

### **REPORT**

**DATE ISSUED:** September 1, 2016 **REPORT NO**: HCR16-075

**ATTENTION:** Chair and Members of the San Diego Housing Commission

For the Agenda of September 9, 2016

**SUBJECT:** Final Bond Authorization for Vista Terrace Hills

**COUNCIL DISTRICT: 8** 

### REQUESTED ACTION

Authorize the issuance of Housing Authority of the City of San Diego Multifamily Housing Revenue Bonds, which are allocated by the State, to fund the acquisition and rehabilitation of Vista Terrace Hills, a 262-unit multifamily affordable housing rental development, located in the San Ysidro community, which will remain affordable for 55 years.

### STAFF RECOMMENDATION

That the San Diego Housing Commission (Housing Commission) recommends that the Housing Authority of the City of San Diego (Housing Authority) authorize the issuance of up to \$99,995,347 in tax-exempt Multifamily Housing Revenue Bonds, which are allocated by the State, to fund the acquisition and the rehabilitation of Vista Terrace Hills, a 262-unit multifamily affordable housing rental development, located at 1790 Del Sur Boulevard in the San Ysidro community, which will remain affordable for 55 years.

### **SUMMARY**

A development summary is included as Attachment 1.

### The Development

Vista Terrace Hills is an existing 262-unit multifamily rental development located at 1790 Del Sur Boulevard in the San Ysidro Community Plan Area (Attachment 2 – Site Map). The development consists of 30 two- and three-story walk-up, wood frame and stucco apartment buildings. Vista Terrace Hills includes 210 three-bedroom units and 52 four-bedroom units. Current amenities include a leasing office, laundry facilities, a fitness room, as well as an outdoor recreational area consisting of a barbeque, picnic areas, a basketball court and a tot lot. The neighborhood is composed of predominantly single-family and multifamily dwelling units situated north of Beyer Boulevard and along Del Sur Boulevard. There are several parks, schools and neighborhood shopping located within one to two miles of the property.

### Building Condition/Proposed Rehabilitation Work

The property was constructed in 2001 and is showing signs of aging. The developer is requesting the issuance of up to \$99,995,347 in bonds to finance the rehabilitation of the property to extend its useful life and maintain its marketability. The scope of the proposed rehabilitation includes improvements to unit interiors and common areas, as well as improvements to building electrical, plumbing, and mechanical systems. The full scope of work, including a list of specific green measures, is included as Attachment 3.

### **Project Sustainability**

Vista Terrace Hills will comply with the California Tax Credit Allocation Committee's (TCAC) minimum energy efficiency standards for rehabilitation projects, which require demonstrating at least 10 percent post-rehabilitation improvement in energy efficiency over existing conditions. In addition, the developer will be installing a large solar photovoltaic system to reduce the electrical load.

### **Development Team**

During the 15-year tax credit compliance period, Vista Terrace Hills will be owned by a California limited partnership (a single-asset limited partnership) that will include: an affiliate of Eden Housing (Eden) as the general partner, and a to-be-determined tax-credit investor limited partner. A statement for public disclosure for Eden is included in Attachment 4.

Eden is a nonprofit based in Northern California with a mission to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities. Since 1968, when it was founded, Eden has developed or acquired more than 7,500 affordable housing units in 100 properties that have provided homes for more than 65,000 people across 13 counties in California. In the mid-1990s, Eden expanded the scope of its affordable housing developments to include the provision of free on-site support services and programs for its residents.

**Table 2 - Development Team Summary**

| Land Owner/Seller   | Eden Vista Terrace, L.P.                     |

### **Developer Contributions**

Eden is committed to building and maintaining high-quality, well-managed, service enhanced affordable housing communities that meet the needs of lower income families, seniors and persons with disabilities. In an effort to continue their mission, Eden has committed to providing the following:

- Allocating a minimum of \$100,000 in annual cash flow to support resident services at Vista Terrace Hills. The expanded services will include financial literacy programs, homeownership counseling, tutoring for grade-level reading proficiency and funding for Eden's scholarship program.
- Restricting 10 percent of the units to households with incomes at or below 30 percent of the Area Median Income (AMI). The entire development is currently restricted to households with income between 50 percent-60 percent of AMI.
- Contributing \$6,000,000 of sales proceeds to another San Diego affordable housing rental development owned and operated by an affiliate of Eden. Coronado Terrace is an existing 312-unit multifamily rental development located at 1151 25th Street in the San Ysidro Community Plan Area. Eden or an affiliate will contribute no less than \$6,000,000 of construction and permanent financing to rehabilitate Coronado Terrace.

