall not have been delivered to the Fiscal Agent within 30 days after the giving of such notice of resignation, the resigning Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(c) The Fiscal Agent may be removed at any time with 30 days' notice by (i) the Governmental Lender, (ii) the Borrower (unless the Borrower is in default under any of the Borrower Loan Documents), subject to applicable notice and cure periods, with the Written Consent of the Funding Lender and the Governmental Lender, or (iii) the Funding Lender with the Written Consent of the Governmental Lender and Written Notice delivered to the Fiscal Agent and the Borrower.

(d) If the Fiscal Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the Office of the Fiscal Agent for any cause, the Governmental Lender shall promptly appoint a successor Fiscal Agent, with the consent of the Funding Lender, which consent shall not be unreasonably withheld. In case all or substantially all of the Pledged Revenues and Security shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee may similarly appoint a successor to fill such vacancy until a new Fiscal Agent shall be so appointed by the Governmental Lender. If, within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, the Governmental Lender has failed to so appoint a successor Fiscal Agent, then a successor Fiscal Agent shall be appointed by the Funding Lender (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with Written Notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and the retiring Fiscal Agent, and the successor Fiscal Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Fiscal Agent and supersede the successor Fiscal Agent appointed by such receiver or Fiscal Agent. If no successor Fiscal Agent shall have been appointed by the Governmental Lender or the Funding Lender and accepted appointment in the manner hereinafter provided, the Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(e) The retiring Fiscal Agent shall cause Written Notice of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to be provided to the Funding Lender. Each notice shall include the name of the successor Fiscal Agent and the address of the office of the successor Fiscal Agent.

Section 11.11 Acceptance of Appointment by Successor.

(a) Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to the Governmental Lender and to the retiring Fiscal Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Fiscal Agent shall become effective and such successor Fiscal Agent, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers and duties of the retiring Fiscal Agent; notwithstanding the foregoing, on request of the Governmental Lender or the successor Fiscal Agent, such retiring Fiscal Agent shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Fiscal Agent all the estates, properties, rights, powers and trusts of the retiring Fiscal Agent, and shall duly assign, transfer and deliver to such successor Fiscal Agent all property and money held by such retiring Fiscal Agent hereunder. Upon request of any such successor Fiscal Agent, the Governmental Lender shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Fiscal Agent all such estates, properties, rights and powers.

(b) No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

Section 11.12 Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Fiscal Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Fiscal Agent, shall be the successor of the Fiscal Agent hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause Written Notice of such succession to be delivered to the Funding Lender within 30 days of such succession.

Section 11.13 Appointment of Co-Fiscal Agent. It is recognized that in case of litigation under this Funding Loan Agreement, the Borrower Loan Agreement, any other Borrower Loan Document or the Regulatory Agreement, and in particular in case of the enforcement of any of them on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Fiscal Agent or hold title to the properties, as herein provided, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent appoint an additional individual or institution as a separate or co-fiscal agent. The following provisions of this Section are adopted to these ends.

The Fiscal Agent is hereby authorized to appoint an additional individual or institution as a separate or co-fiscal agent hereunder, upon Written Notice to the Governmental Lender, the Funding Lender and the Borrower, and with the consent of the Governmental Lender and the Funding Lender, but without the necessity of further authorization or consent, in which event each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement, any Borrower Loan Document, the Regulatory Agreement or the Borrower Loan Agreement to be exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be exercisable by and vest in such separate or co-fiscal agent but only to the extent necessary to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-fiscal agent shall run to and be enforceable by either of them.

Should any instrument in writing from the Governmental Lender be required by the separate fiscal agent or co-fiscal agent appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, duties and obligations, any and all such instruments in writing shall, on request of the Fiscal Agent, be executed, acknowledged and delivered by the Governmental Lender. In case any separate fiscal agent or co-fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, duties and obligations of such separate fiscal agent or co-fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a successor to such separate fiscal agent or co fiscal agent.

Section 11.14 Loan Servicing. The Governmental Lender and the Fiscal Agent acknowledge that the Funding Lender shall have the right to appoint a Servicer to service and administer the Funding Loan and the Borrower Loan as set forth in a Servicing Agreement. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Servicer or for any acts or omissions of such Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Servicer.

Section 11.15 No Recourse Against Officers or Employees of Fiscal Agent. No recourse with respect to any claim related to any obligation, duty or agreement contained in this Funding Loan Agreement or any other Funding Loan Document shall be had against any officer or employee, as such, of the Fiscal Agent, it being expressly understood that the obligations, duties and agreements of the Fiscal Agent contained in this Funding Loan Agreement and the other Funding Loan Documents are solely corporate in nature.

in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement and to the [Series A-1][Series A-2] Borrower Note for complete payment and prepayment terms of such Borrower Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan Agreement. None of the Governmental Lender, the State, or any political subdivision thereof (except the Governmental Lender, to the limited extent set forth herein) or any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on this Governmental Lender Note or the Funding Loan or for the performance of any pledge, obligation or agreement of any kind whatsoever with respect thereto except as set forth herein and in the Funding Loan Agreement, and none of the Funding Loan or this Governmental Lender Note or any of the Governmental Lender's agreements or obligations with respect to the Funding Loan or this Governmental Lender Note shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. The Governmental Lender has no taxing power.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity and those respecting limitations of liability in Article V of the Funding Loan Agreement.

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and

options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement.

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

This Governmental Lender Note (and the Funding Loan that it represents), and any interests herein or therein, are transferable by the registered owner hereof, but only in the manner, subject to the limitations and upon payment of the charges provided in the Funding Loan Agreement. Upon such transfer a new fully registered Governmental Lender Note will be issued to the transferee in exchange herefor. The Obligor, the Funding Lender and the Fiscal Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, and the Obligor and the Funding Lender shall not be affected by any notice to the contrary.

The Obligor hereby certifies that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Governmental Lender Note do exist, have happened and have been performed in due time, form and manner as required by the Constitution and laws of the State (including the Act) and that the amount of this Governmental Lender Note, together with all other indebtedness of the Obligor, does not exceed any limit prescribed by the Constitution or laws of the State.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note by its authorized representative as of the date first set forth above. The undersigned intends that this instrument shall be deemed to be signed and delivered as a sealed instrument.

Section 2.1. Origination of Borrower Loan. In order to provide funds for the purposes provided herein, the Governmental Lender agrees that it will, in accordance with the Act, enter into

the Funding Loan Agreement and accept the Funding Loan from the Funding Lender. The proceeds of the Funding Loan shall be advanced by the Funding Lender and disbursed by the Fiscal Agent to the Borrower in accordance with the terms of the Construction Funding Agreement and this Borrower Loan Agreement.

The Governmental Lender hereby appoints the Funding Lender as its agent with full authority and power to act on its behalf to disburse the Borrower Loan for the account of the Governmental Lender, to take certain actions and exercise certain remedies with respect to the Borrower Loan, and for the other purposes set forth in this Borrower Loan Agreement and to do all other acts necessary or incidental to the performance and execution thereof. This appointment is coupled with an interest and is irrevocable except as expressly set forth herein. Accordingly, references to the rights of the Funding Lender to take actions under this Borrower Loan Agreement shall refer to Funding Lender in its role as agent of the Governmental Lender. The Funding Lender may designate Servicer to fulfill the rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to this Section 2.1. Notwithstanding the foregoing, disbursements of the Borrower Loan shall be made from the Project Fund held by the Fiscal Agent pursuant to the Funding Loan Agreement.

Section 2.2. Security for the Funding Loan.

(a) As security for the Funding Loan, the Governmental Lender has pledged and assigned to the Funding Lender under and pursuant to the Funding Loan Agreement (a) the Borrower Notes and all of its right, title and interest in and to this Borrower Loan Agreement and the Borrower Loan Documents (except for the Unassigned Rights) and all revenues and receipts therefrom and the security therefor (including the Security Instrument) and (b) the amounts on deposit from time to time in any and all funds established under the Funding Loan Agreement. (iii) **Reserved Rights.** Take whatever action at law or in equity which appears necessary or desirable to enforce the other Unassigned Rights, provided, however, that the Governmental Lender or any person under its control may only enforce any right it may have for monetary damages against Excess Revenues, if any, of the Borrower, unless Funding Lender otherwise specifically consents in writing to the enforcement against other funds of the Borrower.

The proceeds of the Borrower Loan shall be used by the Borrower to pay costs of the acquisition, construction, rehabilitation, development, equipping and/or operation of the Project. The Borrower hereby accepts the Borrower Loan and acknowledges that the Governmental Lender shall cause the Funding Lender to fund the Borrower Loan in the manner set forth herein and in the Funding Loan Agreement. The Governmental Lender acknowledges that the Borrower Loan shall be funded by the Funding Lender to the Fiscal Agent for the account of the Governmental Lender.

(b) The Borrower hereby accepts the Borrower Loan. As evidence of its obligation to repay the Borrower Loan, simultaneously with its execution and delivery of this Borrower Loan Agreement, the Borrower hereby agrees to execute and deliver the Borrower Notes. The Borrower Loan shall mature and be payable at the times and in the amounts required under the terms hereof and of the Borrower Notes.

(c) Closing of the Borrower Loan on the Closing Date shall be conditioned upon satisfaction or waiver by the Governmental Lender and the Funding Lender, in their sole discretion, of each of the conditions precedent to closing set forth in the Funding Loan Agreement and this Borrower Loan Agreement, including but not limited to the following:

(i) evidence of proper recordation of the Security Instrument, an assignment of the Security Instrument from the Governmental Lender to the Funding Lender, the Regulatory Agreement, and each of the other documents specified for recording in instructions delivered to the Title Company by counsel to the Funding Lender (or that such documents have been delivered to an authorized agent of the Title Company for recordation under binding recording instructions from Funding Lender's counsel or such other counsel as may be acceptable to the Funding Lender);

(ii) delivery to the Fiscal Agent or into escrow with the Title Company (or separate escrow company, if applicable) of all amounts required to be paid in connection with the origination of the Borrower Loan and the Funding Loan and any underlying real estate transfers or transactions, including the Costs of Funding Deposit and the Borrower Initial Equity, all as specified in written instructions delivered to the Title Company by counsel to the Funding Lender (or such other counsel as may be acceptable to the Funding Lender) and/or as specified in a closing memorandum of the Funding Lender; and

In addition, closing of the Borrower Loan shall be subject to the delivery of an opinion of counsel to the Borrower addressed to the Governmental Lender and the Funding Lender, dated the Closing Date, in form and substance acceptable to Tax Counsel, regarding the due execution by the Borrower of, and the enforceability against the Borrower of, the Borrower Loan Documents.

Section 2.4. Borrower Loan Payments.

(a) The Borrower shall make Borrower Loan Payments in accordance with the Borrower Notes. Each Borrower Loan Payment made by the Borrower shall be made in funds immediately available to the Fiscal Agent by 2:00 p.m., New York City time, or, if to the Servicer, by 11:00 a.m., New York City time, on the Borrower Loan Payment Date. Each such payment shall be made to the Fiscal Agent or the Servicer, as applicable, by deposit to such account as the Fiscal Agent or Servicer, as applicable, may designate by Written Notice to the Borrower. Whenever any Borrower Loan Payment shall be stated to be due on a day that is not a Business Day, such payment shall be due on the first Business Day immediately thereafter. In addition, the Borrower shall make Borrower Loan Payments in accordance with the Borrower Notes in the amounts and at the times necessary to make all payments due and payable on the Funding Loan. All payments made by the Borrower hereunder or by the Borrower under the other Borrower Loan Documents, shall be made irrespective of, and without any deduction for, any set-offs or counterclaims, but such payment shall not constitute a waiver of any such set offs or counterclaims.

