Background

On January 12, 2023, the Housing Commission Board (Report No. HCR23-009; Resolution No. HC-1971) approved taking preliminary steps to authorize the issuance of up to \$13,000,000 of tax-exempt Multifamily Housing Revenue Bonds to finance the rehabilitation and preservation of Cerro Pueblo Apartments and held a Tax Equity and Fiscal Responsibility Act (TEFRA) public hearing pursuant to Section 147(f) of the Internal Revenue Code of 1986.

The Housing Commission Board is authorized to hold TEFRA hearings pursuant to Multifamily Mortgage Revenue Bond Program Policy Amendments the Housing Authority approved March 9, 2021 (Report No. HAR20-043; Resolution No. HA-1906).

On December 6, 2023, the California Debt Limit Allocation Committee (CDLAC) approved a \$10,000,000 tax-exempt bonds allocation, and the California Tax Credit Allocation Committee (CTCAC) approved a 4 percent tax credits allocation.

The Development

Cerro Pueblo is a 46-unit, acquisition and rehabilitation project in the Clairemont Mesa Community Plan Area of San Diego. The Cerro Pueblo development currently has a Housing Assistance Payment (HAP) contract directly with U.S. Department of Housing and Urban Development (HUD) that is expected to expire within five years. As a result, the property is considered “at risk” of becoming market rate, per CTCAC regulations. With the tax-exempt bonds allocation through CDLAC, the project will be subject to applicable tax credit and bond regulatory agreements that will restrict affordability of 45 units for an additional 55 years. The 1.64-acre development’s proposed renovation will include both interior unit improvements and general building upgrades. Interior unit renovations will include new flooring, paint, kitchen cabinets, countertops, appliances, bathroom fixtures, tubs, sinks and vanities. Building upgrades will include new roofs, upgraded landscaping, parking lot resurfacing, laundry room upgrades, common area upgrades (including a recreation room with kitchen, seating, flat screen TV and restrooms), elevator modernization, site-wide lighting, paint and fire system upgrades.

Senior tenants will benefit from the proposed grab bars in the bathroom, wheelchair access to the main entrance and leading to the parking area, security access, services provided by the nonprofit partner Catholic Charities, and 17 parking spaces in the open, on-grade lot.

Cerro Pueblo consists of one two-story building and two one-story buildings. It is a type V wood frame building with a concrete slab-on-grade foundation. The 46-unit affordable development will consist completely of one-bedroom units, along with associated common areas, parking and landscape improvements.

The site is near several bus stops, a grocery store, a health clinic, the Western Hills Park and the Clairemont Branch library. A site map is at Attachment 1.

Services

Catholic Charities Diocese of San Diego (CCDSD) has been providing various services in the San Diego community for over 100 years. The classes and activities provided by CCDSD foster residents' physical and mental well-being. CCDSD has been contracted to provide the residents at Cerro Pueblo with a positive environment that promotes independence, healthy lifestyles, and the ability to remain contributing members of society by providing access to health care services, social services, and spiritual and recreational activities.

Examples of the on-site social services CCDSD provides free of charge to the residents of Cerro Pueblo include:

Assistance Service Coordinators will provide:

- Access to healthcare and mental health services
- Household skills
- Housing retention
- In-home and long-term care planning
- Translation/interpretation
- Conflict resolution
- Accessing food and nutrition

- Accessing legal services
- Financial management and planning

Service Specialists will help residents apply to the following programs:

- CalFresh
- Medicare Savings Program
- Medi-Cal

CCDSD will provide health and wellness classes, primarily in English and Spanish. Monthly schedules will be shared with residents in advance. Examples of activities include:

- Gentle Yoga
- Beading
- Language class

Prevailing Wages

The proposed development is not subject to payment of California State nor federal prevailing wages because the developer is not proposing to use either California State or federal financing that requires prevailing wages.

Appraisal

Citi Community Capital obtained a third-party appraisal of the subject property. Cressner & Associates performed the appraisal with an effective date of October 25, 2022. This third-party appraisal valued the property using three different scenarios, which created three different values. The first value of \$9,000,000 is a simple “as-is” evaluation. The second scenario, with a value of \$11,420,000, assumed current HUD contract rents, ground payment rent payment and 100 percent property tax exemption. The third valuation of \$16,710,000 assumed all previously identified factors with the addition of mark-to-market HUD rents.

Relocation

No resident of Cerro Pueblo will be permanently displaced due to this rehabilitation. In accordance with CTCAC Regulation 10322(H)(28), the Comprehensive Relocation Plans confirm residents will be temporarily relocated during the rehabilitation of their unit for a period of approximately two weeks. During this time, all residents will have arrangements made for a nearby hotel at no cost or will be given a stipend in lieu of the hotel, if they prefer to make their own arrangements. Residents will also receive a meal stipend to ensure that they have no out-of-pocket costs. The developer’s temporary relocation plan complies with all local, state, and federal relocation laws, including the Federal Uniform Relocation Act.

Accessibility

CTCAC requires wheelchair accessibility in 10 percent of the units, and an additional 4 percent of the units are required to have communication features for residents with visual and/or hearing impairment. The same units can satisfy both of these accessibility requirements. The Cerro Pueblo Apartments units are accessible in accordance with the Americans with Disabilities Act and Section 504.

Project Sustainability

Cerro Pueblo will be renovated in conformance with CTCAC minimum energy efficiency standards. The development’s features will include Energy Star-rated efficient appliances and a solar component for the common area’s electrical load. Water efficiency and conservation have been incorporated into the development’s design, including low-flow fixtures and drought-resistant landscaping.

Development Team

During the tax credit compliance period, Cerro Pueblo will be owned by Cerro Pueblo Housing Partners, LP, a California limited partnership (a single-asset limited partnership), which will have Cerro Pueblo Housing LLC as the Managing General Partner and Cerro Pueblo Housing Management LLC as the Administrative General Partner. Additionally, DAL Development, LLC, Sinergia Housing, LLC and C&C Development Group LLC (The RAHD Group) hold an indirect interest in the borrower. The tax credit limited partner is the Candeur Group (Attachment 2 – Organization Chart). The developer, RAHD Group, LLC, is a combination of real estate professionals with more than 60 years of combined experience who own more than 1,500 units, have developed over 8,000 units and have completed over 130 affordable housing transactions.

Development Cost Key Performance Indicators

Housing Commission staff has identified development cost performance indicators that were used to evaluate the proposed development and make a funding recommendation. The key performance indicators listed in Table 4 are commonly used by industry professionals and affordable housing developers.

Table 4 - Key Performance Indicators

Development Cost Per Unit	\$17,635,270 ÷ 46 units =	\$383,375
Housing Commission Subsidy Per Unit	--	\$0
Land Cost Per Unit	\$9,000,000 ÷ 46 units =	\$195,652

Net Rentable Square Foot Hard Cost	\$4,775,200 ÷ 25,300 sq. ft. =	\$189

Project Comparison Chart

Multiple factors and variables influence the cost of developing multifamily affordable housing, including but not limited to project location, site conditions, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City fees, developer experience and capacity, and the mission and goals of the organization developing the project. Similar construction-type developments (completed or approved) over recent years are listed in Table 5.

These developments are similar in terms of target population and are provided as a comparison to the subject development.

TAX EXEMPT AND TAXABLE MULTIFAMILY HOUSING REVENUE BONDS

Proposed Housing Bonds Financing

The Housing Commission utilizes the Housing Authority’s tax-exempt borrowing status to pass on lower interest rate financing (and make 4 percent low-income housing tax credits available) to developers of affordable rental housing. The Housing Authority’s ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a development, the Housing Authority must first submit an application to CDLAC for a bond allocation. On January 12, 2023, prior to submitting applications to CDLAC, the proposed development was presented to the Housing Commission Board. A bond inducement resolution was obtained prior to the application submittal to CDLAC. On September 6, 2023, an application was submitted to CDLAC for a bond allocation of up to \$13,000,000. On December 6, 2023, CDLAC approved the \$10,000,000 bond allocation, and CTCAC approved an allocation of 4 percent tax credits. The developer proposes that the bonds be issued through a tax-exempt private placement bond issuance. The bonds will meet all requirements of the Housing Commission’s Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego’s (City) ordinance on bonds disclosure. In addition, the developer proposes that the Housing Authority issue up to \$5,000,000 in taxable bonds, which do not require an allocation from CDLAC.

The financing amount that will ultimately be set will be based upon development costs, revenues and interest rates prevailing at the time of the bonds issuance. The financing proceeds will be used for both construction financing and permanent financing. Attachment 4 provides a general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financings.

Public Disclosure and Bond Authorization

The tax-exempt debt will be issued in the form of a bond (issuance Series D-1) and will be sold through a direct purchase by Citi N.A. (Citi). The taxable debt will be in the form of a bond (issuance D-2), which Citi will also purchase. Citi is a “qualified institutional buyer” within the meaning of the U.S. securities laws. At closing, Citi will sign an “Investor’s Letter” certifying, among other things, that it is buying each of the bonds for their own account and not for public distribution. Because such bonds are being sold through a private placement, an Official Statement will not be used. In addition, the bonds will be neither subject to continuing disclosure requirements, nor credit enhanced, nor rated.

Under the direct purchase structure for the bonds, Citi will make a tax-exempt and taxable loan to the Housing Authority pursuant to the terms of a Funding Loan Agreement among Citi, the Housing Authority, and US Bank as the Fiscal Agent. The loan made by Citi to the Housing Authority (Funding Loan) will be evidenced by separate bonds, which will obligate the Housing Authority to pay Citi the amounts it receives from the Borrower, as described below. The Housing Authority and the Borrower will enter into a Borrower Loan Agreement, pursuant to which the proceeds of the Funding Loan will be advanced to the Borrower. In return, the Borrower agrees to pay the Fiscal Agent amounts sufficient for the Fiscal Agent to make payments on the Bonds.

Under the direct purchase structure for the bonds, bonds will be issued under a Trust Indenture between the Housing Authority and US Bank as the Trustee (which will be the same institution as the Fiscal Agent for the bonds). The bonds will be payable from residual project revenues. Bond proceeds will be loaned by the Housing Authority to the Borrower under a Loan Agreement.

The Housing Authority's obligation to make payments on the bonds is limited to amounts the Fiscal Agent and Trustee receive from the Borrower under the Borrower Loan Agreement with respect to the bonds and the Loan Agreement with respect to the bonds, and no other funds of the Housing Authority are pledged to make payments on the bonds. The transfer of the bonds to any subsequent purchaser will comply with Housing Commission's "Bond Issuance and Post-Issuance Compliance Policy" (policy number PO300.301). Moreover, any subsequent bond holder will be required to represent to the Housing Authority that it is a qualified institutional buyer or accredited investor who is buying such bonds for investment purposes and not for resale, and it has made due investigation of any material information necessary in connection with the purchase of the bonds.

The following documents will be executed on behalf of the Housing Authority with respect to the bonds: the Funding Loan Agreement, the Borrower Loan Agreement, the Assignment of Deed of Trust, the Regulatory Agreement, the Loan Agreement and Trust Indenture, and other ancillary loan documents. At the time of docketing, documents in substantially final form will be presented to members of the Housing Authority. Any changes to the documents following Housing Authority approval require the consent of the City Attorney's Office and Bond Counsel. The bonds will be issued pursuant to the Funding Loan Agreement and the Trust Indenture. Based upon instructions contained in the Funding Loan Agreement and the Borrower Loan Agreement, Citi will disburse the bond proceeds for eligible costs and will, pursuant to an assignment from the Housing Authority, receive payments from the Borrower. Bond proceeds will be disbursed by the Trustee pursuant to the direction of the Borrower.

The Borrower Loan Agreement and the Loan Agreement set the terms of repayment and the security for the loan made by the Housing Authority to the Borrower, and the Housing Authority assigns its rights to receive repayments under the loan to Citi with respect to the bonds and the Trustee with respect to the bonds. The Regulatory Agreement will be recorded against the property to ensure the long-term use of the development as affordable housing. The Regulatory Agreement will also ensure that the development complies with all applicable federal and California State laws so that interest on the tax-exempt bond and the bonds remain tax-exempt. An Assignment of Deed of Trust and other loan documents will assign the Housing Authority's rights and responsibilities as the issuer to Citi and the Trustee on behalf of the Bondholders. These documents will be signed by the Housing Authority for the benefit of Citi and the Bondholders. Rights and responsibilities that are assigned to Citi and the Trustee include the right to collect and enforce the collection of loan payments, the right to monitor project

construction and related budgets, plus the right to enforce insurance and other requirements. Citi will use these rights to protect its financial interests as the bondholder.

Financial Advisor’s Recommendation

Orrick, Herrington and Sutcliffe, LLP will be the Bond Counsel. CSG Advisors will be the Bond Financial Advisor. The Financial Advisor’s analysis and recommendation is at Attachment 5.

AFFORDABLE HOUSING IMPACT

Affordability

The Cerro Pueblo development currently has a HAP contract directly with HUD that expires on November 30, 2027. As a result, the property is considered “at risk” of becoming market rate per CTCAC’s regulations. The project has been awarded bonds through CDLAC and is subject to applicable tax credit and bond regulatory agreements, which will restrict affordability of 45 units for an additional 55 years. CTCAC’s required rent and occupancy restrictions will apply.

Table 6 – Affordability and Monthly Estimated Rent Table

FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this proposed action are included in the Housing Authority-approved Fiscal Year (FY) 2024 Housing Commission Budget.

Funding sources approved by this action will be as follows

Bond Issuer Fee – (\$10,000,000 [Tax-exempt] + \$5,000,000 [Taxable]) X 0.0025 = \$37,500
 Total Funding Sources – up to \$37,500

Funding uses approved by this action

Administrative costs - \$37,500
 Total Funding Uses - up to \$37,500

The bonds will not constitute a debt of the City of San Diego. If the bonds are ultimately issued for the project, the bonds will not financially obligate the City, the Housing Authority, nor the Housing Commission because security for the repayment of the bonds will be limited to specific project-related

revenue sources. Neither the faith and credit nor the taxing power of the City, nor the faith and credit of the Housing Authority will be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including the Housing Commission’s issuer fee, annual bond administration fee, as well as the Housing Commission’s Bond Counsel fee and Financial Advisor’s fee.

Development Schedule

The estimated development timeline is as follows:

ATTACHMENT 4 HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as "private activity bonds" because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith and credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AMI. The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks). Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

Approval Process:

- **Inducement Resolution:** The bond process is initiated when the San Diego Housing Commission (Housing Commission) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, or the Housing Authority, or the developer to proceed with the financing.

- TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): to assure that projects making use of tax-exempt financing meet appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located. This process does not make the Housing Commission, the Housing Authority, or the City of San Diego financially or legally liable for the bonds or for the project.

[Note: Members of the Housing Commission or the San Diego City Council may be asked to take two actions at this stage in the bond process -- one in their capacity as approving the TEFRA hearing resolution and another as approving the bond inducement.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Commission and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the issuance of bonds through adoption of a final resolution authorizing the issuance. Prior to final consideration of the proposed bond issuance, the project must comply with all applicable financing, affordability, and legal requirements and undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders, if rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds. Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to

issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.

RE: Cerro Pueblo Apartments

Dear Mr. Granum:

The San Diego Housing Commission (the "Commission") has retained CSG Advisors, Inc. to analyze the feasibility of the proposed tax-exempt financing for the Cerro Pueblo Apartments (the "Project"). Our findings are organized as follows:

- Current Project Status and the Proposed Project
- The Proposed Financing
- Project's Projected Financial Status
- Benefits and Risks to the Commission
- Public Purpose
- Negotiation of Additional Public Benefit
- Recommendations

We have based our analysis of the proposed financing on documents provided by RAHD Group LLC (the "Developer"), and on additional conversations and documents provided by representatives of the Developer and Commission staff. The documents examined included the Developer's proposed financial schedules and financing commitments from the proposed lender and investor. CSG has not visited the site of the proposed Project.

CURRENT PROJECT STATUS AND THE PROPOSED DEVELOPMENT

The Project will consist of the acquisition and rehabilitation of a 46-unit development (the "Development") located at 2835 Clairemont Drive, San Diego, 92117 (the "Site"). Project would be financed from, among other sources, equity raised from the sale of 4% low-income housing tax credits and tax-exempt and taxable debt issued by the Housing Authority of the City of San Diego (the "Housing Authority"). 45 units (i.e., excluding one manager's units) will be subject to affordability restrictions as further described herein. 45 of the units are subject to an existing Housing Assistance Payment (HAP) contract that is subject to expiration within the next 5 years. The HAP contract will be extended for another 20 years as part of this financing.

The land is owned by the Lessor, Randeman, LLC. The Borrower, Cerro Pueblo Housing Partners, LP, will lease the land from the Lessor, subject to a ground lease expiring December 31, 2079.

On January 12, 2023, the Commission adopted a resolution (no. HC-1971) evidencing the official intent, on behalf of the Housing Authority of the City of San Diego, to conduct a tax-exempt issuance in the not-to-exceed amount of \$13,000,000 for the Project. The resolution also approved submittal of the application to the California Debt Limit Allocation Committee (“CDLAC”) for an allocation of private activity tax-exempt authority for the Project.

As the Commission is authorized to hold TEFRA hearings pursuant to Multifamily Mortgage Revenue Bond Program Policy Amendments the Housing Authority approved March 9, 2021 (Report No. HAR20-043; Resolution No. HA-1906), the public hearing required pursuant to Section 147(f) of the Internal Revenue Code for tax-exempt issuances (“TEFRA”) was held by the Commission – also on January 12, 2023. The TEFRA hearing remains valid through one year after the hearing date.

On September 06, 2023, the Housing Authority submitted an application to CDLAC for \$10,000,000 in private activity tax-exempt issuance authority for the Project.

On December 06, 2023, CDLAC awarded \$10,000,000 in private activity tax-exempt allocation to the Housing Authority for the Project.

THE PROPOSED FINANCING

The Developer proposes that the Housing Authority issue up to \$10,000,000 in a tax-exempt note (the “Tax-Exempt Note”)¹ and up to \$5,000,000 in taxable note (“Taxable Note”, together with the Tax-Exempt Note, the “Notes”) for the Project. Pursuant to the Preliminary Application for Financing, dated November 20, 2023, from Citibank, the Notes would be issued in three “tranches” pursuant to Funding Loan Agreement and Borrower Loan Agreement:

- Tranche A – fully funded at Close, consisting of the \$10,000,000 Tax-Exempt Note;
- Tranche B – fully funded at Close, consisting of approximately \$1,206,385 of the Taxable Note; and
- Tranche C – funded on a drawdown basis, consisting of the balance of the Taxable Note.

Citibank would remain the as permanent lender for the Project upon stabilization and conversion to permanent financing.

¹ The financing would occur through the issuance of tax-exempt “Notes” under a “Back-to-Back” loan structure. The Back-to-Back structure and a bond issuance structure with an Indenture are functionally equivalent. In the Back-to-Back Structure, a Bank Loan Agreement (between the Lender, Issuer and the Fiscal Agent) replaces the Indenture and a Borrower Loan Agreement (between the Issuer and the Borrower) replaces the Loan Agreement from an Indenture structure. A “Fiscal Agent” replaces the Trustee. Certain lenders prefer the Back-to-Back structure in order to obtain beneficial treatment under the Community Reinvestment Act.

