

REPORT TO THE CITY COUNCIL

DATE ISSUED: June 4, 2012

REPORT NO: CCR12-004

ATTENTION: Council President and Members of the San Diego City Council For the Agenda of July 10, 2012

SUBJECT: COMM 22 Family Housing – TEFRA Hearing

COUNCIL DISTRICT: 8

REQUESTED ACTION:

That the San Diego City Council hold a public hearing, as required by the Internal Revenue Code regarding the issuance of multifamily housing tax-exempt bonds by the Housing Authority of the City of San Diego to facilitate new construction of 130 family rental units for COMM 22 Family Housing.

STAFF RECOMMENDATION:

That the San Diego City Council ("City Council") hold a public hearing, as required by the Tax Equity and Fiscal Responsibility Act ("TEFRA") pursuant to the Internal Revenue Code Section 147(f), and approve the Housing Authority of the City of San Diego's ("Housing Authority") issuance of tax-exempt bonds in an amount not-to-exceed \$30,000,000 for the COMM 22 Family Housing project.

SUMMARY:

The COMM 22 Family Housing project is 130-unit mixed-use transit-oriented affordable housing development located south of Commercial Street between 21st Street and Harrison Avenue. In 2011, the San Diego Housing Commission ("Housing Commission") and Housing Authority approved (respectively on April 15, 2011 in report HCR11-046, and June 21, 2011 in report HAR11-021), a not-to-exceed \$500,000 residual receipts loan and approved certain initial steps to issue up to \$30,000,000 in tax-exempt multifamily housing revenue bonds (Attachment 1). One of those previously approved initial bond issuance steps was an IRS-required TEFRA hearing, which requires that the public hearing and elected representative approval of the bonds occur not earlier than one year prior to the date of issuance of the bonds. The previous TEFRA hearing occurred on June 21, 2011. Due to unforeseen delays related to the infrastructure improvements at the site, the bonds will not be issued until late 2012, which is beyond the one-year IRS requirement.

In addition, COMM 22 LLC, formed by the developer Bridge Housing Corporation ("Bridge"), intends to apply for a bond allocation from the California Debt Limit Allocation Committee ("CDLAC") in September 2012. CDLAC requires a current TEFRA approval at the time of the developer's bond allocation application. Consequently, an additional TEFRA hearing by the City Council is needed to meet IRS and CDLAC requirements and for the interest on the multifamily housing revenue bonds to be tax-exempt.

The Housing Authority's previously approved actions, terms and conditions (see Attachment 1, HAR11-021 June 21, 2011) will all remain the same and there will be no increase in the Housing Commission's previously approved \$500,000 loan amount.

June 4, 2012 COMM 22 Family Housing – TEFRA Hearing Page 2

FISCAL CONSIDERATIONS:

This action does not impact the Housing Commission Budget.

PREVIOUS COUNCIL and COMMITTEE ACTIONS:

This item was unanimously approved by the Board at the regular Housing Commission meeting of June 8, 2012.

A \$500,000 residual receipts loan along with approval of initial steps to issue multifamily housing bonds for COMM 22 Family Housing were approved by the Housing Commission on April 15, 2011 in report HCR11-046 and approved by the Housing Authority on June 21, 2011 in report HAR11-021 "Loan and Preliminary Bond Items for COMM 22 Family Housing."

ENVIRONMENTAL REVIEW:

Pursuant to the State of California Environmental Quality Act, the City of San Diego previously evaluated the environmental impacts associated with this project in the City Council's December 4, 2007 approval of a Certification of Mitigated Negative Declaration No. 122002 pursuant to the California Environmental Quality Act. Processing under the National Environmental Policy Act is not required as no federal funds are involved in this action.

Respectfully submitted,

REPORT TO THE CITY COUNCIL AND HOUSING AUTHORITY

DATE ISSUED: April 25, 2011

REPORT NO: HAR 11-021

- **ATTENTION:** Council President and Members of the City Council and Housing Authority of the City of San Diego For the Agenda of June 21, 2011
- SUBJECT: Loan and Preliminary Bond Items for COMM 22 Family Housing

COUNCIL DISTRICT: 8

REQUESTED ACTION:

Recommend Housing Authority of the City of San Diego ("Housing Authority") approval of a proposed \$500,000 residual receipts loan, and to take initial steps to issue Housing Authority mortgage revenue bonds to facilitate the new construction of 130 family rental homes as part of a mixed-use development to be located at the 2200 block of Commercial Street.

STAFF RECOMMENDATION:

Seek Housing Authority approval for the following:

- A. Approve a San Diego Housing Commission ("Housing Commission") 55-year residual receipts loan, of up to \$500,000, to Bridge SC LLC, as construction and permanent financing for the new construction of 128 units of rental housing for very low income and low income families, plus two unrestricted managers' units, in a mixed-use transit-oriented development, located in the 2200 block of Commercial Street between 22nd Street and Harrison Avenue.
 - The Housing Commission's proposed loan would be contingent upon the developer receiving all necessary third party funding commitments including approximately \$18,344,024 of four percent tax credits, an approximate \$25,367,057 tax exempt bond financed loan, approximately \$9,255,000 of additional loan funds from the Redevelopment Agency of the City of San Diego ("Agency"), as well as additional funds from third-party sources as described in this report.
 - 2. Before closing, as part of the financial authorization for bonds issuance, the Housing Commission will verify that the estimated funding sources are adequate and in place.
- B. Approve initial steps to issue Housing Authority Multifamily Housing Revenue bonds, including:
 - 1. Issue a bond inducement resolution (Declaration of Official Intent) for up to \$30,000,000 in Multifamily Housing Revenue Bonds for this project.
 - 2. Authorize an application (and subsequent applications if necessary) to the California Debt Limit Allocation Committee ("CDLAC") for an allocation of authority to issue tax-exempt private activity bonds in an amount of up to \$30,000,000 for this project.
 - 3. Approve a bond financing team of Stradling Yocca Carlson & Rauth as bond counsel and Ross Financial as financial advisor to work on this project.
 - 4. Request that the City Council hold a public hearing (known as a Tax Equity and Fiscal Responsibility Act "TEFRA"), and adopt a resolution approving the issuance of tax-exempt bonds in an amount of up to \$30,000,000 by the Housing Authority for this project.

- C. Authorize the President and Chief Executive Officer of the Housing Commission ("CEO"), or his designee,
 - 1. to execute any and all documents and instruments, as approved by the CEO, General Counsel and bond counsel and to authorize the CEO to perform such acts as are necessary to implement these approvals, and
 - 2. to adjust financing terms/conditions as necessary for consistency with requirements of other funding sources or to accommodate market changes that may occur after approval of this report but before close of escrow. The \$500,000 maximum Housing Commission loan amount may not increase.