(b) Unless there is no Servicer, payments of principal and interest on the Borrower Notes shall be paid to the Servicer and the Servicer shall then remit such funds to the Fiscal Agent. If there is no Servicer, payments of principal and interest on the Borrower Notes shall be paid directly to the Fiscal Agent.

Section 2.5. Additional Borrower Payments.

(a) The Borrower shall pay the following amounts:

(i) to the Fiscal Agent, the Rebate Amount then due, if any, to be deposited in the Rebate Fund as specified in Section 5.35 hereof and the Rebate Analyst's Fee and any other costs incurred to calculate such Rebate Amount (to the extent such costs are not included in the Borrower Loan Payment);

(ii) to the Governmental Lender, on demand, all fees, charges, costs, advances, indemnities and expenses, including agent and reasonable counsel fees, of the Governmental Lender incurred by the Governmental Lender at any time in connection with the Borrower Loan Documents, the Funding Loan Documents or the Project, including, without limitation, the Ongoing Governmental Lender Fee, reasonable counsel fees and expenses incurred in connection with the interpretation, performance, or amendment and all counsel fees and expenses relating to the enforcement of the Borrower Loan Documents or the Funding Loan Documents or any other documents relating to the Project or the Borrower Loan or in connection with questions or other matters arising under such documents or in connection with any federal or state tax audit;

(iii) [Reserved];

(iv) all Costs of Funding and fees, charges and expenses, including agent and counsel fees incurred in connection with the origination of the Borrower Loan and the Funding Loan, as and when the same become due;

(v) to the Funding Lender, on demand, all charges, costs, advances, indemnities and expenses, including agent and counsel fees, of the Funding Lender incurred by the

Funding Lender at any time in connection with the Borrower Loan, the Funding Loan or the Project, including, without limitation, any Review Fee, reasonable counsel fees and expenses incurred in connection with the interpretation, performance, or amendment and all counsel fees and expenses relating to the enforcement of the Borrower Loan Documents or the Funding Loan Documents or any other documents relating to the Project or the Borrower Loan or in connection with questions or other matters arising under such documents or in connection with any federal or state tax audit;

(vi) all Late Charges due and payable under the terms of the Borrower Notes and Section 2.6 hereof; provided, however, that all payments made pursuant to this subsection (vi) shall be made to the Servicer, and if there is no Servicer, such payments shall be made to the Funding Lender; and

(vii) to the Fiscal Agent, all fees, charges, costs, advances, indemnities and expenses, including agent and reasonable counsel fees, of Fiscal Agent incurred under the Borrower Loan Documents or the Funding Loan Documents as and when the same become due.

(b) The Borrower shall pay to the party entitled thereto as expressly set forth in this Borrower Loan Agreement or the other Borrower Loan Documents or Funding Loan Documents:

(ii) all other payments of whatever nature that the Borrower has agreed to pay or assume under the provisions of this Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document; and

(iii) all expenses, costs and fees relating to inspections of the Project required by the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer or the Construction Consultant, in accordance with the Borrower Loan Documents or the Funding Loan Documents or to reimburse such parties for such expenses, costs and fees.

Section 2.6. Overdue Payments; Payments in Default. If any Borrower Payment Obligation is not paid by or on behalf of the Borrower when due, the Borrower shall pay to the Servicer a Late Charge in the amount and to the extent set forth in the Borrower Notes, if any.

Section 2.7. Calculation of Interest Payments and Deposits to Real Estate Related Reserve Funds. The Borrower acknowledges as follows: (a) calculation of all interest payments shall be made by the Funding Lender in accordance with the terms of the corresponding Borrower Note; (b) deposits with respect to the Taxes and Other Charges shall be calculated by the Servicer or if there is no Servicer, the Funding Lender in accordance with the Security Instrument; and (c) deposits with respect to any replacement reserve funds required by the Funding Lender shall be calculated by the Servicer in accordance with the Replacement Reserve Agreement. In the event and to the extent that the Servicer or the Funding Lender, pursuant to the terms hereof, shall determine at any time that there exists a deficiency in amounts previously owed but not paid with respect to

deposits to such replacement reserve fund, such deficiency shall be immediately due and payable hereunder following Written Notice to the Borrower.

Section 2.8. Grant of Security Interest; Application of Funds. To the extent not inconsistent with the Security Instrument and as security for payment of the Borrower Payment Obligations and the performance by the Borrower of all other terms, conditions and provisions of the Borrower Loan Documents, the Borrower hereby pledges and assigns to the Fiscal Agent and the Funding Lender, and grants to the Fiscal Agent and the Funding Lender, a security interest in, all the Borrower's right, title and interest in and to all payments to or moneys held in the funds and accounts created and held by the Fiscal Agent, the Funding Lender or the Servicer for the Project. This Borrower Loan Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of an Event of Default hereunder, the Fiscal Agent, the Funding Lender and the Servicer shall apply or cause to be applied any sums held by the Fiscal Agent, the Funding Lender and the Servicer with respect to the Project in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion.

Section 2.9. Marshalling; Payments Set Aside. The Governmental Lender, the Fiscal Agent and the Funding Lender shall be under no obligation to marshal any assets in favor of the Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that the Borrower makes a payment or payments or transfers any assets to the Governmental Lender, the Fiscal Agent or the Funding Lender, or the Governmental Lender, the Fiscal Agent or the Funding Lender enforces its liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party in connection with any insolvency proceeding, or otherwise, then: (i) any and all obligations owed to the Governmental Lender, the Fiscal Agent or the Funding Lender and any and all remedies available to the Governmental Lender, the Fiscal Agent or the Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against the Borrower, Guarantor or General Partner and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (ii) below; and (ii) the Governmental Lender, the Fiscal Agent and the Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding) either: (x) the amount of payments or the value of the transfer or (y) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by the Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the Governmental Lender, the Fiscal Agent or the Funding Lender in any bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Governmental Lender, the Fiscal Agent or the Funding Lender in connection with the exercise by the Governmental Lender, the Fiscal Agent or the Funding Lender of its rights under this Section 2.9.

Section 3.1. Conversion Date and Extension of Outside Conversion Date. Borrower shall satisfy each of the Conditions to Conversion and cause the Conversion Date to occur on or before the Outside Conversion Date (including the Extended Outside Conversion Date, if any), as further provided in the Construction Funding Agreement. The failure to satisfy each of the Conditions to Conversion on or before the Outside Conversion Date (including the Extended Outside Conversion Date, if applicable) shall constitute an Event of Default under the Borrower Loan Documents.

Section 3.2. Notice From Funding Lender; Funding Lender's Calculation Final. Following satisfaction of all of the Conditions to Conversion, Funding Lender shall deliver Written Notice to Borrower (with a copy to the Governmental Lender and the Fiscal Agent) of: (i) the Conversion Date, (ii) the amount of the Permanent Period Amount, (iii) any required prepayment of the Borrower Notes (as described below in Section 3.3) and (iv) any amendments to the amortization schedule, as applicable.

Funding Lender's calculation of the Permanent Period Amount and any amendments to the amortization of the Borrower Loan shall be, in the absence of manifest error, conclusive and binding on all parties.

Section 3.3. Mandatory Prepayment of the Borrower Loan. As further provided in the Construction Funding Agreement, if and to the extent the Permanent Period Amount is less than the Interim Phase Amount, Funding Lender may in its sole discretion require Borrower to make a partial prepayment of the Borrower Loan in an amount equal to the difference between the Interim Phase Amount and the Permanent Period Amount, provided, however, that if the Permanent Period Amount is less than the Minimum Permanent Period Amount (as defined in the Construction Funding Agreement), then Funding Lender may in its sole discretion require Borrower to prepay the Borrower Loan in full.

Any prepayment in full or in part of the Borrower Loan required pursuant to the preceding paragraph shall be subject to a prepayment premium under certain circumstances as more particularly set forth in the Borrower Notes.

Section 3.4. Release of Remaining Loan Proceeds. If and to the extent that the Permanent Period Amount is greater than the principal amount of the Borrower Loan which has previously been disbursed to Borrower, Funding Lender shall deliver Written Notice thereof to Borrower (with a copy to the Governmental Lender) on or before the Conversion Date. Within ten (10) business days after delivery of such notice, but in no event later than the Outside Conversion Date, Funding Lender shall advance to the Fiscal Agent, for deposit by the Fiscal Agent to the Note Proceeds Account of the Project Fund under the Funding Loan Agreement, Funding Loan proceeds so that the aggregate principal amount of the Funding Loan and of the Borrower Loan disbursed equals the Permanent Period Amount. Any Borrower Loan proceeds previously disbursed to the Borrower in excess of the Permanent Period Amount shall be paid by Borrower to Fiscal Agent.

Section 3.5. No Amendment. Nothing contained in this Article III shall be construed to amend, modify, alter, change or supersede the terms and provisions of the Borrower Notes, Security

Instrument, the Construction Funding Agreement or any other Borrower Loan Document and, if there shall exist a conflict between the terms and provisions of this Article III and those of the Borrower Notes, Security Instrument, the Construction Funding Agreement or other Borrower Loan Documents, then the terms and provisions of the Borrower Notes, Security Instrument, the Construction Funding Agreement and other Borrower Loan Documents shall control; provided, however, that in the event of a conflict between the terms and provisions of this Article III and those of the Borrower's loan application with the Funding Lender, the terms and provisions of this Article III shall control.

Section 3.6. Determinations by Funding Lender. In any instance where the consent or approval of Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by Funding Lender under this Article III, including in connection with the Construction Funding Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Funding Lender (or its designated representative), at its sole and exclusive option and in its sole and absolute discretion.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1. Borrower Representations. To induce the Governmental Lender to execute this Borrower Loan Agreement and to induce the Funding Lender to make or approve Disbursements, the Borrower represents and warrants for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and will be complete and accurate, and deemed remade, as of the date of each Disbursement, as of the original Outside Conversion Date, as of the date of any extension thereof and as of the Conversion Date in accordance with the terms and conditions of the Borrower Notes. Subject to Section 4.2 hereof, the representations, warranties and agreements set forth in this Section 4.1 shall survive the making of the Borrower Loan, and shall remain in effect and true and correct in all material respects until the Borrower Loan and all other Borrower Payment Obligations have been repaid in full:

Section 4.1.1 Organization; Special Purpose. The Borrower is a limited partnership in good standing under the laws of the State, has full legal right, power and authority to enter into the Borrower Loan Documents to which it is a party, and to carry out and consummate all transactions contemplated by the Borrower Loan Documents to which it is a party, and by proper limited partnership action has duly authorized the execution, delivery and performance of the Borrower Loan Documents to which it is a party. The Person(s) of the Borrower executing the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are fully authorized to execute the same. The Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower. The sole business of the Borrower is the ownership, management and operation of the Project.