According to projections provided by the Developer, the total development cost (“TDC”) totals approximately \$17,741,655.

Ownership

The Project will be owned by the Borrower. The Borrower will consist of Cerro Pueblo Housing LLC as the Managing General Partner and Cerro Pueblo Housing Management LLC as the Administrative General Partner. Additionally, DAL Development, LLC, Sinergia Housing, LLC and C&C Development Group LLC (The RAHD Group) hold an indirect interest in the Borrower. An entity of the Candeur Group (the “Tax Credit Investor”) will be the tax credit investor limited partner.

Tax-Exempt Bond Structure and Credit Enhancement

Construction Loan

The Developer proposes that the Housing Authority issue tax-exempt Notes in the maximum amount of \$10,000,000 and up to \$5,000,000 in taxable Notes in order to finance the acquisition and construction of the Project. Solely revenues pledged under the Funding Loan Agreement

² Source: Developer projections. Rounding by CSG.

³ Taxable amount show is the maximum available under the Citibank Preliminary Application for Funding (11/21/2023), which is slightly higher than the amount shown in the Developer’s financial projections dated December 05, 2023.

⁴ Total Permanent Sources are greater than Total Uses because of maximum taxable perm loan available under the Citibank Preliminary Application for Funding (11/21/2023).

and the Borrower Loan Agreement will secure the payment of principal and interest to the bondholder.

The Notes would be unrated – without credit enhancement – and would be purchased by Citibank on a private placement basis. Tranche A and Tranche B would be fully funded at financial Close. Tranche C would be funded on a draw-down basis through the construction period. Upon stabilization and conversion, Tranche C will be fully redeemed (from tax credit equity and other sources). Tranches A and B will continue as permanent financing to the Project.

As unrated, non-credit enhanced issuance sold on a private placement basis, the Notes must meet the minimum requirements of the Commission’s policies for such issues (e.g., maximum \$100,000 minimum denominations, no more than 15 Bondholders, etc).

The construction period would be approximately 24 months. The Citibank Preliminary Application for Financing (11/21/2023) indicates indicative rates of 6.5% for Tranche A; 7% for Tranche B, and a construction period variable interest rate for the Tranche C of 5.32%. Payments during the construction period would be interest-only. The rates for Tranche A and \$750,000 of Tranche B already have been locked at 6.09% and 6.59%, respectively. The rate for the balance of Tranche B will be locked proximate to financial Close.

Permanent Loan

Upon conversion to the permanent loan, the Borrower proposes to redeem Tranche C with available sources (e.g., tax credit equity). The remaining outstanding Tranches (A and B) will convert to a permanent loan.

According to the Citibank Preliminary Application for Financing, the permanent loan (Tranche A tax-exempt and Tranche B taxable) would have a term of 17 years following the Closing Date and an amortization period of 40 years. The permanent interest rates would be same as the construction period rates for these tranches. Tranche B would be subject to “hyper-amortization” i.e., all scheduled principal payments for Tranches A and B will be allocated to B, until repayment, in full, of the outstanding Tranche B principal.

Projected Issuance Date

The Developer proposes that the Housing Authority issue the Notes on or about February 19, 2024. The Authority received an allocation tax-exempt authority in the amount of \$10,000,000 from CDLAC at its December 06, 2023 allocation meeting date. The allocation expiration date provided by CDLAC is June 03, 2024.

Commission Financial Involvement

The Commission has no other financial involvement in the transaction

Affordability Restrictions

Upon implementing the proposed financing, the Project will be subject to the following regulatory restrictions and regulatory terms:

Source of Restriction	Restriction	Expiration Date
California Tax Credit Allocation Committee	5 units at 30% AMI 5 units at 50% AMI 35 units at 60% AMI	55 years
Tax-Exempt Bond (CDLAC)	10 units at 50% AMI 35 units at 60% AMI	55 years

PROJECT’S PROJECTED FINANCIAL STATUS

Under the proposed financing – according to information provided by the Developer and analysis by CSG – annual debt service on the proposed senior permanent loan of \$11,206,385 would total approximately \$753,485. According to preliminary information provided by the Developer and analysis by CSG, stabilized annual cash flow (before reserves) after construction and lease-up (including Issuer fees) would total approximately \$186,511 at a debt coverage ratio (DCR) of 1.25. Cash flow after reserves would total approximately \$165,991 at a DCR of 1.22. The Citibank debt coverage minimum is 1.15.

THE BENEFITS AND RISKS TO THE COMMISSION

The proposed financing provides for financing for the acquisition and rehabilitation of the Project. By approving a recommendation to the Housing Authority to move forward with the approval process for the proposed tax-exempt Note financing, the Commission will not obligate the Commission or the Housing Authority to issue the Bonds.

As proposed, the financing will create 45 affordable units in the City of San Diego. These units will remain long-term affordable for approximately 55 years under the CDLAC and CTCAC restrictions.

If the Authority issues the Note, the Commission would receive a fee at closing of 0.25% of the issue amount (approximately \$31,500) and an annual fee equal to the greater of \$10,000 and 0.125% of the outstanding Notes.

PUBLIC PURPOSE

The proposed financing will result in the creation of 45 affordable family housing units in the City of San Diego. The proposed financing will result in new CDLAC and CTCAC regulatory restrictions as follows (most restrictive) for 55 years:

- 5 units at 30% AMI
- 5 units at 50% AMI
- 35 units at 60% AMI

NEGOTIATION OF ADDITIONAL PUBLIC BENEFIT

As noted above, the financing will result in long-term affordability restrictions on 45 units within the Project.

RECOMMENDATIONS

Based upon analysis of the available information, we recommend that the Commission approve moving forward with the proposed issuance. Our recommendation is based upon the following:

- The financing will retain 45 affordable family units in the City of San Diego with long-term affordability covenants.
- The Commission has received tax-exempt authority of \$10,000,000 from CDLAC for the Project.
- Citibank and Candeur Group are currently underwriting the Project.
- The Commission will not be responsible for costs of issuance. The Commission will receive an issuance fee at closing of approximately \$31,500, and a long-term annual fee equal to the greater of \$10,000 and 0.125% the outstanding Notes.
- The net Tax-Exempt Note financing and tax credit equity will provide approximately \$8,733,255 for development costs.

Contingent Items

The Commission may choose to move forward with the financing subject to the following contingencies:

- As of this writing, neither Citibank nor Candeur has provided final credit approval for the financing. The Note cannot be issued without these final approvals.
- Final Note documents and approving resolution must be approved by the Housing Authority.

Should you require any further information or would like to discuss the Project or the proposed financing in additional detail, please do not hesitate to contact me.

Sincerely,
CSG Advisors

John Hamilton

WHEREAS, pursuant to Chapter 1 of Part 2 of Division 24 of the California Health and Safety Code, as amended (Act), the Housing Authority of the City of San Diego (Authority) is authorized to incur indebtedness to finance the acquisition, construction or rehabilitation and equipping of multifamily rental housing; and

WHEREAS, Cerro Pueblo Housing Partners, LP, a California limited partnership (Borrower), has requested that the Authority issue notes or bonds and loan the proceeds thereof to the Borrower to finance Borrower's acquisition and rehabilitation of a multifamily residential rental housing facility known as "Cerro Pueblo Apartments" (Project), consisting of 46 apartment units (including one manager's unit) located at 2835 Clairemont Drive, San Diego, California; and

WHEREAS, the Board of Commissioners of the Authority (Board) desires that a portion of the units in the Project be available for low and very low income persons or families, and to

accomplish such purpose it is desirable for the Authority to issue revenue notes to finance costs of the acquisition, rehabilitation and equipping of the Project; and

WHEREAS, the Authority intends to execute and deliver its Housing Authority of the City of San Diego Multifamily Housing Revenue Notes (Cerro Pueblo Apartments) 2024 Series D-1 (Tax-Exempt Note) and City of San Diego Multifamily Housing Revenue Notes (Cerro Pueblo Apartments) 2024 Series D-2 (Taxable Note) (provided such series designations may be modified as set forth in the Funding Loan Agreement, as defined herein, as finally executed) (collectively, Governmental Notes) in an aggregate principal amount not to exceed \$15,000,000, which Governmental Notes may be designated in one or more subseries, to be tax-exempt and taxable, respectively, evidencing a loan by Citibank, N.A. (Funding Lender) to the Authority to fund a loan to the Borrower; and

WHEREAS, the Authority will loan the proceeds of the Governmental Notes to the Borrower (Loan) for the purpose of financing costs of the acquisition and rehabilitation of the Project as described herein and the costs of issuance in respect of the Governmental Notes; and

WHEREAS, the issuance of tax-exempt bonds or notes by the Authority is subject to the approval by the City Council of the City of San Diego (City Council), after publication of a “TEFRA” notice and the holding of a “TEFRA” hearing, as required by the Internal Revenue Code of 1986, as amended (Code), and applicable United States Treasury Regulations; and

WHEREAS, on January 19, 2024, the San Diego Housing Commission (Housing Commission) held on behalf of the City, under authority delegated to the Housing Commission by the City, a duly noticed public hearing in accordance with all applicable law and an opportunity was provided at such hearing for interested persons to express their views on the issuance of tax-exempt bonds or notes and the nature and location of the Project; and

WHEREAS, on the date hereof the Council of the City of San Diego (City Council), as the applicable elected representative under section 147(f) of the Code is expected to consider for approval the issuance of revenue bonds for the Project, as required by the Code and applicable United States Treasury Regulations; and

WHEREAS, California Government Code section 8869.85 requires that a local agency file an application with the California Debt Limit Allocation Committee (CDLAC) and obtain CDLAC's authorization to issue tax-exempt multifamily housing revenue bonds; and

WHEREAS, on December 6, 2023, CDLAC allocated to the Project \$10,000,000 of available State of California ceiling or carryforward for private activity bonds under section 146 of the Code (Allocation Amount); and

ARTICLE II

TERMS; GOVERNMENTAL LENDER NOTES

Section 2.1 Terms.

(a) **Principal Amount.** The total principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount.

(b) **[Origination of Funding Loan.** The proceeds of the Funding Loan shall be advanced by the Funding Lender to the Fiscal Agent for deposit by the Fiscal Agent to the Project Fund for the account of the Governmental Lender on the Closing Date in the Authorized Amount].

(c) **Origination Date; Maturity.** The Funding Loan shall be originated on the Closing Date and shall mature on the corresponding Maturity Date at which time the entire principal amount of the portion of the Funding Loan evidenced by the applicable Governmental Lender

Note, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) **Principal.** The outstanding principal amount of each Governmental Lender Note and of the Funding Loan as of any given date shall be the respective Authorized Amount, less any payments of principal of the Governmental Lender Note previously received upon payment of corresponding principal amounts under the corresponding Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of each Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Fiscal Agent shall keep a record of all principal advances and principal repayments made under each Governmental Lender Note and shall upon written request provide the Governmental Lender and the Funding Lender with a statement of the outstanding principal balance of each Governmental Lender Note and the Funding Loan.

(e) **Interest.** Interest shall be paid on the outstanding principal amount of each Governmental Lender Note at the rate or rates set forth in the corresponding Borrower Note and otherwise as set forth in the Borrower Loan Agreement.

(f) **Corresponding Payments.** The payment or prepayment of principal, interest and premium, if any, due on the Funding Loan and each Governmental Lender Note shall be identical with and shall be made on the same dates, terms and conditions, as the principal, interest, premiums, late payment fees and other amounts due on the corresponding Borrower Note. The Series D-1 Governmental Lender Note shall be payable from payments on the corresponding Series D-1 Borrower Note and the Series D-2 Governmental Lender Note shall be payable from payments on the related Series D-2 Borrower Note. Any payment or prepayment made by the Borrower of principal, interest, premium, if any, due on a Borrower Note shall be deemed to be like payments or prepayments of principal, interest and premium, if any, due on the Funding Loan and the corresponding Governmental Lender Note.

(g) **Usury.** The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Notes and all agreements made in the Governmental Lender Notes, this Funding Loan Agreement and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be

refunded to the Borrower. In no event shall the interest in respect of the Governmental Lender Notes exceed the Maximum Rate. This paragraph shall control every other provision of the Governmental Lender Notes, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

Section 2.2 Form of Governmental Lender Notes. As evidence of its obligation to repay the Funding Loan, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lender, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Notes. The Governmental Lender Notes shall be substantially in the respective forms set forth in Exhibit A attached hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement.

In connection with Conversion, upon written request to the Fiscal Agent, the Funding Lender shall have the right to request the Fiscal Agent to exchange the then existing Series D-1 Governmental Lender Note on or after the Conversion Date for a new Series D-1 Governmental Lender Note with a dated date of the Conversion Date and in a stated principal amount equal to the then outstanding principal amount of the Series D-1 Governmental Lender Note, which amount will equal the Permanent Period Amount (as defined in the Borrower Loan Agreement) of the Borrower Loan, but shall not otherwise change any material terms of the Series D-1 Governmental Lender Note. Any costs associated with such exchange shall be the responsibility of the Funding Lender or the Borrower.

Section 2.3 Execution and Delivery of Governmental Lender Notes. The Governmental Lender Notes shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of the Authorized Governmental Lender Representative and attested by the manual or facsimile signature of the Secretary or the Deputy Secretary of the Governmental Lender. The manual or facsimile signatures of individuals who were the proper officers of the Governmental Lender at the time of execution shall bind the Governmental Lender, notwithstanding that such individuals or any of them shall have ceased to hold such offices prior to the execution and delivery of the Governmental Lender Notes or shall not have held such offices at the date of the Governmental Lender Notes.

Following execution by the Governmental Lender, the Governmental Lender Notes shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this Funding Loan Agreement unless and until a certificate of authentication on each such Governmental Lender Note substantially in the form contained on Exhibit A attached hereto shall have been duly executed by the Fiscal Agent. The certificate of authentication appearing on each Governmental Lender Note shall be deemed to have been duly executed by the Fiscal Agent if manually signed by an authorized officer or employee of the Fiscal Agent. Such authentication certificate of the Fiscal Agent shall be conclusive evidence that the applicable Governmental

Lender Note so registered or authenticated has been duly executed, registered, or authenticated and delivered.

Section 2.4 Required Transferee Representations; Participations; Sale and Assignment.

(a) The Funding Lender shall deliver to the Governmental Lender and the Fiscal Agent the Required Transferee Representations in substantially the form attached hereto as Exhibit B on the Closing Date.

(b) The Funding Lender shall have the right to sell (i) the Governmental Lender Notes and the Funding Loan or (ii) any portion of or a participation interest in the Governmental Lender Note and the Funding Loan, to the extent permitted by Section 2.4(c) below, provided that such sale shall be such that there shall be no more than five (5) Approved Transferees owning or holding interests in the Governmental Lender Notes at any one time, and each Approved Transferee shall execute and deliver Required Transferee Representations to the Funding Lender, the Governmental Lender and the Fiscal Agent.

(c) Notwithstanding the other provisions of this Section 2.4, no beneficial ownership interest in the Governmental Lender Notes and Funding Loan shall be sold in an amount that is less than the Minimum Beneficial Ownership Amount.

(d) No service charge shall be made for any sale or assignment of any portion of the Governmental Lender Notes, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such sale or assignment. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

(e) The Governmental Lender Notes, or any interest therein, shall be in fully registered form transferable to subsequent owners only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Governmental Lender and the Funding Lender. The Governmental Lender Notes shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

The Fiscal Agent acknowledges that the Funding Lender is the initial registered owner of the Governmental Lender Notes and shall remain the sole registered owner of the Governmental Lender Notes except as provided herein. The Funding Lender shall provide written notice to the Fiscal Agent of any transfer by the Funding Lender of the Governmental Lender Notes or any interest of the Funding Lender in the Governmental Lender Notes.

(f) The parties agree that no rating shall be sought from a rating agency with respect to the Funding Loan or the Governmental Lender Notes.

ARTICLE III

PREPAYMENT

Section 3.1 Prepayment of the Governmental Lender Notes from Prepayment under the Corresponding Borrower Notes. The Governmental Lender Notes are subject to voluntary and mandatory prepayment as follows:

(a) Each Governmental Lender Note shall be subject to voluntary prepayment in full or in part by the Governmental Lender, from funds received by the Fiscal Agent from the Borrower under the Borrower Loan Agreement to the extent and in the manner and on any date that the related Borrower Note is subject to voluntary prepayment as set forth therein, at a prepayment price equal to the principal balance of the related Borrower Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium payable under the related Borrower Note, plus any Additional Borrower Payments due and payable under the Borrower Loan Agreement through the date of prepayment.

Except as specifically permitted in the Borrower Notes, the Borrower shall not have the right to voluntarily prepay all or any portion of the Borrower Notes, thereby causing the related Governmental Lender Note to be prepaid, without the prior written consent of Funding Lender, which may be withheld in Funding Lender's sole and absolute discretion.

(b) Each Governmental Lender Note shall be subject to mandatory prepayment in whole or in part upon prepayment of the related Borrower Note at the direction of the Funding Lender in accordance with the terms of the related Borrower Note at a prepayment price equal to the outstanding principal balance of the related Borrower Note prepaid, plus accrued interest plus any other amounts payable under the related Borrower Note or the Borrower Loan Agreement.

Section 3.2 Notice of Prepayment. Notice of prepayment of a Governmental Lender Note shall be deemed given to the extent that notice of prepayment of the related Borrower Note is timely and properly given to the Funding Lender (with a copy to the Governmental Lender) in accordance with the terms of the related Borrower Note and the Borrower Loan Agreement, and no separate notice of prepayment of a Governmental Lender Note is required to be given.

Section 3.3 Recycling Transactions. Notwithstanding any provision of this Funding Loan Agreement or the Series D-1 Governmental Lender Note to the contrary, the Governmental Lender shall be permitted to direct Borrower Note prepayments in respect of the Series D-1 Borrower Note to be transferred to a custodian or trustee selected by the Governmental Lender, in lieu of application to prepay a like portion of the Series D-1 Governmental Lender Note, so long as the Governmental Lender simultaneously causes other funds to be applied to prepay such portion of the Series D-1 Governmental Lender Note. The preceding provisions shall apply only for purposes of preserving or "recycling" private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

In connection with such recycling and Series D-1 Borrower Note prepayment, if so directed in a Written Direction of the Governmental Lender provided to the Fiscal Agent prior to any prepayment date, the Fiscal Agent is hereby authorized and directed to receive any such Series D-

1 Borrower Note prepayment or amounts corresponding thereto and to hold such amounts, uninvested, for such period of time and to transfer such amounts to the Funding Lender, or to such custodian, fiscal agent or trustee designed by the Governmental Lender and specified in such Written Direction. For purposes of effectuating the foregoing, the Fiscal Agent is hereby authorized and directed to open and create such funds or accounts, which may be temporary in nature, as may be necessary or desirable, and to close such funds or accounts following the completion of the transfers set forth in such Written Direction.