### Property Management

Vista Terrace Hills will continue to be managed by Eden Housing Management Inc., an affiliate of Eden. Since it was founded in 1984, Eden's property management affiliate, Eden Housing Management, Inc., has provided professional management for Eden's properties and residents. Eden currently manages 7,000 affordable rental units in more than 70 developments for Eden and third party owners.

### Financing Structure

Vista Terrace Hills has an estimated total development cost of \$114,207,265 and an estimated total per unit cost of \$435,906 per unit. It will be financed with a combination of 4 percent tax credits, tax-exempt Multifamily Housing Revenue Bonds, seller carryback note, accrued interest during construction, income from operations, General Partner (GP) capital contributions and a deferred developer fee.

There will be no Housing Commission loan on this rehabilitation project.

Estimated permanent sources and uses of financing are provided in Table 3. A full project pro forma is also provided as Attachment 5.

| <b>Total Development Cost</b>      | \$114,207,265         | <b>Total Development Cost</b> | \$114,207,265 |

### **Development Cost Key Performance Indicators**

Housing Commission staff has identified development cost performance indicators, which were used to evaluate the proposed development. The key performance indicators listed in Table 4 are commonly used by real estate industry professionals and affordable housing developers.

**Table 4 – Key Performance Indicators\*** 

| Development Cost Per Unit            | \$114,207,265 ÷ 262 units =      | \$435,906 |
|--------------------------------------|----------------------------------|-----------|
| Land Cost Per Unit                   | \$70,810,489 ÷ 262 units =       | \$270,269 |
| Gross Building Square Foot Hard Cost | \$20,130,000 ÷ 287,585 sq. ft. = | \$70      |
| Net Rentable Square Foot Hard Cost   | \$20,130,000 ÷ 277,003 sq. ft. = | \$73      |

<sup>\*</sup>Development Cost Per Unit and Square Foot Hard Costs based on estimate of total costs associated with residential portion of development and prorated hard costs.

### **Project Comparison Chart**

There are multiple factors and variables that influence the cost of developing multifamily affordable rental housing, including but not limited to project location, site conditions, site improvements needed, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City of San Diego impact fees, developer experience and capacity, and amenities necessary to gain tax credit approval. Table 5 shows a comparison of the subject property and other recent developments of the same construction type and project size.

### **Proposed Housing Bonds**

The Housing Commission utilizes the Housing Authority's tax-exempt borrowing status to pass on lower interest rate financing (and make Federal 4 percent tax credits available) to developers of affordable rental housing. The Housing Authority's ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a development, the Housing Authority must first submit an application to the California Debt Limit Allocation Committee (CDLAC) for a bond allocation. Prior to submitting applications to CDLAC, developments are brought before the Housing Commission, Housing Authority and City Council. Housing Authority bond inducement resolutions must be obtained prior to application submittal, and City Council Tax Equity and Fiscal Responsibility Act (TEFRA) resolutions must be secured no later than 30 days after application submittal. These actions were previously completed for Vista Terrace Hills on April 8, 2016.

A general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financings are described in Attachment 6.

On May 20, 2016, the developer for Vista Terrace Hills applied to CDLAC for a bond allocation of up to \$99,995,347. The California Tax-Credit Allocation Committee (TCAC) and CDLAC subsequently approved an allocation of 4 percent tax credits and tax-exempt Multifamily Housing Revenue Bonds on July 20, 2016. The developer proposes to issue the bonds through a tax-exempt private placement bond issuance. The bonds will meet all requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego's (City) ordinance on bond disclosure. The bond amount that is ultimately issued will be based upon development costs, revenues and interest rates prevailing at the time of bond issuance. The developer proposes that the bonds/bonds will be used for construction financing and permanent financing.