Section 4.1.2 Proceedings; Enforceability. Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights

generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

Section 4.1.3 No Conflicts. The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement of the Borrower or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever (other than the lien of the Security Instrument) upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

Section 4.1.4 Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the General Partner or the Guarantor, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantor. None of the Borrower, General Partner or Guarantor is in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, General Partner or Guarantor. None of Borrower, General Partner or Guarantor are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), financial condition of Borrower, General Partner or Guarantor, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), financial condition of Borrower, General Partner or Guarantor, as applicable; or (c) in default with respect to any agreement to which Borrower, General Partner or Guarantor, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), financial condition of Borrower, General Partner or Guarantor, as applicable; and (d) there is no Legal Action pending or, to the knowledge of Borrower, threatened against or affecting

Borrower, General Partner or Guarantor questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

Section 4.1.5 Agreements; Consents; Approvals. Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

Section 4.1.6 Title. The Borrower shall have marketable title to the Project free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (i) a valid, perfected first priority lien on the fee interest in the Project and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

Section 4.1.7 Survey. To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

Section 4.1.8 No Bankruptcy Filing. The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a "Bankruptcy Proceeding"), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9 Full and Accurate Disclosure. No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition of the Borrower or the Borrower's ability to meet its obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

Section 4.1.10 No Plan Assets. The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3 101.

Section 4.1.11 Compliance. The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or the business of the Borrower. There has not been committed by the Borrower or any Borrower Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys paid in performance of the Borrower's obligations under any Borrower Loan Document or any Funding Loan Documents.

Section 4.1.12 Contracts. All service, maintenance or repair contracts affecting the Project have been entered into at arm's length (except for such contracts between the Borrower and any Borrower Affiliate and any Borrower Controlling Entity) in the ordinary course of the Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 4.1.13 Financial Information. All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the best knowledge of the Borrower, (i) are accurate and complete in all material respects, as of their respective dates, (ii) accurately represent the financial condition of the Project as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

Section 4.1.14 Condemnation. No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

Section 4.1.15 Federal Reserve Regulations. No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any “margin stock” within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Borrower Loan Document or Funding Loan Document.

Section 4.1.16 Utilities and Public Access. To the best of the Borrower’s knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower’s responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17 Not a Foreign Person. The Borrower is not a “foreign person” within the meaning of §1445(f)(3) of the Code.

Section 4.1.18 Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19 Assessments. Except as disclosed in the Title Insurance Policy, there are no pending or, to the Borrower’s best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

Section 4.1.20 Enforceability. The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 4.1.21 Insurance. The Borrower has obtained the insurance required by this Borrower Loan Agreement, if applicable, and the Security Instrument and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement, if applicable, and the Security Instrument.

Section 4.1.22 Use of Property; Licenses. The Project will be used exclusively as a multifamily rental housing project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal,

nonconforming use, as applicable, occupancy and operation of the Project (collectively, the “Licenses”) required at this time for the construction or rehabilitation, as appropriate, and equipping of the Project have been obtained. To the Borrower’s knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower’s knowledge, pending or threatened that would result in a change of the zoning of the Project.

Section 4.1.23 Flood Zone. As of the Closing Date, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to the Closing Date, if the Mortgaged Property is determined to be in a Special Flood Hazard Area, Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as required by the Servicer pursuant to its underwriting guidelines.

Section 4.1.24 Physical Condition. The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the construction, rehabilitation and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

Section 4.1.25 Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Servicer or Funding Lender.

Section 4.1.26 State Law Requirements. The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable state laws relating to the Borrower Loan, the Funding Loan and the Project.

Section 4.1.27 Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid or will be paid concurrently with the closing of the Borrower Loan. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

Section 4.1.28 Investment Company Act. The Borrower is not (i) an “investment company” or a company “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended; or (ii) a “holding company” or a “subsidiary company” of a “holding company” or an “affiliate” of either a “holding company” or a “subsidiary company” within the meaning of the Public Utility Holding Company Act of 1935, as amended.

Section 4.1.29 Fraudulent Transfer. The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower’s assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower’s total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower’s assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower’s probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower’s assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

Section 4.1.30 Ownership of the Borrower. Except as set forth in the Partnership Agreement of the Borrower and the exhibits thereto, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in the Borrower.

Section 4.1.31 Environmental Matters. To the best of Borrower’s knowledge, the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or cleanup, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification on the Closing Date.

Section 4.1.32 Name; Principal Place of Business. Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

Section 4.1.33 Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted secured indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date or Conversion Date, and any unsecured loans payable solely from cash flow made by a partner of the Borrower as set forth in the Partnership Agreement.

Section 4.1.34 Filing of Taxes. The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower.

Section 4.1.35 General Tax. All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Certificate are incorporated by reference herein and the Borrower will comply with such as if set forth herein.

Section 4.1.36 Approval of the Borrower Loan Documents and Funding Loan Documents. By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer in any manner.

Section 4.1.37 Funding Loan Agreement. The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

Section 4.1.38 Americans with Disabilities Act. The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 (“ADA”), to the extent required (as evidenced by an architect’s certificate to such effect).

Section 4.1.39 Requirements of Act, Code and Regulations. The Project satisfies all requirements of the Act, the Code and the Regulations applicable to the Project.

Section 4.1.40 Regulatory Agreement. The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act and the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

Section 4.1.41 Intention to Hold Project. The Borrower intends to hold the Project for its own account and has no current plans, and has not entered into any agreement, to sell the Project or any part of it (except for rights granted in the Partnership Agreement and the exhibits thereto); and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know

of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

Section 4.1.42 Concerning General Partner.

(a) The Managing General Partner, is a California nonprofit public benefit corporation, and the Co-General Partner, is a California limited liability company, and each General Partner is duly organized and validly existing under the laws of the State of California. The General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by it for its own account and on behalf of Borrower, as general partner of Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

(b) The General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, or financial condition of General Partner.

(c) The General Partner is duly authorized to do business in the State.

(d) The execution, delivery and performance by Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of General Partner on behalf of Borrower, and by all necessary action on behalf of General Partner.

(e) The execution, delivery and performance by General Partner, on behalf of Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (i) General Partner's organizational documents; (ii) any other Legal Requirement affecting General Partner or any of its properties; or (iii) any agreement to which General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

Section 4.1.43 Government and Private Approvals. All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, rehabilitation, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that Borrower is not required to have as of the Closing Date, will be obtained), and will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower or General Partner of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or General Partner,

as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

Section 4.1.44 Concerning Guarantor. The Borrower Loan Documents and the Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by Guarantor and are legally valid and binding obligations of Guarantor, enforceable against Guarantor in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

Except as previously disclosed to Funding Lender and the Governmental Lender in writing, there exists no material violation of or material default by Borrower under, and, to the best knowledge of Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (i) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (ii) any lease or other agreement affecting the Project or to which Borrower is a party; (iii) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which Borrower or the Project may be bound; or (iv) any mortgage, instrument, agreement or document by which Borrower or any of its respective properties is bound; in the case of any of the foregoing: (1) which involves any Borrower Loan Document or Funding Loan Document; (2) which involves the Project and is not adequately covered by insurance; (3) that might materially and adversely affect the ability of Borrower, General Partner or Guarantor or to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document concerning the Project to which it is a party; or (4) which might adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

Section 4.1.47 Rights to Project Agreements and Licenses. Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.3. Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Section 5.9. Delivery of Financial Information. After notice to the Borrower of a Secondary Market Disclosure Document, the Borrower shall, concurrently with any delivery to the Funding Lender or the Servicer, deliver copies of all financial information required under Article IX.

Section 5.10. Environmental Matters. So long as the Borrower owns or is in possession of the Project, the Borrower shall (a) keep the Project in compliance with all Hazardous Materials Laws (as defined in the Security Instrument), (b) promptly notify the Funding Lender and the Servicer if the Borrower shall become aware that any Hazardous Materials (as defined in the Security Instrument) are on or near the Project in violation of Hazardous Materials Laws, and (c) commence and thereafter diligently prosecute to completion all remedial work necessary with respect to the Project required under any Hazardous Material Laws, in each case as set forth in the Security Instrument or the Agreement of Environmental Indemnification.

Section 5.11. Governmental Lender's and Funding Lender's Fees. The Borrower covenants to pay the reasonable fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee), the Fiscal Agent and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender, the Fiscal Agent or the Funding Lender to act on its behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents, including, without limitation, any and all reasonable expenses incurred in connection with the making of the Borrower Loan or in connection with any litigation which may at any time be instituted involving the Borrower Loan, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.12. Estoppel Statement. The Borrower shall furnish to the Funding Lender, the Fiscal Agent or the Servicer for the benefit of the Funding Lender or the Servicer within ten (10) days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth (i) the unpaid principal of the Borrower Notes, (ii) the applicable Interest Rate, (iii) the date installments of interest and/or principal were last paid, (iv) any offsets or defenses to the payment of the Borrower Payment Obligations, and (v) that the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or Servicer, tenant estoppel certificates from each commercial tenant at the Project in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. The Funding Lender shall have no obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Fiscal Agent's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of the Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer to collect the Borrower Notes, or to enforce the rights of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under this Borrower Loan Agreement or any other the Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and

accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) and 43(i) of the Security Instrument.

Section 5.15. Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender, the Fiscal Agent or Funding Lender pursuant hereto, pursuant to the Regulatory Agreement and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, the Beneficiary Parties, Citigroup, Inc., and each of their respective commissioners, officers, directors, employees, attorneys and agents (each an “Indemnified Party”), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the “Liabilities”) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any Borrower’s obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Lien) or charge upon payments by the Borrower to the Governmental Lender, the Fiscal Agent or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender, the Fiscal Agent or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project;

(e) The enforcement of, or any action taken by the Governmental Lender, the Fiscal Agent or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(g) Any Determination of Taxability;

(h) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or their Affiliates to Governmental Lender, the Fiscal Agent the Funding Lender, Servicer or any other Person in connection with the Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(i) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(j) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(k) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Governmental Lender or any related Indemnified Party, to the extent such damages are caused by the willful misconduct of such Indemnified Party, and except in the case of the foregoing indemnification of the Funding Lender or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which

approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement.

The foregoing provisions of this Section 5.15 are not intended to and shall not negate, modify, limit or change the provisions of Section 9 of the Borrower Notes.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Lender or Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation, at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18. Notice of Default. The Borrower will provide the Governmental Lender, the Funding Lender and the Servicer as soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Potential Default or Event of Default with a statement of an Authorized Representative of Borrower describing the details of such Potential Default or Event of Default and any curative action Borrower proposes to take.

Section 5.19. Covenant with Governmental Lender and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Notes and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be

for the benefit of the Governmental Lender, the Fiscal Agent, the Funding Lender and any lawful owner, holder or pledgee of the Borrower Notes or the Governmental Lender Notes from time to time.

Section 5.20. Obligation of the Borrower to Construct or Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to construct or rehabilitate, as appropriate, and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction or rehabilitation, as appropriate, and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender, the Fiscal Agent and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21. Maintenance of Insurance. Borrower will maintain the insurance required by the Security Instrument.