SUMMARY:

COMM 22 LLC, a California limited liability company, has an option (which expires on September 21, 2012) to ground lease from the San Diego Unified School District ("SDUSD"), a 3.2 acre site at Commercial Street between 22nd and Harrison Streets (Attachment 1 – Site Maps). The developer has conceived a multi-phase plan to construct a transit-oriented, mixed-use development. When completed, the overall multi-phase development will have 130 affordable rentals for families, seventy affordable rentals for seniors, a child daycare community facility, and retail/commercial uses. In future phases, the project will also include 17 for-sale row homes, and 27 live-work lofts with office space in a refurbished existing warehouse building. The housing phases will be built as separate buildings on separate ground-leased parcels, with each housing phase to be owned by to-be-formed separate legal entities. The development is intended to improve and help revitalize the Logan Heights neighborhood.

Senior Housing Component

On June 10, 2008 the Housing Authority approved a residual receipts loan from the Housing Commission of up to \$4,200,000 to COMM 22 LLC for the new construction of 70 rental units for low income seniors on a portion of the site (HAR 08-009 "Loan Request for COMM 22 Senior Housing" Attachment 2). The developer was successful in obtaining commitments from certain State programs for infrastructure and site remediation. However, the project was put on hold in late 2008, shortly after the State's financial difficulties created a delay in the release of its Proposition 1C funding commitments. The developer is proceeding with the seventy unit project for seniors. The developer estimates the seniors housing component will be submitted for approval to the Tax Credit Allocation Committee for 9 percent tax credits in March 2012.

Family Housing Component

The developer is now also proposing to construct, on a portion of the leased site, 130 one bedroom, two bedroom, and three bedroom rental units for very low and low income families (maximum ranging from 30 percent to 60 percent Area Median Income ("AMI")). Maximum incomes are currently estimated from \$16,500/year (for one person at 30 percent AMI), to \$47,100/year (for a four-person household at 60 percent AMI). The Family Housing component ownership will be applying for 4 percent tax credits and applying to CDLAC for a bonds allocation.

Developer's Request

In response to the Housing Commission's current Notice of Funding Availability ("NOFA") for Construction, Acquisition, and Operation of Affordable Rental Housing dated May 14, 2009, Bridge SC LLC submitted a loan request for \$500,000 of construction and permanent gap financing for the COMM 22 Family Housing project (Attachment 3 – Proforma).

Loan Disbursal Request

The developer has requested that the Housing Commission disburse its entire \$500,000 loan at the escrow closing. To mitigate risk, the Housing Commission does not typically release 100 percent of its loan funds upfront at escrow closing. Staff is recommending that the Housing Commission loan disbursal be consistent with the Agency's loan disbursement. The Agency's loan disbursement schedule is currently being negotiated and has not been finalized. Current estimates are that the loans would be disbursed during construction, along with the construction lender, in proportion to each loan amount up to 80 percent total during construction, 10 percent upon certificate of occupancy and 10 percent upon conversion to the permanent loan. The CEO is authorized to revise the Housing Commission loan disbursement schedule if he deems it necessary.

The Proposed Development

The proposed COMM 22 Family Housing will consist of 130 units in two buildings, on 2.45 acres, with approximately 12,945 square feet of ground floor retail/commercial space facing the Commercial Street transit corridor. The proposed COMM 22 Family Housing will consist of 34 one-bedroom units, 62 two-bedroom units, and 34 three-bedroom units. Thirteen of the units will be reserved as supportive housing units. Each building will be served by an elevator. The four-story wood frame development will be constructed over a subterranean parking garage with two levels providing 353 parking spaces, along with 40 on-street spaces. The two buildings will be separated by a multi-purpose pedestrian plaza to be constructed over a to-be-vacated portion of Irving Avenue. The project will include Universal Design features and will comply with all federal accessibility standards. The architect is currently in the schematic design stage. The project will use State funds and payment of Prevailing Wage rates will be required.

The developer has obtained various site approvals from the City including a Site Development Permit (No.415853), a Planned Development Permit (No.454025), a General Plan amendment, a Community Plan amendment, a Vesting Tentative Map (No.415852), a Conditional Use Permit (No.454025), easements vacation, street vacation for a portion of Irving Avenue and 22nd Street, and a rezone (January 8, 2008, Ordinance Number O-19700). On March 7, 2011, the City's Community Development Block Grant staff certified that the project is in compliance with the City's Consolidated Plan. As a result of the entitlements, the City has required the developer to provide significant infrastructure improvements on and off site, including utility and drainage modifications.

The property requires extensive soil remediation. The project includes significant costs (Attachment 4) for infrastructure improvements (\$18,413,041 estimated) and soil remediation work (\$3,108,677 estimated) to be done over the entire site. The soil remediation is based on a Property Mitigation Plan prepared by environmental consultant SCS Engineers and approved by the County of San Diego Department of Environmental Health Land and Water Quality Division. The developer is planning to allocate these entire site costs between the family phase project and the seniors phase project. The developer obtained State commitments for approximately \$21,100,500 in Proposition 1C Transit Oriented Development funds, Infill Infrastructure grant funds, and CAL ReUSE grant funds for the project. The State Department of Housing and Community Development requires the first housing phase to be fully financed before State financing can be drawn.

The Property

The property owner, SDUSD, has given the developer an option to lease the property. The option will expire September 21, 2012. The entire property was appraised in fee simple (in December 2002 by

Lipman Stevens & Thene Inc.) at \$3,985,000. The Housing Commission's loan will be secured against a leasehold. The Agency's consultant has appraised the site to verify that the SDUSD lease rents are within market rates.

The existing site includes four structures, including a four story warehouse building, and vacant land on the south side of Commercial Street, east of Interstate 5. All the existing structures except the warehouse building will be demolished. There will be no relocation costs. The immediate area has industrial uses to the north, east and west. To the south are single family residential uses. The trolley travels on Commercial Street with a trolley station located nearby at 25th and Commercial Street.

The Co-developers

COMM 22 LLC is the master developer for the overall COMM 22 multi-phase development. COMM 22 LLC has assigned its ground lease option to two affiliates: Bridge Southern California, a 501 (c) 3 nonprofit (Bridge SC LLC) and the nonprofit Metropolitan Area Advisory Committee on Anti-Poverty of San Diego County Inc. ("MAAC"). The limited partnership which will own the COMM 22 Family Housing project has not yet been created.

Bridge SC LLC, the managing general partner for Bridge's Southern California limited partnerships, will be the Housing Commission loan borrower. Bridge SC LLC will ultimately be replaced by the notyet-created limited partnership referred above but Bridge SC LLC will remain as a managing member of the to-be-formed ownership entity. Bridge SC LLC has developed approximately 1,100 affordable units in San Diego County including a Housing Commission funded project, the 112 units Torrey Del Mar Apartments located at 13875 Carmel Valley Road, San Diego which was completed in 2003, as new construction. That project's financing included 4 percent tax credits with tax-exempt bonds, and an \$892,111 Housing Commission residual receipts loan. The borrower single asset entity was Carmel Valley Housing Associates LP. Bridge Southern California's parent, Bridge Housing Corporation (Bridge), is one of the nation's most successful affordable housing developers with significant experience in a wide range of housing projects. Bridge was formed in 1983 and it has developed over 13,000 affordable homes in California.

