## **SUMMARY**

## The Development

The Nook East Village (The Nook) development is supported by HOUSING FIRST – SAN DIEGO, the Housing Commission's three-year Homelessness Action Plan (2014-17). The Nook received a funding award of \$750,000 through the Permanent Supportive Housing Notice of Funding Availability that was released by the Housing Commission on October 7, 2015, in the second year of HOUSING FIRST – SAN DIEGO.

HOUSING FIRST – SAN DIEGO includes awarding up to \$30 million over three years (up to \$10 million per year), along with up to 300 Federal rental housing vouchers per year, to create permanent supportive housing that will remain affordable for 55 years. The Housing Commission announced HOUSING FIRST – SAN DIEGO on November 12, 2014. HOUSING FIRST – SAN DIEGO will impact the lives of as many as 1,500 homeless San Diegans.

The Nook is a new construction affordable housing development located at the corner of 15th and K Streets in the East Village neighborhood of downtown San Diego (Attachment 1). The development will consist of 91 contemporary Single-Room Occupancy (SRO) units, including one manager's unit, averaging about 250 square feet, each with its own private bathroom and kitchenette. The Nook will be targeted to individuals, including Veterans, service workers, and entry-level professionals.

The development will also provide housing opportunities for eight homeless Veterans in accordance with the "Housing First" model – to provide housing as quickly as possible, with supportive services as needed. The Housing Commission has awarded eight U.S. Department of Housing and Urban Development-Veterans Affairs Supportive Housing (HUD-VASH) Vouchers to supplement tenant rental payments and subsidize the provision of services for these households.

The Housing Commission partners with the San Diego Healthcare System of the U.S. Department of Veterans Affairs (VA) to provide HUD-VASH vouchers. The VA provides clinical health and case management services to HUD-VASH voucher recipients. The local VA identifies Veterans who qualify for HUD-VASH vouchers. The Housing Commission confirms their eligibility and enrolls them in the HUD-VASH voucher program. The HUD-VASH program is similar to the Section 8 Housing Choice Voucher rental assistance program in which participants pay a portion of their rental costs.

The Nook site is composed of two parcels totaling 7,696 square feet (0.18 acres). Current site improvements include a vacant Single-Room Occupancy (SRO) hotel, formerly known as the Bell Hotel, which was damaged beyond repair in a fire. The building will be demolished before commencing construction. The second parcel is a vacant lot.

The proposed structure will be five stories tall, four stories of wood frame construction over a single-level concrete podium. The development will include seven vehicle parking spaces and 54 bike parking

spaces, which will be contained in an on-grade parking garage. An on-site car-sharing station will be provided by Enterprise Car Share for the exclusive use of building residents.

Additional project amenities will include a fully-appointed community room and gym. There will also be approximately 1,800 square feet of retail along K Street, directly across from the newly proposed Chargers' Football Stadium and Convention Center Annex. A development summary is included as Attachment 2.

## **Development Team**

The development team will consist of a to-be-formed Limited Partnership composed of Trestle as the General Partner, National Housing Corporation (NHC) as the Managing General Partner, and Glamar Investments, LLC as the investor limited partner.

The project's development team will be led by David Allen of Trestle Development, LLC. Since Trestle was founded in 2013, the company has acquired four Low-Income Housing Tax Credit financed properties totaling 166 units and is nearing completion on a 71-unit, ground-up, micro apartment development in downtown Oakland, CA.

Prior to founding Trestle, Mr. Allen was a development director for Housing Development Partners (HDP), the nonprofit affiliate of the Housing Commission, where he managed all aspects of the development and entitlement process. Mr. Allen began his career in the affordable housing field in the Seattle office of Vitus Group, a national leader in affordable housing finance and development. Throughout his career, Mr. Allen has managed the financing and development of more than 1,500 units of affordable multifamily housing.

NHC is a 501(c)(3) that provides supportive services for low-income housing properties. NHC's mission is to improve the quality of life of their residents through coordinating community enrichment programs. Anticipated services available to tenants at The Nook include yoga and fitness classes, gardening education at SMART farms in East Village, and various other arts, education, and career advancement programs.

Equity will be provided by Glamar Investments, LLC which is wholly owned by Richard and Mary Ann Allgire. The Allgires are longtime San Diegans with a history of success in development, real estate, and construction. Glamar has been involved with successful apartment developments totaling more than 350 units, including Trestle's recent micro unit project in Oakland, CA. Richard and Mary Ann Allgire are also the owners of Allgire General Contractors, Inc., the builder of The Nook. Allgire has most recently worked with the Housing Commission and Housing Development Partners on the San Diego Square and Hotel Churchill rehabilitation projects.

The selected architect for the project, Joseph Wong Design Associates (JWDA), has been at the forefront of global architectural and interior design since it was founded in San Diego in 1977. For more than 30 years, JWDA has planned and designed major buildings throughout California and in most major cities in Asia. JWDA has designed numerous projects in downtown San Diego, including several affordable housing developments, such as the Housing Commission partnership developments Alpha Square (201 affordable studios in Downtown San Diego) and Atmosphere (202 affordable apartments currently under construction in Downtown San Diego).