Section 5.22. Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Funding Lender:

(a) Financial Statements; Rent Rolls. In the manner and to the extent required under the Security Instrument, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required by the Security Instrument and the other Borrower Loan Documents and Funding Loan Documents, in the form and within the time periods required therein;

(b) General Partner. As soon as available and in any event within one hundred twenty (120) days after the end of each fiscal year of General Partner, copies of the financial statements of General Partner as of such date, prepared in substantially the form previously delivered to the Funding Lender and in a manner consistent therewith, or in such form (which may include a form prepared in accordance with GAAP) as Funding Lender may reasonably request;

(c) Leasing Reports. Prior to the Conversion Date, on a monthly basis (and in any event within fifteen (15) days after the end of each Calendar Month), a report of all efforts made by Borrower, if any, to lease all or any portion of the Project during such Calendar Month and on a cumulative basis since Project inception, which report shall be prepared and delivered by Borrower, shall be in form and substance satisfactory to Funding Lender, and shall, if requested by Funding Lender, be supported by copies of letters of intent, leases or occupancy agreements, as applicable;

(d) Audit Reports. Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual,

interim or special audit of the financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(e) Notices; Certificates or Communications. Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or General Partner naming Governmental Lender or Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(f) Certification of Non-Foreign Status. Promptly upon request of Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by Funding Lender;

(g) Compliance Certificates. Together with each of the documents required pursuant to Section 5.22(a) hereof submitted by or on behalf of Borrower, a statement, in form and substance satisfactory to Funding Lender and certified by an Authorized Borrower Representative, to the effect that Borrower is in compliance with all covenants, terms and conditions applicable to Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(h) Other Items and Information. Such other information concerning the assets, business, financial condition, operations, property and results of operations of Borrower, General Partner, Guarantor or the Project, as Funding Lender or Governmental Lender reasonably requests from time to time.

Borrower shall furnish to Governmental Lender, upon its written request, any of the items described in the foregoing subsections (a) through and including (h) above.

Section 5.23. Additional Notices. Borrower will, promptly after becoming aware thereof, give notice to Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against Borrower, General Partner or Guarantor, or any Legal Action which is threatened against Borrower, General Partner or Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, assets, management, ownership or financial condition of Borrower, General Partner, Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower, General Partner or Guarantor is a party or by or to which Borrower, General Partner or Guarantor, or any of their respective properties or assets, may be bound or subject, which default would have a

material adverse effect on the business, operations, assets (including the Project), or financial condition of Borrower, General Partner or Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least fifteen percent (15%) of the tenants at the Project have been received by Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of Borrower's or General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or General Partner; or (iii) the nature of the trade or business of Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24. Compliance with Other Agreements; Legal Requirements.

(a) Borrower shall timely perform and comply with, and shall cause General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. Funding Lender and Governmental Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as Funding Lender or Governmental Lender, as applicable, may request and otherwise cooperate with Funding Lender or Governmental Lender, as applicable, in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25. Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation, as the case may be, of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to Borrower's rights of contest under Section 10.16 hereof) ("Completion") on or before the Completion Date. Borrower shall thereafter maintain the Project as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance.

Section 5.26. Fixtures. Borrower shall deliver to Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27. Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement, before using or applying such Gross Income for any other purpose. Prior to the Conversion Date, Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of Funding Lender.

Section 5.28. Leases and Occupancy Agreements.

(a) ***Lease Approval.***

(i) Borrower has submitted to Funding Lender, and Funding Lender has approved, Borrower's standard form of tenant lease for use in the Project. Borrower shall not materially modify that approved lease form without Funding Lender's prior Written Consent in each instance, which consent shall not be unreasonably withheld or delayed. Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without Funding Lender's prior Written Consent if:

(A) The lease is a Permitted Lease, and is executed in the form attached as an exhibit to the Construction Funding Agreement without material modification;

(B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the lease; and

(C) The lease conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, Funding Lender may make written demand on Borrower to submit all future leases for Funding Lender's approval prior to execution. Borrower shall comply with any such demand by Funding Lender.

(iii) No approval of any lease by Funding Lender shall be for any purpose other than to protect Funding Lender's security for the Borrower Loan and to preserve Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by Funding Lender shall result in a waiver of any default of Borrower. In no event shall any approval by Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(b) **Landlord's Obligations.** Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) **Leasing and Marketing Agreements.** Except as may be contemplated in the Management Agreement with Borrower's Manager, Borrower shall not without the approval of Funding Lender enter into any leasing or marketing agreement and Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lender, Borrower will furnish to Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to Funding Lender and consents to such assignments where required by Funding Lender, all in form and substance acceptable to Funding Lender. Neither Borrower nor General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to Funding Lender.

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Borrower Notes, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31. ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA.

Section 5.32. Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. Funding Lender shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then Funding Lender may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Borrower covenants that it shall comply with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, Borrower shall not take any action, or permit any action to be taken, that would cause Borrower's representations and warranties in this Article V become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, Borrower shall certify in writing to such Beneficiary Party that Borrower's representations, warranties and obligations under Article V remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. Borrower shall immediately notify the Funding Lender in writing of (a) Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. Borrower shall also reimburse Funding Lender for any expense incurred by Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon Funding Lender as a result thereof.

Section 5.33. Funds from Equity Investor. Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms, conditions and adjustments of the Partnership Agreement.

Section 5.34. Tax Covenants. The Borrower further represents, warrants and covenants as follows:

(a) **General.** The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Notes from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Notes, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Notes, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion, as such term is defined in the Funding Loan Agreement (other than with respect to interest on any portion of

the Governmental Lender Notes for a period during which such portion of the Governmental Lender Notes are held by a “substantial user” of any facility financed with the proceeds of the Governmental Lender Notes or a “related person,” as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) **Use of Proceeds.** The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) **Limitation on Net Proceeds.** At least 95% of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended by Borrower shall be used to pay Qualified Project Costs that are costs of a “qualified residential rental project” (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is “functionally related and subordinate” thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) **Limit on Costs of Funding.** The proceeds of the Funding Loan will be expended by Borrower for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding.

(iii) **Prohibited Facilities.** The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) **Limitation on Land.** Less than 25 percent of the net proceeds of the Funding Loan actually expended by Borrower will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) **Limitation on Existing Facilities.** No portion of the net proceeds of the Funding Loan will be used by Borrower for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term “rehabilitation expenditures” shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) **Accuracy of Information.** The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower’s information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vii) **Limitation of Project Expenditures.** The acquisition and rehabilitation of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the resolution of the Governmental Lender with respect to the Project on June 16, 2016, and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition or construction of the Project was paid or incurred prior to 60 days prior to such date, except for permissible “preliminary expenditures”, which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of the acquisition and rehabilitation of the Project.

(viii) **Qualified Costs.** The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan shall be used or deemed used by Borrower exclusively to pay Qualified Project Costs.

(c) **Limitation on Maturity.** The average maturity of the Governmental Lender Notes does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the net proceeds of the Funding Loan. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Funding Loan or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) **No Arbitrage.** The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Funding Loan or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Notes to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Borrower Notes relating to the Funding Loan, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Funding Loan, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Funding Loan to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Funding Loan and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter, and not later than forty-five days after the final Computation Date, and agrees that the Borrower will pay

all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) **No Federal Guarantee.** Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Notes to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) **Representations.** The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Notes for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) **Qualified Residential Rental Project.** The Borrower hereby covenants and agrees that the Project will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Notes remain outstanding, to the end that the interest on the Governmental Lender Notes shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) **Information Reporting Requirements.** The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Notes to be filed with the Internal Revenue Service within prescribed time limits.

(i) **Funding Loan Not a Hedge Bond.** The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan will be used to carry out the governmental purposes of the Funding Loan within the three-year period beginning on the Closing Date.

(j) **Termination of Restrictions.** Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) **Public Approval.** The Borrower covenants and agrees that the proceeds of the Funding Loan will not be used by Borrower in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Funding Loan.

(l) **40/60 Test Election.** The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) **Modification of Tax Covenants.** Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Notes to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Notes in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all reasonable fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Funding Loan or the Governmental Lender Notes in an amount related to the amount of the Borrower Loan.

Section 5.35. Payment of Rebate.

(a) **Arbitrage Rebate.** The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Governmental Lender Notes in accordance with Section 148(f) of the Code including:

(i) ***Delivery of Documents and Money on Computation Dates.*** The Borrower will deliver to the Fiscal Agent, with a copy to the Funding Lender, within 55 days after each Computation Date:

(A) with a copy to the Governmental Lender, a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) with a copy to the Governmental Lender, an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) ***Correction of Underpayments.*** If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the Fiscal Agent (for deposit to the Rebate Fund) and cause the Fiscal Agent to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Fiscal Agent an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Notes from becoming arbitrage bonds within the meaning of Section 148 of the Code.

(iii) ***Records.*** The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Notes or the date the Funding Loan is retired in full.

(iv) ***Costs.*** The Borrower agrees to pay all of the reasonable fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) ***No Diversion of Rebatable Arbitrage.*** The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing

requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) **Modification of Requirements.** If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion (as defined in the Funding Loan Agreement) with respect to such action.

(b) **Rebate Fund.** The Borrower acknowledges that the Fiscal Agent shall establish and hold a separate fund designated as the “Rebate Fund” under the Funding Loan Agreement and deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto, as further described in Section 7.8 of the Funding Loan Agreement.

Section 5.36. Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender that by its nature cannot be delegated or assigned.

Section 5.37. Continuing Disclosure Agreement. The Borrower and the Funding Lender shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Funding Loan, the Borrower and other matters as specifically provided for in such agreement.

Section 6.3. Change in Business or Operation of Property. Enter into any line of business other than the ownership and operation of the Project, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business and activities incidental or related thereto or otherwise cease to operate the Project as a multi-family property or terminate such business for any reason whatsoever (other than temporary cessation in connection with construction or rehabilitation, as appropriate, of the Project).

Maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become “plan assets,” whether by operation of law or under regulations promulgated under ERISA.

Section 6.12. No Hedging Arrangements. Without the prior Written Consent of the Funding Lender or unless otherwise required by this Borrower Loan Agreement, the Borrower will not enter into or guarantee, provide security for or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

Section 6.13. Loans and Investments; Distributions; Related Party Payments.

(a) Without the prior Written Consent of Funding Lender in each instance, Borrower shall not (i) lend money, make investments, or extend credit, other than in the ordinary course of its business as presently conducted; or (ii) except as set forth in the Partnership Agreement including any exhibit thereto, repurchase, redeem or otherwise acquire any interest in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower, or make any distribution, in cash or in kind, in respect of interests in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower (except to the extent permitted by the Security Instrument and subject to the limitations set forth in Section 5.27 hereof).

(b) Disbursements for fees and expenses of any Borrower Affiliate and developer fees (however characterized) will only be paid to the extent that such fee or expense bears a proportionate relationship to the percentage of completion of the construction or rehabilitation, as the case may be, of the Improvements, as determined by the Construction Consultant, and only after deducting the applicable Retainage. Except as otherwise permitted hereunder or by the Funding Lender, no Disbursements for the Developer Fee or any “deferred developer fees” shall be made prior to the Conversion Date other than in accordance with the Approved Developer Fee Schedule.

Section 6.14. Amendment of Related Documents or CC&R’s. Without the prior Written Consent of Funding Lender in each instance, except as provided herein or in the Construction Funding Agreement, Borrower shall not enter into or consent to any amendment, termination, modification, or other alteration of any of the Related Documents or any of the CC&R’s (including, without limitation, those contained in the Borrower Loan Agreement, any Architect’s Agreement or Engineer’s Contract, any Construction Contract, and any Management Agreement, but excluding the Partnership Agreement, which is covered by Section 6.10), or any assignment, transfer, pledge or hypothecation of any of its rights thereunder, if any.

Section 6.15. Personal Property. Borrower shall not install materials, personal property, equipment or fixtures subject to any security agreement or other agreement or contract wherein the right is reserved to any Person other than Borrower to remove or repossess any such materials, equipment or fixtures, or whereby title to any of the same is not completely vested in Borrower at the

time of installation, without Funding Lender's prior Written Consent; provided, however, that this Section 6.15 shall not apply to laundry equipment or other equipment that is owned by a third-party vendor and commercial tenants.