MAAC is a multi-purpose social service agency with a successful forty-five year history of serving San Diego County. MAAC has developed over 1,000 units of affordable housing in San Diego County. MAAC's Housing Commission funded projects are:

- the 144 units Mercado Apartments, located at 2001 Newton Avenue, San Diego (Barrio Logan). This project was completed in 1994 as new construction with financing from federal and State low income tax credits, and a \$1,425,000 Housing Commission residual receipts loan; and
- the 70 units Mayberry Townhomes, located at 4328-4490 Mayberry Street, San Diego (South Crest). This project was completed in 2003, as acquisition with rehabilitation, with financing from tax-exempt bonds, and a \$2,657,897 Housing Commission residual receipts loan.

Both co-developers are in compliance with their Housing Commission loans.

The developer reports that Bronze Triangle Community Development Corporation will be a partner in the future for-sale and live/work lofts portion of COMM 22 and they will be the daycare provider in the COMM 22 Senior Housing building.

Development Team

ROLE/FIRM
Owner - a California limited partnership to be formed later.
Architect - McLarand Vasquez Emsiek & Partners (MVE)
Prevailing Wage Monitoring – to be determined.
Contractor - to be determined. The Housing Commission will require competitive bids.
Construction Lender – multifamily revenue bond issue. Lender bank to be determined.
Management - Bridge Property Management Company.
(This firm also manages Bridge's Torrey Del Mar Apartments described above.)

AFFORDABLE HOUSING IMPACT:

The Housing Commission's loan to the developer would provide construction and permanent gap financing to construct 128 units of affordable rental housing for families plus two unrestricted manager's units. Housing Commission rent and occupancy restrictions would be recorded against the property for 55 years. The units will be affordable to tenants with incomes at AMI levels ranging from 30 percent AMI to 60 percent AMI. The developer intends to apply for funding under the State Mental Health Services Act (MHSA). If that application is successful it would result in restricting 13 one-bedroom units as supportive housing under MHSA.

Proposed Rents Would Be Based on the Redevelopment Law Rent Methodology

The developer has applied for Agency funding. The Agency's Owner Participation Agreements (OPA) typically require that the project be subject to California Redevelopment Law (CRL). For annual adjustments to restricted rents, CRL requires the Agency to use a rent calculation methodology based on the California Health & Safety Code. CRL methodology is different from the Housing Commission's standard HUD-based rent calculation methodology. Agency staff has requested that the Housing Commission's loan use Agency's CRL rent calculation methodology for time-to-time rent restriction adjustments. For 2011, CRL two-bedroom and three-bedroom rents are lower than the standard HUD-based rents; one bedroom rents are the same. It is proposed that the Housing Commission's loan would use the Agency's CRL methodology for periodic rent restriction adjustments.

Units Mix Details

The following table provides some of the project's unit mix estimated details:

Affordability Mix	1	Bedrooms o 730 sq ft)		Bedrooms 5 944 sq ft)		Bedrooms 1,574 sq ft)	
	Units	Estimated Net Rents	Units	Estimated Net Rents	Units	Estimated Net Rents	Total Units
30% AMI (MHSA supportive housing units)	13	\$427 *	0		0		13
50% AMI units	12	\$721 *	50	\$828 *	25	\$919 *	87
60% AMI units	9	\$868 *	12	\$998 *	7	\$1,108 *	28
Manager's units	0		0		2	Managers	2
Total Units	34	~~	62		34		130

* Estimated CRL based rents after utility allowance.

FISCAL CONSIDERATIONS:

Approval of this report's recommendations would result in the expenditure of up to \$500,000 in Housing Commission local funds. The estimated total development cost is \$54,865,386 (\$422,042/unit). The

Housing Commission's proposed \$500,000 loan cost would assist in restricting 128 family units (of the 130 total units). The cost to the Housing Commission would be \$3,907 per unit. The developer has obtained funding commitments from certain State programs (Attachment 5 – Financing Structure). The developer is also applying for State Mental Health Services Act ("MHSA") funds and is applying to the Agency for additional necessary funds. Keyser Marston Associates and the Agency have also reviewed the project's proposed financing.

Developer Fee

The Developer has proposed receiving a \$2,500,000 developer fee for the COMM 22 Family Housing project in addition to the separate developer fee for the COMM 22 Seniors Housing project. For consistency with the Agency's OPA, the Housing Commission loan would defer to, and be consistent with, the Agency's approved maximum amount allowed for the COMM 22 Family project developer fee (currently estimated at \$2,500,000 of which approximately \$488,818 is deferred), for amounts of any deferred developer fee, and for the incremental disbursal payments of the developer's fee.

The Proposed Housing Commission Loan

Terms of the Housing Commission financing are summarized at Attachment 6. The Housing Commission's loan is contingent upon the developer obtaining all necessary third party funds, including approval from the Agency for its necessary loan. It is intended that the Housing Commission's loan would be consistent with the Agency's loan terms where possible.

Proposed Bond Financing

The first position loan would be capitalized through the issuance of tax-exempt bonds by the Housing Authority. The Housing Commission utilizes the Housing Authority's tax-exempt borrowing status to pass on lower interest rate financing (and make federal tax credits available) to developers of affordable housing. The Housing Authority's ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a project, the Housing Authority must first submit an application to CDLAC for a bond allocation. Prior to submitting applications to CDLAC, projects are brought before the Housing Commission, Housing Authority, and City Council. Housing Authority bond inducement resolutions must be obtained prior to application submittal and City Council TEFRA resolutions must be secured no later than 30 days after application submittal. These actions do not obligate the Housing Authority to issue bonds.

The bond application is due to CDLAC on July 22, 2011 and it is anticipated that this development will receive a bond allocation at CDLAC's September 21, 2011 meeting. The developer then has ninety days to close the bond financing unless an extension is received by CDLAC. If necessary, staff can submit additional applications to CDLAC to secure a bond allocation for the project. A general description of the Multifamily Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financing are described in Attachment 7.

The developer will be seeking a CDLAC allocation of approximately \$30,000,000. The developer currently proposes to issue the bonds through a tax exempt private placement bond issuance. The bonds would meet all the requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and would fully comply with the City's ordinance on bond disclosure. The \$30,000,000 allocation that will be sought from CDLAC is approximately 20 percent higher than the amount for which the project is currently being underwritten for the construction financing, which is \$25,367,057. This increased amount represents a cushion to account for possible increases in the bond amount due to

increases in construction costs or decreases in the assumed interest rate. The bond amount that is ultimately issued will be based upon project costs, revenues, and interest rates prevailing at the time of bond issuance. It is anticipated that the bonds will be used for both construction financing and permanent financing of the project.

There are no fiscal impacts to the Housing Commission, City, or Housing Authority associated with the requested bond actions. Approval of the bond inducement and TEFRA resolutions do not commit the Housing Authority to issue bonds. The bonds would not constitute a debt of the City of San Diego. If bonds are ultimately issued for the project, the bonds will not financially obligate the City, the Housing Authority or the Housing Commission because security for the repayment of the bonds will be limited to specific private revenue sources. Neither the faith and credit nor the taxing power of the City nor the faith and credit of the Housing Authority would be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including the Housing Commission's issuer fee of \$57,516. Staff recommends assigning Ross Financial as financial advisor and Stradling Yocca Carlson & Rauth as bond counsel to work on the project. The proposed financing team members have been selected in accordance with the existing Housing Commission policy for the issuance of bonds. Financial advisors and bond counsels are designated on a rotating basis from the firms selected through a competitive RFP process.