ARTICLE IV

SECURITY

Section 4.1 Security for the Funding Loan. To secure the payment of the Funding Loan and each Governmental Lender Note, to declare the terms and conditions on which the Funding Loan and each Governmental Lender Note are secured, and in consideration of the terms and provisions of this Funding Loan Agreement and of the funding of the Funding Loan by the Funding Lender, the Governmental Lender does hereby grant, bargain, sell, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, set over and confirm to the Funding Lender (except as limited herein), a lien on and security interest in the following described property (excepting, however, in each case, the Unassigned Rights) (said property, rights and privileges being herein collectively called, the “**Security**”):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the Borrower Notes, including, without limitation, all rents, revenues and receipts derived by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

(c) Any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held under this Funding Loan Agreement, subject to the provisions of this Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of this Funding Loan Agreement as additional security by the Governmental Lender or anyone on its part or with its consent, or which pursuant to any of the provisions hereof or of the Borrower Loan Agreement may come into the possession or control of the Fiscal Agent, the Funding Lender or a receiver appointed pursuant to this Funding Loan Agreement; and the Funding Lender and the

Fiscal Agent are hereby authorized to receive any and all such property as and for additional security for the Funding Loan and each Governmental Lender Note and to hold and apply all such property subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Security pursuant to this Section 4.1 for the payment of the principal of, premium, if any, and interest on each Governmental Lender Note, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Governmental Lender Notes by the Governmental Lender. The Security so pledged and then or thereafter received by the Governmental Lender, Fiscal Agent or the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

Section 4.2 Delivery of Security. To provide security for the payment of the Funding Loan and each Governmental Lender Note, the Governmental Lender has pledged and assigned to secure payment of the Funding Loan and the Governmental Lender Notes its right, title and interest in the Security to the Funding Lender. In connection with such pledge, assignment, transfer and conveyance, there shall be delivered to the Funding Lender, by or at the expense of the Borrower, the following documents or instruments promptly following their execution and, to the extent applicable, their recording or filing:

- (e) Uniform Commercial Code financing statements giving notice of the pledge by the Governmental Lender of the Security pledged under this Funding Loan Agreement.

There shall be delivered and deposited with the Funding Lender such additional documents, financing statements, and instruments as the Funding Lender may reasonably require from time to time for the better perfecting and assuring to the Funding Lender of its lien and security interest in and to the Security including, in each case at the expense of the Borrower.

ARTICLE V

ARTICLE VI

- (j) Receipt by the Funding Lender of any other documents or opinions that the Funding Lender or Tax Counsel may require in connection with the Closing.

ARTICLE VII

FUNDS AND ACCOUNTS

Section 7.1 Authorization to Create Funds and Accounts. Except as provided in Section 7.3 hereof, no funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender, the Fiscal Agent and the Servicer, if any, and any designee of the Funding Lender or the Servicer, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

Section 7.2 Investment of Funds. Amounts held in any funds or accounts created under this Funding Loan Agreement shall be invested by the Fiscal Agent, the Funding Lender, the Servicer or the designee of the Funding Lender or Servicer, as applicable, in Permitted Investments at the written direction of the Borrower, subject in all cases to the restrictions of Section 8.7 hereof and of the Tax Certificate. The Borrower's instruction shall be sufficient evidence that the investment constitutes a Permitted Investment (including as to the legality thereof). In the absence of any such instruction, monies shall be held uninvested. Permitted Investments purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in such fund or account. For purposes of acquiring any investments hereunder, the Fiscal Agent may commingle funds held by it hereunder, except as provided in Section 7.8(h) hereof with respect to the Rebate Fund. The Fiscal Agent shall incur no liability for losses arising from any investments made pursuant to this Section.

The Fiscal Agent shall furnish the Borrower and Funding Lender periodic cash transaction statements that include detail for all investment transactions effected by the Fiscal Agent or brokers selected by the Borrower. Upon the Borrower's or Funding Lender's election, such statements will be delivered via the Fiscal Agent's online service, and upon electing such service, paper statements will be provided only upon request. The Borrower waives the right to receive brokerage confirmations of security transactions effected by the Fiscal Agent as they occur, to the extent permitted by law. The Borrower further understands that trade confirmations for securities transactions effected by the Fiscal Agent will be available upon request and at no additional cost, and other trade confirmations may be obtained from the applicable broker.

Section 7.3 Establishment of Funds. There are established with the Fiscal Agent the following funds and accounts:

- (a) The Funding Loan Payment Fund;
- (b) The Project Fund (consisting solely of a Note Proceeds Account and an Equity Account);
- (c) The Expense Fund;
- (d) The Closing Costs Fund; and
- (e) The Rebate Fund (to be established by the Fiscal Agent once the Fiscal Agent is required to deposit or transfer, as applicable, amounts to the Rebate Fund in accordance with Section 7.8(a)).

All money required to be deposited with or paid to the Fiscal Agent for the account of any of the funds or accounts created by this Funding Loan Agreement shall be held by the Fiscal Agent for the benefit of the Funding Lender, and except for money held in the Expense Fund or the Rebate Fund, shall, while held by the Fiscal Agent, constitute part of the Pledged Revenues and be subject to the lien hereof.

Section 7.4 Funding Loan Payment Fund. The Governmental Lender and the Borrower shall have no interest in the Funding Loan Payment Fund or the moneys therein, which

shall always be maintained by the Fiscal Agent completely separate and segregated from all other moneys held hereunder and from any other moneys of the Governmental Lender and the Borrower.

The Fiscal Agent shall deposit into the Funding Loan Payment Fund any amounts received from or on behalf of the Borrower as payments of principal of or premium and interest on the Borrower Loan and any other amounts received by the Fiscal Agent that are subject to the lien and pledge of this Funding Loan Agreement, including any Pledged Revenues not required to be deposited to the Expense Fund or not otherwise specifically directed in writing to be deposited into other funds created by this Funding Loan Agreement.

The Fiscal Agent shall apply all amounts on deposit in the Funding Loan Payment Fund in the following order of priority:

First, to pay or provide for the payment of the interest then due on the Funding Loan to the Funding Lender or any transferee of the Funding Lender with respect to the Funding Loan;

Second, to pay or provide for the payment or the prepayment (together with any Prepayment Premium payable in connection with such prepayment) of principal on the Funding Loan to the Funding Lender or any transferee of the Funding Lender with respect to the Funding Loan, provided moneys have been transferred or deposited into the Funding Loan Payment Fund for such purpose; and

Third, to pay or provide for the payment of the Funding Loan on the Maturity Date to the Funding Lender or any transferee of the Funding Lender with respect to the Funding Loan.

Section 7.5 Expense Fund. The Fiscal Agent shall deposit into the Expense Fund the amounts required by the Regulatory Agreement or the Borrower Loan Agreement to be paid by the Borrower to the Governmental Lender or the Fiscal Agent on behalf of the Borrower. Amounts on deposit in the Expense Fund shall be used to pay the fees and expenses of the Governmental Lender and the Fiscal Agent, as and when the same become due. In that regard, moneys in the Expense Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent to pay (i) the Ongoing Governmental Lender Fee to the Governmental Lender as and when due, (ii) the Fiscal Agent's Fees to the Fiscal Agent when due, (iii) upon receipt, to the Fiscal Agent, any amounts due to the Fiscal Agent which have not been paid, other than amounts paid in accordance with clause (ii) hereof, and (iv) upon receipt, to, or at the direction of, the Governmental Lender, any amounts owing the Governmental Lender by the Borrower and then due and unpaid, other than amounts paid in accordance with clause (i) hereof.

In the event that the amounts on deposit in the Expense Fund are not equal to the amounts payable from the Expense Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within two Business Days to the Fiscal Agent of the amount of such deficiency.

Written notice of any insufficiency, which would result in the Governmental Lender not receiving the Ongoing Governmental Lender Fee on the applicable due date, shall be provided by

the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within 10 days of the respective due date.

Upon payment by the Borrower to the Fiscal Agent of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Notwithstanding anything herein to the contrary, the Fiscal Agent, on behalf of the Governmental Lender, shall prepare and submit a written invoice to the Borrower for payment of the Ongoing Governmental Lender Fee not later than 30 days prior to the due date for payment of such Ongoing Governmental Lender Fee, and shall remit moneys received by the Borrower to the Governmental Lender for payment of such fee.

Section 7.6 Closing Costs Fund. Amounts in the Closing Costs Fund shall be disbursed by the Fiscal Agent to pay Closing Costs on the Closing Date or as soon as practicable thereafter as follows: moneys on deposit in the Closing Costs Fund shall be applied to pay Closing Costs at the written direction of the Authorized Borrower Representative, consented to by the Funding Lender and the Governmental Lender, in the form attached hereto as Exhibit D. Any interest earnings on amounts on deposit in the Closing Costs Fund shall remain in the Fund. Any moneys remaining in the Closing Costs Fund (including investment proceeds) after the earlier of (i) the payment of all costs of issuance as certified in writing to the Fiscal Agent by the Borrower or (ii) a period of six (6) months after the Closing Date, shall be paid to or at the direction of the Borrower and the Closing Costs Fund shall be closed.

Section 7.7 Project Fund.

(a) All proceeds of the Funding Loan provided by the Funding Lender shall be deposited to the Note Proceeds Account of the Project Fund and disbursed as herein provided; [provided, however, that an initial disbursement of the Funding Loan on the Closing Date in the amount of \$[] shall be sent by the Fiscal Agent is hereby directed to then transfer such funds to the Title Company without need for a requisition therefor]. The Fiscal Agent shall disburse moneys in the Project Fund for the acquisition, rehabilitation, improvement and equipping of the Project, to pay other Qualified Project Costs and to pay other costs related to the Project as provided herein.

Not less than 97% of the moneys deposited in and credited to the Note Proceeds Account of the Project Fund representing the proceeds of the Funding Loan, including Investment Income thereon, will be expended for Qualified Project Costs (the "97% Requirement"). The amounts on deposit in the Note Proceeds Account of the Project Fund shall not be applied to the payment of Closing Costs.

Before any payment shall be made from the Note Proceeds Account of the Project Fund, the Regulatory Agreement shall have been executed and submitted to a title company for recordation in the official records of San Diego County and there shall be filed with the Fiscal Agent a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit C and approved by the Funding Lender pursuant to the terms, conditions and provisions of the Construction Funding Agreement.

In addition to the above, in connection with a Written Requisition:

(i) Only the signature of an authorized officer of the Funding Lender shall be required on a Written Requisition during any period in which a default by the Borrower has occurred and is then continuing under the Borrower Loan (Written Notice of which default has been given in writing by an authorized officer of the Funding Lender to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such Written Notice as to the occurrence and continuation of such a default).

(ii) The Fiscal Agent shall disburse amounts in the Note Proceeds Account of the Project Fund for the payment of interest due on the Governmental Lender Notes upon receipt from the Funding Lender of a statement detailing the amount due (and without any need for a Written Requisition signed by the Funding Lender or any approval by an Authorized Representative of the Borrower) so long as the amounts to be disbursed do not exceed \$[AGGREGATE PAR] in the aggregate.

(iii) The Fiscal Agent may conclusively rely on all Written Requisitions, the execution of the Written Requisitions by the Authorized Borrower Representative and the approval of all Written Requisitions by the Funding Lender, as required by this Section, as conditions of payment from the Project Fund, which Written Requisitions constitute, as to the Fiscal Agent, irrevocable determinations that all conditions to payment of the specified amounts from the Project Fund have been satisfied. These documents shall be retained by the Fiscal Agent, subject at all reasonable times to examination by the Borrower, the Governmental Lender, the Funding Lender and the agents and representatives thereof upon reasonable notice to the Fiscal Agent. The Fiscal Agent is not required to inspect the Project or the construction/rehabilitation work or to make any independent investigation with respect to the matters set forth in any Written Requisition or other statements, orders, certifications and approvals received by the Fiscal Agent. The Fiscal Agent is not required to obtain completion bonds, lien releases or otherwise supervise the acquisition, rehabilitation, equipping, improvement and installation of the Project.

(b) Upon receipt of each Written Requisition submitted by the Borrower and approved in writing by the Funding Lender, the Fiscal Agent shall promptly, but in any case within three Business Days, make payment from the appropriate Account within the Project Fund in accordance with such Written Requisition. The Fiscal Agent shall have no duty to determine whether any requested disbursement from the Project Fund complies with the terms, conditions and provisions of the Funding Loan Documents, constitutes payment of Qualified Project Costs or complies with the 97% Requirement. The approval in writing of a Written Requisition by the Funding Lender shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, shall constitute conclusive evidence that all of the terms, conditions and requirements of the Funding Loan Documents applicable to such disbursement have been fully satisfied or waived and the Written Requisition from the Borrower shall, insofar as the Fiscal Agent and the Governmental Lender, as applicable, are concerned, constitute conclusive evidence that the costs described in the Written Requisition constitute Qualified Project Costs or other permitted Project costs.

The Fiscal Agent shall provide Written Notice to the Borrower, the Funding Lender and the Governmental Lender if there are not sufficient funds available to or on deposit with the Fiscal

Agent to make the disbursements as and when required by this Section 7.7(b). Except as provided in the next sentence, all such disbursements shall be made by check or draft payable, or by wire transfer, either: (i) directly to the person, firm or corporation to be paid; (ii) to the Borrower and such person, firm or corporation; or (iii) upon receipt by the Funding Lender of evidence that the Borrower has previously paid such amount and Written Direction to the Fiscal Agent as to such as evidenced by the Funding Lender's approval of the Written Requisition, to the Borrower. Upon the occurrence of an Event of Default of the Borrower of which the Fiscal Agent has knowledge as provided herein, which is continuing under the Funding Loan Documents, with the Written Consent of the Funding Lender, the Fiscal Agent may apply amounts on deposit in the Project Fund to the payment of principal of and interest on the Funding Loan. If a Written Requisition signed by the Authorized Borrower Representative and countersigned by an authorized officer of the Funding Lender is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Fund, the Fiscal Agent shall close the Project Fund.

(c) [RESERVED].

(d) Amounts on deposit in the Borrower Equity Account of the Project Fund shall be disbursed from time to time by the Fiscal Agent to pay designated amounts as set forth in and upon receipt of a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit C signed by an Authorized Borrower Representative and the Funding Lender.

(e) Prior to any mandatory prepayment of the Funding Loan pursuant to the terms hereof, any amounts then remaining in the Project Fund shall, at the written direction of the Funding Lender, be transferred to the Funding Loan Payment Fund to be applied to the prepayment of the Funding Loan pursuant hereto.

Section 7.8 Rebate Fund.

(a) The Fiscal Agent shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed in writing by the Borrower to be transferred thereto.

(b) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Fiscal Agent shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(c) All payments to the United States of America pursuant to this Section shall be made by the Fiscal Agent for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such completed and signed forms to be provided to the Fiscal Agent by the Borrower or the Rebate Analyst).

(d) The Fiscal Agent shall preserve all statements, forms and explanations received from the Borrower and delivered to the Fiscal Agent and all records of transactions in the Rebate Fund until six years after the retirement of the Governmental Lender Notes.

(e) The Fiscal Agent may conclusively rely on the instructions of the Borrower (based upon the report of the Rebate Analyst) with regard to any actions to be taken by it pursuant to this Section and shall have no liability for any consequences of any failure of the Borrower or the Rebate Analyst to perform its duties or obligations or to supply accurate or sufficient instructions. Except as specifically provided in subsection (b) above, the Fiscal Agent shall have no duty or responsibility with respect to the Rebate Fund or the Borrower's duties and responsibilities with respect thereto except to follow the Borrower's specific written instruction related thereto.

(f) If at any time during the term of this Funding Loan Agreement the Governmental Lender, the Fiscal Agent or the Borrower desires to take any action that would otherwise be prohibited by the terms of this Section, such person shall be permitted to take such action if it shall first obtain and provide to the other persons named herein, a Tax Counsel No Adverse Effect Opinion and an opinion of Tax Counsel that such action shall be in compliance with the laws of the State and the terms of this Funding Loan Agreement.

(g) Moneys and securities held by the Fiscal Agent in the Rebate Fund shall not be deemed funds of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Owners to secure the Governmental Lender Notes or any other obligations.

(h) Moneys in the Rebate Fund may be separately invested and reinvested by the Fiscal Agent, at the request of and as directed in writing by the Borrower, in Permitted Investments, subject to the Code. The Fiscal Agent shall sell and reduce to cash a sufficient amount of such Permitted Investments, as directed in writing by the Borrower, whenever the cash balance in the Rebate Fund is insufficient for its purposes.

(i) Notwithstanding anything to the contrary in this Funding Loan Agreement, no payment shall be made by the Fiscal Agent to the United States if the Borrower shall furnish to the Governmental Lender and the Fiscal Agent an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series D-1 Governmental Lender Note. In such event the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Fiscal Agent with respect to such withdrawal.

(j) The Fiscal Agent shall keep and make available to the Governmental Lender and the Borrower records concerning the investments of all funds held by the Fiscal Agent pursuant to the Funding Loan Agreement including date bought and sold, price and commission paid, and bids taken, if any, and shall keep all such records until six years after the date on which neither of the Governmental Lender Notes are Outstanding in order to enable the Borrower to make the computations required under Section 148(f) of the Code.

(k) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 7.8 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Fiscal Agent and the Governmental Lender. In the event of any conflict between the requirements of this Section 7.8 and those of the Tax Certificate, the Tax Certificate shall control.

Section 7.9. Investments.

(a) Amounts on deposit in the Project Fund shall be invested in Permitted Investments directed in writing by the Borrower. Investment Income earned on amounts on deposit in each account of the Project Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Project Fund.

(b) Amounts on deposit in the Funding Loan Payment Fund, Expense Fund, Rebate Fund and Closing Costs Fund shall be invested in Permitted Investments directed in writing by the Borrower. Investment Income earned on amounts on deposit in each account of the Funding Loan Payment Fund, Expense Fund, Rebate Fund and Closing Costs Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Funding Loan Payment Fund, Expense Fund, Rebate Fund and Closing Costs Fund.

The Fiscal Agent may make any and all investments permitted under this Funding Loan Agreement through its own trust or banking department or any affiliate and may pay said department reasonable, customary fees for placing such investments. The Fiscal Agent and its affiliates may act as principal, agent, sponsor, advisor or depository with respect to Permitted Investments under this Funding Loan Agreement. The Fiscal Agent shall not be liable for any losses from investments made by the Fiscal Agent in accordance with this Funding Loan Agreement.

The Governmental Lender, the Funding Lender and the Borrower (by its execution of the Borrower Loan Agreement) acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Governmental Lender or the Funding Lender the right to receive brokerage confirmations of security transactions as they occur, the Governmental Lender and the Funding Lender will not receive such confirmations to the extent permitted by law. The Fiscal Agent shall furnish the Borrower, the Funding Lender and the Governmental Lender (to the extent requested by such parties) periodic cash transaction statements which shall include detail for all investment transactions, if any, made by the Fiscal Agent hereunder.