Section 6.16. Fiscal Year. Borrower and General Partner agree that no sign shall be posted on the Project in connection with the construction or rehabilitation of the Improvements unless such sign identifies Citigroup and its affiliates as the source of the financing provided for herein or Funding Lender consents to not being identified on any such sign.

Section 6.18. Subordinate Loan Documents. Without Funding Lender's prior written consent, Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Subordinate Loan Documents.

(k) subject to Section 10.16 hereof, Borrower fails to pay when due any monetary obligation (other than pursuant to this Borrower Loan Agreement) to any Person in excess of \$100,000, and such failure continues beyond the expiration of any applicable cure or grace periods;

(l) any material litigation or proceeding is commenced before any Governmental Authority against or affecting Borrower, any General Partner or Guarantor, or property of Borrower, any General Partner or Guarantor, or any part thereof, and such litigation or proceeding is not defended diligently and in good faith by Borrower, any General Partner or Guarantor, as applicable, provided that any such material litigation or proceeding against a Guarantor shall not constitute an Event of Default: (i) if such material litigation is commenced on or after the date upon which the Guaranty terminates in accordance with its

terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such material litigation or proceeding is commenced prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(m) a final judgment or decree for monetary damages in excess of \$50,000 or a monetary fine or penalty (not subject to appeal or as to which the time for appeal has expired) is entered against Borrower, any General Partner or Guarantor by any Governmental Authority, and such judgment, decree, fine or penalty is not paid and discharged or stayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, within ten (10) days after entry thereof or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, within thirty (30) days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment, fine or penalty) , provided that any such judgment, decree, fine or penalty against a Guarantor shall not constitute an Event of Default: (i) if such judgment, decree, fine or penalty is entered on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, decree, fine or penalty is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(n) a final, un-appealable and uninsured money judgment or judgments, in favor of any Person other than a Governmental Authority, in the aggregate sum of \$50,000 or more shall be rendered against Borrower, any General Partner or Guarantor, or against any of their respective assets, that is not paid, superseded or stayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, within ten (10) days after entry thereof or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, within thirty (30) days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment); or any levy of execution, writ or warrant of attachment, or similar process, is entered or filed against Borrower, any General Partner or Guarantor, or against any of their respective assets (that is likely to have a material adverse effect upon the ability of Borrower, any General Partner or Guarantor to perform their respective obligations under this Borrower Loan Agreement, any other Borrower Loan Document or any Related Document), and such judgment, writ, warrant or process shall remain unsatisfied, unsettled, unvacated, unhanded and unstayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, for a period of ten (10) days or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, for a period of thirty (30) days, or in any event later than five (5) Business Days prior to the date of any proposed sale thereunder, provided that any such judgment, levy, writ, warrant, attachment or similar process against a Guarantor shall

not constitute an Event of Default: (i) if such judgment, levy, writ, warrant, attachment or similar process is entered on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, levy, writ, warrant, attachment or similar process is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(o) the inability of Borrower to satisfy any condition for the receipt of a Disbursement hereunder (other than an Event of Default specifically addressed in this Section 8.1) and failure to resolve the situation to the satisfaction of Funding Lender for a period in excess of thirty (30) days after Written Notice from Funding Lender unless caused by Force Majeure;

(p) the construction or rehabilitation of the Improvements is abandoned or halted prior to completion for any period of thirty (30) consecutive days caused by Force Majeure;

(q) Borrower shall fail to keep in force and effect any material permit, license, consent or approval required under this Borrower Loan Agreement, or any Governmental Authority with jurisdiction over the Mortgaged Property or the Project orders or requires that construction or rehabilitation of the Improvements be stopped, in whole or in part, or that any required approval, license or permit be withdrawn or suspended, and the order, requirement, withdrawal or suspension remains in effect for a period of thirty (30) days;

(r) failure by the Borrower to Substantially Complete the construction or rehabilitation, as the case may be, of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Substantial Completion Date;

(s) failure by Borrower to complete the construction or rehabilitation, as the case may be, of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Completion Date;

(t) failure by Borrower to satisfy the Conditions to Conversion on or before the Outside Conversion Date;

(u) an "Event of Default" or "Default" (as defined in the applicable agreement) shall occur under any of the Subordinate Loan Documents, after the expiration of all applicable notice and cure periods; or

(v) Borrower fails to obtain all grading, foundation, building and all other construction permits, licenses and authorizations from all applicable Governmental Authorities or third parties necessary for the completion of the construction or rehabilitation, as the case may be, of the Improvements, and the operation of, and access to, the Project, prior to the commencement of any work for which such permit, license or authorization is required; or

(w) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 8.1), as and when required, that continues for a period of thirty (30) days after written notice of such failure by Funding Lender or the Servicer on its behalf to the Borrower; provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such thirty (30) day period, and the Borrower shall have commenced to cure such failure within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed sixty (60) days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the Borrower Notes or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2. Remedies.

Section 8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action (whether directly or by directing the actions of the Fiscal Agent), without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Notes to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender or the Fiscal Agent, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and

effect until they have exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender, the Fiscal Agent and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor under the Borrower Loan Documents or the Funding Loan Documents shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3 Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender or the Fiscal Agent shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender and the Fiscal Agent reserve the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4 Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of the Borrower to the Funding Lender or the Fiscal Agent arising under or connected with this Borrower Loan Agreement and the other the Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not the Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and the Borrower hereby grants to the Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by the Funding Lender to or for the credit or the account of the Borrower.

Section 8.2.5 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement, and any other the Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6 Accounts Receivable. Upon the occurrence of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books,

records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

Section 8.2.7 Defaults under Other Documents. Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Loan Documents, but shall have no obligation to do so.

Section 8.2.8 Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of Borrower to fail to be true and correct in all material respects, unless and until Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

Section 8.2.9 Completion of Improvements. Upon the occurrence of any Event of Default, Funding Lender shall have the right to cause an independent contractor selected by Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.10 Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender or the Fiscal Agent, provided that only the Governmental Lender may enforce the Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11 Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

- (a) to use any of the funds of Borrower or General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the construction or rehabilitation, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project or the Improvements, or may be necessary or desirable for the completion of the construction or rehabilitation, as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction or rehabilitation, as the case may be, of the Improvements, which Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury; and

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Notes, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

ARTICLE IX

SPECIAL PROVISIONS

Section 9.1. Sale of Note and Secondary Market Transaction.

Section 9.1.1 Cooperation. Subject to the restrictions of Section 2.4 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be

provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Notes or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Notes (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the Governmental Lender shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2 Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a "Secondary Market Disclosure Document"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof,

with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

The Borrower and the Funding Lender agree and acknowledge that the Governmental Lender undertakes no obligation hereunder or in the Funding Loan Agreement to participate in the preparation of, or to approve, any Secondary Market Disclosure Document.

Section 9.1.3 Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon a misrepresentation by Borrower in the Provided Information in a Secondary Market Disclosure Document.

Section 9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding Lender and the underwriter group for any securities (the “Underwriter Group”) for any Liabilities to which Funding Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Servicer or the Underwriter Group in connection with defending or investigating the Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to

the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

Section 9.1.6 Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties by written notice as provided herein.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in

connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Notes and the assignment of the Borrower Notes to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer.

Section 10.4. Preferences. The Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender or the Servicer, or the Governmental Lender or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer.

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender, the Fiscal Agent or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other the Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender or the Servicer with respect to a Borrower Loan Payment. Any assignee of Funding Lender's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any

such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lender and the Servicer (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their Affiliates. All news releases, publicity or advertising by the Borrower or Borrower Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's or Fiscal Agent's rights, title, obligations and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, subject in any event to the provisions of Section 2.4 of the Funding Loan Agreement. Upon such assignment, all references to Funding Lender or the Fiscal Agent, as appropriate, in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that the Borrower has delivered, or caused to be delivered, to Funding Lender with reference to the Borrower, General Partner, Guarantor or any Borrower Affiliate, or the Project, including information that the Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or the Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11. [Reserved].

Section 10.12. Governmental Lender, Funding Lender and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer. Neither the Governmental Lender, the Funding Lender, the Fiscal Agent nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Borrower, or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13. Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14. Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Notes, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11, 5.14, 5.15, 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15 hereof, as well as under Section 5.7 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15. Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or

observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Notes.

Section 10.16. Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Funding Lender of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Funding Lender's judgment, a reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by Borrower, in order to make such payment.

Section 10.17. Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by Funding Lender. Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of Funding Lender. No such approval shall result in a waiver of any default of Borrower. In no event shall Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18. Funding Lender Determination of Facts. Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such

payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20. Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21. Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to enforce a judgment against Borrower or any of Borrower's assets in any court of any other jurisdiction where Borrower's assets are located.

Section 10.23. Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.24. Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25. Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality

of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further Disbursements nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26. Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27. Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28. Servicer. Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Notes, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29. Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30. Waiver of Trial by Jury. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

IF FOR ANY REASON THIS WAIVER IS DETERMINED TO BE UNENFORCEABLE, ALL DISPUTES WILL BE RESOLVED BY JUDICIAL REFERENCE PURSUANT TO THE PROCEDURES SET FORTH IN THE SECURITY INSTRUMENT.

Section 10.31. Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.32. [Reserved].

Section 10.33. Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of the first day of July, 2017, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI

LIMITATIONS ON LIABILITY

Section 11.1. Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Notes.

Section 11.2. Limitation on Liability of Governmental Lender. The Governmental Lender shall not be obligated to pay the principal (or prepayment price) of or interest on the Funding Loan, except from moneys and assets received by the Fiscal Agent or the Funding Lender on behalf of the Governmental Lender pursuant to this Borrower Loan Agreement. Neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, nor the faith and credit of the Governmental Lender is pledged to the payment of the principal (or prepayment price) of or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Borrower Loan Agreement or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Borrower Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of moneys to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Borrower Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or prepayment price) of and interest on the Funding Loan as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Fiscal Agent, the Funding Lender or the Servicer, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment price) of or interest on the Funding Loan, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Funding Lender, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Funding Lender, the Governmental Lender or any such third party, as the case may be, therefor.

Section 11.3. Waiver of Personal Liability. No commissioner, member, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of any principal (or prepayment price) of or interest on the Funding Loan or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Borrower Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Borrower Loan Agreement.

Section 11.4. Limitation on Liability of Governmental Lender's or Funding Lender's Commissioners, Officers, Employees, Etc.

(a) Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender, provided, however, this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of Governmental Lender,

the Fiscal Agent and the Funding Lender, nor the other Beneficiary Parties or their respective commissioners, officers, directors, employees or agents shall be liable or responsible for (i) for any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes gross negligence or willful misconduct on the part of the Funding Lender, or willful misconduct of the Governmental Lender.

(b) None of the Governmental Lender, the Fiscal Agent, the Funding Lender, the other Beneficiary Parties or any of their respective commissioners, officers, directors, employees or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against the Borrower or others or against the Project. Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. Neither the Governmental Lender nor the Funding Lender is a joint venture partner with Borrower in any manner whatsoever. Prior to default by Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5. Delivery of Reports, Etc. The delivery of reports, information and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Borrower Loan Agreement against the Governmental Lender and the Funding Lender.