PREVIOUS COUNCIL AND/OR COMMITTEE ACTION:

On April 15 2011, the proposed actions were approved by the Housing Commission Board. Previous actions by City Council are summarized at Attachment 8.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

The proposed development was approved by the Southeastern San Diego Planning Group on September 10, 2007 by a unanimous vote of seven in favor with no abstentions. During the entitlement and design phase the developer also performed outreach and provided periodic updates to community groups.

KEY STAKEHOLDERS AND PROJECTED IMPACTS:

Stakeholders include: Bridge as a co-developer, MAAC as a co-developer, SDUSD as the land owner and lessor of the land, the Agency and the Housing Commission. The project is anticipated to have a positive impact on the two communities of Logan Heights and Sherman Heights that Comm 22 is located between as it will contribute to the quality of the surrounding neighborhood and provide affordable housing.

ENVIRONMENTAL REVIEW:

The City of San Diego previously evaluated the environmental impacts associated with this project in the City Council's December 4, 2007 approval of a Certification of Mitigated Negative Declaration No. 122002. Processing under the National Environmental Policy Act is not required as no federal funds are involved in this action.

HOUSING AUTHORITY OF THE CITY OF SAN DIEGO RESOLUTION NUMBER HA-1384 DATE OF FINAL PASSAGE JUN 10 2008

A RESOLUTION AUTHORIZING A THREE PERCENT INTEREST RESIDUAL RECEIPTS LOAN OF UP TO \$4,200,000 TO COMM 22, L.L.C., A CALIFORNIA LIMITED LIABILITY COMPANY, TO FACILITATE THE CONSTRUCTION OF THE COMM 22 SENIOR HOUSING APARTMENTS.

WHEREAS, COMM 22, L.L.C. [the Borrower] requested the Housing Commission make a loan for the purpose of financing the construction of a 70-unit senior rental housing complex known as COMM 22 Senior Housing; and

WHEREAS, at its meeting of April 4, 2008, the Housing Commission approved and recommended Housing Authority approved the Housing Commission's making of a residual receipts loan to the borrower for financing the construction of a 70-unit senior rental housing on the property located at Commercial Street and 22nd Street as more particularly described in Housing Authority Report HAR08-09; and

WHEREAS, the Housing Commission staff issued a Loan Commitment Letter dated April 17, 2008 (See Attachment) by the Housing Commission to the Borrower for a 3 percent, 55-year term, residual receipts loan of up to \$4,200,000 in the form and on the terms as set forth in the Loan Commitment Letter; and

WHEREAS, the Housing Commission has made the aforementioned Loan Commitment contingent upon Housing Authority approval and contingent upon the Borrower's receipt of 9% tax-credit financing from the California Tax Credit Allocation Committee (TCAC) and other funding sufficient to fully-finance the development in its entirety; and

WHEREAS, the Developer has applied for Mental Health Services Act (MHSA) funding from the State of California, and, if successful, the amount of the Housing Commission residual receipts loan will be reduced by the amount of MHSA funds received; NOW, THEREFORE,

BE IT RESOLVED, by the Housing Authority of the City of San Diego, that, on the terms and conditions outlined in the Housing Authority Report HAR08-09, including the requirement that Borrower obtain commitments for funds – including 9% tax-credit financing and all other funds necessary – which are sufficient to construct the property prior to funding of the Housing Commission loan, a 55-year, three percent simple interest residual receipts loan in the amount of up to \$4,200,000 to Borrower for the construction of a 70-unit senior rental housing complex located at Commercial Street and 22nd Street is approved.

BE IT FURTHER RESOLVED, that the Housing Authority does hereby recognize that the relevant approvals under the California Environmental Quality Act (CEQA) have been completed for this project, including the approval of a Mitigated Negative Declaration No. 122002 by the San Diego City Council, prior to this action.

BE IT FURTHER RESOLVED, that, notwithstanding any provision of the Loan Commitment Letter, the City of San Diego Housing Authority and the Borrower hereto agree and acknowledge that the Loan Commitment Letter constitutes a conditional reservation and does not represent a final commitment of HOME funds or site approval under 24 CFR Part 58 of the National Environmental Policy Act (NEPA). Should HOME funds constitute a portion of the funding for the project, a final reservation of HOME funds shall occur only upon satisfactory completion of environmental review and receipt by the City of San Diego of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58 of NEPA. The Housing Authority and the Borrower further agree that the provision of any HOME funds to the project is conditioned on the City of San Diego's determination to proceed with, modify or cancel the project based on the results of a subsequent environmental review under NEPA.

BE IT FURTHER RESOLVED, that the Interim President and Chief Executive Officer, or designee, is authorized to execute any and all documents necessary to make the approved loan to Borrower.

ITEM 105

	REPORT	
DATE ISSUED:	March 28, 2008	REPORT NO.: HCR08-35
ATTENTION:	Chair and Members of the Housing Cor For the Agenda of April 4, 2008	nmission
SUBJECT:	Loan Request for COMM 22 Senior Ho (Council District 8)	ousing

REQUESTED ACTION:

Recommend that the San Diego Housing Commission facilitate the construction of a 70-unit rental housing development for seniors by funding a loan in the amount of up to \$4,200,000 to COMM 22, LLC, as further described below.

STAFF RECOMMENDATION:

Subject to the conditions described below, recommend Housing Authority approval of:

(a) The funding of a 55-year, residual receipts loan of up to 4,200,000 to COMM 22, LLC as permanent financing for development of 70 units (two two-bedroom units would be occupied by resident managers) of rental housing for very low-income seniors and disabled residents to be located at 22^{nd} Street and Commercial Street; and,

(b) Authorize the Interim President and Chief Executive Officer of the Housing Commission, or their designee, to execute all documents necessary to make the approved loan.

DISCUSSION:

The Project

COMM 22, LLC submitted this senior housing application for construction financing under the Housing Commission's current Notice of Funding Availability (NOFA) for the Construction, Acquisition, and Operation of Affordable Rental Housing. The 70 senior apartments are one component of a proposed transit oriented, mixed-use development that will include 127 affordable family rental housing units, 17 for-sale row homes, 38 live/work lofts in a refurbished warehouse, childcare facilities, commercial and retail space to be located along Commercial Street between 21st Street and Harrison Avenue in the neighborhood of Logan Heights. The development will be done in phases. The 3.45 acre mixed-use site will be leased from the San Diego Unified School District (SDUSD) by COMM 22 under multiple long term ground leases.