ARTICLE VIII

REPRESENTATIONS AND COVENANTS

Section 8.1 General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a public body corporate and politic, organized and existing under the laws of the State, has the power and authority to (i) enter into the Funding Loan Documents to which it is a party and the transactions contemplated thereby, (ii) incur the limited obligation represented by the Governmental Lender Notes and the Funding Loan, and apply the proceeds of such obligation or loan to finance the Project, and (iii) carry out its other obligations under this Funding Loan Agreement and the Governmental Lender Notes, and by proper action has duly authorized the Governmental Lender's execution and delivery of, and its performance under, the Funding Loan Documents to which it is a party.

(b) The Governmental Lender is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of, (i) the Act, (ii) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (iii) to its knowledge, the provisions of any agreements and instruments to which the Governmental Lender is a party, a default under or violation of which would prevent it from entering into this Funding Loan Agreement, executing and delivering the Governmental Lender Notes, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions on its part contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental Lender is making no representations as to the necessity of registering the Governmental Lender Notes or the Borrower Notes pursuant to any securities laws or complying with any other requirements of securities laws).

(c) To the best knowledge of the Governmental Lender, no litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending with respect to which the Governmental Lender has been served with process or, to the knowledge of the Governmental Lender, is threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

(d) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Notes and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the Funding Loan Agreement as evidenced by the Governmental Lender Notes.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR

THE BORROWER LOAN, OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2 No Encumbrance on Security. The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

Section 8.3 Repayment of Funding Loan. Subject to the provisions of Articles III and V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Notes, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Notes and this Funding Loan Agreement.

Section 8.4 Servicer. The Funding Lender may appoint a Servicer to service and administer the Funding Loan and/or the Borrower Loan on behalf of the Funding Lender, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement.

Section 8.5 Borrower Loan Agreement Performance.

(a) The Funding Lender and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any agreement or covenant of the Governmental Lender under the Borrower Loan Agreement subject to the terms and provisions contained therein, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify the Borrower, the Servicer and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has knowledge of such event.

Section 8.6 Maintenance of Records; Inspection of Records.

(a) The Fiscal Agent shall keep and maintain adequate records pertaining to any funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Governmental Lender Notes and interests therein. The Fiscal Agent shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Funding Lender and the Governmental Lender and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender and the Funding Lender will at any and all times, upon the reasonable request of the Servicer, if any, the Borrower, the Fiscal Agent, the Governmental Lender or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender

or the Funding Lender, as appropriate, relating to the Project and the Funding Loan, if any, and (at their own expense) to make copies thereof.

Section 8.7 Tax Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will:

(a) Require the Borrower to execute the Regulatory Agreement as a condition of funding the Borrower Loan;

(b) Not take or cause to be taken any action or actions, or fail to take any action or actions, which would cause the interest payable on the Series D-1 Governmental Lender Note to be includable in gross income of the Noteowner for federal income tax purposes;

(c) Whenever and so often as requested in writing by Funding Lender, the Governmental Lender (at the sole cost and expense of the Borrower), shall do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Series D-1 Governmental Lender Note will be excluded from the gross income of the Noteowner, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any owner of the Governmental Lender Notes or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(d) Not take any action nor, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, knowingly permit or suffer any action to be taken if the result of the same would be to cause the Governmental Lender Notes to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations;

(e) Require the Borrower to agree, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan corresponding to the Series D-1 Governmental Lender Note, or any other moneys which may be deemed to be proceeds of such portion of the Funding Loan pursuant to the Code, which would cause the Series D-1 Governmental Lender Note to be “arbitrage bonds” within the meaning of Sections 103(b) and 148 the Code, and to comply with the requirements of the Code throughout the term of the Funding Loan corresponding to the Series D-1 Governmental Lender Note; and

(f) Require the Borrower, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate (it being understood that the obligations of the Fiscal Agent with respect to the Tax Certificate are to follow the written directions of the Governmental Lender or Borrower, and that the Fiscal Agent shall not be responsible for monitoring the compliance of the Governmental Lender or Borrower therewith), which are by this reference incorporated into this Funding Loan Agreement and made a part of

this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Funding Loan Agreement and the Tax Certificate, the requirements of the Tax Certificate shall control.

For purposes of this Section 8.7 the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's knowledge and control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.8 Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may (but is under no obligation to) perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under (and as such term is defined in) the Borrower Loan Agreement exists.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1 Events of Default. Any one or more of the following shall constitute an event of default (an "**Event of Default**") under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative authority or Governmental Authority):

(a) A default in the payment of any interest upon the Governmental Lender Notes when such interest becomes due and payable;

(b) A default in the payment of principal of, or premium on, the Governmental Lender Notes when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise;

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 12.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period, the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender's satisfaction, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional

period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default;

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other “Default” or “Event of Default” (as defined in the applicable agreement) under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2 Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Notes and the interest accrued to be immediately due and payable, by notice to the Governmental Lender, Borrower and the Equity Investor, and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Notes shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender rescind and annul such declaration and its consequences if:

(i) there has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Funding Loan, (2) the principal of and Prepayment Premium on the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) all Events of Default, other than the non-payment of the principal of the Funding Loan that has become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower, any of the Borrower’s partners or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3 Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear from enforcing any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Notes or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Notes, and provided that the Governmental

Lender may seek specific performance by the Borrower to enforce the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion (as such term is defined in the Borrower Loan Agreement).

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower, the Equity Investor and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement (subject to applicable notice and cure periods) to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4 Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Rebate Analyst;

(b) Second: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Notes, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(c) Third: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5 Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Notes may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Notes or the production thereof in any proceeding relating thereto.

Section 9.6 Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8 Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9 Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10 Remedies Under Borrower Loan Agreement or Borrower Notes. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Notes, whether or not the Governmental Lender Notes have been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11 Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in clause (a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12 Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental Authority enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13 Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

ARTICLE X

AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1 Amendment of Funding Loan Agreement. ARTICLE XI

THE FISCAL AGENT

Section 11.1 Appointment of Fiscal Agent; Acceptance. The Governmental Lender hereby appoints U.S. Bank Trust Company, National Association, as fiscal agent hereunder. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it by this Funding Loan Agreement by executing this Funding Loan Agreement.

Section 11.2 Certain Duties and Responsibilities of Fiscal Agent.

(a) The Fiscal Agent undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent.

(b) If an event of default exists hereunder or under any Borrower Loan Document, the Fiscal Agent shall exercise such of the rights and powers vested in it by this Funding Loan Agreement, and exercise any rights or duties or remedies solely at the written direction of the Funding Lender.

(c) No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, in each case, as finally adjudicated by a court of law, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Fiscal Agent shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts;

(iii) The Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Funding Lender relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any power conferred upon the Fiscal Agent under this Funding Loan Agreement; and

(iv) No provision of this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it in its sole discretion.

(v) Subject to its rights to indemnification pursuant to Section 11.4 hereof, the Fiscal Agent is directed to enter into the Borrower Loan Documents to which it is a party and other related documents (including the Regulatory Agreement), solely in its capacity as Fiscal Agent.

(d) Whether or not therein expressly so provided, every provision of this Funding Loan Agreement and the other Funding Loan Documents relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section.

(e) The Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Funding Loan Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Funding Loan Agreement.

(f) The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty.

Section 11.3 Notice of Defaults. Upon the occurrence of any default hereunder or under any Borrower Loan Document and provided that a Responsible Officer of the Fiscal Agent has actual knowledge or has received Written Notice of the existence of such default, promptly, and in any event within 15 days, the Fiscal Agent shall transmit to the Governmental Lender, the Borrower, the Equity Investor, the Servicer, if any, and the Funding Lender, in the manner and at the addresses for notices set forth in Section 12.1 hereof, notice of such default hereunder known to the Fiscal Agent pursuant to Section 11.4(g) hereof, unless such default shall have been cured or waived.

Section 11.4 Certain Rights of Fiscal Agent. Except as otherwise provided in Section 11.1 hereof:

(a) The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) Any request or direction of the Governmental Lender mentioned herein shall be sufficiently evidenced by a certificate or order executed by an Authorized Governmental Lender Representative;

(c) Whenever in the administration of this Funding Loan Agreement, the Regulatory Agreement or any Borrower Loan Document the Fiscal Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Fiscal Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Written Certificate of the Governmental Lender, the Funding Lender, the Servicer or the Borrower, as appropriate;

(d) The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Funding Loan Agreement or any Borrower Loan Document at the request or direction of the Funding Lender, pursuant to this Funding Loan Agreement, unless the Funding Lender shall have offered to the Fiscal Agent in writing security or indemnity reasonably satisfactory to the Fiscal Agent against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction, except costs, expenses and liabilities which are adjudicated to have resulted from its own negligence or willful misconduct, provided, that nothing contained in this subparagraph (d) shall be construed to require such security or indemnity for the performance by the Fiscal Agent of its obligations under Article VII hereof;

(e) The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books and records of the Governmental Lender, if any, and of the Borrower, in either case personally or by agent or attorney after reasonable notice and during normal business hours;

(f) The Fiscal Agent may execute any of its powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and pay reasonable compensation thereto and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may act upon the advice of counsel of its choice concerning all matters hereof and the Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in good faith reliance upon said advice; and

(g) The Fiscal Agent shall not be required to take notice or be deemed to have notice of any default hereunder or under any Borrower Loan Document except for failure by the Borrower to make payments of principal, interest, premium, if any, or Ongoing Governmental Lender Fee when due, unless a Responsible Officer of the Fiscal Agent shall be specifically notified by a Written Direction of such default by the Governmental Lender, the Servicer or the Funding Lender, and all notices or other instruments required by this Funding Loan Agreement or under any Borrower Loan Document to be delivered to the Fiscal Agent, must, in order to be effective, be delivered in writing to a Responsible Officer of the Fiscal Agent at the Office of the Fiscal Agent, and in the absence of such Written Notice so delivered the Fiscal Agent may conclusively assume there is no default as aforesaid.

Section 11.5 Not Responsible for Recitals. The recitals contained herein and in the Governmental Lender Notes shall be taken as the statements of the Governmental Lender, and the Fiscal Agent assumes no responsibility for their correctness. The Fiscal Agent makes no representations as to the value or condition of the Pledged Revenues, the Security or any part thereof, or as to the title of the Governmental Lender thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Funding Loan Agreement or of the Funding Loan.

The Fiscal Agent shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the funding of the Funding Loan.

The Fiscal Agent shall not be required to monitor the financial condition of the Borrower or the physical condition of the Project. The Fiscal Agent shall be under no obligation to analyze, review or make any credit decisions with respect to any financial statements, reports, notices, certificates or documents received hereunder but shall hold such financial statements reports, notices, certificates and documents solely for the benefit of, and review by, the Funding Lender and such other parties to whom the Fiscal Agent may provide such information pursuant to this Funding Loan Agreement.

The Fiscal Agent makes no representations as to and shall have no responsibility for the sufficiency of the insurance required under any of the Borrower Loan Documents.

Section 11.6 May Hold Funding Loan. The Fiscal Agent in its individual or any other capacity may become the owner or pledgee of the Funding Loan and may otherwise deal with the Governmental Lender, the Funding Lender and the Borrower with the same rights it would have if it were not Fiscal Agent.

Section 11.7 Moneys Held Hereunder. Moneys held by the Fiscal Agent hereunder need not be segregated from other funds except to the extent required by law. The Fiscal Agent shall be under no liability for interest on any moneys received by it hereunder except as otherwise provided herein.

Section 11.8 Compensation and Reimbursement. Under the Borrower Loan Agreement, the Borrower has agreed to, except as otherwise expressly provided herein, pay the Fiscal Agent its fees and reimburse the Fiscal Agent as provided in this Funding Loan Agreement or the Borrower Loan Agreement, upon its request for all reasonable expenses, disbursements and advances incurred or made by the Fiscal Agent in accordance with any provision of this Funding Loan Agreement (including the reasonable fees, expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Fiscal Agent's negligence or willful misconduct, both as finally adjudicated by a court of law.

When the Fiscal Agent incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally.

(a) The Governmental Lender has no obligation to pay the Fiscal Agent for services rendered.

(b) As security for the performance of the obligations of the Borrower under this Section and for the payment of such compensation, expenses, reimbursements and indemnity, the Fiscal Agent shall have the right to use and apply any moneys held by it as Pledged Revenues.

(c) The Fiscal Agent's rights to compensation and reimbursement shall survive its resignation or removal, the payment of the Funding Loan or the Borrower Loan or the release of this Funding Loan Agreement.

Section 11.9 Fiscal Agent Required; Eligibility. Any successor Fiscal Agent shall at all times be a trust company, a state banking corporation or a national banking association with the authority to accept trusts in the State approved in writing by the Governmental Lender and either (a) have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, (b) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management and have a combined capital and surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition, or (c) be otherwise acceptable to the Funding Lender in its sole and absolute discretion.

Section 11.10 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Fiscal Agent hereunder and no appointment of a successor Fiscal Agent pursuant to this Article shall become effective until the written acceptance by the successor Fiscal Agent of such appointment.

(b) The Fiscal Agent may resign at any time by giving 60 days' Written Notice thereof to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender.

(c) The Fiscal Agent may be removed at any time with 30 days' notice by (i) the Governmental Lender, (ii) the Borrower (unless the Borrower is in default under any of the Borrower Loan Documents), subject to applicable notice and cure periods, with the Written Consent of the Funding Lender and the Governmental Lender, or (iii) the Funding Lender with the Written Consent of the Governmental Lender and Written Notice delivered to the Fiscal Agent and the Borrower.

(d) If the Fiscal Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the Office of the Fiscal Agent for any cause, the Governmental Lender shall promptly appoint a successor Fiscal Agent, with the consent of the Funding Lender, which consent shall not be unreasonably withheld. In case all or substantially all of the Pledged Revenues and Security shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee may similarly appoint a successor to fill such vacancy until a new Fiscal Agent shall be so appointed by the Governmental Lender. If, within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, the Governmental Lender has failed to so appoint a successor Fiscal Agent, then a successor Fiscal Agent shall be appointed by the Funding Lender (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with Written Notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and the retiring Fiscal Agent, and the successor Fiscal Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Fiscal Agent and supersede the successor Fiscal Agent appointed by such receiver or Fiscal Agent. If no successor Fiscal Agent shall have been appointed by the Governmental Lender or the Funding Lender and accepted appointment within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, the Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(e) The retiring Fiscal Agent shall cause Written Notice of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to be provided to the Funding Lender. Each notice shall include the name of the successor Fiscal Agent and the address of the office of the successor Fiscal Agent.

Section 11.11 Acceptance of Appointment by Successor.

(a) Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to the Governmental Lender and to the retiring Fiscal Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Fiscal Agent shall become effective and such successor Fiscal Agent, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers and duties of the retiring Fiscal Agent; notwithstanding the foregoing, on request of the Governmental Lender or the successor Fiscal Agent, such retiring Fiscal Agent shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Fiscal Agent all the estates, properties, rights, powers and trusts of the retiring Fiscal Agent, and shall duly assign, transfer and deliver to such successor Fiscal Agent all property and money held by such retiring Fiscal Agent hereunder. Upon request of any such successor Fiscal Agent, the Governmental Lender shall execute any and

all instruments for more fully and certainly vesting in and confirming to such successor Fiscal Agent all such estates, properties, rights and powers.

(b) No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

Section 11.12 Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Fiscal Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Fiscal Agent, shall be the successor of the Fiscal Agent hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause Written Notice of such succession to be delivered to the Funding Lender within 30 days of such succession.

Section 11.13 Appointment of Co-Fiscal Agent. It is recognized that in case of litigation under this Funding Loan Agreement, the Borrower Loan Agreement, any other Borrower Loan Document or the Regulatory Agreement, and in particular in case of the enforcement of any of them on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Fiscal Agent or hold title to the properties, as herein provided, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent appoint an additional individual or institution as a separate or co-fiscal agent. The following provisions of this Section are adopted to these ends.

The Fiscal Agent is hereby authorized to appoint an additional individual or institution as a separate or co-fiscal agent hereunder, upon Written Notice to the Governmental Lender, the Funding Lender and the Borrower, and with the consent of the Governmental Lender and the Funding Lender, but without the necessity of further authorization or consent, in which event each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement, any Borrower Loan Document, the Regulatory Agreement or the Borrower Loan Agreement to be exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be exercisable by and vest in such separate or co-fiscal agent but only to the extent necessary to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-fiscal agent shall run to and be enforceable by either of them.

Should any instrument in writing from the Governmental Lender be required by the separate fiscal agent or co-fiscal agent appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, duties and obligations, any and all such instruments in writing shall, on request of the Fiscal Agent, be executed, acknowledged and delivered by the Governmental Lender. In case any separate fiscal agent or co-fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, duties and obligations of such separate fiscal agent or co-

fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a successor to such separate fiscal agent or co fiscal agent.

Section 11.14 Loan Servicing. The Governmental Lender and the Fiscal Agent acknowledge that the Funding Lender shall have the right to appoint a Servicer to service and administer the Funding Loan and the Borrower Loan as set forth in a Servicing Agreement. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Servicer or for any acts or omissions of such Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Servicer.

Section 11.15 No Recourse Against Officers or Employees of Fiscal Agent. No recourse with respect to any claim related to any obligation, duty or agreement contained in this Funding Loan Agreement or any other Funding Loan Document shall be had against any officer or employee, as such, of the Fiscal Agent, it being expressly understood that the obligations, duties and agreements of the Fiscal Agent contained in this Funding Loan Agreement and the other Funding Loan Documents are solely corporate in nature.

The Governmental Lender has no taxing power.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity and those respecting limitations of liability in Article V of the Funding Loan Agreement.

[D-1 Note Only:] [Notwithstanding any provision of this Governmental Lender Note or the Funding Loan Agreement to the contrary, the Governmental Lender shall be permitted to direct Series D-1 Borrower Note prepayments to be transferred to a custodian or trustee selected by the Governmental Lender, in lieu of application to prepay a like portion of this Governmental Lender Note, so long as the Governmental Lender simultaneously causes other funds to be applied to

prepay such portion of this Governmental Lender Note. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.]

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys’ fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, and subject to the limitations set forth in the Funding Loan Agreement from the Pledged Revenues, the Security, or amounts provided by the Borrower.

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor’s failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

This Governmental Lender Note (and the Funding Loan that it represents), and any interests herein or therein, are transferable by the registered owner hereof, but only in the manner, subject to the limitations and upon payment of the charges provided in the Funding Loan Agreement. Upon such transfer a new fully registered Governmental Lender Note will be issued to the transferee in exchange herefor. The Obligor, the Funding Lender and the Fiscal Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, and the Obligor and the Funding Lender shall not be affected by any notice to the contrary.

The Obligor hereby certifies that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Governmental Lender Note do exist, have happened and have been performed in due time, form and manner as

required by the Constitution and laws of the State (including the Act) and that the amount of this Governmental Lender Note, together with all other indebtedness of the Obligor, does not exceed any limit prescribed by the Constitution or laws of the State.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note by its authorized representative as of the date first set forth above. The undersigned intends that this instrument shall be deemed to be signed and delivered as a sealed instrument.

5. In the event any placement memorandum to be provided to any subsequent buyer or beneficial owner of such portion of the Funding Loan will disclose information with respect to the Governmental Lender other than its name, location and type of political subdivision and general information with respect to the Funding Loan and Borrower Loan and related documents, the Holder will provide the Governmental Lender with a draft of such placement memorandum and the Governmental Lender shall have the right to approve any description of the Governmental Lender therein (which approval shall not be unreasonably withheld).