## **Proposed Financing Structure**

The Nook has an estimated total development cost of \$13,710,406. The developer proposes to finance the project through the use of a conventional loan, sponsor equity, and a Housing Commission loan.

The Housing Commission loan will be a 30-year amortized loan at 3 percent interest. The development programming at The Nook proposes to blend units affordable to residents with income up to 80 percent of Area Median Income with HUD-VASH Permanent Supportive Housing units that receive fair market rents. This structure allows for the developer to leverage conventional financing sources, which limits the amount of funding subsidy provided by the Housing Commission. In addition, the equity provided by the limited partnership allows for the Housing Commission to structure an amortized loan that will be fully repaid in 30 years.

Total development costs and sources and uses of funds are detailed in the pro forma attached to this report (Attachment 4) and summarized below.

**Table 3 – Estimated Permanent Sources & Uses** 

Sources of Funding		Uses of Funding	
Equity	\$2,660,406	Land/Acquisition	\$3,500,000

**Table 4 - Funding Request** 

Housing Commission Total Subsidy	\$750,000
Housing Commission Subsidy Per Unit	\$8,242

## **Proposed Funding Sources**

The proposed Housing Commission loan will be funded with up to \$750,000 in HUD HOME Investment Partnerships Program funds, granted to the City of San Diego and administered by the Housing Commission. A final determination of Housing Commission funding sources will be made by the Housing Commission's President & CEO, or designee, contingent upon budget availability. Loan terms are provided as Attachment 5.

The Housing Commission loan is contingent upon the developer obtaining all necessary financing, including the approvals from HUD for the proposed HUD-VASH vouchers.

In response to the HOUSING FIRST – SAN DIEGO Notice of Funding Availability, the development was reviewed by a selection committee consisting of primarily Housing Commission staff and one representative from Funders Together to End Homelessness San Diego (Funders Together). Major philanthropists and grant makers formed Funders Together to invest in effective systems change with the goal of ending chronic homelessness throughout San Diego County. Funders Together is composed of private foundations and the United Way of San Diego County. The selection committee recommended capital funding and Federal Project-Based Housing Vouchers to provide rental assistance for the development.

## **Development Cost Key Performance Indicators**

Housing Commission staff has identified development cost performance indicators, shown in Table 5, which were used to evaluate the proposed development and make a funding recommendation.

**Table 5 – Key Performance Indicators** 

Development Cost Per Unit	\$13,710,406 ÷ 91 units =	\$150,663
Housing Commission Subsidy Per Unit	\$750,000 ÷ 91 units =	\$8,242
Land Cost Per Unit	\$3,500,000 ÷ 91 units =	\$38,462
Gross Building Square Foot Hard Cost	\$8,039,406 ÷ 31,955 sq. ft. =	\$251
Net Rentable Square Foot Hard Cost	\$8,039,406 ÷ 22,750 sq. ft. =	\$353

The Housing Commission engaged RSMeans, a third-party cost consultant, to evaluate the development proposal and provide construction hard cost estimates. The report issued by the consultant validated the developer's cost estimate for the project.

## **Development Cost Factors**

- Entitled Site The project site was originally entitled as a motel and the development team obtained site control fully entitled.
- Unit Sizes At 250 square feet; the units are smaller than most typical developments.
- Ownership structure Efficiencies achieved by affiliation with General Contractor.

## **Project Comparison Chart**

There are multiple factors and variables that influence the cost of developing multifamily affordable housing, including but not limited to project location, site conditions, site improvements needed, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City impact fees, developer experience and capacity.. Table 6 shows a comparison of the subject property and other projects of similar construction type.

## AFFORDABLE HOUSING IMPACT

## **Homeless Impact**

The 2016 San Diego Regional Homeless Point-In-Time Count identified a total of 5,093 total homeless individuals in the city of San Diego, of which 2,745 are living without shelter on San Diego streets, in canyons, beaches, riverbeds, parks, or in vehicles. The HUD Office of Community Planning and Development's 2015 Annual Homeless Assessment Report to Congress estimated that San Diego County has the fifth largest homeless population in the nation.

As a condition of the Housing Commission loan commitment, The Nook will restrict 10 percent of its units at or below 65 percent of the Area Median Income for a 55-year term and the remaining 90 percent of the apartments will be restricted at or below 80 percent of the Area Median Income for a 30-year term, as shown in Table 7.

**Table 7 - Proposed Rents** 

A portion of the targeted tenant population is extremely low-income and does not typically have a stable source of income to pay rent. The Housing Commission has awarded the developer eight HUD-VASH Vouchers to supplement tenant rental payments and subsidize the provision of services for these households.

## FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this action are included in the Fiscal Year 2017 (July 1, 2016 – June 30, 2017) Housing Authority Approved Budget. Approving this action will authorize the Housing Commission to expend an amount up to \$750,000.