COMM 22 intends to apply for 9% tax-credit financing for the senior development from the California Tax Credit Allocation Committee (TCAC) during the latter half of 2008 or early 2009;

the proposed Housing Commission loan for the senior housing would be contingent upon the receipt of nine-percent tax credit financing and the State funding described below. It is also anticipated that a funding request will be made for the 127-unit family housing phase in a future report.

COMM 22 has also applied to the State of California Department of Housing and Community Development (HCD) for Transit Oriented Development (TOD) Housing Program funds made available under the state approved Proposition 1C. The purpose of the TOD Housing Program is to stimulate the production of housing development near transit stations that include affordable housing units and increase public transit ridership to minimize automobile trips. The proposed development is an excellent TOD candidate due to its site location along the light rail transit corridor and next to the 25th and Commercial Street trolley station. The developer is applying for the maximum amount possible for the project through the TOD application (\$5,037,584 in a three-percent simple interest, first position loan).

Affordable Housing Impact

The Housing Commission would record 55-year rent restrictions against the property making 68 units affordable to tenants with annual incomes of 50 percent or less of Area Median Income (AMI), currently \$27,650 for a one-person household. Occupancy restrictions will be recorded at 60 percent of AMI, currently \$33,180 for a one-person household, allowing units to be available to residents with a wider range of incomes. The actual rents are subject to the more stringent restrictions of the California Tax Credit Allocation Committee (TCAC) and, as a result, would be affordable to tenants with incomes of between 30 percent and 50 percent of AMI. The proposed tax credit rents are outlined in the San Diego Housing Commission General Application Form (Attachment 5).

The Development Team

The owner and operator of the proposed development is currently a limited liability company (LLC) formed for the initial development phase. COMM 22 LLC will be subdivided into separate Limited Partnerships based on each of the individual development components. COMM 22 Senior Apartments will become a 9% tax credit limited partnership formed to develop, own, and operate the senior development in conformance with standard tax credit requirements and practice. The limited partnership will consist of BRIDGE Housing Corporation (BHC) as the cogeneral partner with a 60% share, and the Metropolitan Area Advisory Committee on Anti-Poverty of San Diego County, Inc. (MAAC Project) as the co-general partner with a 40% share. The tax credit investor would be competitively selected by the general partners.

MAAC Project is a long established local nonprofit housing developer and social service provider. MAAC Project has been active in the San Diego area since 1965. Their mission is to promote self-sufficiency for low and moderate income families. MAAC Project has completed 844 units of multi-family rental housing in seven developments, including the 144-unit Mercado Apartments and the 70-unit Mayberry Townhomes which have received assistance from the San Diego Housing Commission. MAAC Project recently completed construction of the 42-unit

Seniors on Broadway development in Chula Vista located on a site leased from that area's local school district.

BHC began its nonprofit operation in 1983; BHC has completed 86 developments consisting of 10,562 units. It currently owns 69 developments that consist of 8,469 units throughout California. BHC successfully developed the 112 unit Torrey Del Mar Apartments with San Diego Housing Commission assistance. Under the proposed development plan, BHC will take the lead in partnership with MAAC Project for the site development.

The Development

COMM 22 Senior Housing will be developed on a .77-acre portion of Site A and will be the first development phase. (See Attachment 1a for site orientation.) The three-story, 70-unit apartment development will be constructed over ground floor retail with a 59-space subterranean parking garage and 26 surface parking spaces. The senior housing will consist of eight studio units, 58 one-bedroom units, and four two-bedroom units. The site will be leased from SDUSD for a term of 65 years. The site and improvements would revert back to SDUSD at the end of the term. Please see Attachment 4 for a brief description of other Ground Lease terms. COMM 22 will refinance at the end of the15-year partnership period and/or at the end of the 30-year mortgage. With a 65-year lease term all financing should be paid off before the site and improvements revert to SDUSD.

There is a significant amount of soils remediation and public infrastructure replacement work to be done over all sites included in the mixed-use development. The costs have been broken out and spread over all components. The remediation and infrastructure costs are allowable costs for the TOD application. The preconstruction site work over all components includes a 5-foot

diameter sewer, a subterranean 5-foot high by 15-foot wide storm drain adjacent to the parking garage, a 25-foot wide sidewalk easement, and the installation of an underground 69 kilo vector (kV) transformer and electrical power line. Per the proposed timeline, the senior development is anticipated to break ground in the Spring of 2009.

FISCAL CONSIDERATIONS:

The total development cost of the project is \$24,435,369 (\$349,077 per unit). While this is a high cost per unit, approximately \$2,443,537 (\$34,908 per unit) is for costs associated with the soils remediation, infrastructure improvements and soft costs. This amount is proposed to be funded by TOD. Without these extraordinary expenses, the cost per unit is \$314,169. The developer is requesting a \$4,200,000 (\$60,000 per unit) 55-year residual receipts loan from the Housing Commission to fill its development funding gap and would leverage \$20,235,369 from other sources.

The proposed financing sources include a \$5,037,584 first position State HCD TOD loan. The 55-year, three percent, simple-interest loan requires the payment of an annual administrative fee at the current rate of 0.42% and a share of the residual receipts as discussed in the pro rata formula calculation below. Additional financing sources include equity from the sale of 9% tax credits in the amount of \$15,196,266, a general partner equity contribution of \$1,519; and, the Housing Commission loan.

It is expected that the developer will apply to the State of California for \$1 million of Mental Health Services Act (MHSA) funding to help subsidize approximately 15% of the units for eligible tenants. The developer is also expected to apply to the Centre City Development Corporation (CCDC) for approximately \$1 million of its special purpose funding. (CCDC is expected to commit a total of approximately \$8.2 million to the COMM 22 Senior and Family housing projects. The senior housing is the subject of this report.)

Should the MHSA application be successful, the Housing Commission loan will be reduced by the amount of the MHSA funding. Should the developer receive a commitment from CCDC for \$1 million in special purpose funding, the Housing Commission's commitment on the seniors project would be reduced by another \$1 million; however the Housing Commission's \$1 million would be transferred to the family housing site to round out the need for a total of \$8.2 million in CCDC gap financing. The family housing project funding matter will be presented to the Housing Commission as a separate action.

The Housing Commission loan will be a 55-year, 3 % interest, residual receipts loan secured by a second trust deed against the property. The Housing Commission loan would be contingent upon the project receiving the TOD loan and 9% tax credits. Debt service on the Housing Commission loan will be a pro rata share of residual receipts between public agency lenders. Payments will be based on the greater of 50% of residual receipts or \$16,606, which is equal to half of the estimated residual receipts at year one. The residual receipts payment share would be between the State (54% or \$8,967), the Housing Commission (35% or \$5,812), and CCDC (11% or \$1,827) if CCDC approves funding for the development. The Housing Commission payment

would increase to \$7,639 (46%) if CCDC does not invest in the development. In the event that the annual residual receipts are less than \$16,606, the pro rata payment between the public agency lenders will be based on 100% of annual residual receipts received.

The Housing Commission loan approval will extend through calendar year 2009 to allow the project to be considered by TCAC for the 2008 second round and the 2009 rounds with any further extension to be approved by the Chief Executive Officer of the Housing Commission.

