

HOUSING AUTHORITY REPORT

DATE ISSUED: January 26, 2012

REPORT NO: HAR12-012

- **ATTENTION:** Chair and Members of the Housing Authority of the City of San Diego For the Agenda of February 28, 2012
- **SUBJECT:** Juniper Gardens Loan Request

COUNCIL DISTRICT: 3

<u>REQUESTED ACTION</u>:

Approve a residual receipts loan in an amount up to \$2,844,132 to Wakeland Housing & Development Corporation ("Wakeland") for the rehabilitation of the 40-unit Juniper Gardens Apartments located in the City Heights neighborhood of southeastern San Diego.

STAFF RECOMMENDATION:

That the Housing Authority of the City of San Diego ("Housing Authority"):

- 1. Approve a residual receipts loan to Wakeland in an amount up to \$2,844,132 to be used as gap financing for the rehabilitation of 39 units of affordable rental housing and one manager's unit, contingent upon Wakeland obtaining all necessary third-party funding commitments, including 9 percent tax credits and an extension of the HAP contract.
- 2. Authorize the President & Chief Executive Officer ("CEO") of the San Diego Housing Commission ("Housing Commission"), or designee:
 - a. To execute all necessary documents and instruments to effectuate the transaction, in a form approved by General Counsel, and authorize the President & CEO, or designee, to take such actions as are necessary and appropriate to implement these approvals by the Housing Authority; and
 - b. To adjust financing terms/conditions as necessary for consistency with requirements of other funding sources or to accommodate market changes, not to exceed the maximum Housing Commission loan amount of \$2,844,132.

SUMMARY:

The Project

Juniper Gardens Apartments is an existing 40-unit type–V, two-story, garden style slab-on-grade apartment complex located at 4251 Juniper Street, off of Home Avenue and the 805 Freeway in the City Heights neighborhood of southeast San Diego (see Attachment 1). The apartment complex was built in 1984 and contains five 8-plex buildings with tuck-under parking. The project has a Housing Assistance Payments ("HAP") contract for project-based Section 8 vouchers that will expire in late 2013. If the HAP contract is not extended, the property will revert to market rate apartments. Wakeland is proposing to acquire the project, rehabilitate the units, add a community center, and preserve and extend the affordability for an additional 55 years (see Attachment 5 for the Project Timeline).

Wakeland negotiated a Purchase & Sale Agreement ("PSA") to purchase the land and improvements in the amount of \$6,193,600 (\$154,840 per unit) for \$43,600 more than the appraised amount of \$6,150,000, per the Housing Commission's appraisal. The total purchase price of \$6,335,000 reflected in Table 2 below is inclusive of broker's commissions.

The proposed acquisition and rehabilitation of the 40 units is projected to cost \$12,260,064 (\$306,502 per unit). The proposed upgrades will include interior and exterior building upgrades, the rehabilitation of retaining walls onsite, the construction of a new community center for the apartment complex, solar photo voltaic equipment and a new playground. See Attachment 2 for Wakeland's proposed Rehabilitation Scope of Work.

Project Sustainability

The Juniper Gardens apartment complex improvements will include the following sustainable construction methods and improvements:

- Recycling of all waste target will be to exceed 70 percent
- No added formaldehyde in wood products for cabinetry
- Low VOC paints
- Carpet, pad, and flooring with recycled content
- Energy Star appliances (when being replaced)
- Dual pane, Low E windows
- Fluorescent light fixtures (when being replaced)
- High efficiency (1.3 gal flush) toilets and low-flow fixtures (when being replaced)
- Energy efficient HVAC and water heating equipment (when being replaced)
- Solar electricity (partial coverage of the common area load)
- Water saving landscaping (when being replaced)

Development Team

Wakeland, a 501(c)(3) non-profit housing developer, will be responsible for the rehabilitation and development of the apartment complex. Wakeland currently has over 5,600 units of affordable housing in its portfolio. The Housing Commission has worked with Wakeland on several successful projects. Recently completed projects include the 92-unit Village Green Apartments in the Rolando area and Vista Grande, a 48-unit project located in southeastern San Diego. Wakeland is in compliance with all previous Housing Commission loans and bond issuances. A Developer's Disclosure statement is provided as Attachment 3.