6. The Holder understands that the Governmental Lender Note is a limited obligation of the Governmental Lender; payable solely from funds and moneys pledged and assigned under the Funding Loan Agreement, and that the liabilities and obligations of the Governmental Lender with respect to the Governmental Lender Note are expressly limited as set forth in the Funding Loan Agreement and related documents.

To induce the Governmental Lender to execute this Borrower Loan Agreement and to induce the Funding Lender to make Disbursements, the Borrower represents and warrants for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and, subject to Section 4.2, shall survive the making of the Borrower Loan and will be complete and accurate, and deemed remade, except as otherwise noted through notice to Funding Lender and approved by Funding Lender, as of the date of each Disbursement, as of the original Outside Conversion Date, as of the date of any extension thereof and as of the Conversion Date in accordance with the terms and conditions of the Borrower Notes:

Section 4.1.1 Organization; Special Purpose. The Borrower is a limited partnership in good standing under the laws of the State (and under the laws of the state in which the Borrower was formed if the Borrower was not formed under the laws of the State), has full legal right, power

and authority to enter into the Borrower Loan Documents to which it is a party, and to carry out and consummate all transactions contemplated by the Borrower Loan Documents to which it is a party, and by proper limited partnership action has duly authorized the execution, delivery and performance of the Borrower Loan Documents to which it is a party. The Person(s) of the Borrower executing the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are fully authorized to execute the same. The Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower. The sole business of the Borrower is the ownership, management and operation of the Project.

Section 4.1.2 Proceedings; Enforceability. Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

Section 4.1.3 No Conflicts. The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement of the Borrower or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever (other than the lien of the Security Instrument, the Subordinate Debt, as applicable and any related financing statements) upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

Section 4.1.4 Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the General Partner or the Guarantor, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantor. None of the Borrower, General Partner or Guarantor is in default (and no event has occurred and is

continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, General Partner or Guarantor. None of Borrower, General Partner or Guarantor are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), financial condition of Borrower, General Partner or Guarantor, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), financial condition of Borrower, General Partner or Guarantor, as applicable; or (c) in default with respect to any agreement to which Borrower, General Partner or Guarantor, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), financial condition of Borrower, General Partner or Guarantor, as applicable; and (d) there is no Legal Action pending or, to the knowledge of Borrower, threatened against or affecting Borrower, General Partner or Guarantor questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

Section 4.1.5 Agreements; Consents; Approvals. Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition, except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

Section 4.1.6 Title. The Borrower shall have marketable title to the Project free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (i) a valid, perfected first priority lien on the fee interest in the Project and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

Section 4.1.7 Survey. To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

Section 4.1.8 No Bankruptcy Filing. The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a "Bankruptcy Proceeding"), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9 Full and Accurate Disclosure. No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition of the Borrower or the Borrower's ability to meet its obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

Section 4.1.10 No Plan Assets. The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101.

Section 4.1.11 Compliance. The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or the business of the Borrower. There has not been committed by the Borrower or any Borrower Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys paid in performance of the Borrower's obligations under any Borrower Loan Document or any Funding Loan Documents.

Section 4.1.12 Contracts. All service, maintenance or repair contracts affecting the Project have been entered into at arm's length (except for such contracts between the Borrower and a Borrower Affiliate or the Affiliates of the Borrower Controlling Entity of the Borrower) in the ordinary course of the Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 4.1.13 Financial Information. All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the best knowledge of the Borrower, (i) are accurate and complete in all material respects, as of their respective dates, (ii) accurately represent the financial condition of the Project as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

Section 4.1.14 Condemnation. No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

Section 4.1.15 Federal Reserve Regulations. No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Borrower Loan Document or Funding Loan Document.

Section 4.1.16 Utilities and Public Access. To the best of the Borrower's knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower's responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17 Not a Foreign Person. The Borrower is not a “foreign person” within the meaning of §1445(f)(3) of the Code.

Section 4.1.18 Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19 Assessments. Except as disclosed in the Title Insurance Policy, there are no pending or, to the Borrower’s best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

Section 4.1.20 Enforceability. The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 4.1.21 Insurance. The Borrower has obtained the insurance required by this Borrower Loan Agreement, if applicable, and the Security Instrument and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement, if applicable, and the Security Instrument.

Section 4.1.22 Use of Property; Licenses. The Project will be used exclusively as a multifamily rental housing project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the “Licenses”) required at this time for the acquisition and rehabilitation of the Project have been obtained. To the Borrower’s knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower’s knowledge, pending or threatened that would result in a change of the zoning of the Project.

Section 4.1.23 Flood Zone. As of the Closing Date, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to the Closing Date, if the Mortgaged Property is determined to be in a Special Flood Hazard Area, Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as required by the Servicer pursuant to its underwriting guidelines.

Section 4.1.24 Physical Condition. The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the

rehabilitation and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA.

Section 4.1.25 Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Servicer.

Section 4.1.26 State Law Requirements. The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable state laws relating to the Borrower Loan, the Funding Loan and the Project.

Section 4.1.27 Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid or will be paid on the Closing Date. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

Section 4.1.28 Investment Company Act. The Borrower is not (i) an “investment company” or a company “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended; or (ii) a “holding company” or a “subsidiary company” of a “holding company” or an “affiliate” of either a “holding company” or a “subsidiary company” within the meaning of the Public Utility Holding Company Act of 1935, as amended.

Section 4.1.29 Fraudulent Transfer. The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower’s assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower’s total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower’s assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower’s probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower’s assets do not and, immediately following the

execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

Section 4.1.30 Ownership of the Borrower. Except as set forth in the Partnership Agreement of the Borrower and the exhibits thereto, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in the Borrower.

Section 4.1.31 Environmental Matters. To the best of Borrower's knowledge, the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or cleanup, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification on the Closing Date.

Section 4.1.32 Name; Principal Place of Business. Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

Section 4.1.33 Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted secured indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date.

Section 4.1.34 Filing of Taxes. The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower

Section 4.1.35 General Tax. All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Certificate are incorporated by reference herein and the Borrower will comply with such as if set forth herein. In the event of any conflict between this Borrower Loan Agreement and the Tax Certificate, the Tax Certificate shall control.

Section 4.1.36 Approval of the Borrower Loan Documents and Funding Loan Documents. By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower

acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer in any manner.

Section 4.1.37 Funding Loan Agreement. The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

Section 4.1.38 Americans with Disabilities Act. The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 (“ADA”), to the extent required (as evidenced by an architect’s certificate to such effect).

Section 4.1.39 Requirements of Act, Code and Regulations. The Project satisfies all requirements of the Act, the Code and the Regulations applicable to the Project.

Section 4.1.40 Regulatory Agreement. The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act and the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

Section 4.1.41 Intention to Hold Project. The Borrower intends to hold the Project for its own account and has no current plans, and except as set forth in the Partnership Agreement has not entered into any agreement, to sell the Project or any part of it; and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

Section 4.1.42 Concerning General Partner.

(a) Each of the Managing General Partner and Administrative General Partner is duly organized and validly existing under the laws of the State of California. Each General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by it for its own account and on behalf of Borrower, as general partner of Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

(b) Each General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, or financial condition of such General Partner.

(c) Each General Partner is duly authorized to do business in the State.

(d) The execution, delivery and performance by Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of each General Partner on behalf of Borrower, and by all necessary action on behalf of such General Partner.

(e) The execution, delivery and performance by each General Partner, on behalf of Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (i) General Partner's organizational documents; (ii) any other Legal Requirement affecting General Partner or any of its properties; or (iii) any agreement to which such General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

Section 4.1.43 Government and Private Approvals. All governmental or regulatory orders, consents, permits, authorizations and approvals required for the acquisition, rehabilitation, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that Borrower is not required to have as of the Closing Date, will be obtained), and will be maintained in full force and effect at all times during the construction/rehabilitation of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the rehabilitation or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower or General Partner of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or General Partner, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

Section 4.1.44 Concerning Guarantor. The Borrower Loan Documents and the Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by Guarantor and are legally valid and binding obligations of Guarantor, enforceable against Guarantor in accordance

with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

Section 4.1.45 No Material Defaults. Except as previously disclosed to Funding Lender and the Governmental Lender in writing, there exists no material violation of or material default by Borrower under, and, to the best knowledge of Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (i) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (ii) any lease or other agreement affecting the Project or to which Borrower is a party; (iii) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which Borrower or the Project may be bound; or (iv) any mortgage, instrument, agreement or document by which Borrower or any of its respective properties is bound; in the case of any of the foregoing: (1) which involves any Borrower Loan Document or Funding Loan Document; (2) which involves the Project and is not adequately covered by insurance; (3) that might materially and adversely affect the ability of Borrower, General Partner or Guarantor or to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party relating to the Project; or (4) which would adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

Section 4.1.46 Payment of Taxes. Except as previously disclosed to Funding Lender in writing: (i) all tax returns and reports of Borrower, General Partner and Guarantor required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges upon Borrower, General Partner and Guarantor, and upon their respective properties, assets, income and franchises, which are due and payable have been paid when due and payable; and (ii) Borrower knows of no proposed tax assessment against it or against General Partner or Guarantor that would be material to the condition (financial or otherwise) of Borrower, General Partner or Guarantor, and neither Borrower nor General Partner have contracted with any Governmental Authority in connection with such taxes.

Section 4.1.47 Rights to Project Agreements and Licenses. Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Borrower Loan Documents and the Funding Loan Documents and Subordinate Debt or as otherwise approved by Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

Section 4.1.48 Patriot Act Compliance. Borrower is not now, nor has ever been (i) listed on any Government Lists (as defined below), (ii) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (September 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in

respect thereof, (iii) indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (iv) under investigation by any Governmental Authority for alleged criminal activity. For purposes hereof, the term “Patriot Act Offense” shall mean any violation of the criminal laws of the United States of America or of any of the several states, or that would be a criminal violation if committed within the jurisdiction of the United States of America or any of the several states, relating to terrorism or the laundering of monetary instruments, including any offense under (A) the criminal laws against terrorism; (B) the criminal laws against money laundering, (C) Bank Representative Secrecy Act, as amended, (D) the Money Laundering Control Act of 1986, as amended, or (E) the Patriot Act. “Patriot Act Offense” also includes the crimes of conspiracy to commit, or aiding and abetting another to commit, a Patriot Act Offense. For purposes hereof, the term “Government Lists” shall mean (1) the Specially Designated Nationals and Blocked Persons Lists maintained by the Office of Foreign Assets Control (“OFAC”), (2) any other list of terrorists, terrorist organizations or narcotics traffickers maintained pursuant to any of the Rules and Regulations of OFAC that Funding Lender notified Borrower in writing is now included in “Government Lists”, or (3) any similar lists maintained by the United States Department of State, the United States Department of Commerce or any other Governmental Authority or pursuant to any Executive Order of the President of the United States of America that Funding Lender notified Borrower in writing is now included in “Government Lists”.

Section 4.1.49 Rent Schedule. Section 4.1.50 Other Documents. Each of the representations and warranties of Borrower or General Partner contained in any of the other Borrower Loan Documents or the Funding Loan Documents or Related Documents is true and correct in all material respects (or, in the case of representations or warranties contained in any of the other Borrower Loan Documents or Funding Loan Documents or Related Documents that speak as of a particular date, were true and correct in all material respects as of such date). All of such representations and warranties are incorporated herein for the benefit of Funding Lender.

Section 4.1.51 [Reserved].

Section 4.1.52 Ground Lease. The Ground Lease is in full force and effect and the Borrower has paid all rent and other amounts due and payable to the ground lessor thereunder. There exists no material violation of or material default by the Borrower under the Ground Lease, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default by any other party under the Ground Lease.

Section 4.1.53 Survival of Representations and Covenants. All of the representations and warranties in Section 4.1 hereof and elsewhere in the Borrower Loan Documents (i) shall survive for so long as any portion of the Borrower Payment Obligations

remains due and owing and (ii) shall be deemed to have been relied upon by the Governmental Lender and the Servicer notwithstanding any investigation heretofore or hereafter made by the Governmental Lender or the Servicer or on its or their behalf, provided, however, that the representations, warranties and covenants set forth in Section 4.1.31 hereof shall survive in perpetuity and shall not be subject to the exculpation provisions of Section 11.1 hereof.

The Borrower covenants to pay all Taxes and Other Charges of any type or character charged to the Funding Lender affecting the amount available to the Funding Lender from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including Taxes and Other Charges assessed or levied by any public agency or governmental authority of whatsoever character having power to levy Taxes or assessments) but excluding franchise Taxes based upon the capital and/or income of the Funding Lender and Taxes based upon or measured by the net income of the Funding Lender; provided, however, that the Borrower shall have the right to protest any such Taxes or Other Charges and to require the Funding Lender, at the Borrower's expense, to protest and contest any such Taxes or Other Charges levied upon them and that the Borrower shall have the right to withhold payment of any such Taxes or Other Charges pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Funding Lender. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.3 Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Section 5.4 Litigation. The Borrower shall give prompt Written Notice to the Governmental Lender, the Funding Lender and the Servicer of any litigation, governmental proceedings or claims or investigations regarding an alleged actual violation of a Legal Requirement pending or, to the Borrower's knowledge, threatened against the Borrower which might materially adversely affect the Borrower's condition (financial or otherwise) or business or the Project.

If the Borrower becomes subject to federal or state securities law filing requirements, the Borrower shall cause to be delivered to the Governmental Lender, the Funding Lender and the Servicer any Securities and Exchange Commission or other public filings, if any, of the Borrower within two (2) Business Days of such filing.

Section 5.8 Further Assurances. The Borrower shall, at the Borrower's sole cost and expense (except as provided in Section 9.1 hereof), (i) furnish to the Servicer and the Funding Lender all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that Borrower's construction or rehabilitation of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements relating to the Project, reasonably requested by the Servicer or the Funding Lender for the better and more efficient carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents; (ii) execute and deliver to the Servicer and the Funding Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Borrower Loan, as the Servicer, the Fiscal Agent (at the direction of the Funding Lender) and the Funding Lender may reasonably require from time to time; (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents, as the Servicer, the Fiscal Agent (at the direction of the Funding Lender) or the Funding Lender shall reasonably require from time to time; provided, however, with respect to clauses (i)-(iii) above, the Borrower shall not be

required to do anything that has the effect of (A) changing the essential economic terms of the Borrower Loan or (B) imposing upon the Borrower greater personal liability under the Borrower Loan Documents and the Funding Loan Documents; and (iv) upon the Servicer's, the Fiscal Agent's (at the direction of the Funding Lender) or the Funding Lender's request therefor given from time to time after the occurrence of any Potential Default or Event of Default for so long as such Potential Default or Event of Default, as applicable, is continuing pay for (a) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower and (b) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer, the Fiscal Agent (at the direction of the Funding Lender) or the Funding Lender in each of the locations reasonably designated by the Servicer, the Fiscal Agent or the Funding Lender.

Section 5.9 Delivery of Financial Information. After notice to the Borrower of a Secondary Market Disclosure Document, the Borrower shall, concurrently with any delivery to the Funding Lender or the Servicer, deliver copies of all financial information required under Article IX.

Section 5.10 Environmental Matters. So long as the Borrower owns or is in possession of the Project, the Borrower shall (a) keep the Project in compliance with all Hazardous Materials Laws (as defined in the Security Instrument), (b) promptly notify the Funding Lender and the Servicer if the Borrower shall become aware that any Hazardous Materials (as defined in the Security Instrument) are on or near the Project in violation of Hazardous Materials Laws, and (c) commence and thereafter diligently prosecute to completion all remedial work necessary with respect to the Project required under any Hazardous Material Laws, in each case as set forth in the Security Instrument or the Agreement of Environmental Indemnification.

Section 5.11 Governmental Lender's and Funding Lender's Fees. The Borrower covenants to pay the fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee), the Fiscal Agent and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender, the Fiscal Agent or the Funding Lender to act on its behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents, including, without limitation, any and all expenses incurred in connection with the making of the Borrower Loan or in connection with any litigation which may at any time be instituted involving the Borrower Loan, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.12 Estoppel Statement. The Borrower shall furnish to the Funding Lender, the Fiscal Agent or the Servicer for the benefit of the Funding Lender or the Servicer within ten (10) days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth (i) the unpaid principal of the Borrower Notes, (ii) the applicable Interest Rate, (iii) the date installments of interest and/or principal were last paid, (iv) any offsets or defenses to the payment of the Borrower Payment Obligations, and (v) that the

Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or Servicer, tenant estoppel certificates from each commercial tenant at the Project in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13 Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. The Funding Lender shall have no obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14 Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Fiscal Agent's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of the Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the

Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer to collect the Borrower Notes, or to enforce the rights of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the willful misconduct of the Governmental Lender, or of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) and 43(i) of the Security Instrument.

Section 5.15 Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender, the Fiscal Agent or Funding Lender pursuant hereto, pursuant to the Regulatory Agreement and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, the Beneficiary Parties, Citigroup, Inc., and each of their respective commissioners, officers, directors, employees, attorneys and agents (each an "**Indemnified Party**"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "**Liabilities**") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale,

transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, rehabilitation or installation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Lien) or charge upon payments by the Borrower to the Governmental Lender, the Fiscal Agent or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender, the Fiscal Agent or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project; provided that (i) Borrower shall have no obligation hereunder to indemnify any Indemnified Party for any liability under this Section 5.15(d) to the extent that the violation giving rise to such liability resulted solely from the willful misconduct of the Governmental Lender or the gross negligence or willful misconduct of any other Indemnified Party, and (ii) Borrower's liability under this Section 5.15(d) shall not extend to cover any such violations that first arise, commence or occur as a result of actions of the Indemnified Parties, their successors, assigns or designees, after the satisfaction, discharge, release, assignment, termination or cancellation of the Security Instrument following the payment in full of the Borrower Notes and all other sums payable under this Borrower Loan Documents or after the actual dispossession from the entire Mortgaged Property of Borrower and all Borrower Affiliates or any Guarantor following foreclosure of the Security Instrument or acquisition of the Mortgaged Property by a deed in lieu of foreclosure;

(e) The enforcement of, or any action taken by the Governmental Lender, the Fiscal Agent or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(g) Any Determination of Taxability;

(h) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or their Affiliates to Governmental Lender, the Fiscal Agent the Funding Lender, Servicer or any other Person in connection with the Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged

breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(i) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(j) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, rehabilitation of, the Project or any part thereof; or

(k) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Governmental Lender or any related Indemnified Party, to the extent such damages are caused by the willful misconduct of such Indemnified Party, and except in the case of the foregoing indemnification of the Funding Lender or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement and the earlier removal or resignation of the Fiscal Agent.

The foregoing provisions of this Section 5.15 are not intended to and shall not negate, modify, limit or change the provisions of Section 9 of the Borrower Notes.