### Public Disclosure and Authorization for Issuance of Tax-Exempt Bonds

Description of the Proposed Issuance Documents

The bonds will be sold through a private placement purchased directly by JP Morgan Chase Bank. JP Morgan is considered a "qualified institutional buyer" within the meaning of U.S. securities laws. At closing, JP Morgan will sign an "Investor's Letter" certifying, among other things, that they are buying the bonds for their own accounts and not for public distribution. The bonds are being sold through a private placement and an Official Statement will not be used. In addition, the bonds will not be subject to continuing disclosure requirements, nor will they be credit enhanced or rated. JP Morgan will hold the Bonds for its own account during rehabilitation. After rehabilitation is complete, the amount of outstanding bonds will be reduced and will be purchased by the Cornerstone Real Estate Advisors LLC.

September 1, 2016 Final Bond Authorization for Vista Terrace Hills Page 6

The transfer of the bonds to any subsequent bondholder will comply with Housing Commission policy number PO300.301. Moreover, any subsequent bondholder would be required to represent to the Housing Authority that they are a qualified institutional buyer or accredited investor who is buying the bonds for investment purposes and not for resale, and that they have made due investigation of any material information necessary in connection with the purchase of the bonds. The following documents will be executed on behalf of the Housing Authority: Indenture, Loan Agreement, Assignment of Deed of Trust, Regulatory Agreement, and other loan documents. At the time of docketing, bond documents in substantially final form will be presented to members of the Housing Authority. Any changes to the documents following Housing Authority approval require the consent of the City Attorney's Office and bond counsel.

The bonds will be issued pursuant to an Indenture between the Housing Authority and US Bank (acting as the Trustee). Based upon instructions contained in the Indenture, the Trustee will disburse bond proceeds for eligible costs, collect project revenues and make payments to the bondholder. Under the terms of the Loan Agreement, the Housing Authority will loan the proceeds of the bonds to the borrower in order to develop the project. The Loan Agreement sets out the terms of repayment and the security for the loan, and the Housing Authority assigns its rights to receive repayments under the loan to the Trustee.

An Assignment of Deed of Trust and other Loan Documents, which assigns the Housing Authority's rights and responsibilities as the bond issuer to US Bank, is signed by the Housing Authority and US Bank. Rights and responsibilities that are assigned to US Bank include the right to collect and enforce the collection of loan payments, monitor project construction and related budgets, and enforce insurance and other requirements. These rights will be used by US Bank as Trustee to protect its financial interests as the Trustee.

The Regulatory Agreement will be recorded against the property in order to ensure the long-term use of the project as affordable housing. The Regulatory Agreement will also ensure that the project complies with all applicable federal and state laws.

### Financial Advisor's Recommendation

As previously approved by the Housing Commission (on April 8, 2016, HCR16-036) and by the Housing Authority (on May 17, 2016, HAR16-013), CSG Advisors will be the bond financial advisor and Jones Hall will be the bond counsel to work on the development. After evaluating the terms of the proposed financing and the public benefits to be achieved, it is the financial advisor's recommendation that the Housing Authority proceed with the issuance of the bonds. The financial advisor's analysis and recommendation is included as Attachment 7.

### Estimated Development Schedule

The estimated development timeline is as follows.

|   | Milestones   | Es | timated Dates      |
|---|--|----|--------------------|
| • | Housing Commission proposed final bond authorization | •  | September 9, 2016  |
| • | Housing Authority proposed final bond authorization  | •  | September 20, 2016 |
| • | Estimated bond issuance and escrow closing           | •  | September 2016     |
| • | Estimated start of rehabilitation                    | •  | September 2016     |
| • | Estimated completion of rehabilitation               | •  | September 2017     |

### **Prevailing Wages**

Prevailing wages are not applicable to the proposed rehabilitation because no Federal or State funds will be used.

### AFFORDABLE HOUSING IMPACT

Under the proposed bond financing, Vista Terrace Hills would restrict:

- 10 percent of its units to households with incomes at or below 30 percent of San Diego Area Median Income (AMI), currently \$25,500 per year for a family of four;
- 30 percent of its units to households with incomes at or below 50 percent of AMI, currently \$42,500 per year for a family of four; and
- 60 percent of its units to households at or below 60 percent of AMI, currently \$51,000 per year for a family of four.