Affordable Housing Impact

The project as proposed will preserve the affordability of 39 units as detailed in the following table:

| Affordability Rent Table | | | | | | | | | |
|--------------------------|-----|--------------------|----------------------------|----------------------------------|----------------------|--|--|--|--|
| Туре | AMI | Number of Units | Net Square Feet/Unit | Monthly Maximum Gross Rent | Est. Market Rents | | | | |

| 2 BR/ 1 BA | 40% | 6 | 968 | \$738 | \$1,173 | | | | |

| 3 BR/1.5 BA | 60% | 3 | 1,207 | \$1,278 | \$1,378 |
| Total | | 40 | | | |

The HAP contract will provide monthly housing assistance payments equivalent to the difference between the HUD-determined contract rent (estimated at \$1,173 for 2-bedroom units and \$1,378 for 3-bedroom units) and the tenant's payment of up to 30 percent of their income. Wakeland is applying to HUD to extend the HAP contract for 30 years. When the HAP contract expires, tenant rents will be limited under the tax credit and Housing Commission restrictions as listed above.

FISCAL CONSIDERATIONS:

Approval of this report's recommendations will result in the expenditure of up to \$2,844,132 in Housing Commission federal HOME Investment Partnerships and local Housing Trust Fund funds. A final determination of Housing Commission funding sources will be made by the Housing Commission's President & Chief Executive Officer, or designee. The Housing Commission's loan will be a residual receipts loan. At the end of the first full year of the project, Wakeland and the Housing Commission will each receive 50 percent of the residual receipts of the project. Upon maturity of the first position loan in year thirty, the Housing Commission's share of residual receipts will increase to 75 percent.

The proposed hard construction cost of the rehabilitation is \$2,412,138 (\$60,303 per unit) excluding contingency. The project's total development costs, sources of funds, and uses of funds are detailed in the proforma attached to this report (Attachment 4) and summarized below:

| Sources of Funding | | Use of Funding | | | |

| Housing Commission Total Subsidy | \$2,844,132 |
|-------------------------------------|-------------|
| Housing Commission Subsidy per Unit | \$71,103 |

If improved debt and/or equity financing terms and/or pricing are achieved, Wakeland will first make an adjustment to the total tax credit allocation as required by the Tax Credit Allocation Committee, then apply the excess sources towards the reduction of the Housing Commission loan.

The Housing Commission loan is contingent upon Wakeland obtaining the proposed funding approvals from the various other sources including 9 percent tax credits. Should Wakeland not receive an allocation of 9 percent tax credits in their first application, the term of the Housing Commission's loan commitment is limited to a maximum of three consecutive tax credit applications.

PREVIOUS COUNCIL and/or COMMITTEE ACTION:

This item was approved at the Regular Housing Commission meeting of January 20th, by a vote of 4-0.

On November 8, 2011, the Real Estate Committee of the Housing Commission heard and approved the Juniper Gardens Loan Request as presented by staff.

KEY STAKEHOLDERS & PROJECTED IMPACTS:

Key stakeholders include Wakeland as the borrower, the current tenants, and the community of City Heights. Rehabilitation of the property is expected to have a positive impact on the community because it will improve the quality of housing in the neighborhood and preserve much needed rental units affordable to low and very low-income families.

ENVIRONMENTAL REVIEW:

This activity is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15301 (existing facilities) and 15332 (in-fill development projects). An environmental assessment prepared pursuant to 24 CFR 58.40 of the National Environmental Policy Act determined the project is not an action that will result in a significant impact on the quality of the human environment. Therefore, a Request for Release of Federal Funds will be submitted to the U.S. Department of Housing and Urban Development for review and approval.

Respectfully submitted,

Ryan Granito Real Estate Manager Real Estate Department