Section 5.16 No Warranty of Condition or Suitability by the Governmental Lender or Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17 Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation, at all reasonable times during business hours and upon reasonable notice (and reasonable safety and security procedures), to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18 Notice of Default. The Borrower will advise the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, and in any event not later than five (5) Business Days after the occurrence of such Event of Default or Potential Default, provide with a statement of an Authorized Borrower Representative describing the details of such Potential Default or Event of Default and the actions being taken or proposed to be taken with respect thereto, including any curative action Borrower proposes to take.

Section 5.19 Covenant with Governmental Lender and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Notes and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Fiscal Agent, the Funding Lender and any lawful owner, holder or pledgee of the Borrower Notes or the Governmental Lender Notes from time to time.

Section 5.20 Obligation of the Borrower to Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to acquire and rehabilitate the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such acquisition and rehabilitation, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental

Lender, the Fiscal Agent and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21 Maintenance of Insurance. Borrower will maintain the insurance required by the Security Instrument.

Section 5.22 Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Funding Lender and, with respect to subsection (a) only, to Governmental Lender:

(a) **Notice of Default.** As soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Event of Default or Potential Default, a statement of an Authorized Representative of Borrower describing the details of such Event of Default or Potential Default and any curative action Borrower proposes to take;

(e) **Audit Reports.** Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(f) **Notices; Certificates or Communications.** Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or General Partner naming Governmental Lender or Funding Lender as addressee or

which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(i) ***Other Items and Information.*** Such other information concerning the assets, business, financial condition, operations, property and results of operations of Borrower, General Partner, Guarantor or the Project, as Funding Lender or Governmental Lender reasonably requests from time to time.

Section 5.23 Additional Notices. Borrower will, promptly after becoming aware thereof, give notice to Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against Borrower, General Partner or Guarantor, or any Legal Action which is threatened against Borrower, General Partner or Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, assets, management, ownership or financial condition of Borrower, General Partner, Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower, General Partner or Guarantor is a party or by or to which Borrower, General Partner or Guarantor, or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), or financial condition of Borrower, General Partner or Guarantor, as applicable;

(f) any change or contemplated change in (i) the location of Borrower's or General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or General Partner; or (iii) the nature of the trade or business of Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24 Compliance with Other Agreements; Legal Requirements.

(a) Borrower shall timely perform and comply with, and shall cause General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction/rehabilitation of the Improvements, and will furnish Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. Funding Lender and Governmental Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as Funding Lender or Governmental Lender, as applicable, may request and otherwise cooperate with Funding Lender or Governmental Lender, as applicable, in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25 Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation of the Improvements to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but

without prejudice to Borrower's rights of contest under Section 10.16 hereof) ("**Completion**") on or before the Completion Date. Borrower shall thereafter maintain the Project as multifamily rental housing in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of appropriate maintenance.

Section 5.26 Fixtures. Borrower shall deliver to Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27 Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement, before using or applying such Gross Income for any other purpose. Prior to the Conversion Date, Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of Funding Lender.

Section 5.28 Leases and Occupancy Agreements.

(a) *Lease Approval.*

(i) Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without Funding Lender's prior Written Consent if:

(A) The lease is a Permitted Lease;

(B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the lease; and

(C) The lease conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, Funding Lender may make written demand on Borrower to submit all future leases for Funding Lender's approval prior to execution. Borrower shall comply with any such demand by Funding Lender.

(iii) No approval of any lease by Funding Lender shall be for any purpose other than to protect Funding Lender's security for the Borrower Loan and to preserve Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by Funding Lender shall result in a waiver of any default of Borrower. In no event shall any approval by Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(b) **Landlord's Obligations.** Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) **Leasing and Marketing Agreements.** Except as may be contemplated in the Management Agreement with Borrower's Manager, Borrower shall not without the approval of Funding Lender enter into any leasing or marketing agreement and Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29 Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lender, Borrower will furnish to Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to Funding Lender and consents to such assignments where required by Funding Lender, all in form and substance acceptable to Funding Lender. Neither Borrower nor General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to Funding Lender.

Section 5.30 Payment of Debt Payments. In addition to its obligations under the Borrower Notes, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31 ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA, to the extent applicable.

Section 5.32 Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. Funding Lender shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then Funding Lender may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Borrower covenants that it shall comply with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, Borrower shall not take any action, or permit any action to be taken, that would cause Borrower's representations

and warranties in Section 4.1.48 and this Section 5.32 become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, Borrower shall certify in writing to such Beneficiary Party that Borrower's representations, warranties and obligations under Section 4.1.48 and this Section 5.32 remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. Borrower shall immediately notify the Funding Lender in writing of (a) Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. Borrower shall also reimburse Funding Lender for any expense incurred by Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon Funding Lender as a result thereof.

Section 5.33 Funds from Equity Investor. Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Partnership Agreement.

Section 5.34 Tax Covenants. The Borrower further represents, warrants and covenants as follows:

(a) **General.** The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Series D-1 Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Series D-1 Governmental Lender Note, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Series D-1 Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion, as such term is defined in the Funding Loan Agreement (other than with respect to interest on any portion of the Series D-1 Governmental

Lender Note for a period during which such portion of the Governmental Lender Notes are held by a “substantial user” of any facility financed with the proceeds of the Series D-1 Governmental Lender Note or a “related person,” as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) **Use of Proceeds.** The use of the proceeds of the Funding Loan corresponding to the Series D-1 Governmental Lender Note at all times will satisfy the following requirements:

(i) **Limitation on Net Proceeds.** At least 95% of the proceeds of the Series D-1 Governmental Lender Note (within the meaning of the Code) actually expended by Borrower shall be used to pay Qualified Project Costs that are costs of a “qualified residential rental project” (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is “functionally related and subordinate” thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) **Limit on Costs of Funding.** The proceeds of the Series D-1 Governmental Lender Note will be expended by Borrower for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding.

(iii) **Prohibited Facilities.** The Borrower shall not use or permit the use of any proceeds of the Series D-1 Governmental Lender Note or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) **Limitation on Land.** Less than 25 percent of the proceeds of the Series D-1 Governmental Lender Note actually expended by Borrower will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) **Limitation on Existing Facilities.** No portion of the proceeds of the Series D-1 Governmental Lender Note will be used by Borrower for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term “rehabilitation expenditures” shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) **Accuracy of Information.** The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower’s information statement pursuant to Section 149(e) of the

Code is accurate and complete as of the date of origination of the Series D-1 Governmental Lender Note.

(vii) **Limitation of Project Expenditures.** The acquisition and rehabilitation of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the resolution of the Governmental Lender with respect to the Project on January 12, 2023, and no obligation for which reimbursement will be sought from proceeds of the Series D-1 Governmental Lender Note relating to the acquisition or construction of the Project was paid or incurred prior to 60 days prior to such date, except for permissible “preliminary expenditures”, which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of the acquisition and rehabilitation of the Project.

(viii) **Qualified Costs.** The Borrower hereby represents, covenants and warrants that the proceeds of the Series D-1 Governmental Lender Note shall be used or deemed used by Borrower exclusively to pay Qualified Project Costs.

(c) **Limitation on Maturity.** The average maturity of the Series D-1 Governmental Lender Note does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the net proceeds of the Series D-1 Governmental Lender Note. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Series D-1 Governmental Lender Note or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) **No Arbitrage.** The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Series D-1 Governmental Lender Note or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Series D-1 Governmental Lender Note to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Series D-1 Governmental Lender Note, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Funding Loan, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Series D-1 Governmental Lender Note to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of

said Section 148 and the rules and Regulations thereunder relating to the proceeds of the Series D-1 Governmental Lender Note and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter, and not later than forty-five days after the final Computation Date, and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) ***No Federal Guarantee.*** Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Series D-1 Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) ***Representations.*** The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Series D-1 Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) ***Qualified Residential Rental Project.*** The Borrower hereby covenants and agrees that the Project will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Series D-1 Governmental Lender Note remain outstanding, to the end that the interest on the Series D-1 Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) ***Information Reporting Requirements.*** The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Series D-1 Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) ***Funding Loan Not a Hedge Bond.*** The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan will be used to carry out the governmental purposes of the Funding Loan within the three-year period beginning on the Closing Date.

(j) **Termination of Restrictions.** Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) **Public Approval.** The Borrower covenants and agrees that the proceeds of the Funding Loan will not be used by Borrower in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Funding Loan.

(l) **40/60 Test Election.** The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) **Modification of Tax Covenants.** Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Series D-1 Governmental Lender Note to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Series D-1 Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Funding Loan or the Governmental Lender Notes in an amount related to the amount of the Series D-1 Governmental Lender Note.

In furtherance of the covenants in this Section 5.34, the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Borrower Loan Agreement and made a part of this Borrower Loan Agreement as if set forth in this Borrower Loan Agreement in full. In the event of a conflict between the terms of this Borrower Loan Agreement and the Tax Certificate, the terms of the Tax Certificate shall control.

Section 5.35 Payment of Rebate.

(a) **Arbitrage Rebate.** The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Series D-1 Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) **Delivery of Documents and Money on Computation Dates.** The Borrower will deliver to the Fiscal Agent, with a copy to the Funding Lender, within 55 days after each Computation Date:

(A) with a copy to the Governmental Lender, a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less the future value of any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less the future value of any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) with a copy to the Governmental Lender, an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) **Correction of Underpayments.** If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the Fiscal Agent (for deposit to the Rebate Fund) and cause the Fiscal Agent to pay to the United States Treasury from the Rebate

Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Fiscal Agent an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Series D-1 Governmental Lender Note from becoming arbitrage bonds within the meaning of Section 148 of the Code.

(iii) **Records.** The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Notes or the date the Funding Loan is retired in full.

(iv) **Costs.** The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) **No Diversion of Rebateable Arbitrage.** The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Series D-1 Governmental Lender Note which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if such portion of the Funding Loan were not subject to Section 148(f) of the Code.

(vi) **Modification of Requirements.** If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion (as defined in the Funding Loan Agreement) with respect to such action.

(b) **Rebate Fund.** The Borrower acknowledges that the Fiscal Agent shall establish and hold a separate fund designated as the “Rebate Fund” under the Funding Loan Agreement and deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto, as further described in Section 7.8 of the Funding Loan Agreement.

Section 5.36 Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender that by its nature cannot be delegated or assigned.

Section 5.37 Continuing Disclosure Agreement. The Borrower and the Funding Lender shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Funding Loan, the Borrower and other matters as specifically provided for in such agreement.

ARTICLE VI

NEGATIVE COVENANTS

Borrower hereby covenants and agrees as follows, which covenants shall remain in effect so long as any Borrower Payment Obligation or other obligation of Borrower under any of the other Borrower Loan Documents or the Funding Loan Documents remains outstanding or unperformed. Borrower covenants and agrees that it will not, directly or indirectly:

Without first obtaining the Funding Lender's prior Written Consent, enter into the Management Agreement, and thereafter the Borrower shall not, without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) and subject to the Regulatory Agreement: (i) surrender, terminate or cancel the Management Agreement or otherwise replace the Manager or enter into any other management agreement; (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; (iv) otherwise modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect any of its rights and remedies under, the Management Agreement; or (v) suffer or permit the occurrence and continuance of a default beyond any applicable cure period under the Management Agreement (or any successor management agreement) if such default permits the Manager to terminate the Management Agreement (or such successor management agreement).

Section 6.3 Change in Business or Operation of Property. Enter into any line of business other than the ownership and operation of the Project, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business and activities incidental or related thereto or otherwise cease to operate the Project as a multi-family property or terminate such business for any reason whatsoever (other than temporary cessation in connection with rehabilitation of the Project).

Section 6.4 Debt Cancellation. Cancel or otherwise forgive or release any claim or debt owed to the Borrower by a Person, except for adequate consideration or in the ordinary course of the Borrower's business in its reasonable judgment.

Section 6.5 Assets. Purchase or own any real property or personal property incidental thereto other than the Project.

Section 6.10 Partnership Agreement. Without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) surrender, terminate, cancel, modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect (except as allowed by the Security Instrument), any of its rights or remedies under the Partnership Agreement; provided, however, the consent of Funding Lender is not required for an amendment of the Partnership Agreement resulting solely from the "Permitted Transfer" of partnership interests of Borrower as defined in and permitted by the Security Instrument.

Section 6.11 ERISA. Maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Section 6.12 No Hedging Arrangements. Without the prior Written Consent of the Funding Lender or unless otherwise required by this Borrower Loan Agreement, the Borrower will not enter into or guarantee, provide security for or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

Section 6.13 Loans and Investments; Distributions; Related Party Payments.

(a) Without the prior Written Consent of Funding Lender in each instance, Borrower shall not (i) lend money, make investments, or extend credit, other than in the ordinary course of its business as presently conducted; or (ii) repurchase, redeem or otherwise acquire any interest in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in

Borrower, or make any distribution, in cash or in kind, in respect of interests in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower (except to the extent permitted by Section 5.27 hereof and subject to the limitations set forth in the Security Instrument).

(b) Disbursements for fees and expenses of any Borrower Affiliate and developer fees (however characterized) will only be paid to the extent that such fee or expense bears a proportionate relationship to the percentage of completion of the rehabilitation of the Improvements, as determined by the Construction Consultant, and only after deducting the applicable Retainage. Except as otherwise permitted hereunder or by the Funding Lender, no Disbursements for the Developer Fee or any “deferred developer fees” shall be made prior to the Conversion Date other than in accordance with the Approved Developer Fee Schedule.

Section 6.14 Amendment of Related Documents or CC&R’s. Without the prior Written Consent of Funding Lender in each instance, except as provided herein or in the Construction Funding Agreement, Borrower shall not enter into or consent to any amendment, termination, modification, or other alteration of any of the Related Documents or any of the CC&R’s (including, without limitation, those contained in this Borrower Loan Agreement, any Architect’s Agreement or Engineer’s Contract, any Construction Contract, and any Management Agreement, but excluding the Partnership Agreement, which is covered by Section 6.10), or any assignment, transfer, pledge or hypothecation of any of its rights thereunder, if any.

Section 6.15 Personal Property. Borrower shall not install materials, personal property, equipment or fixtures subject to any security agreement or other agreement or contract wherein the right is reserved to any Person other than Borrower to remove or repossess any such materials, equipment or fixtures, or whereby title to any of the same is not completely vested in Borrower at the time of installation, without Funding Lender’s prior Written Consent; provided, however, that this Section 6.15 shall not apply to laundry equipment or other equipment that is owned by a third-party vendor and commercial tenants.

Section 6.16 Fiscal Year. Without Funding Lender’s Written Consent, which shall not be unreasonably withheld, neither Borrower nor General Partner shall change the times of commencement or termination of its fiscal year or other accounting periods, or change its methods of accounting, other than to conform to GAAP.

Section 6.17 Publicity. Neither Borrower nor General Partner shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify Funding Lender or any of its Affiliates as the source of the financing provided for herein, without the prior written approval of Funding Lender in each instance (provided that nothing herein shall prevent Borrower or General Partner from identifying Funding Lender or its Affiliates as the source of such financing to the extent that Borrower or General Partner are required to do so by disclosure requirements applicable to publicly held companies). Borrower and General Partner agree that no sign shall be posted on the Project in connection with the rehabilitation of the Improvements unless such sign identifies Citigroup and its affiliates as the source of the financing provided for herein or Funding Lender consents to not being identified on any such sign.

Section 6.18 [Reserved].

Section 6.19 Ground Lease. Without the Funding Lender’s prior written consent, the Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Ground Lease.

(h) the failure by Borrower or any ERISA Affiliate of Borrower to comply in all respects with ERISA, or the occurrence of any other event (with respect to the failure of Borrower or any ERISA Affiliate to pay any amount required to be paid under ERISA or with respect to the termination of, or withdrawal of Borrower or any ERISA Affiliate from, any employee benefit or welfare plan subject to ERISA) the effect of which is to impose upon Borrower (after giving effect to the tax consequences thereof) for the payment of any amount in excess of Fifty Thousand Dollars (\$50,000);

(l) any material litigation or proceeding is commenced before any Governmental Authority against or affecting Borrower, any General Partner or Guarantor, or property of Borrower, any General Partner or Guarantor, or any part thereof, and such litigation or proceeding is not defended diligently and in good faith by Borrower, any General Partner or Guarantor, as applicable, provided that any such material litigation or proceeding against a Guarantor shall not constitute an Event of Default: (i) if such material litigation is commenced on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such material litigation or proceeding is commenced prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(n) a final, un-appealable and uninsured money judgment or judgments, in favor of any Person other than a Governmental Authority, in the aggregate sum of \$50,000 or more shall be rendered against Borrower, any General Partner or Guarantor, or against any of their respective assets, that is not paid, superseded or stayed (i) prior to completion of the rehabilitation of the Improvements, within ten (10) days after entry thereof or (ii) after completion of the rehabilitation of the Improvements, within thirty (30) days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment); or any levy of execution, writ or warrant of attachment, or similar process, is entered or filed against Borrower, any General Partner or

Guarantor, or against any of their respective assets (that is likely to have a material adverse effect upon the ability of Borrower, any General Partner or Guarantor to perform their respective obligations under this Borrower Loan Agreement, any other Borrower Loan Document or any Related Document), and such judgment, writ, warrant or process shall remain unsatisfied, unsettled, unvacated, unhandled and unstayed (i) prior to completion of the rehabilitation of the Improvements, for a period of ten (10) days or (ii) after completion of the rehabilitation of the Improvements, for a period of thirty (30) days, or in any event later than five (5) Business Days prior to the date of any proposed sale thereunder, provided that any such judgment, levy, writ, warrant, attachment or similar process against a Guarantor shall not constitute an Event of Default: (i) if such judgment, levy, writ, warrant, attachment or similar process is entered on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, levy, writ, warrant, attachment or similar process is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(o) the inability of Borrower to satisfy any condition for the receipt of a Disbursement hereunder (other than an Event of Default specifically addressed in this Section 8.1) and failure to resolve the situation to the satisfaction of Funding Lender for a period in excess of thirty (30) days after Written Notice from Funding Lender, subject to Force Majeure;

(p) the rehabilitation of the Improvements is abandoned or halted prior to completion for any period of thirty (30) consecutive days subject to Force Majeure;

(q) Borrower shall fail to keep in force and effect any material permit, license, consent or approval required under this Borrower Loan Agreement, or any Governmental Authority with jurisdiction over the Mortgaged Property or the Project orders or requires that rehabilitation of the Improvements be stopped, in whole or in part, or that any required approval, license or permit be withdrawn or suspended, and the order, requirement, withdrawal or suspension remains in effect for a period of thirty (30) days, subject to Force Majeure;

(s) failure by Borrower to complete the rehabilitation of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Completion Date, subject to Force Majeure;

(t) failure by Borrower to satisfy the Conditions to Conversion on or before the Outside Conversion Date;

(u) [Reserved];

(v) an “Event of Default” or “Default” (as defined in the applicable agreement) shall occur under any of the Subordinate Loan Documents, after the expiration of all applicable notice and cure periods; or

(w) Borrower fails to obtain all grading, foundation, building and all other construction permits, licenses and authorizations from all applicable Governmental Authorities or third parties necessary for the completion of the rehabilitation of the Improvements, and the operation of, and access to, the Project, prior to the commencement of any work for which such permit, license or authorization is required; or

(x) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 8.1), as and when required, that continues for a period of thirty (30) days after written notice of such failure by Funding Lender or the Servicer on its behalf to the Borrower (with a copy to the limited partner of the Borrower); provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such thirty (30) day period, and the Borrower shall have commenced to cure such failure within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed sixty (60) days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender’s judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the Borrower Notes or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2 Remedies.