Vista Terrace Hills will be affordable for a 55-year term. Table 6 summarizes the affordability:

Table 6 - Vista Terrace Hills Affordability & Monthly Estimated Rent Table

| Unit Type         | Restrictions | AMI     | Number of Units | Proposed Gross<br>Rents |
|-------------------|--------------|---------|-----------------|-------------------------|
| 3-bedroom         | Bond         | 30% AMI | 21              | \$638                   |
| 3-bedroom         | Bond         | 50% AMI | 58              | \$1,063                 |
| 3-bedroom         | Bond         | 60% AMI | 129             | \$1,275                 |
| 4-bedroom         | Bond         | 30% AMI | 5               | \$711                   |
| 4-bedroom         | Bond         | 50% AMI | 20              | \$1,148                 |
| 4-bedroom         | Bond         | 60% AMI | 27              | \$1,377                 |
| 3 Bedroom–Manager |              | n/a     | 2               | -                       |
| Total             |              |         | 262             |                         |

In addition to the bond and tax credit regulatory restrictions, the development is subject to an existing Declaration of Covenants, Conditions, and Restrictions from a previous Housing Commission loan that has been fully repaid. The more stringent of the various rent restrictions will take precedence during the term of their applicability.

### FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this action are included in the Housing Authority-approved Fiscal Year (FY) 2017 Housing Commission Budget. Approving this action will not change the FY 2017 total budget.

Funding sources approved by this action will be as follows: Bond Issuance Fees - \$249,988

Funding uses approved by this action will be as follows: Rental Housing Finance Program Administration Costs - \$249,988

Approval of the bond inducement and TEFRA resolutions does not commit the Housing Authority to issue bonds. The bonds would not constitute a debt of the City. If bonds are ultimately issued for the development, the bonds will not financially obligate the City, the Housing Authority or the Housing Commission because security for the repayment of the bonds will be limited to specific private revenue sources of the development. Neither the faith and credit nor the taxing power of the City or the Housing Authority would be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including the Housing Commission's annual administrative fee, as well as Housing Commission Bond Counsel and Financial Advisor fees.

### PREVIOUS COUNCIL AND COMMITTEE ACTIONS:

The Housing Commission on November 17, 2000, (HCR00-111) and the Housing Authority on December 12, 2000, (HA Resolution No. 1077) approved a \$1,200,000 residual receipts loan for Vista Terrace Hills, which has been repaid.

### COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS

Vista Terrace Hills is located within the San Ysidro Community Plan Area. Eden will present the development as an informational item to the San Ysidro Planning Group on September 19, 2016.

### **KEY STAKEHOLDERS and PROJECTED IMPACTS**

Stakeholders include Eden Housing, the San Ysidro community and residents. Rehabilitation of the property is expected to have a positive impact on the community because it will provide the needed capital improvements to the property and preserve the affordability of Vista Terrace Hills.

### **ENVIRONMENTAL REVIEW**

The proposed rehabilitation is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15301 of the State CEQA Guidelines because Vista Terrace Hills is an existing facility and the proposed actions do not involve expansion of the existing use. The project meets the criteria set forth in CEQA Section 15301(a), which allows for exterior and interior alterations of existing facilities. Processing under the National Environmental Policy Act (NEPA) is not required as there are no Federal funds involved with this action.

# ATTACHMENT 6 HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as "private activity" bonds because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith or credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of 10% of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AMI. The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks). Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

#### Approval Process:

• Inducement Resolution: The bond process is initiated when the issuer (Housing Authority) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, Housing Authority, or the developer to proceed with the financing.

• TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): To assure that projects making use of tax-exempt financing meet appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located (City Council). This process does not make the City financially or legally liable for the bonds or for the project.

[Note: It is uncommon for the members of the City Council to be asked to take two actions at this stage in the bond process---one in their capacity as the City Council (TEFRA hearing and resolution) and another as the Housing Authority (bond inducement). Were the issuer (Housing Authority) a more remote entity, the TEFRA hearing and resolution would be the only opportunity for local elected officials to weigh in on the project.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Authority and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the
  issuance of bonds through adoption of a final resolution authorizing the issuance.
  Prior to final consideration of the proposed bond issuance, the project must
  comply with all applicable financing, affordability, and legal requirements and
  undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders. If rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the

Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.

Mr. Cameron Shariati San Diego Housing Commission 1122 Broadway, Suite 300 San Diego, California 92101

RE: Vista Terrace Apartments

Dear Mr. Shariati:

The San Diego Housing Commission (the "Commission") has retained CSG Advisors, Inc. to analyze the feasibility of the proposed bond financing for the Vista Terrace Apartments (the "Project"). Our findings are organized as follows:

- Current Project Status and the Proposed Project
- The Proposed Financing
- · Project's Projected Financial Status
- Benefits and Risks to the Commission
- Public Purpose
- · Negotiation of Additional Public Benefit
- Recommendations

We have based our analysis of the proposed financing on documents provided by Eden Housing (the "Developer"), and on additional conversations and documents provided by representatives of the Developer and Commission staff. The documents examined included the Developer's proposed financial schedules and financing commitments from the proposed lender and investor. CSG has not visited the site of the proposed Project.