The defined terms used in the preamble and recitals of this Regulatory Agreement have been included for convenience of reference only, and the meaning, construction and interpretation of all defined terms shall be determined by reference to this Section 1 notwithstanding any contrary definition in the preamble or recitals hereof. The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

(b) The Borrower’s reasonable expectations respecting the total cost of the acquisition, rehabilitation and equipping of the Project and the disbursement of Governmental Lender Notes and Borrower Loan proceeds are accurately set forth in the Borrower’s Tax Certificate attached to the Tax Certificate which has been delivered to the Governmental Lender.

(c) The Borrower will proceed with due diligence to complete the acquisition, rehabilitation and equipping of the Project and expects to expend the full amount of the proceeds of the Borrower Loan for Project Costs prior to three years from the Closing Date.

(d) The statements made in the various certificates delivered by the Borrower to the Governmental Lender or the Fiscal Agent are true and correct in all material respects.

(e) Money on deposit in any fund or account in connection with the Borrower Loan, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower, in a manner which would cause the Governmental Lender Notes to be “arbitrage bonds” within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Governmental Lender Notes from being “arbitrage bonds” under the Code.

(f) The Borrower (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Borrower Loan, the Governmental Lender Notes, or the sale of the Governmental Lender Notes or an interest therein to be applied in a manner contrary to the requirements of the Construction Phase Financing Agreement, the Borrower Loan Agreement, the Funding Loan Agreement or this Regulatory Agreement. Neither the Borrower nor any Affiliated Party shall purchase any interest in the Governmental Lender Notes and shall not take any action that would cause the Governmental Lender Notes to be considered federally guaranteed within the meaning of Section 149(b)(2)(B)(ii) of the Code.

(g) The Borrower shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof.

The Borrower hereby acknowledges and agrees that the Project will be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) until the expiration of the Qualified Project Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired, rehabilitated and equipped for the purpose of providing multifamily residential rental property, and the Borrower shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink; provided that any tenant may, but shall not be obligated to, provide a refrigerator for the unit to be occupied.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park;

provided, however, that use of certain units for tenant guests on an intermittent basis shall not be considered a transient use for purposes of this Regulatory Agreement.

(d) No part of the Project will at any time be owned or used as a condominium or by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to a condominium or cooperative ownership except with the prior written approving opinion of Special Counsel that by reason of any such action the interest on the Governmental Lender Notes will not become includable in gross income for federal income tax purposes.

(e) All of the dwelling units (except for [one- CONFIRM] manager's unit described in (g) below) will be available for rental on a continuous basis to members of the general public and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required by this Regulatory Agreement to be leased or rented to Very Low Income Tenants, Low Income Tenants and to holders of Section 8 certificates or vouchers.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities will comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) Up to a total of [one (1)- CONFIRM] unit in the Project may be occupied by resident managers or maintenance personnel.

(h) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Governmental Lender from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the Borrower Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(i) The Borrower shall not discriminate on the basis of race, religion, creed, color, ethnic group identification, sex, source of income (e.g. AFDC, SSI), mental or physical disability, age, national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(j) Following the expiration or termination of the Qualified Project Period, Very Low Income Units and Low Income Units shall remain available to the Very Low Income Tenants and Low Income Tenants then occupying such units at the date of expiration or termination of the Qualified Project Period at a rent not greater than the rent determined pursuant to Section 4(a)(i) and (ii) below until the earliest of any of the following occurs:

(i) The household's income exceeds 140 percent of the income at which such household would qualify as a Very Low Income Tenant or Low Income Tenant, as applicable.

(ii) The household voluntarily moves or is evicted for "good cause." For these purposes, "good cause" means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the lease agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project.

(iii) Sixty (60) years after the commencement of the Qualified Project Period.

(iv) The Borrower pays the relocation assistance and benefits to such Low Income Tenants and Very Low Income Tenants as provided in Section 7264(b) of the Government Code of the State of California.

(k) The Governmental Lender may but shall not be required to monitor the Borrower's compliance with the provisions of subparagraph (j) above.

Section 4. Low and Very Low Income Units. Pursuant to the requirements of Section 142(d) of the Code and applicable provisions of the Act, the Borrower hereby represents, as of the date hereof, and warrants, covenants and agrees as follows:

(a) During the Qualified Project Period:

(i) not less than ten percent (10%) of the units in the Project shall be designated as Very Low Income Units and shall be continuously occupied by or held available for occupancy by Very Low Income Tenants at monthly rents which do not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the Median Income for the Area, as adjusted for household size utilizing the percentages set forth above under the definition of Very Low Income Tenant less a reasonable deduction for utilities paid by the tenant as determined by the Governmental Lender and assuming (solely for purposes of the above-described limit on the amount of monthly rent, and not for purposes of determining whether individuals or families are Very Low Income Tenants for purposes of Section 142(d) of the Code), the following unit sizes and household sizes:

<i>Unit Size</i>	<i>Household Size</i>
One Bedroom	Two Persons
Two Bedrooms	Three Persons
Three Bedrooms	Four Persons

Such Very Low Income Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project.

A unit occupied by a Very Low Income Tenant who at the commencement of the occupancy is a Very Low Income Tenant shall be treated as occupied by a Very Low Income Tenant until a recertification of such tenant's income in accordance with Section 4(c) below demonstrates that such tenant no longer qualifies as a Very Low Income Tenant and thereafter any residential unit of comparable size or smaller in the Project is occupied by a new resident other than a Very Low Income Tenant. Moreover, a unit previously occupied by a Very Low Income Tenant and then

vacated shall be considered occupied by a Very Low Income Tenant until reoccupied, other than for a temporary period, at which time the character of the unit shall be redetermined. In no event shall such temporary period exceed thirty-one (31) days.

(ii) in addition to the Very Low Income Units set aside under paragraph (i) above, not less than another thirty percent (30%) of the units in the Project shall be designated as Low Income Units and shall be continuously occupied by or held available for occupancy by Low Income Tenants at monthly rents which do not exceed one-twelfth of the amount obtained by multiplying 30% times 60% of the Median Income for the Area, as adjusted for household size utilizing the percentages set forth above under the definition of Low Income Tenant less a reasonable deduction for utilities paid by the tenant as determined by the Governmental Lender and assuming (solely for purposes of the above-described limit on the amount of monthly rent, and not for purposes of determining whether individuals or families are Low Income Tenants for purposes of Section 142(d) of the Code), the following unit sizes and household sizes:

<i>Unit Size</i>	<i>Household Size</i>
One Bedroom	Two Persons
Two Bedrooms	Three Persons
Three Bedrooms	Four Persons

Such Low Income Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project.

A unit occupied by a Low Income Tenant who at the commencement of the occupancy is a Low Income Tenant shall be treated as occupied by a Low Income Tenant until a recertification of such tenant's income in accordance with Section 4(c) below demonstrates that such tenant no longer qualifies as a Low Income Tenant and thereafter any residential unit of comparable size or smaller in the Project is occupied by a new resident other than a Low Income Tenant. Moreover, a unit previously occupied by a Low Income Tenant and then vacated shall be considered occupied by a Low Income Tenant until reoccupied, other than for a temporary period, at which time the character of the unit shall be redetermined. In no event shall such temporary period exceed thirty-one (31) days.

(b) Immediately prior to a Very Low Income Tenant's occupancy of a Very Low Income Unit and a Low Income Tenant's occupancy of a Low Income Unit, the Borrower will obtain and maintain on file an Income Certification from each Very Low Income Tenant occupying a Very Low Income Unit and each Low Income Tenant occupying a Low Income Unit, dated immediately prior to the initial occupancy of such Very Low Income Tenant or Low Income Tenant, as applicable, in the Project. In addition, the Borrower will provide such further information as may be required in the future by the State of California, the Governmental Lender, the Act, Section 142(d) of the Code and the Regulations, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. The Borrower shall verify that the income provided by an applicant is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a federal income tax return for the most recent tax year, (2) obtain a written verification of income and employment from the applicant's current

employer, (3) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant's income satisfactory to the Governmental Lender or (4) such other information as may be reasonably requested by the Governmental Lender.

Copies of the most recent Income Certifications for Very Low Income Tenants and Low Income Tenants shall be attached to the annual report to be filed with the Governmental Lender as required in (d) below.

(c) (i) Immediately prior to the first anniversary date of the occupancy of a Very Low Income Unit by one or more Very Low Income Tenants, and on each anniversary date thereafter, the Borrower shall recertify the income of the occupants of each Very Low Income Unit by obtaining a completed Income Certification based upon the current income of each occupant of the unit. In the event the recertification demonstrates that such household's income exceeds 140% of the income at which such household would qualify as Very Low Income Tenants, such household will no longer qualify as Very Low Income Tenants and to the extent necessary to comply with the requirements of Section 4(a)(i) above, the Borrower will rent the next available unit of comparable size to one or more Very Low Income Tenants.

(ii) Immediately prior to the first anniversary date of the occupancy of a Low Income Unit by one or more Low Income Tenants, and on each anniversary date thereafter, the Borrower shall recertify the income of the occupants of each Low Income Unit by obtaining a completed Income Certification based upon the current income of each occupant of the unit. In the event the recertification demonstrates that such household's income exceeds 140% of the income at which such household would qualify as Low Income Tenants, such household will no longer qualify as Low Income Tenants and to the extent necessary to comply with the requirements of Section 4(a)(ii) above, the Borrower will rent the next available unit of comparable size to one or more Low Income Tenants.

(d) Upon commencement of the Qualified Project Period, and within ten days of the last day of each year thereafter during the term of this Regulatory Agreement, the Borrower shall advise the Governmental Lender of the status of the occupancy of the Project by delivering to the Governmental Lender a Certificate of Continuing Program Compliance. Notwithstanding the provisions of Section 4(a) above, the Borrower will not be determined to be out of compliance with Section 4(a) if during the first year following the Closing Date the Project is occupied by fewer Very Low Income Tenants and Low Income Units than is required by Section 4(a).

(e) The Borrower shall maintain complete and accurate records pertaining to the Very Low Income Units and the Low Income Units, and shall permit any duly authorized representative of the Governmental Lender, the Fiscal Agent, the Servicer, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Very Low Income Units and the Low Income Units at all reasonable times upon prior reasonable notice.

(f) The Borrower shall submit to the Secretary of the Treasury annually on the anniversary date of the start of the Qualified Project Period, or such other date as is required by the Secretary, a certification that the Project continues to meet the requirements of Section 142(d) of the Code, and shall provide a copy of such certification to the Governmental Lender.

(g) The Borrower shall accept as tenants on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the United States Housing Act of 1937, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants. The Borrower shall not collect any additional fees or payments from a Very Low Income Tenant or a Low Income Tenant except security deposits or other deposits required of all tenants. The Borrower shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of those allowed under the Section 8 Program. The Borrower shall not discriminate against applicants for Very Low Income Units or Low Income Units on the basis of source of income (i.e., AFDC or SSI), and the Borrower shall consider a prospective tenant's previous rent history of at least one year as evidence of the ability to pay the applicable rent (ability to pay shall be demonstrated if an applicant can show that the same percentage or more of the applicant's income has been paid for rent in the past as will be required to be paid to rent the Very Low Income Unit or Low Income Unit, as applicable, to be occupied).

(h) Each lease pertaining to a Very Low Income Unit or Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the applicant in determining qualification for occupancy of the Very Low Income Unit or Low Income Unit, as applicable, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease. Each lease will also contain a provision that failure to cooperate with the annual recertification process reasonably instituted by the Borrower pursuant to Section 4(c) above may, at the option of the Borrower, disqualify the unit as a Very Low Income Unit or Low Income Unit, as applicable, or provide grounds for termination of the lease.