The 65-year Ground Lease for the senior development between COMM 22 LLC and the property owner, SDUSD, requires a first year annual payment of \$46,208 with a 0.5% annual increase. As part of the development of the seniors site, SDUSD is relying on the developer's expertise to perform environmental remediation and to realign infrastructure to make the site developable. SDUSD has agreed to pay an amount equal to the costs of the environmental remediation and half of the infrastructure costs. SDUSD will pay this amount through a reduction in ground lease payments it would otherwise receive from the developer/lessee. Because the exact costs are uncertain at this time, the amount of lease payment reduction could not be determined. It is anticipated however that in order for the development to be reimbursed within the 15-year tax credit period, the lease payment reductions will be substantial. As a result, the Housing Commission may receive loan payments larger than those indicated in the 15-year proforma. SDUSD acknowledges that the lease payments will be re-visited once the remediation and infrastructure costs have been incurred.

The following table outlines the estimated sources of financing:

The proposed financing would not be funded until the project receives an award of the TOD funds and nine percent tax credits. The potential of bringing tax credits into this development makes this a desirable investment for the Housing Commission.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

The proposed development was approved by the Southeastern San Diego Planning Committee on September 10, 2007 by a unanimous vote of seven with no abstentions. COMM 22 has performed outreach and provided updates to community groups such as the Sherman Heights Revitalization Committee, Barrios Unidos Hoy Organizados (BUHO) Community Organization, the Environmental Health Coalition, and bilingual community meetings at Bronze Triangle Community Development Corporation (development partner for the retail/commercial component). The team has also conducted an on-site community meeting and has gone door-to-

door to meet with local residents and business owners. There is also a project website at <u>www.comm22.com</u> for all interested parties.

PREVIOUS COUNCIL and/or COMMITTEE ACTIONS

On March 4, 2008, the Loan Committee recommended approval of a residual receipts loan of up to \$4,200,000 for the COMM 22 Senior Housing development.

ENVIRONMENTAL REVIEW:

The California Environmental Quality Act (CEQA) process has been initiated with the City of San Diego Development Services Division. On December 4, 2007, the City Council unanimously approved the following pertinent actions for COMM 22 including: Certification of Mitigated Negative Declaration No. 122002; approval of the land use rezone for residential and retail/commercial purposes; adoption of an amendment of the Southeastern San Diego Community Plan and Community Plan and Progress Guide and General Plan, approved Tentative Map No. 415855; and granted to SDUSD the following permits: Site Development Permit No. SDP 415853, Planned Development Permit No. PDP454025, and Conditional Use Permit No. CUP431367. The site has previously been served by all required utilities and public services.

KEY STAKEHOLDERS & PROJECTED IMPACTS:

Stakeholders include BHC as the nonprofit administrative general partner, MAAC Project as the nonprofit managing general partner, the San Diego Housing Commission as a lender, and SDUSD as the owner and lessor of the land to the partnership. The project is expected to have a positive impact on the two communities of Logan Heights and Sherman Heights that COMM 22 is located between as it will contribute to the quality of the surrounding neighborhood and provide much-needed affordable housing for low-income seniors and disabled residents.

TIT

NOTE: Because we are removing the Lofts/Bank and For Sale from the project scope for HCD, we are allocating all costs to either the Family or Senior proformas. These costs will not be in basis for the Family and Senior deals, but will be carried in those proformas as a cost. Generally, costs that were previously allocated to the Lofts will be allocated to the Senior site. Portions that were allocated to the For Sale will be allocated to the Family Site.

* State TOD and MHSA loans require annual debt service payment of .42% of the loan, plus residual payments.

** Accrued interest is developer's estimate of possible interest that could be earned on funds advanced by the lenders.

ORGANIZATIONAL CHART: COMM22 MASTER DEVELOPMENT

The COMM22 site is owned by the San Diego Unified School District and is currently controlled by COMM22, LLC under an Option Agreement. The site will eventually be redeveloped into a mixed-use site, consisting of affordable family and senior rental housing, ground-floor retail, a child care center, office space, live-work lofts, and for-sale row homes.

The project components will be developed and owned by separate entities, with BRIDGE SC, LLC as the initial General Partner of the future affordable family housing ownership entity. BRIDGE SC, LLC will ultimately be substituted by an entity consisting of a BRIDGE Housing Corporation affiliate and Metropolitan Area Advisory Committee affiliate, with the BRIDGE affiliate maintaining controlling interest.

BRIDGE SC, LLC is comprised of BRIDGE Housing Corporation – Southern California as its sole member and manager. BRIDGE Housing Corporation – Southern California is a wholly controlled affiliate of BRIDGE Housing Corporation, which currently holds an Option to acquire the future leasehold interest from COMM22, LLC.

ATTACHMENT 6 PROPOSED LOAN TERMS SUMMARY

Proposed terms of the Housing Commission financing will be:

- 1. Maximum loan amount up to \$500,000.
- 2. <u>Interest</u> Simple interest at 3%.
- 3. <u>Term</u> The loan will be due in 55 years.
- 4. <u>Consistency with Agency's loan</u> It is proposed that the Housing Commission's occupancy and rent levels and other loan terms be consistent with the Agency's OPA requirements where possible.
- 5. <u>Residual payments</u> The developer has requested 40% of the residual receipts and 10% of the residual be paid to the SDUSD (as additional rent under their land lease). Also, some of the California State funding sources (MHSA and TOD programs) and the proposed Agency loan require sharing in the residual receipts. It is proposed that the Housing Commission loan commitment be consistent with the residual payments as allowed by the Agency's loan. Currently the estimate for sharing of any residual receipts is as follows:
 - a) for the first 30 years to be split 10% to the San Diego Unified School District, 40% to the developer and 50% to the public lenders in proportion to the amount of each loan, (estimated as shown on the following chart), and
 - b) for years 31 to 55 to be split 10% to the San Diego Unified School District, 10% to the developer and 80% to the public lenders in proportion to the amount of each loan.

An estimate of the public lenders proportionate sharing follows:

Four Public Lenders Proportionate Estimated Loans:
State Transit Oriented Development Program (TOD) Loan \$ 7,150,000 = 39% of four public lender loans
State Mental Health Services Act Program (MHSA) Loan \$ 1,406,080 = 7% of four public lender loans
Agency Proposed Loan \$ 9,255,000 = 51% of four public lender loans
Housing Commission Proposed Loan. $\frac{500,000}{1000} = 3\%$ of four public lender loans
Estimated Four Loans Total = $\$18,311,080$

Calculation of Four Public Lenders Proportionate 50% of Residual Receipts Estimated Percentages:		
State Transit Oriented Development Program (TOD) Loan = \$7,150,000 (39% of four loans total X 50% = 19.5%)		
State Mental Health Services Act Program (MHSA) Loan = \$ 1,406,080 (7% of four loans total X 50% = 3.5%)		
Agency Proposed Loan		
Housing Commission Proposed Loan. $= \frac{500,000}{3\%}$ (3% of four loans total X 50% = 1.5%)		
Estimated Four Loans Total = $\$18,311,080$		