#### CURRENT PROJECT STATUS AND THE PROPOSED PROJECT

The Project will consist of the rehabilitation of an existing property (the "Property") on two parcels located at 1790 Del Sur Blvd, San Diego, California (the "Site"). The Property contains 262 units in 30 residential buildings; one leasing office/community building; and five laundry facilities. The Developer proposes to rehabilitate the Property. Rehabilitation of the Project will be financed, from among other sources, equity raised from the sale of "4%" low-income housing tax credit equity and tax-exempt debt issued by the Housing Authority of the City of San Diego (the "Housing Authority").

All units, except for two manager's units, will be subject to affordability restrictions as further described herein.

The Site is currently owned by the Eden Vista Terrace 2, L.P. On May 17, 2016, the Housing Authority approved a resolution evidencing its official intent to conduct a tax-exempt issuance in the not-to-exceed amount of \$100,000,000 for the Project. The resolution also approved submittal of the application to the California Debt Limit Allocation Committee ("CDLAC").

A Housing Assistance Payment (HAP) Section 8 contract covers 260 of the units. The contract is scheduled to expire in September, 2106. The Developer has submitted a request to HUD for contract renewal, as well as updating of the contract rents.

On April 26, 2016, the City Council held a public hearing ("TEFRA") required pursuant to Section 147(f) of the Internal Revenue Code for tax-exempt issuances. The TEFRA hearing remains valid for a period of one year.

On May 20, 2016, the Housing Authority submitted an application to CDLAC for \$99,995,347 in tax-exempt private activity bond authority for the Project.

On July 20, 2016, CDLAC provided an allocation of \$99,995,347 in tax-exempt authority to the Housing Authority for the Project.

#### THE PROPOSED FINANCING

According to projections provided by the Developer, the total development cost totals approximately \$114,207,265.

The Developer proposes that JP Morgan Chase Bank, N.A. serve as the construction lender, and Cornerstone Real Estate Advisors serve as the permanent period lender. Chase will purchase the construction period tax-exempt bonds issued by the Housing Authority. The total loan amount during the construction period is expected to be approximately \$96,210,880. At permanent conversion, a portion of the construction bond loan will be repaid, and approximately \$61,759,400 will remain outstanding and will be purchased by Cornerstone, and will continue as the permanent bond loan.

# Vista Terrace: Construction and Permanent Source Summary

|                              | \$110,678,186    | \$114,207,265    |

#### Ownership

The ownership entity for the Project will be Eden Vista Terrace 2, L.P. (i.e., the Borrower). Eden Vista Terrace GP LLC, an affiliate of the Developer, will serve as the general partner of the Borrower. An affiliate of US Bancorp Community Development Corporation, the tax credit investor, will serve as the investor limited partner.

# Tax-Exempt Bond Structure and Credit Enhancement

#### Construction Loan

The Developer proposes that the Housing Authority issue up to \$100,000,000 of taxexempt Bonds to finance the rehabilitation of the Project.

The Bonds would be unrated, without credit enhancement, and would be purchased by JP Morgan Chase Bank (the "Construction Lender") on a private placement basis. Solely revenues pledged under the Indenture and Loan Agreement will secure the payment of principal and interest to the Bondholder(s).

As unrated, non-credit enhanced Bonds sold on a private placement basis, the Bonds must meet the minimum requirements of the Commission's policies for such issues (e.g., maximum \$100,000 minimum denominations, no more than 15 Bondholders, etc).

The construction loan would have a term of up to 18 months (with two 6-month extension) and would carry a variable interest rate equal to 65% of the 30-day LIBOR plus 1.25%. Payments during the construction period will be interest-only.

#### Permanent Loan

Upon satisfaction of certain conditions to Conversion, the construction loan will be paid down to the permanent loan amount using low-income housing tax credit equity and other available permanent sources.

