PRELIMINARY DRAFT  
SUBJECT TO CHANGE

Independent Auditor's Report on Internal Control over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards*

To the Board of Commissioners  
San Diego Housing Commission

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the business-type activities, the aggregate discretely presented component units and the fiduciary fund of the San Diego Housing Commission ("SDHC"), a component unit of the City of San Diego, California, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise SDHC's basic financial statements, and have issued our report thereon dated (REPORT DATE). Our report includes a reference to the other auditor who audited the financial statements of SDHC's fiduciary fund, as described in our report on SDHC's financial statements. The financial statements of the aggregate discretely presented component units and the fiduciary fund were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the aggregate discretely presented component units and the fiduciary fund of SDHC.

#### Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered SDHC's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of SDHC's internal control. Accordingly, we do not express an opinion on the effectiveness of SDHC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether SDHC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Sacramento, California

PRELIMINARY DRAFT  
SUBJECT TO CHANGE

Independent Auditor's Report on Compliance for Each Major Federal Program; Report on  
Internal Control over Compliance; and Report on Schedule of Expenditures of Federal Awards  
Required by the Uniform Guidance

To the Board of Commissioners  
San Diego Housing Commission

Report on Compliance for Each Major Federal Program

*Opinion on Each Major Federal Program*

We have audited the San Diego Housing Commission's ("SDHC"), a component unit of the City of San Diego, California, compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of SDHC's major federal programs for the year ended June 30, 2024. SDHC's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

SDHC's financial statements include the operations of Southern SDHC FHA LLC, Northern SDHC FHA LLC, and Central SDHC FHA LLC ("Blended Component Units"), which expended \$18,804,838, \$13,154,540, and \$11,792,289, respectively, in federal awards which is not included in SDHC's schedule of expenditures of federal awards during the year ended June 30, 2024. Our compliance audit, described below, did not include the operations of the Blended Component Units because their federal expenditures have been separately audited and reported to HUD.

In our opinion, SDHC complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

*Basis for Opinion on Each Major Federal Program*

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of SDHC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of SDHC's compliance with the compliance requirements referred to above.

*Responsibilities of Management for Compliance*

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to SDHC's federal programs.

### *Auditor's Responsibilities for the Audit of Compliance*

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on SDHC's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about SDHC's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding SDHC's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of SDHC's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of SDHC's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the business-type activities, the aggregate discretely presented component units and the fiduciary fund of SDHC, a component unit of the City of San Diego, California, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise SDHC's basic financial statements. We issued our report thereon, dated (REPORT DATE), which contained unmodified opinions on those financial statements. Our report includes a reference to the other auditor who audited the financial statements of the fiduciary fund of SDHC, as described in our report on SDHC's basic financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

## San Diego Housing Commission

### Notes to Schedule of Expenditures of Federal Awards June 30, 2024

#### Note 1 - Reporting Entity

San Diego Housing Commission ("SDHC") is a government agency formed by the City of San Diego (the "City") under Ordinance No. 2515 on December 5, 1978 in accordance with the Housing Authority Law of the State of California. SDHC is an integral part (component unit) of the reporting entity of the City. SDHC primarily serves low-income families by providing housing assistance payments, rental housing, loans and grants to individuals and not-for-profit organizations and other services.

#### Note 2 - Indirect Cost Rate

For its Emergency Rental Assistance Program (Federal Assistance Listing Number 21.023), SDHC elected to use the 10-percent de minimis indirect cost rate allowed under the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). For all other federal programs, SDHC has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

#### Note 3 - Summary of Significant Accounting Policies

##### Basis of Presentation

The Schedule of Expenditures of Federal Awards (the "Schedule") presents the federal awards activity of SDHC under programs of the federal government for the year ended June 30, 2024. Federal awards received directly from federal agencies, as well as federal awards passed through from nonfederal agencies or other organizations are included in the Schedule. The information in the Schedule is presented in accordance with the requirements of the Uniform Guidance. As the Schedule presents only the federal awards activity of SDHC, it is not intended to and does not present the financial position, change in net position or cash flows of SDHC as a whole.

##### Significant Accounting Policies

The expenditures included in the Schedule are reported under the accrual basis of accounting. Such expenditures are recognized in accordance with the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**San Diego Housing Commission**

**Notes to Schedule of Expenditures of Federal Awards  
June 30, 2024**

**Note 4 - Blended Component Units Federal Expenditures**

SDHC has three blended component units: Southern SDHC FHA LLC, Northern SDHC FHA LLC and Central SDHC FHA LLC whose federal expenditures are excluded from the Schedule because their federal expenditures have been separately audited and reported to HUD. The federal expenditures for the programs of Southern SDHC FHA LLC, Northern SDHC FHA LLC and Central SDHC FHA LLC for the year ended June 30, 2024 are as follows:

Federal Grantor / Passthrough Grantor / Program Title:	Federal Assistance Listing Number	Agency or Pass-Through Number	Federal Expenditures Amount
<u>Direct Programs</u>			
<b>U.S. Department of Housing and Urban Development</b>			
<b><u>Federal Housing Administration - Insured loans under Section 223(f)</u></b>			
FHA Insured Loan - Southern SDHC FHA LLC	14.134	FHA # 12911055	\$18,804,838
FHA Insured Loan - Northern SDHC FHA LLC	14.134	FHA # 12911053	13,154,540
FHA Insured Loan - Central SDHC FHA LLC	14.134	FHA # 12911054	<u>11,792,289</u>
<b>TOTAL</b>			<b><u><u>\$43,751,667</u></u></b>