Estimated Residual Receipts Under Financing Structure 4% tax credits for Years 1 - 30:

Estimated Split of Total Residual Receipts:	Proposed Distribution of Residual Receipts:
Developer's proposed share to SDUSD	10.0% of Residual Receipts per year
Developer's proposed share	40.0% of Residual Receipts per year
State TOD Program loan proposed share	19.5% of Residual Receipts per year
State MHSA Program loan proposed share	3.5% of Residual Receipts per year
Agency's proposed share	25.5% of Residual Receipts per year
Housing Commission's proposed share	1.5% of Residual Receipts per year

- 6. <u>Any Financing Gap</u> The developer will cover any financing gap with its equity, its developer fee and/or other non-Housing Commission sources.
- 7. <u>Additional Sources</u> The developer will pursue other available funding sources. Any additional funding sources will be used first to pay cost overruns and/or reductions in estimated funding. The remaining proceeds, as allowed by the Agency's loan, are to be split as allowed by, and consistent with, the Agency's loan documents.
- 8. <u>Cost Savings</u> Any cost savings will be shared as allowed by, and consistent with, the Agency's loan documents. It is intended that cost savings will be split with the Agency in proportion to the lenders' loans.
- 9. <u>Recourse</u> The Housing Commission's loan would be recourse until the timely completion of the construction, after which it would become non-recourse.
- 10. Prevailing Wages are required to be paid.
- 11. <u>Contingency</u> There will be an estimated \$2,222,517 hard cost contingency and \$271,735 soft cost contingency.
- 12. <u>Asset Management Fees</u> These fees are intended to be consistent with the amounts allowed by the Agency. These fees are currently being negotiated and may change. Current estimates are \$7,500/year for the tax credit 15 year limited Managing General Partner asset management fee and \$20,000/year for General Partner's management fee.
- 13. Property Management Fee Proposed at \$57,720 (\$37/unit/month).
- 14. <u>Replacement Reserve</u> \$65,000 per year (\$500/unit/year).
- 15. <u>Loan Disbursement Schedule</u> It is preferred that the Housing Commission's loan be disbursed in the same proportion as the Agency's loan. However, the Agency's loan disbursement schedule is currently being negotiated and has not been finalized. The President and Chief Executive Officer is authorized to finalize the Housing Commission loan disbursement schedule as necessary.
- 16. <u>Developer Fee for Comm 22 Family Housing</u> For consistency with the Agency's Owner's Participation Agreement (OPA), the Housing Commission loan would defer to, and be consistent with the Agency's approved maximum amounts for the developer fee (\$2,500,000), for amounts of any necessary deferred developer fee, and for the incremental disbursal payments of the developer's fee.

ATTACHMENT 7 HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM Summary

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as "private activity bonds" because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith and credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of 10% of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AMI. The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks). Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

Approval Process:

• Inducement Resolution: The bond process is initiated when the issuer (Housing Authority) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, Housing Authority, or the developer to proceed with the financing.

7-1

• TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): To assure that projects making use of tax-exempt financing meet appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located (City Council). This process does not make the City financially or legally liable for the bonds or for the project.

[Note: It is uncommon for the members of the City Council to be asked to take two actions at this stage in the bond process---one in their capacity as the City Council (TEFRA hearing and resolution) and another as the Housing Authority (bond inducement). Were the issuer (Housing Authority) a more remote entity, the TEFRA hearing and resolution would be the only opportunity for local elected officials to weigh in on the project.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Authority and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the issuance of bonds through adoption of a final resolution authorizing the issuance. Prior to final consideration of the proposed bond issuance, the project must comply with all applicable financing, affordability, and legal requirements and undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders. If rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

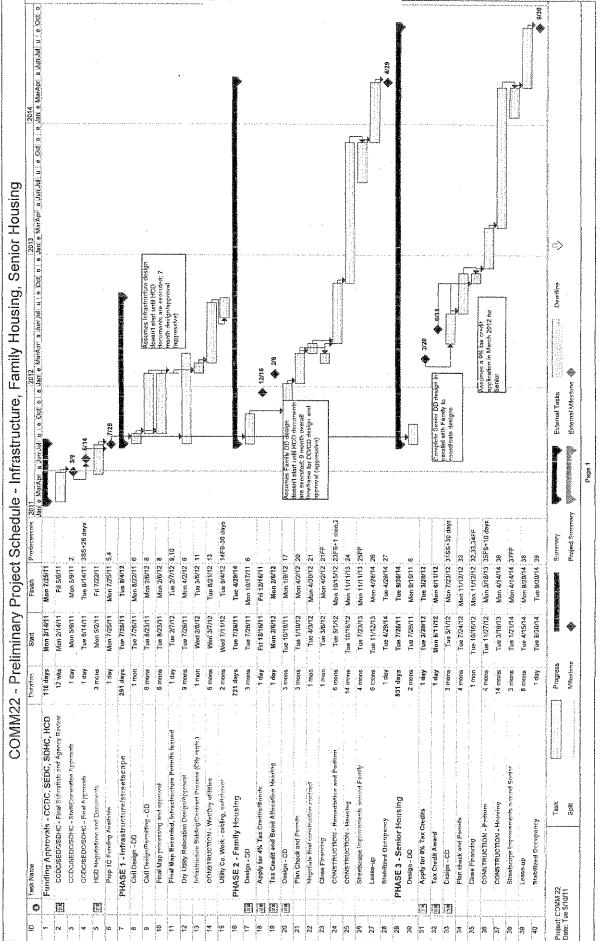

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.

CORPORATION AND AFFILIATES WERE INCLUDED IN THE COMM22 FAMILY HOUSING NOFA APPLICATION.

#### ORGANIZATIONAL CHART: COMM22 MASTER DEVELOPMENT

The COMM22 site is owned by the San Diego Unified School District and is currently controlled by COMM22, LLC under an Option Agreement. The site will eventually be redeveloped into a mixed-use site, consisting of affordable family and senior rental housing, ground-floor retail, a child care center, office space, live-work lofts, and for-sale row homes.

The project components will be developed and owned by separate entities, with BRIDGE SC, LLC as the initial General Partner of the future affordable family housing ownership entity. BRIDGE SC, LLC will ultimately be substituted by an entity consisting of a BRIDGE Housing Corporation affiliate and Metropolitan Area Advisory Committee affiliate, with the BRIDGE affiliate maintaining controlling interest.

BRIDGE SC, LLC is comprised of BRIDGE Housing Corporation – Southern California as its sole member and manager. BRIDGE Housing Corporation – Southern California is a wholly controlled affiliate of BRIDGE Housing Corporation, which currently holds an Option to acquire the future leasehold interest from COMM22, LLC.

