THE CITY OF SAN DIEGO

RESOLUTION NUMBER HA- 1890

DATE OF FINAL PASSAGE November 17, 2020

A RESOLUTION OF THE HOUSING AUTHORITY OF THE
CITY OF SAN DIEGO SETTING FORTH ITS OFFICIAL
INTENT TO ISSUE MULTIFAMILY HOUSING REVENUE
BONDS TO FINANCE VENTANA AL SUR AND
AUTHORIZING RELATED ACTIONS.

WHEREAS, pursuant to Chapter 1 of Part 2 of Division 24 of the Health and Safety Code of the State of California, as amended (Act), the Housing Authority of the City of San Diego (Authority) is authorized to issue revenue bonds for the purpose of financing the acquisition, construction and equipping of multifamily affordable housing and for the provision of capital improvements in connection with and determined necessary to the multifamily affordable housing; and

WHEREAS, Metropolitan Area Advisory Committee on Anti-Poverty of San Diego County, Inc. and Kingdom Development Inc. have requested that the Authority issue and sell multifamily housing revenue bonds (Bonds) pursuant to the Act for the purpose of making a loan to 4132 Beyer Boulevard, L.P., a California limited partnership (Borrower), to be used by the Borrower to finance the acquisition and construction of a multifamily affordable housing development to be located at 4132 Beyer Boulevard, in San Diego, California, as more fully identified in Exhibit A hereto (Project); and

WHEREAS, as a part of financing the Project, the Authority desires to reimburse the Borrower, but only from Bond proceeds, for expenditures (Reimbursement Expenditures) made

in connection with the Project within the period from the date sixty (60) days prior to the date of adoption of this Resolution to the date of issuance of the Bonds; and

WHEREAS, sections 1.103-8(a)(5) and 1.150-2 of the United States Treasury Regulations require the Authority to declare its reasonable official intent to reimburse prior expenditures for the Project with proceeds of a subsequent tax-exempt borrowing; and

WHEREAS, the Authority wishes to declare its intention to authorize the issuance of the Bonds for the purpose of financing costs of the Project (including reimbursement of the Reimbursement Expenditures, when so requested by the Borrower upon such terms and conditions as may then be agreed upon by the Authority, the Borrower and the purchaser of the Bonds) in a principal amount not to exceed \$25,000,000, as set forth in Exhibit A; and

WHEREAS, section 146 of the Internal Revenue Code of 1986 limits the amount of multifamily housing mortgage revenue bonds that may be issued in any calendar year by entities within a state and authorizes the governor or the legislature of a state to provide the method of allocation within the state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the California Government Code governs the allocation of the state ceiling among governmental units in the State of California having the authority to issue private activity bonds; and

WHEREAS, section 8869.85 of the California Government Code requires a local agency desiring an allocation of the state ceiling to file an application with the California Debt Limit Allocation Committee (CDLAC) for such allocation, and CDLAC has certain policies that are to be satisfied in connection with any such allocation; NOW, THEREFORE,

BE IT RESOLVED, by the Board of Commissioners of the Housing Authority of the City of San Diego, as follows:

Section 1. Findings and Determinations.

(a) The above recitals, and each of them, are true and correct. The Authority hereby determines that it is necessary and desirable to provide financing to the Borrower for the Project (including reimbursement of the Reimbursement Expenditures) by the issuance and sale of the Bonds pursuant to the Act in a principal amount not to exceed \$25,000,000, as set forth in Exhibit A, subject to authorization of the issuance of the Bonds by resolution of the Authority at a meeting to be held for such purpose. The expected date of issue of the Bonds is within eighteen (18) months of the later of the date the first Reimbursement Expenditure was made and the first date the Project is placed in service and, in no event, later than three (3) years after the date of the first Reimbursement Expenditure.

(b) Proceeds of the Bonds to be used to reimburse for Project costs are not expected to be used directly or indirectly to pay debt service with respect to any obligation or to be held as a reasonably required reserve or replacement fund with respect to an obligation of the Authority or any entity related in any manner to the Authority, or to reimburse any expenditure that was originally paid with the proceeds of any obligation, or to replace funds that are or will be used in such manner.

(c) As of the date hereof, the Authority has a reasonable expectation that the Bonds will be issued to reimburse Project costs. This Resolution is consistent with the budgetary and financial circumstances of the Authority, as of the date hereof. The Bonds will be repaid solely from proceeds of the Bonds and amounts paid by the Borrower. No other moneys are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside by the Authority (or any related party) pursuant to its budget or financial policies to repay the Bonds.

Section 2. Declaration of Official Intent. This Resolution is being adopted by the Authority in part for the purpose of establishing compliance with the requirements of sections 1.103-8(a)(5) and 1.150-2 of the Treasury Regulations. In such regard, the Authority hereby declares its official intent to use proceeds of the Bonds to reimburse the Reimbursement Expenditures. This action is taken expressly for the purpose of inducing the Borrower to undertake the Project, and nothing contained herein shall be construed to signify that the Project complies with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the Authority, the City of San Diego (City) or any officer or agent of the City will grant any such approval, consent or permit that may be required in connection with the acquisition, construction and equipping of the Project, or that either the Authority or the City will make any expenditure, incur any indebtedness, or proceed with the financing of the Project.

Section 3. Applications to CDLAC. The officers and/or the program managers of the Authority are hereby authorized and directed to apply to CDLAC for an allocation from the state ceiling of private activity bonds to be issued by the Authority for the Project in an amount not to exceed \$25,000,000 and to take any and all other actions as may be necessary or appropriate in connection with such application, including but not limited to the payment of fees, the posting of deposits and the provision of certificates, additional applications to CDLAC (if necessary), and any such actions heretofore taken by such officers and program managers are hereby ratified, approved and confirmed.

Section 4. Approval of Bond Counsel and Financial Advisor. The financing team of Quint & Thimmig LLP as bond counsel and Ross Financial as bond financial advisor, is approved for the Project.

Section 5. Authority of President & Chief Executive Officer of Housing Commission. The President & Chief Executive Officer of the Housing Commission, or designee, is hereby authorized to execute all necessary documents, in a form approved by its General Counsel and/or Bond Counsel, and to perform such acts as are necessary to implement the approvals provided for in this Resolution.

Section 6. Effective Date. This Resolution shall take effect immediately upon its adoption.