(i) Prior to the Closing Date, the Borrower agrees to provide to the Governmental Lender a copy of the form of application and lease to be provided to prospective Very Low Income Tenants and Low Income Tenants. The term of the lease shall be not less than thirty (30) days.

Section 5. Tax Status of the Governmental Lender Notes. The Borrower and the Governmental Lender each hereby represents, as of the date hereof, and warrants, covenants and agrees that:

(a) It will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes or the exemption from California personal income taxation of the interest on the Governmental Lender Notes and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof;

(b) It will take such action or actions as may be necessary, in the written opinion of Special Counsel filed with the Governmental Lender and the Fiscal Agent, to comply fully with the Act and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations issued under Section 142(d) of the Code to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes; and

(c) The Borrower, at the Borrower's expense, will file of record such documents and take such other steps as are necessary, in the written opinion of Special Counsel filed with the Governmental Lender and the Fiscal Agent, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of San Diego.

The Borrower hereby covenants to notify any subsequent owner of the Project of the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 6. Modification of Special Tax Covenants. The Borrower, the Fiscal Agent and the Governmental Lender hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Special Counsel filed with the Governmental Lender and the Fiscal Agent, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Special Counsel filed with the Governmental Lender and the Fiscal Agent, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended to conform in whole or in part to such changed requirements should the Governmental Lender, in its sole discretion, determine that such requirements should be made applicable to the Project.

(c) The Borrower, the Governmental Lender and, if applicable, the Fiscal Agent shall execute and deliver and, if applicable, the Borrower or the Governmental Lender shall file of record any and all documents and instruments, necessary to effectuate the intent of this Section 6, and each of the Borrower and the Governmental Lender hereby appoints the Fiscal Agent as its true and lawful attorney-in-fact to, at the expense of the Borrower, execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved in writing by Special Counsel) if the Fiscal Agent receives written notice that either the Borrower or the Governmental Lender defaults in the performance of its obligations under this subsection (c); provided, however, that the Fiscal Agent shall take no action under this subsection (c) without first notifying the Borrower or the Governmental Lender, or both of them, as is applicable, unless directed in writing by the Governmental Lender or the Borrower and without first providing the Borrower or the Governmental Lender, or both, as is applicable, an opportunity to comply with the requirements of this Section 6.

Section 7. Indemnification. The Borrower hereby releases the Governmental Lender, the Fiscal Agent, their officers, directors, agents and employees from, and covenants and agrees to indemnify, hold harmless and defend the Governmental Lender, the Fiscal Agent, their officers, members, directors, officials, agents and employees and each of them (collectively the "Indemnified

Parties,” and, individually an “Indemnified Party”) from and against, any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint or several (including, without limitation, costs of investigation, reasonable attorneys’ fees and expenses, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), made directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Borrower Loan, the Governmental Lender Notes, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project, the making of the Borrower Loan or Funding Loan or otherwise; (c) arising from any act or omission of the Borrower or any of its agents, servants, employees or licensees, in connection with the Borrower Loan or Funding Loan or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of the Governmental Lender Notes or any certifications or representations made by any person (other than the Governmental Lender or the party seeking indemnification in connection therewith) or the carrying out by the Borrower of any of the transactions contemplated by the Governmental Lender Notes, the Construction Funding Agreement, the Borrower Loan Agreement, the Funding Loan Agreement or this Regulatory Agreement; (e) arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof; and (f) arising out of or in connection with the Fiscal Agent’s acceptance or administration of the trusts created by the Funding Loan Agreement and the exercise of its powers or duties thereunder or under the Borrower Loan Agreement, the Funding Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which it is a party.

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses and liabilities incurred in connection with any such claim, or proceeding brought with respect to such claim, except (i) in the case of the foregoing indemnification of the Fiscal Agent or any of its Indemnified Parties, to the extent such damages are caused by the negligence or willful misconduct of such Person and (ii) in the case of the foregoing indemnification of the Governmental Lender or any of its Indemnified Parties to the extent such damages are caused by the willful misconduct of such Person.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Governmental Lender and approved by the Borrower (which approval shall not be unreasonably withheld); and the Borrower shall assume the payment of all reasonable fees and expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Governmental Lender shall have the right to review and approve or disapprove any such compromise or settlement.

The Borrower also shall pay and discharge and shall indemnify and hold harmless the Governmental Lender and the Fiscal Agent from (i) any lien or charge upon payments by the Borrower to the Governmental Lender and the Fiscal Agent hereunder arising out of Borrower’s actions or inactions and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the Governmental Lender and the Fiscal Agent shall give prompt notice to the Borrower, and the Borrower shall have the sole right and duty

to assume, and will assume, the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Borrower shall remain obligated to indemnify the Governmental Lender and the Fiscal Agent pursuant to this Section 7, unless at the time of transfer the Governmental Lender has consented to indemnification under this Section 7 from such subsequent owner. If the Governmental Lender has consented to any transfer of the Project in accordance with the provisions of Section 10 of this Regulatory Agreement, the Borrower shall not be obligated to indemnify the Governmental Lender pursuant to this Section 7 for actions or inactions of the transferee arising after such transfer.

The provisions of this Section 7 shall survive the earlier removal or resignation of the Fiscal Agent, the terms of the Governmental Lender Notes and this Regulatory Agreement.

The obligations of the Borrower under this Section are independent of any other contractual obligation of the Borrower to provide indemnity to the Governmental Lender or otherwise, and the obligation of the Borrower to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Borrower. The Governmental Lender shall be entitled simultaneously to seek indemnity under this Section and any other provision under which it is entitled to indemnity.

Section 8. Consideration. The Governmental Lender has entered into the Funding Loan Agreement and the Borrower Loan Agreement and has issued the Governmental Lender Notes to make the Borrower Loan to finance the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct, equip and operate the Project. In consideration of the Governmental Lender entering into the Funding Loan Agreement and the Borrower Loan Agreement and issuing the Governmental Lender Notes, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which the Project can be put on the terms and conditions set forth herein.

Section 9. Reliance. The Governmental Lender and the Borrower hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Funding Loan Agreement, the Borrower Loan Agreement and the Governmental Lender Notes, and in the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes and the exemption from California personal income taxes of the interest on the Governmental Lender Notes. In performing their duties and obligations hereunder, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Borrower, the Very Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Governmental Lender may consult and the Fiscal Agent, in accordance with the provisions in Section 7.02 of the Funding Loan Agreement may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent under this Regulatory Agreement in good faith and in conformity with such opinion; provided, however, if there are conflicting opinions among the counsel selected by such parties, the opinion of Special Counsel shall govern the interpretation and enforcement of this Regulatory Agreement. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Fiscal Agent shall not be required to conduct any investigation into or review of the operations or records of the

Borrower and may rely solely on any notice or certificate delivered to the Fiscal Agent by the Borrower or the Governmental Lender with respect to the occurrence or absence of a default.

Section 10. Sale or Transfer of the Project; Syndication. With the exception of a transfer of the Project to the General Partner (as hereinafter defined) or an affiliate thereof following the end of the low income housing tax credit period applicable to the Project, the Borrower intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project, and hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), without obtaining the prior written consent of the Governmental Lender (except as provided in the next succeeding paragraph) and upon receipt by the Governmental Lender (except as provided in the next succeeding paragraph) of (i) such certifications as deemed necessary by the Governmental Lender to establish that the Borrower shall not be in default under this Regulatory Agreement or under the Borrower Loan Agreement or any other Financing Document or, if any such defaults exist, the purchaser or assignee undertakes to cure such defaults to the satisfaction of the Governmental Lender; (ii) a written instrument by which the Borrower's purchaser or transferee has assumed in writing and in full the Borrower's duties and obligations under this Regulatory Agreement, (iii) an opinion of counsel for the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iv) documentation from the transferee reflecting the transferee's experience or, should the transferee choose to have a property manager run the Project, a property manager's experience with owning and/or operating multifamily housing projects such as the Project and with use and occupancy restrictions similar to those contained in this Regulatory Agreement, and (v) an opinion of Special Counsel addressed to the Governmental Lender and the Fiscal Agent to the effect that such transfer will not cause interest on the Governmental Lender Notes to become includable in the gross income of the recipients thereof for federal income tax purposes.

No transfer of the Project shall operate to release the Borrower from its obligations under this Regulatory Agreement with respect to any action or inaction taken prior to such transfer.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Not less than 30 days prior to consummating any sale, transfer or disposition of any interest in the Project, the Borrower shall deliver to the Governmental Lender and the Fiscal Agent a notice in writing explaining the nature of the proposed transfer.

Notwithstanding the above, the following transfers will be permitted without the consent of Governmental Lender: (a) a transfer of partnership interests in Borrower to or by AEGON USA Realty Advisors, LLC, its successors and assigns (the "Tax Credit Investor") under the Amended and Restated Agreement of Limited Partnership of the Borrower (the "Partnership Agreement") and/or the special limited partner of the Borrower under the Partnership Agreement (the "Special Limited Partner"), or its or their respective designee pursuant to the partnership agreement of the Borrower; (b) a transfer of the limited partner interests in the Borrower of the Tax Credit Investor and/or the Special Limited Partner to an affiliate of such Tax Credit Investor and/or Special Limited Partner; (c) a transfer of the limited partner interests in the Borrower of the Tax Credit Investor and/or the Special Limited Partner to nonaffiliates of such Tax Credit Investor and/or Special Limited Partner; (d) the removal and replacement of the general partner(s) of the Borrower under the Partnership Agreement (the "General Partner") pursuant to the Partnership Agreement; and (e) a transfer of the

Project or the limited partnership interests in the Borrower to the General Partner or an affiliate thereof following the end of the low income housing tax credit period applicable to the Project. Prior to any transfer of partnership interests or the Project or removal of the General Partner permitted in (a) through (e) above, the Governmental Lender shall receive an opinion of Special Counsel acceptable to the Governmental Lender to the effect that such transfer will not cause interest on the Governmental Lender Notes, to become includable in the gross income of the recipients thereof for federal income tax purposes. Nothing in this Section 10 shall be deemed to waive, eliminate or otherwise affect any term or provision of any other document, instrument or instrument (including, but not limited to, the Funding Loan Agreement, the Borrower Loan Agreement and the other Financing Documents) to which Borrower is a party which requires the Borrower to obtain the prior written consent of Fiscal Agent, Funding Lender, Servicer or any other third party in order to sell, assign, lease, encumber, pledge, transfer or otherwise dispose (i) of all of any part of the Project (or any direct and/or indirect interest therein), or (ii) of any direct and/or indirect interest in the Borrower.

The foregoing provisions of this Section notwithstanding, the terms and conditions restricting transfers set forth above (including, without limitation, the requirements for consents from the Governmental Lender, and requirements for transferee agreements, opinions and the like) shall not apply to (a) the execution and delivery of the Security Instrument and amendments, modifications, replacements, extensions and renewals thereof, (b) any transfer of title to the Project to any individual or entity by foreclosure, deed in lieu of foreclosure or comparable conversion under the Security Instrument or to any subsequent transfer by any such individual or entity following foreclosure, deed in lieu of foreclosure or comparable conversion under the Security Instrument.