Section 8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action (whether directly or by directing the actions of the Fiscal Agent), without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Notes to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender’s sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2 Remedies Cumulative. Upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender or the Fiscal Agent, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until they have exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3 Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender or the Fiscal Agent shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender and the Fiscal Agent reserve the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4 Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of the Borrower to the Funding Lender or the Fiscal Agent arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not the Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be

contingent or unmatured), and the Borrower hereby grants to the Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by the Funding Lender to or for the credit or the account of the Borrower.

Section 8.2.5 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6 Accounts Receivable. Upon the occurrence and during the continuance of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

Section 8.2.7 Defaults under Other Documents. Funding Lender shall have the right to cure any default under any of the Related Documents, but shall have no obligation to do so.

Section 8.2.8 Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of Borrower to fail to be true and correct in all material respects, unless and until Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

Section 8.2.9 Completion of Improvements. Upon the occurrence and during the continuance of any Event of Default, Funding Lender shall have the right to cause an independent contractor selected by Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.10 Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender or the Fiscal Agent, provided that only the Governmental Lender may enforce the Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and

conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11 Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

(a) to use any of the funds of Borrower or General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the rehabilitation of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project or the Improvements, or may be necessary or desirable for the completion of the rehabilitation of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the rehabilitation of the Improvements, which Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury;
and

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Notes, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

ARTICLE IX

SPECIAL PROVISIONS

Section 9.1 Sale of Note and Secondary Market Transaction.

Section 9.1.1 Cooperation. Subject to the restrictions of Section 2.4 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Notes or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Notes (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the Governmental Lender shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "Provided

Information”), together, if customary, with appropriate verification of and/or consents (including, without limitation, auditor consents) to include or incorporate by reference the Provided Information in an offering document or otherwise provide the Provided Information to investors and potential investors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2 Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “Secondary Market Disclosure Document”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

The Borrower and the Funding Lender agree and acknowledge that the Governmental Lender undertakes no obligation hereunder or in the Funding Loan Agreement to participate in the preparation of, or to approve, any Secondary Market Disclosure Document.

Section 9.1.3 Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the

Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such unrelated third parties.

Section 9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding Lender and the underwriter group for any securities (the “Underwriter Group”) for any Liabilities to which Funding Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Servicer or the Underwriter Group in connection with defending or investigating the Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

Section 9.1.6 Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be

entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties by written notice as provided herein.

Section 10.2 Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3 Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Notes and the assignment of the Borrower Notes to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer.

Section 10.4 Preferences. To the extent the Borrower makes a payment to the Governmental Lender or the Servicer, or the Governmental Lender or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer. In furtherance of the preceding sentence, the Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations.

Section 10.5 Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender, the Fiscal Agent or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer to the Borrower.

Section 10.6 Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender or the Servicer with respect to a Borrower Loan Payment.

Any assignee of Funding Lender's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7 Publicity. The Funding Lender and the Servicer (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their Affiliates. All news releases, publicity or advertising by the Borrower or Borrower Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

Section 10.8 Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9 No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10 Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's or Fiscal Agent's rights, title, obligations and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, subject in any event to the provisions of Section 2.4 of the Funding Loan Agreement. Upon such assignment, all references to Funding Lender or the Fiscal Agent, as appropriate, in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that the Borrower has delivered, or caused to be delivered, to Funding Lender

with reference to the Borrower, General Partner, Guarantor or any Borrower Affiliate, or the Project, including information that the Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or the Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11 [Reserved].

Section 10.12 Governmental Lender, Funding Lender and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer or to create an equity interest in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer. Neither the Governmental Lender, the Funding Lender, the Fiscal Agent nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Borrower, or to create an equity interest in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13 Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14 Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Notes, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11, 5.14, 5.15, 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15 hereof, as well as under Section 5.7 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15 Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Notes.

Section 10.16 Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Funding Lender of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Funding Lender's judgment, a reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by Borrower, in order to make such payment.

Section 10.17 Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by Funding Lender. Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of Funding Lender. No such approval shall result in a waiver of any default of Borrower. In no event shall Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18 Funding Lender Determination of Facts. Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19 Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20 Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21 Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22 Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against Borrower or any of Borrower's assets in any court of any other jurisdiction where Borrower's assets are located.

Section 10.23 Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a “person” or “persons” shall be deemed to include individuals and entities.

Section 10.24 Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25 Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender’s or the Funding Lender’s obligation to make further Disbursements nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26 Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27 Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28 Servicer. Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Notes, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29 Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30 Waiver of Trial by Jury. IF AND TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE

RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

IF FOR ANY REASON THIS WAIVER IS DETERMINED TO BE UNENFORCEABLE, ALL DISPUTES WILL BE RESOLVED BY JUDICIAL REFERENCE PURSUANT TO THE PROCEDURES SET FORTH IN THE SECURITY INSTRUMENT.

Section 10.31 Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.32 Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of the first day of [February] 2024, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI

LIMITATIONS ON LIABILITY

Section 11.1 Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Notes.

Section 11.2 Limitation on Liability of Governmental Lender. The Governmental Lender shall not be obligated to pay the principal (or prepayment price) of or interest on the Funding Loan, except from moneys and assets received by the Fiscal Agent or the Funding Lender on behalf of the Governmental Lender pursuant to this Borrower Loan Agreement or the Funding Loan Agreement. Neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, nor the faith and credit of the Governmental Lender is pledged to the payment of the principal (or prepayment price) of or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Borrower Loan Agreement or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Borrower Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of moneys to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Borrower Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or prepayment price) of and interest on the Funding Loan as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Fiscal Agent, the Funding Lender or the Servicer, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment price) of or

interest on the Funding Loan, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Funding Lender, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Funding Lender, the Governmental Lender or any such third party, as the case may be, therefor.

Section 11.3 Waiver of Personal Liability. No commissioner, member, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of any principal (or prepayment price) of or interest on the Funding Loan or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Borrower Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Borrower Loan Agreement.

Section 11.4 Limitation on Liability of Governmental Lender's or Funding Lender's Commissioners, Officers, Employees, Etc.

(a) Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender, provided, however, this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of Governmental Lender, the Fiscal Agent and the Funding Lender, nor the other Beneficiary Parties or their respective commissioners, officers, directors, employees or agents shall be liable or responsible for (i) for any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes gross negligence or willful misconduct on the part of the Funding Lender, or willful misconduct of the Governmental Lender.

(b) None of the Governmental Lender, the Fiscal Agent, the Funding Lender, the other Beneficiary Parties or any of their respective commissioners, officers, directors, employees or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against the Borrower or others or against the Project. Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. Neither the Governmental Lender nor the Funding Lender is a joint venture partner with Borrower in any manner whatsoever. Prior to default by Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be

narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5 Delivery of Reports, Etc. The delivery of reports, information and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Borrower Loan Agreement against the Governmental Lender and the Funding Lender.

(b) All of the dwelling units in the Project (except for not more than one unit set aside for a resident manager or other administrative use) will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of less than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park; provided that the use of certain units for tenant guests on an intermittent basis shall not be considered transient use for purposes of this Regulatory Agreement.

(d) No part of the Project will at any time during the Compliance Period be owned by a cooperative housing corporation, nor shall the Owner take any steps in connection with a conversion to such ownership or use, and the Owner will not take any steps in connection with a conversion of the Project to condominium ownership during the Compliance Period (except that the Owner may obtain final map approval and the Final Subdivision Public Report from the California Department of Real Estate and may file a condominium plan with the City).

(e) All of the Available Units in the Project (except for not more than one unit set aside for a resident manager or other administrative use) will be available for rental during the period beginning on the date hereof and ending on the termination of the Compliance Period on a continuous, "first-come, first-served" basis to members of the general public, and the Owner will not give preference to any particular class or group in renting the dwelling units in the Project, except as permitted by applicable law, including Section 1.103-8(a)(2) of the Regulations, and to the extent that dwelling units are required to be leased or rented in such a manner that they constitute Low Income Units or Very Low Income Units.

(g) No dwelling unit in the Project shall be occupied by the Owner; provided, however, that if the Project contains five or more dwelling units, this provision shall not be construed to prohibit occupancy of not more than one dwelling unit by a resident manager or maintenance personnel, any of whom may be the Owner.

(h) The Owner hereby represents that, as of the Closing Date, not less than 50% of the dwelling units in the Project are occupied and at least 10% of the residential units in the Project are expected to be Available Units at all times within 60 days after the Closing Date.

Section 4. Low Income Tenants and Very Low Income Tenants; Reporting Requirements. Pursuant to the requirements of the Code and the Housing Law, the Owner hereby represents, warrants and covenants as follows:

(a) During the Compliance Period, no less than 30% of the total number of completed units in the Project shall at all times be Low Income Units and no less than 10% of the total number of completed units in the Project shall at all times be Very Low Income Units. For the purposes of this paragraph (a), a vacant unit that was most recently a Low Income Unit or Very Low Income Unit is treated as a Low Income Unit or Very Low Income Unit, respectively, until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Low Income Tenant or Very Low Income Tenant upon initial occupancy shall be denied continued occupancy of a unit in the Project because, after admission, the aggregate Gross Income of all tenants in the unit occupied by such Low Income Tenant or Very Low Income Tenant, respectively, increases to exceed the qualifying limit for a Low Income Unit or Very Low Income Unit, respectively. However, should the aggregate Gross Income of tenants in a Low Income Unit or Very Low Income Unit as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Unit or Very Low Income Unit, respectively, occupied by the same number of tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) Low Income Tenant(s) or Very Low Income Tenant(s), respectively. The unit occupied by such tenants whose aggregate Gross Income exceeds such applicable income limit shall continue to be treated as a Low Income Unit or Very Low Income Unit for purposes of the 30% or 10%, respectively, requirement of Section 4(a) hereof unless and until an Available Unit of comparable or smaller size is rented to persons other than Low Income Tenants or Very Low Income Tenants, respectively.

(c) For the Compliance Period, the Owner will obtain, complete and maintain on file Income Certifications for each Low Income Tenant and Very Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low Income Tenant or Very Low Income Tenant, respectively, in the unit and (ii) thereafter, an annual Income Certification with respect to each Low Income Tenant or Very Low Income Tenant, respectively. The Owner will provide such additional information as may be required in the future by the Code, the State or the Governmental Lender, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator or the Governmental Lender, copies of Income Certifications for Low Income Tenants and/or Very Low Income Tenants commencing or continuing occupation of a Low Income Unit or Very Low Income Unit, respectively, shall be submitted to the Administrator or the Governmental Lender, as requested.

(d) The Owner shall make a good faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain pay stubs for the three most recent pay periods, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type of credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Governmental Lender.

(e) The Owner will maintain complete and accurate records pertaining to the Low Income Units and Very Low Income Units, and will permit any duly authorized representative of the Governmental Lender, the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect during normal business hours the books and records of the Owner pertaining to the Project upon reasonable written notice, including those records pertaining to the occupancy of the Low Income Units and the Very Low Income Units.

(f) The Owner will prepare and submit to the Administrator, on behalf of the Governmental Lender, not less than annually, commencing the first anniversary of the Closing Date and each anniversary thereafter, a Certificate of Continuing Program Compliance executed by the Owner in substantially the form attached hereto as Exhibit C. During the Compliance Period, the Owner shall submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project, to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

(g) For the Compliance Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement and the Deed of Trust. All leases pertaining to Low Income Units or Very Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit or a Very Low Income Unit, respectively: (i) certifies the accuracy of the statements made by such tenant in the Income Certification; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Owner, the Fiscal Agent, the Governmental Lender or the Administrator on behalf of the Governmental Lender, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Owner has relied on the statements made by such tenant in the Income Certification and supporting information supplied by the Low Income Tenant or the Very Low Income Tenant, respectively, in determining qualification for occupancy of a Low Income Unit or the Very Low Income Unit, respectively, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) and that if upon any such certification the aggregate Gross Income of tenants in such unit exceeds the applicable income limit under Section 4(b), the unit occupied by such tenant

may cease to qualify as a Low Income Unit or Very Low Income Unit, respectively, and such unit's rent may be subject to increase.

For purposes of this Section 4, no unit occupied by a residential manager shall be treated as a rental unit during the time of such occupation.

Section 5. Tax-Exempt Status of Series D-1 Governmental Lender Note. The Owner and the Governmental Lender, as applicable, each hereby represents, warrants and agrees as follows:

(a) The Owner and the Governmental Lender will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Series D-1 Governmental Lender Note and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Owner and the Governmental Lender will file of record such documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Governmental Lender and the Fiscal Agent (with a copy to the Owner), in order to ensure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County.

Section 6. Requirements of the Housing Law. In addition to the other requirements set forth herein, pursuant to the requirements of Section 34312.3 of the Housing Law, the Owner agrees that it shall comply with the following:

(a) Not less than 30% of the total number of units in the Project shall be Low Income Units and not less than 10% of the total number of units in the Project shall be Very Low Income Units. The units made available to meet this requirement shall be of comparable quality and offer a range of sizes and numbers of bedrooms comparable to the units that are available to other tenants in the Project.

(b) The Rental Payments for the Low Income Units paid by the tenants thereof (excluding any supplemental rental assistance from the State, the federal government or any other public agency to those tenants or on behalf of those units) shall not exceed 30% of an amount equal to 60% of the median adjusted gross income for the Area. The Rental Payments for the Very Low Income Units paid by the tenants thereof (excluding any supplemental rental assistance from the State, the federal government or any other public agency to those tenants or on behalf of those units) shall not exceed 30% of an amount equal to 50% of the median adjusted gross income for the Area, based upon an assumed household size of one person/studio, two persons/one bedroom, three persons/two bedroom, four persons/three bedroom, and five persons/four bedroom, or as otherwise required by the Housing Law.

(c) The Owner shall accept as tenants, on the same basis as all other prospective tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Owner shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(d) The units reserved for occupancy as required by Section 4(a) shall remain available on a priority basis for occupancy at all times on and after the Closing Date and continuing through the Compliance Period.

(e) During the three (3) years prior to the expiration of the Compliance Period, the Owner shall continue to make available to eligible households Low Income Units and Very Low Income Units that have been vacated to the same extent that nonreserved units are made available to noneligible households.

(f) Except as set forth in Section 13 hereof, the covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(g) This Regulatory Agreement shall be recorded in the office of the County recorder, and shall be recorded in the grantor-grantee index under the name of the Owner as grantor and under the name of the Governmental Lender as grantee.

Section 7. Requirements of the Governmental Lender. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 4 through 6 hereof, the Owner hereby agrees to comply with each of the requirements of the Governmental Lender set forth in this Section 7, as follows:

(a) For the duration of the Compliance Period, notwithstanding any retirement of the Governmental Lender Notes or termination of the Loan Agreement, the Owner will pay to the Governmental Lender all of the amounts required to be paid by the Owner under the Loan Agreement and will indemnify the Governmental Lender and the Fiscal Agent as provided in Section 9 and, with respect to the Fiscal Agent, Section 18 of this Regulatory Agreement.

(b) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Owner and shall be maintained as required by the Governmental Lender, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Governmental Lender upon reasonable advance notice to the Owner.

(c) The Owner acknowledges that the Governmental Lender has appointed the Administrator to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. The Owner shall comply with any reasonable request made by the Administrator or the Governmental Lender to deliver to any such Administrator, in addition to or instead of the Governmental Lender, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Administrator as an agent of the

Governmental Lender. The fees and expenses of the Administrator shall be paid by the Governmental Lender.

(d) For purposes of Section 6(b), the base rents shall be adjusted for household size appropriate for the unit, to the extent permitted by law.

(e) Following the expiration or termination of the Compliance Period, except in the event of foreclosure and redemption of the Governmental Lender Notes, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by subsection (a) of this Section shall remain available to any eligible tenant occupying a reserved unit at the date of such expiration or termination, at the rent determined by subsection (b) of this Section, until the earliest of (1) the household's income exceeds 140% of the maximum eligible income specified above, (2) the household voluntarily moves or is evicted for good cause (as defined in the Housing Law), (3) 30 years after the date of the commencement of the Compliance Period, or (4) the Owner pays the relocation assistance and benefits to households as provided in Section 7264(b) of the California Government Code.

(f) As provided by the CDLAC Resolution, throughout the Compliance Period, the Owner shall maintain at least 10 units as Very Low Income Units and at least 35 units as Low Income Units.

Any of the foregoing requirements of the Governmental Lender contained in this Section 7 may be expressly waived by the Governmental Lender, in its sole discretion, in writing, but (i) no waiver by the Governmental Lender of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Governmental Lender has received an opinion of Tax Counsel that any such provision is not required by the Act and the Housing Law and may be waived without adversely affecting the exclusion from gross income of interest on the Series D-1 Governmental Lender Note for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Governmental Lender and the Owner receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Governmental Lender Notes to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Housing Law or any other state or federal law.

Section 8. Modification of Covenants. The Owner, the Fiscal Agent and the Governmental Lender hereby agree as follows:

(a) To the extent any amendments to the Housing Law, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Fiscal Agent and the Owner, retroactively impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the Project and compliance therewith is necessary to maintain the validity of, or the Tax-Exempt status of interest on the Series D-1 Governmental Lender Note, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Housing Law, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Fiscal Agent and the Owner, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Governmental Lender, at its sole discretion, the Fiscal Agent and the Owner, with the consent of the Noteowner Representative, and only upon receipt by the Governmental Lender and the Fiscal Agent of the written opinion of Tax Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Series D-1 Governmental Lender Note or violate the requirements of the Housing Law, and otherwise in accordance with Section 22 hereof.

(c) The Owner, the Governmental Lender and, if applicable, the Fiscal Agent, shall execute, deliver and, if applicable, the Owner or the Governmental Lender shall file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Owner and the Governmental Lender hereby appoints the Fiscal Agent as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record (it being understood that the Fiscal Agent has no duty or obligation to take such action) on behalf of the Owner or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved in writing by Tax Counsel) if either the Owner or the Governmental Lender defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Governmental Lender or the Owner, the Fiscal Agent shall take no action under this subsection without first notifying the Owner or the Governmental Lender, or both of them, as is applicable, and without first providing the Owner or the Governmental Lender, or both of them, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Fiscal Agent to execute an amendment to this Regulatory Agreement on behalf of the Governmental Lender or the Owner.