#### HOUSING AUTHORITY OF THE CITY SAN DIEGO

## RESOLUTION NO. 1525

#### DATE OF FINAL PASSAGE ON JUNE 21, 2011

## A RESOLUTION SETTING FORTH THE OFFICIAL INTENT OF THE HOUSING AUTHORITY OF THE CITY OF SAN DIEGO TO ISSUE MULTIFAMILY HOUSING REVENUE BONDS TO FINANCE THE COMM 22 FAMILY HOUSING PROJECT AND AUTHORIZING RELATED ACTIONS

WHEREAS, pursuant to Chapter 1 of Part 2 of Division 24 of the Health and Safety Code of the State of California, as amended (Act), the Housing Authority of the City of San Diego (Authority) is authorized to issue revenue bonds for the purpose of financing the acquisition, construction and equipping of multifamily rental housing and for the provision of capital improvements in connection with and determined necessary to the multifamily rental housing;

WHEREAS, Comm 22 LLC, a California limited liability company (Borrower) has requested the Authority to issue and sell multifamily housing revenue bonds (Bonds) pursuant to the Act for the purpose of financing the acquisition, construction and equipping of a 130-unit affordable housing development for families (Affordable Housing) located on an approximately 1 acre site at Commercial Street between 22nd Street and Harrison Street in the City of San Diego, California, as identified in Exhibit A hereto (Project); and

WHEREAS, as a part of financing the Project, the Authority desires to reimburse the Borrower, but only from Bond proceeds, for expenditures (Reimbursement Expenditures) made in connection with the Project within the period from the date 60 days prior to the adoption of this Resolution to the date of issuance of the Bonds; and WHEREAS, section 1.103-8(a)(5) and section 1.150-2 of the Treasury Regulations require the Authority to declare its reasonable official intent to reimburse prior expenditures for the Project with proceeds of a subsequent tax-exempt borrowing; and

WHEREAS, the Authority wishes to declare its intention to authorize the issuance of Bonds for the purpose of financing costs of the Project (including reimbursement of the Reimbursement Expenditures, when so requested by the Borrower upon such terms and condition as may then be agreed upon by the Authority, the Borrower and the purchaser of the Bonds) in an aggregate principal amount not to exceed \$30,000,000, as set forth in Exhibit A; and

WHEREAS, section 146 of the Internal Revenue Code of 1986 limits the amount of multifamily housing mortgage revenue bonds that may be issued in any calendar year by entities within a state and authorizes the governor or the legislature of a state to provide the method of allocation within the state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the California Government Code governs the allocation of the state ceiling among governmental units in the State of California having the authority to issue private activity bonds; and

WHEREAS, section 8869.85 of the California Government Code requires a local agency desiring an allocation of the state ceiling to file an application with the California Debt Limit Allocation Committee (CDLAC) for such allocation, and the Committee has certain policies that are to be satisfied in connection with any such allocation; NOW, THEREFORE,

BE IT RESOLVED, by the Board of Commissioners of the Housing Authority of the City of San Diego, as follows:

#### Section 1. Finding and Determinations.

(a) The above recitals, and each of them, are true and correct. The Authority hereby determines that it is necessary and desirable to provide financing for the Project (including reimbursement of the Reimbursement Expenditures) by the issuance and sale of Bonds pursuant to the Act in aggregate principal amount not to exceed \$30,000,000, as set forth in Exhibit A, subject to authorization of the issuance of the Bonds by resolution of the Authority at a meeting to be held for such purpose. The expected date of issue of the Bonds is within eighteen (18) months of the later of the date the first Reimbursement Expenditure was made and the first date the Project is placed in service and, in no event, later than three years after the date of the first Reimbursement Expenditure.

(b) Proceeds of the Bonds to be used to reimburse for Project costs are not expected to be used directly or indirectly to pay debt service with respect to any obligation or to be held as a reasonably required reserve or replacement fund with respect to an obligation of the Authority or any entity related in any manner to the Authority, or to reimburse any expenditure that was originally paid with the proceeds of any obligation, or to replace funds that are or will be used in such manner.

(c) As of the date hereof, the Authority has a reasonable expectation that the Bonds will be issued to reimburse Project costs. This Resolution is consistent with the budgetary and financial circumstances of the Authority, as of the date hereof. The Bonds will be repaid solely from proceeds of the Bonds and amounts paid by the Borrower. No other moneys are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside by the Authority (or any related party) pursuant to its budget or financial policies to repay the Bonds. Section 2. <u>Declaration of Official Intent</u>. This resolution is being adopted by the Authority solely for purposes of establishing compliance with the requirements of section 1.103-8(a)(5) and section 1.150-2 of the Treasury Regulations. In such regard, the Authority hereby declares its official intent to use proceeds of indebtedness to reimburse the Reimbursement Expenditures. This action is taken expressly for the purpose of inducing the Borrower to undertake the Project, and nothing contained herein shall be construed to signify that the Project complies with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the Authority, the City or any officer or agent of the City will grant any such approval, consent or permit that may be required in connection with the acquisition and construction of the Project, or that either the Authority or the City will make any expenditure, incur any indebtedness, or proceed with the financing of the Project.

Section 3. <u>Application to CDLAC</u>. The officers and/or the program managers of the Authority are hereby authorized and directed to apply to CDLAC for an allocation from the state ceiling of private activity bonds to be issued by the Authority for the Project in an amount not to exceed \$30,000,000, and to take any and all other actions as may be necessary or appropriate in connection with such application, including but not limited to the payment of fees, the posting of deposits and the provision of certificates, and any such actions heretofore taken by such officers and program managers are hereby ratified, approved and confirmed.

Section 4. <u>Effective Date</u>. This resolution shall take effect immediately upon its

adoption.

#### RESOLUTION NUMBER R-____

DATE OF FINAL PASSAGE _____ UN 2.2 2011

A RESOLUTION PURSUANT TO SECTION 147(f) OF THE INTERNAL REVENUE CODE OF 1986 APPROVING THE ISSUANCE OF BONDS BY THE HOUSING AUTHORITY OF THE CITY OF SAN DIEGO FOR THE COMM 22 FAMILY HOUSING PROJECT

WHEREAS, the Housing Authority of the City of San Diego (Authority) intends to issue not to exceed \$30,000,000 aggregate principal amount of multifamily housing revenue bonds (Bonds) to finance the acquisition, construction and equipping of a multifamily rental housing project in the City of San Diego described in the notice of public hearing attached as Exhibit A hereto (Project); and

WHEREAS, in order for interest on the Bonds to be tax-exempt, section 147(f) of the Internal Revenue Code of 1986 requires that the Bonds be approved by the City Council as the applicable elected representative after a public hearing following reasonable public notice; and

WHEREAS, notice of a public hearing with respect to the proposed issuance of the Bonds was published in a newspaper of general circulation in the City on June 6, 2011; and

WHEREAS, the public hearing was held on June 21, 2011, and an opportunity was provided for interested persons to express their views on the issuance of the Bonds and on the nature and location of the Project; NOW THEREFORE,

BE IT RESOLVED, by the City Council of the City of San Diego that this City Council, as the applicable elected representative under Section 147(f) of the Code, approves the issuance of the Bonds by the Authority.

## BE IT FURTHER RESOLVED, that the City does not warrant the

creditworthiness of the Bonds or guarantee, in any way, the payment of the Bonds. No moneys of the City will be pledged or applied to the repayment of the Bonds.