Section 11. Subordination. Upon a conveyance or other transfer of title to the Property by foreclosure, deed in lieu of foreclosure or comparable conversion of the Borrower Loan, the Person who acquires title to the Project pursuant to such foreclosure, deed in lieu of foreclosure or comparable conversion of the Borrower Loan (unless such Person is the Borrower or a Person related to the Borrower within the meaning of Section 1.103–10(e) of the Regulations, in which event this Regulatory Agreement shall remain in full force and effect in its entirety) shall acquire such title free and clear of the terms, covenants and restrictions of this Regulatory Agreement, other than those set forth in Sections 3, 4 and 5 and, from and after the date on which such Person acquires title to the Project, the terms, covenants and restrictions of this Regulatory Agreement, other than those set forth in Sections 3, 4 and 5, shall automatically terminate and be of no force and effect; provided that Sections 3, 4 and 5 shall also terminate and be of no force or effect under the circumstances set forth in Section 12 of this Regulatory Agreement.

Section 12. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect during the Qualified Project Period, or for such longer period as is provided in Sections 3(j) and 7 above, and in the CDLAC Resolution referred to in Section 26 below, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Governmental Lender Notes and expiration of the Funding Loan Agreement, the Borrower Loan Agreement, the Borrower Loan and the Security Instrument. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated prior to the expiration of the Qualified Project Period upon agreement by the Governmental Lender, the Fiscal Agent (if the Governmental Lender Notes are outstanding) and the Borrower only if there shall have been received by the Governmental Lender an opinion of Special Counsel that such termination will not adversely affect the exclusion from gross

income for federal income tax purposes of interest on the Governmental Lender Notes or the exemption from State personal income taxes of the interest on the Governmental Lender Notes. Further, notwithstanding any provisions of this Regulatory Agreement to the contrary, when the Governmental Lender Notes are no longer outstanding pursuant to the terms of the Funding Loan Agreement, the Fiscal Agent shall be deemed to no longer be a party to this Regulatory Agreement, and all references to the Fiscal Agent hereunder shall be deemed to be references to the Governmental Lender.

The terms of this Regulatory Agreement to the contrary notwithstanding (except as to the provisions of Section 7), this Regulatory Agreement, and each and all of the terms hereof, shall terminate and be of no further force or effect in the event of an involuntary noncompliance by the Borrower with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the Governmental Lender and the Fiscal Agent from enforcing the provisions of this Regulatory Agreement, foreclosure on the Project or delivery of a deed in lieu of foreclosure or condemnation or a similar event, but only if within a reasonable period thereafter the Governmental Lender Notes are redeemed or retired or amounts received as a consequence of such event are used to provide a project that meets the requirements of the Code set forth in this Regulatory Agreement; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure on the Project or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any Affiliated Party obtains an ownership interest in the Project for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments (prepared by or on behalf of the Borrower or the Governmental Lender) of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 13. Covenants to Run With the Land. The Borrower hereby subjects the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Governmental Lender and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 14. Burden and Benefit. The Governmental Lender and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Governmental Lender and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Very Low Income Tenants and Low Income Tenants and by furthering the public purposes for which the Governmental Lender Notes were issued.

Section 15. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 16. Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after written notice thereof shall have been given by the Governmental Lender or the Fiscal Agent to the Borrower (or such longer period, not to exceed one hundred eighty (180) days after such written notice has been delivered, if the Borrower provides the Governmental Lender and the Fiscal Agent (if the Governmental Lender Notes are outstanding) with an opinion of Special Counsel to the effect that such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes), then the Fiscal Agent, subject to its rights and protections under the Funding Loan Agreement and the Borrower Loan Agreement and the provisions of Section 9 hereof, and to the extent indemnified pursuant to the provisions of the Funding Loan Agreement, and acting on its own behalf or on behalf of the Governmental Lender, shall declare an “Event of Default” to have occurred hereunder, and, at its option, may, subject to the provisions of the Funding Loan Agreement, take any one or more of the following steps:

(i) by mandamus or other suit, action or proceeding at law or in equity, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Governmental Lender or the Fiscal Agent hereunder;

(ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;

(iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

The Fiscal Agent shall have the right, in accordance with this Section 16 and the provisions of the Funding Loan Agreement, upon notice to but without the consent or approval of the Governmental Lender, but subject to the Unassigned Rights of the Governmental Lender, to exercise any or all of the rights or remedies of the Governmental Lender hereunder. All fees, costs and expenses of the Fiscal Agent (including, without limitation, reasonable attorneys’ fees and expenses) incurred in taking any action pursuant to this Section 16 shall be the sole responsibility of the Borrower.

After the Funding Loan Agreement and the Borrower Loan Agreement have been discharged, or if the Fiscal Agent fails to act under this Section 16, the Governmental Lender may act on its own behalf to declare an “Event of Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Fiscal Agent. After the date on which no portion of the Governmental Lender Notes remain outstanding as provided in the Funding Loan Agreement, the Fiscal Agent shall no longer have any duties or obligations under this Regulatory Agreement, and all references to the Fiscal Agent herein shall be deemed references to the Governmental Lender.

Notwithstanding anything contained in this Regulatory Agreement, the Funding Loan Agreement or the Borrower Loan Agreement to the contrary, the occurrence of an Event of Default

under this Regulatory Agreement shall not (i) be deemed, under any circumstances whatsoever, to constitute a default under the Financing Documents, except as may be otherwise specified in the Financing Documents or (ii) impair, defeat or render invalid the lien of the Security Instrument.

The rights of the Fiscal Agent under this Section are in addition to all rights conferred upon the Fiscal Agent under the Funding Loan Agreement and the Borrower Loan Agreement and in no way limit those rights.

Section 17. Recording and Filing. The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of San Diego and in such other places as the Governmental Lender may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 18. Payment of Fees. It is anticipated that moneys on deposit in the funds established under the Funding Loan Agreement will be sufficient to pay the Fiscal Agent's and Governmental Lender's costs and expenses. However, to the extent that there are unforeseen and unusual costs and expenses and the moneys in said funds are insufficient therefor, the Borrower hereby agrees to pay all reasonable costs and expenses of the Fiscal Agent and the Governmental Lender in connection with the Governmental Lender Notes and the financing of the Project as such costs and expenses become due and payable upon the receipt of written invoices verifying such costs and expenses.

On the Closing Date, the Borrower shall pay to the Governmental Lender the initial administrative fee of \$_____. Thereafter, the Borrower shall pay to the Governmental Lender an annual \$_____ until the date the Regulatory Agreement is no longer in effect and a Notice of Release has been recorded by the Governmental Lender.

Notwithstanding any prepayment of the Borrower Loan and notwithstanding a discharge of the Funding Loan Agreement and the Borrower Loan Agreement, throughout the term of this Regulatory Agreement, the Borrower shall continue to pay to the Governmental Lender the Governmental Lender Fee, and, in the event of default, shall also pay to the Governmental Lender and to the Fiscal Agent reasonable compensation for any services rendered by either of them hereunder and reimbursement for all expenses reasonably incurred by either of them in connection therewith. The fee payable to the Governmental Lender referenced in this section shall in no way limit amounts payable by the Borrower under Section 7 hereof, or arising after an Event of Default in connection with the Governmental Lender's or the Fiscal Agent's enforcement of the provisions of this Regulatory Agreement. The fee payable to the Governmental Lender referenced in this section includes any fee to be paid by the Governmental Lender to any entity which administers the Project.

In the event that the Governmental Lender Notes are prepaid in part or in full prior to the end of the term of this Regulatory Agreement, the Governmental Lender Fee payable to the Governmental Lender for the remainder of the term of this Regulatory Agreement, at the option of the Borrower, shall be paid by the Borrower at the time of the prepayment of the Governmental Lender Notes and shall be a lump sum amount equal to the present value (based on a discount rate equal to the prime rate identified by the Wall Street Journal at the time of redemption) of the Governmental Lender Fee for the number of years remaining under the Regulatory Agreement.

Section 19. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California. Except as expressly provided herein and in the Funding Loan Agreement and the Borrower Loan Agreement, the Fiscal Agent's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Funding Loan Agreement and the Borrower Loan Agreement.

Section 20. Amendments. Except as provided in Section 6(a) hereof, this Regulatory Agreement shall be amended by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of San Diego. Any amendment to this Regulatory Agreement shall be accompanied by an opinion of Special Counsel to the effect that such amendment will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes.

Section 21. Notice. All notices, certificates or other communications shall be sufficiently given and (except for notices to the Fiscal Agent, which shall be deemed given only when actually received by the Fiscal Agent) shall be deemed given on the date personally delivered or on the second day following the date on which the same have been mailed by certified mail, return receipt requested, postage prepaid, addressed as follows:

Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent. Copies of notices sent by any party hereto shall be sent concurrently to the Funding Lender Representative (as long as the Governmental Lender Notes are outstanding). In addition to any other notice required to be given under this Regulatory Agreement, promptly upon determining that a violation of the Regulatory Agreement has occurred, the Governmental Lender or the Fiscal Agent shall, by notice in writing to the Funding Lender Representative, inform the Funding Lender Representative that such violation has occurred, the nature of the violation and that the violation has been cured or has not been cured.

Section 22. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 23. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 24. Compliance by Borrower. The Fiscal Agent shall not be responsible for monitoring or verifying compliance by the Borrower with its obligations under this Regulatory Agreement.

Section 25. Personal Obligation of Borrower; Limitations on Recourse to Borrower. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be secured by, or in any manner constitute, a lien on the Project and no person shall have the right to enforce such obligations other than directly against the Borrower without recourse to the Project, and all such obligations shall be subordinate in priority, in right to payment and in all other respects to the obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Financing Documents. Except as otherwise provided in Section 7 of this Regulatory Agreement, no subsequent owner of the Project shall be liable or obligated for the breach or default of any obligation of any prior owner of the Project (including the Borrower) under this Regulatory Agreement. Such obligations shall be personal to the Person who was the owner of the Project at the time the default or breach was alleged to have occurred, and such Person shall remain liable for any and all damages occasioned by the default or breach even after such Person ceases to be the owner of the Project.

The following obligations of the Borrower shall, subject to the limitations set forth in the preceding paragraph, and Section 16 of this Regulatory Agreement, be and remain the joint and several full recourse obligations of the Borrower and each general partner of the Borrower (other than any nonprofit general partner):

(i) the Borrower's obligations to the Governmental Lender and the Fiscal Agent and the Borrower's obligation to pay any and all rebate amounts that may be owed with respect to the Governmental Lender Notes; and

(ii) the Borrower's obligations under Section 7 of this Regulatory Agreement.

Section 26. CDLAC Requirements. The acquisition, rehabilitation, equipping and operation of the Project and the financing thereof are and shall be in compliance with the conditions set forth in Exhibit A to the CDLAC Resolution, a copy of which is attached hereto as Exhibit D, which conditions are incorporated herein by reference and are made a part hereof. The Governmental Lender shall monitor and enforce the Borrower's compliance with the provisions of this Section 26. The Borrower shall prepare and submit to CDLAC on each anniversary of the Closing Date, and on such other date as is reasonably requested by CDLAC, a Certificate of Compliance in substantially the form attached hereto as Exhibit E, executed by an authorized representative of the Borrower. CDLAC shall be a third-party beneficiary of this Regulatory Agreement solely for purposes of enforcing the terms of the CDLAC Resolution. CDLAC shall have the right to enforce the terms of the CDLAC Resolution through an action for specific performance or any other available remedy; provided, however, that CDLAC shall not take any action or enforce any remedy that would be materially adverse to the interests of the Governmental Lender Noteholders and any such action or enforcement shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

Section 27. Damage, Destruction or Condemnation of the Property.