Funding sources approved by this action will be as follows: HUD HOME Investment Partnership Program Funds – \$750,000 Total Funding Sources - Up to \$750,000

Approving this action will further give the President & CEO, or designee, the authority to substitute the funding sources with other funding sources available, should the operational need arise or should such action be to the benefit of the Housing Commission and its mission.

## PREVIOUS COUNCIL and/or COMMITTEE ACTION

This project was presented to the Housing Commission's Real Estate Committee on Friday, July 1.

## COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS

The project will be presented to the Downtown Community Planning Council on July 20, 2016.

## **KEY STAKEHOLDERS and PROJECTED IMPACTS**

Stakeholders include Trestle, NHC, Glamar Investments, the Housing Commission, and the downtown community. Development of the property is expected to have a positive impact on the community because it will redevelop a currently damaged and vacant site into affordable rental units serving low-income individuals and homeless veterans.

## **ENVIRONMENTAL REVIEW**

The action being taken at this time involves only consideration of a loan. This activity is not a "project" and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(3). This determination is predicated on Section 15004 of the Guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. This action does not constitute approval of a project. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process. The proposed actions are approval of a loan and do not constitute approval of the development activity. Future actions to consider and approve development entitlement approvals related to the future development of the site will require additional review under the provisions of CEQA by the lead agency.

Federal HOME Investment Partnerships Program (HOME) funds constitute a portion of the funding for the project. A final reservation of HOME funds shall occur only upon satisfactory completion of environmental review and receipt by the City of San Diego of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58 of the National Environmental Policy Act (NEPA). The parties agree that the provision of any HOME funds to the project is conditioned on the City of San Diego's determination to proceed with, modify or cancel the project based on the results of subsequent environmental review under NEPA.

## PROPOSED LOAN NON-BINDING COMMITMENT TERMS SUMMARY

Nook 1492 K Street ("Property") July 14, 2016

The San Diego Housing Commission ("Housing Commission") is pleased to submit this non-binding commitment terms summary. This commitment terms summary is not a binding contract. The purpose of this commitment terms summary is to set forth the general terms and conditions under which the Housing Commission is interested in making a loan ("Housing Commission Loan") to a limited partnership of which Trestle Development, or an affiliate thereof ("Trestle") and GLAMAR Investments, LLC, or an affiliate thereof are co-general partners ("Borrower") with respect to the Property. Closing must occur within six (6) months of Housing Authority of the City of San Diego approval of the Housing Commission Loan, unless an extension is granted by the President & CEO of the Housing Commission in his sole discretion. In the event of a conflict between any term or provision (or absence of any term or provision) of this commitment terms summary and any term or provision of any approval of any applicable board or governing body, the term or provision of such board or governing body shall apply. Provided the Housing Commission Loan is approved by the Housing Authority of the City of San Diego, the following terms shall apply to the Housing Commission Loan. In addition, Exhibit A includes the Borrower's proforma which models financial projections of the Project.

- 1. Maximum Loan Amount Not to exceed \$750,000. To be used for the acquisition, construction and permanent financing of a 90 unit (plus 1 managers' unit) affordable housing project ("Project") located at 1492 K Street (the "Property"). The Housing Commission Loan will be secured by a declaration of covenants, conditions and restrictions and a deed of trust which will be senior to the deeds of trust and security instruments securing all other sources of funds secured by the Property, except that the Housing Commission declaration of covenants, conditions and restrictions and deed of trust shall be subordinated to the deed of trust and security instruments securing the construction and permanent loan.
- 2. Loan-3% amortized
- 3. <u>Term</u> 30 years beginning on permanent financing conversion date.
- 4. <u>Payments</u> Annual payments will be payable beginning on December 31<sup>st</sup> in the calendar year in which conversion to permanent financing has taken place.
- 5. <u>Affordability</u>—At closing the Borrower and Housing Commission shall cause a Declaration of Covenants, Conditions, and Restrictions restricting the rent and occupancy of the affordable units to be recorded against the Project. Such Declaration of Covenants, Conditions, and Restrictions shall be a form and format acceptable to the Housing Commission and its General Counsel in their sole discretions. The affordability shall be as follows:

Unit Type	AMI	PSH Units	Affordable Units	Total Units	Term of Restrictions
SRO	30%	8	-	8	55 Years
SRO	65%	-	2	2	55 Years
SRO	80%	-	80	80	30 Years
SRO - Manager	80%	-	1	1	30 Years
Total		8	83	91	

The project will be subject to two (2) low and six (6) high HOME units. HOME units shall be floating.

- 6. <u>Funding Sources</u> —The Housing Commission may fund the Housing Commission Loan from various sources including local, State, and/or federal funds, including HOME Investment Partnership Program funds. The Housing Commission reserves the right to allocate available program funds in the best interest of the Housing Commission. Borrower should be familiar with the HOME program rules and regulations, Federal Davis- Bacon law and Section 3.
- Prevailing Wages It is not anticipated that the Project will be subject to Federal Davis-Bacon prevailing wage rates based upon the proposed funding sources committed by the Housing Commission.