The permanent loan would have a term of 17 years from Conversion. Principal and interest payments would be based on a 35-year fully amortizing schedule. According to the Permanent Lender's commitment letter, the interest rate for the permanent loan will be a fixed rate locked at construction loan closing, and would be equal to the sum of: i) 10-year treasury, ii) term spread of 2.01%, iii) forward period cost. The indicative rate for August 26, 2016 would be 3.82%, assuming forward cost of 0.23% reflecting period of 24 months.

#### **Projected Issuance Date**

The Developer proposes that the Housing Authority issue the Bonds on or about September 29, 2016. CDLAC has provided an allocation expiration date of January 17, 2017.

#### Commission Financial Involvement

The Commission has no other financial involvement.

#### Affordability Restrictions

Upon implementing the proposed financing, the Project will be subject to the following regulatory restrictions and regulatory terms:

The units will be restricted to 30%, 50% and 60% of area median income ("AMI") as follows:

Tax-Exempt and Tax Credit regulatory requirements: the Developer has elected to restrict 26 units to 30% AMI, and 78 units to 50% AMI, and 156 units to 60% AMI. Two manager's units will remain unrestricted. This election reflects voluntary elections under CDLAC and CTCAC and is effective for a term of 55 years.

#### PROJECT'S PROJECTED FINANCIAL STATUS

Under the proposed financing – according to information provided by the Developer and analysis by CSG – annual debt service on the maximum senior loan would total approximately \$3,425,211. According to preliminary information provided by the Developer and analysis by CSG, stabilized annual cash flow (before reserves) after construction and lease-up (including Issuer fees) would total approximately \$999,395 at a debt coverage ratio (DCR) of 1.29. Cash flow after reserves would total approximately \$868,395 (DCR @ 1.25).

#### THE BENEFITS AND RISKS TO THE COMMISSION

The proposed financing provides for financing for acquisition and rehabilitation of the Project.

By approving a recommendation to the Housing Authority to move forward with the approval process for the proposed tax-exempt financing, the Commission will not obligate the Commission or the Housing Authority to issue the Bonds.

As proposed, the financing will result in 260 affordable units (the two manager's units will be unrestricted). These units will remain long-term affordable for 55 years.

If the Authority issues the Bonds, the Commission would receive a fee at closing of 0.25% of the issue amount (approximately \$230,527) and an annual fee equal to 0.125% of the outstanding bonds.

#### **PUBLIC PURPOSE**

The proposed financing will result in 260 housing units affordable to low-income households: 26 units will be restricted to households earning 30% of AMI or less; 78 units will be restricted to households earning 50% of AMI or less, and 156 units will be restricted to households earning 60% of AMI or less. Two units will be an unrestricted manager's units.

The bond and tax credit regulatory agreements will require the 30%, 50% and 60% affordability levels for 55 years.

#### **NEGOTIATION OF ADDITIONAL PUBLIC BENEFIT**

As noted above, the financing will result in long-term affordability restrictions on 260 units within the Project.

# **RECOMMENDATIONS**

Based upon analysis of the available information, we recommend that the Commission approve moving forward with the proposed issuance. Our recommendation is based upon the following:

The financing will result in 260 affordable units in the City of San Diego with longterm affordability covenants.

- The Commission has received tax-exempt authority of \$99,995,347 from CDLAC for the Project.
- JP Morgan Chase, Conerstone and US Bancorp are currently underwriting the Project.
- The Commission will not be responsible for costs of issuance. The Commission will receive an issuance fee at closing of approximately \$230,527, and a long-term annual fee equal to 0.125% the outstanding bonds i.e., during construction approximately \$115,260 annually, and at conversion approximately \$78,000.
- The net tax-exempt financing and tax credit equity will provide approximately \$101,000,000 for development costs.

## **Contingent Items**

The Commission may choose to move forward with the financing subject to the following contingencies:

- As of this writing, none of JP Morgan Chase, Cornerstone, or US Bancorp has provided final credit approval for the financing. The tax-exempt Bonds cannot be issued without these final approvals.
- As the financing depends upon the continued availability the Section 8 subsidies, HUD must approve the HAP contract renewal for the transaction as structured to remain feasible.
- Final tax-exempt Bond documents and approving resolution must be approved by the Housing Authority.

Should you require any further information or would like to discuss the Project or the proposed financing in additional detail, please do not hesitate to contact me.

Sincerely, CSG Advisors

John Hamilton