Section 9. Indemnification; Other Payments. To the fullest extent permitted by law, the Owner agrees to indemnify, hold harmless and defend the Governmental Lender, the City, the Fiscal Agent and each of its officers, governing members, directors, officials, employees, attorneys and agents (collectively, the "Indemnified Parties"), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees and expenses, litigation and court costs, amounts

paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under or any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(i) the Governmental Lender Notes, the Funding Loan Agreement, the Loan Agreement, this Regulatory Agreement or the Tax Certificate and all documents related thereto, or the execution or amendment hereof or thereof or in connection with transactions contemplated hereby or thereby, including, as applicable, the execution and delivery or transfer of interests in the Governmental Lender Notes;

(ii) any act or omission of the Owner or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, construction/rehabilitation of, the Project or any part thereof;

(iii) any lien or charge upon payments by the Owner to the Governmental Lender or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender in respect of any portion of the Project;

(iv) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;

(v) the prepayment, defeasance and/or redemption, in whole or in part, of the Governmental Lender Notes;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or disclosure document for the Governmental Lender Notes or any of the documents relating to the Governmental Lender Notes, or any omission or alleged omission from any offering statement or disclosure document for the Governmental Lender Notes of any material fact necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or

(vii) any declaration of taxability of interest on the Series D-1 Governmental Lender Note, or allegations (or regulatory inquiry) that interest on the Series D-1 Governmental Lender Note is taxable, for federal tax purposes;

except to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each

Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Owner if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

In addition to the foregoing, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Fiscal Agent and/or the Governmental Lender in enforcing the provisions hereof, as more fully set forth in the Loan Agreement.

The provisions of this Section 9 shall survive the final payment or defeasance of the Governmental Lender Notes and this Regulatory Agreement; provided, however, the provisions of this Section shall, in the case of the Fiscal Agent, survive the term of this Regulatory Agreement or the resignation or removal of the Fiscal Agent, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Fiscal Agent's tenure as Fiscal Agent under the Funding Loan Agreement, and shall, in the case of the Governmental Lender, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

Section 10. Consideration. The Governmental Lender has agreed to execute and deliver the Governmental Lender Notes to provide funds to lend to the Owner to finance the Project, all for the purpose, among others, of inducing the Owner to acquire, rehabilitate and operate the Project. In consideration of the execution and delivery of the Governmental Lender Notes by the Governmental Lender, the Owner has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The Governmental Lender and the Owner hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons, including but not limited to the Administrator and Fiscal Agent, interested in the legality and validity of the Governmental Lender Notes, in the exemption from California personal income taxation of interest on the Governmental Lender Notes and in the Tax-Exempt status of the interest on the Series D-1 Governmental Lender Note. In performing their duties and obligations hereunder, the Governmental Lender, the Administrator and the Fiscal Agent may rely upon statements and certificates of the Low Income Tenants and the Very Low Income Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Owner exists under this Regulatory Agreement, the Fiscal Agent shall not be required to conduct any investigation into or review of the operations or records of the Owner and may rely solely on any written notice or certificate delivered to the Fiscal Agent by the Owner or the Governmental Lender with respect to the occurrence of a default.

Section 12. Transfer of the Project. For the Compliance Period, the Owner shall not Transfer the Project, in whole or in part, without the prior written consent of the Governmental Lender, which consent shall not be unreasonably withheld or delayed if the following conditions are satisfied: (A) the receipt by the Governmental Lender of evidence acceptable to the Governmental Lender that (1) the Owner shall not be in default hereunder or under the Loan Agreement, if in effect (which may be evidenced by a Certificate of Continuing Program Compliance), or the transferee undertakes to cure any defaults of the Owner to the reasonable satisfaction of the Governmental Lender; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the transferee, or its general partner or member, or its Manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects, or (b) the transferee agrees to retain a Manager with the experience and record described in subclause (a) above, or (c) the transferring Owner or its management company will continue to manage the Project, or another management company reasonably acceptable to the Governmental Lender will manage, for at least one year following such Transfer and, if applicable, during such period the transferring Owner or its management company will provide training to the transferee and its manager in the responsibilities relating to the Low Income Units and the Very Low Income Units; and (4) the person or entity that is to acquire the Project does not have pending against it, and does not have a history of significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the transferee of any document reasonably requested by the Governmental Lender with respect to the assumption of the Owner's obligations under this Regulatory Agreement and the Loan Agreement (if then in effect), including without limitation an instrument of assumption hereof and thereof, and delivery to the Governmental Lender and the Fiscal Agent of an opinion of such transferee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such transferee, subject to bankruptcy and other standard limitations affecting creditor's rights; (C) receipt by the Governmental Lender and the Fiscal Agent of an opinion of Tax Counsel to the effect that any such Transfer will not adversely affect the Tax-Exempt status of interest on the Series D-1 Governmental Lender Note; (D) receipt by the Governmental Lender of all fees and/or expenses then currently due and payable to the Governmental Lender by the Owner and (E) receipt by the Issuer of evidence of satisfaction of compliance with the provisions of Section 29(d)(i) related to notice to CDLAC of transfer of the Project.

It is hereby expressly stipulated and agreed that any Transfer of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. The written consent of the Governmental Lender to any Transfer of the Project shall constitute conclusive evidence that the Transfer is not in violation of this Section 12. Nothing in this Section shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to satisfy certain conditions or obtain the prior written consent of such other party in order to Transfer the Project. Upon any Transfer that complies with this

Regulatory Agreement, the Owner shall be fully released from its obligations hereunder to the extent such obligations have been fully assumed in writing by the transferee of the Project.

The foregoing notwithstanding, the Project may be transferred pursuant to a foreclosure, exercise of power of sale or deed in lieu of foreclosure or comparable conversion under the Deed of Trust without the consent of the Governmental Lender or compliance with the provisions of this Section 12. The Governmental Lender also hereby approves the transfer of limited partnership interests in the Owner to affiliates of the Investor Limited Partner of the Owner, including, without limitation, the transfer of partnership interests in the Owner from the Investor Limited Partner and non-managing membership interests in the limited partner of the Owner.

For the Compliance Period, the Owner shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except for (A) the Deed of Trust and Permitted Encumbrances (as defined in the Deed of Trust), or (B) a Transfer in accordance with the terms of this Regulatory Agreement, in each case upon receipt by the Governmental Lender and the Fiscal Agent of an opinion of Tax Counsel to the effect that such action will not adversely affect the Tax-Exempt status of interest on the Series D-1 Governmental Lender Note (provided that such opinion will not be required with respect to any encumbrance, lease or transfer relating to a commercial operation or ancillary facility that will be available for tenant use and is customary to the operation of multifamily housing developments similar to the Project, as certified in writing by the Owner to the Governmental Lender and the Fiscal Agent); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is demolished or removed is replaced with comparable property or such demolition or removal is otherwise permitted by the Loan Agreement or the Deed of Trust; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Compliance Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Governmental Lender Notes and discharge of the Funding Loan Agreement and the Loan Agreement; provided, however, the Fiscal Agent shall no longer be deemed a party hereto, as set forth in the last paragraph of Section 18 hereof.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements of this Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire or other casualty, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Governmental Lender and the Fiscal Agent from enforcing such provisions, or condemnation or a similar event, but only if, within a reasonable period, either the Governmental Lender Notes are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any

time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Governmental Lender, the Fiscal Agent and the Owner, with the consent of CDLAC, upon receipt by the Governmental Lender and the Fiscal Agent of an opinion of Tax Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Series D-1 Governmental Lender Note for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and (in the case of the Governmental Lender and the Owner) record appropriate instruments of release and discharge of the terms hereof prepared by or on behalf of the Owner or the Governmental Lender; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. Covenants to Run With the Land. Notwithstanding Section 1461 of the California Civil Code, the Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Governmental Lender and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. Burden and Benefit. The Governmental Lender and the Owner hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The Governmental Lender and the Owner hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants and Very Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Governmental Lender Notes were executed and delivered.

Section 16. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. Default; Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after written notice thereof

shall have been given by the Governmental Lender, Noteowner Representative or the Fiscal Agent to the Owner, or for a period of 60 days from the date the Owner should, with reasonable diligence, have discovered such default, then the Governmental Lender or the Fiscal Agent shall declare an “Event of Default” to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Owner institutes corrective action within said 60 days and diligently pursues such action (to the satisfaction of the Governmental Lender) until the default is corrected, and (ii) in the opinion of Tax Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-Exempt status of interest on the Series D-1 Governmental Lender Note. The Governmental Lender and the Fiscal Agent shall have the right to enforce the obligations of the Owner under this Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary to ensure compliance with the Housing Law or the Code.

Following the declaration of an Event of Default hereunder, the Governmental Lender or the Fiscal Agent, at the written direction of Governmental Lender, subject to the terms of the Funding Loan Agreement, may take any one or more of the following steps, in addition to all other remedies provided by law or equity:

(i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things that may be unlawful or in violation of the rights of the Governmental Lender or the Fiscal Agent hereunder;

(ii) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project;

(iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder; and

(iv) with the consent of the Noteowner Representative, which consent shall not be unreasonably withheld, declare a default under the Loan Agreement and proceed with any remedies provided therein.

The Owner hereby agrees that specific enforcement of the Owner’s agreements contained herein is the only means by which the Governmental Lender may fully obtain the benefits of this Regulatory Agreement made by the Owner herein, and the Owner therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Owner hereunder.

The Fiscal Agent shall have the right, in accordance with this Section and the provisions of the Funding Loan Agreement, without the consent or approval of the Governmental Lender, but with the consent of the Noteowner Representative, which consent shall not be unreasonably withheld, to exercise any or all of the rights or remedies of the Governmental Lender hereunder; provided that prior to taking any such action the Fiscal Agent shall give the Governmental Lender written notice of its intended action. After the Funding Loan Agreement has been discharged, the Governmental Lender may act on its own behalf to declare an “Event of

Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Fiscal Agent.

The Governmental Lender and the Fiscal Agent hereby agree that cure of any Event of Default made or tendered by any partner of the Owner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

All reasonable fees, costs and expenses (including reasonable attorney’s fees and expenses) of the Fiscal Agent and the Governmental Lender incurred in taking any action pursuant to this Section shall be the sole responsibility of the Owner; provided, however, that in the event that any action arises hereunder in which the Owner and the Fiscal Agent are adversaries, the prevailing party, if any, shall be entitled to recover legal fees and costs from the other party.

Section 18. The Fiscal Agent. The Fiscal Agent shall act as specifically provided herein and in the Funding Loan Agreement and may exercise such additional powers as are reasonably incidental hereto and thereto. The Fiscal Agent shall have no duty to act with respect to enforcement of the Owner’s performance hereunder as described in Section 17 unless it shall have actual knowledge of any such default as provided in Section 17 and the Fiscal Agent has received written direction from the Noteowner Representative and has been indemnified to its satisfaction. The Fiscal Agent may act as the agent of and on behalf of the Governmental Lender, and any act required to be performed by the Governmental Lender as herein provided shall be deemed taken if such act is performed by the Fiscal Agent. In connection with any such performance, the Fiscal Agent is acting solely as Fiscal Agent under the Funding Loan Agreement and not in its individual capacity, and, except as expressly provided herein, all provisions of the Funding Loan Agreement relating to the rights, privileges, powers and protections of the Fiscal Agent shall apply with equal force and effect to all actions taken (or omitted to be taken) by the Fiscal Agent in connection with this Regulatory Agreement. Neither the Fiscal Agent nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it or them hereunder or in connection herewith except for its or their own gross negligence or willful misconduct.

No provision of this Regulatory Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

The Governmental Lender shall be (or shall cause the Administrator to be) responsible for the monitoring of the Owner’s compliance with the terms of this Regulatory Agreement. The Fiscal Agent shall not be responsible for such monitoring.

After the date on which no portion of the Governmental Lender Notes remains Outstanding, as provided in the Funding Loan Agreement, the Fiscal Agent shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Fiscal Agent in this Regulatory Agreement shall be deemed references to the Governmental Lender.

Section 19. Recording and Filing. (a) The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County, and in such other places as the Governmental Lender may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

(b) The Owner and the Governmental Lender will file of record such other documents and take such other steps as are reasonably necessary, in the opinion of Tax Counsel, in order to ensure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(c) The Owner hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and, except in the case of a foreclosure or comparable involuntary conversion of the Deed of Trust, whereby the Funding Lender becomes the owner of the Project, to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. Payment of Fees. Notwithstanding any prepayment of the Loan and discharge of the Funding Loan Agreement, throughout the Compliance Period, the Owner shall continue to pay the fees of the Governmental Lender as provided in Section 9 hereof, unless such prepayment is made in connection with a refunding of the Governmental Lender Notes.

[subject to updating] The Owner agrees to pay to the Governmental Lender (a) on the Closing Date, the Governmental Lender's up-front administrative fee, in the amount of \$[37,500.00 – based on \$15M. To be updated once par amount is finalized], which amount is equal to 25 basis points (0.25%) of the maximum principal amount of the Governmental Lender Note (\$[AGGREGATE PAR]), not to exceed (for tax-exempt notes) the amount otherwise allowed by the Code, and (b) commencing on the first anniversary of the Closing Date and continuing on each anniversary of the Closing Date throughout the Compliance Period, the annual ongoing Governmental Lender's administrative fee (the "Ongoing Administrative Fee") as follows: (i) prior to the Conversion Date, 0.125% per annum of the maximum authorized principal amount of the Governmental Lender Notes as of the Closing Date, and (ii) commencing with the first anniversary of the Closing Date occurring after the Conversion Date and thereafter on each subsequent anniversary of the Closing Date, an amount equal to the greater of \$10,000 per year or 0.125% of the outstanding principal amount of the Governmental Lender Notes outstanding following any partial repayment of principal of the Governmental Lender Notes on or in connection with the Conversion Date, provided, however, the Ongoing Administrative Fee in any event will not be less than \$10,000 nor more than \$62,500, which amount shall be payable annually, in arrears, on each anniversary of the Closing Date and continuing throughout the Qualified Project Period, and provided further that no further reduction in the Ongoing Administrative Fee shall be made following the Conversion Date; and (iii) the Owner agrees to pay, within 30 days after receipt of request for payment thereof, all reasonable out-of-pocket expenses of the Governmental Lender (not including salaries and wages of Governmental Lender employees) related to the Governmental Lender Notes, the Project and the financing thereof, including, without limitation,

legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Governmental Lender Notes.

The Ongoing Administrative Fee will be charged each year during the Compliance Period hereunder in respect of administrative and monitoring costs of the Governmental Lender and will be due and payable, without the requirement for any invoice to be delivered to the Owner, on each anniversary of the Closing Date based on the facts in existence as of such date. On and after the Conversion Date, the Ongoing Administrative Fee will remain fixed based on the principal amount of the Governmental Lender Notes outstanding at the Conversion Date regardless of any later reductions of the outstanding principal of the Governmental Lender Notes.

The fees of the Governmental Lender referenced in this Section 20 shall in no way limit amounts payable by the Borrower under Section 9 hereof, or otherwise arising in connection with the Governmental Lender's or Funding Lender's enforcement of the provisions of this Regulatory Agreement, but the Governmental Lender does agree to compensate any third party Administrator appointed by it from its annual administrative fees for the ordinary duties of the Administrator hereunder. In addition to the foregoing, the Owner shall pay to the Governmental Lender, promptly following a written demand from the Governmental Lender to the Owner, any out-of-pocket expenses of the Governmental Lender incurred in connection with the administration of any of the Loan Documents.

In the event that the Governmental Lender Note is prepaid in part or in full prior to the end of the term of this Regulatory Agreement other than (i) by means of refunding bonds issued by the Governmental Lender to refund the Governmental Lender Notes, or (ii) in connection with a foreclosure or deed in lieu of foreclosure, and transfer of title to the Project other than to the Borrower or any party related to the Borrower; the Governmental Lender's annual fee for the remainder of the term of this Regulatory Agreement, at the option of the Governmental Lender, shall be paid by the Borrower at the time of the prepayment of the Governmental Lender Note and shall be a lump sum amount equal to the present value (based on a discount rate equal to the yield on the Governmental Lender Note, as determined by the Governmental Lender at the time of prepayment) of the Governmental Lender's fee, calculated based on the principal amount of the Governmental Lender Note outstanding immediately preceding such prepayment, for the number of remaining years of the Compliance Period.

Notwithstanding any prepayment of the Borrower Loan and discharge of the Funding Loan Agreement, the Owner shall continue to pay (or, to the extent allowed under the Code, shall prepay the present value at such time of) the fees of the Governmental Lender as provided in this Section 20.

If the Owner fails to make payment of the Governmental Lender's annual fee for a period of two consecutive years or more, then the Governmental Lender may, in its sole discretion, declare the total amount of the annual fee of the Governmental Lender through the end of the Compliance Period immediately due and payable, such amount to be discounted at a rate equal to the then current market rate for U.S. Treasury obligations of a maturity equal to the remaining term of the Compliance Period.

Occupancy Monitoring Fee. Separately from, and in addition to, the annual ongoing administrative fee the Owner will pay to the Governmental Lender an annual occupancy monitoring fee (the “Occupancy Monitoring Fee”) for the greater of: (1) 19 units (constituting 40% of the units), at an initial amount of \$157.50/unit for a total of \$2,992.50, or (b) the total number of units monitored by the Governmental Lender. The Occupancy Monitoring Fee is subject to annual adjustment. The Owner agrees to pay the Governmental Lender an initial monitoring fee in the amount set forth in schedules promulgated by Governmental Lender from time to time. In addition, in each year during the term of this Regulatory Agreement, the Owner shall pay to the Governmental Lender an annual Occupancy Monitoring Fee, as determined by the Governmental Lender in schedules promulgated by Governmental Lender from time to time.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

Section 22. Amendments; Waivers. (a) Except as provided in Section 8(a) hereof, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County, and only upon (i) receipt by the Governmental Lender and the Fiscal Agent of an opinion from Tax Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Series D-1 Governmental Lender Note and is not contrary to the provisions of the Housing Law and (ii) the written consent of the Noteowner Representative, who shall receive a copy of any such amendment.

(b) Anything to the contrary contained herein notwithstanding, the Governmental Lender, the Fiscal Agent and the Owner hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Tax Counsel, in order that interest on the Series D-1 Governmental Lender Note remains Tax-Exempt. The parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such proposed amendment to Tax Counsel and a request that Tax Counsel render to the Governmental Lender and the Fiscal Agent an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest on the Series D-1 Governmental Lender Note. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

(c) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. Notices. Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses specified in the Funding Loan Agreement, or at such other addresses as may be specified in writing by the parties hereto. The Governmental Lender, the Administrator, the Fiscal Agent, CDLAC and the Owner may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent. Notice shall be deemed given on the date evidenced by the postal or courier receipt or other written evidence of delivery or electronic transmission; provided that any telecopy or other electronic transmission received by any party after 4:00 p.m., local time of the receiving party, as evidenced by the time shown on such transmission, shall be deemed to have been received the following Business Day. A copy of each notice of default provided to the Owner hereunder shall also be provided to the Investor Limited Partner and the Noteowner Representative at the addresses set forth in the Funding Loan Agreement.

A copy of each notice sent by or to the Owner shall also be sent to the Manager at the address of the Manager provided by the Owner to the Administrator; but such copies shall not constitute notice to the Owner, nor shall any failure to send such copies constitute a breach of this Regulatory Agreement or a failure of or defect in notice to the Owner.

The Owner shall notify the Governmental Lender and the Administrator in writing of any change to the name of the Project or any change of name or address for the Owner or the Manager. The Owner shall notify CDLAC in writing of any event provided in Section 29(d) hereof.

Section 24. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Limitation on Liability. Notwithstanding the foregoing or any other provision or obligation to the contrary contained in this Regulatory Agreement, (i) the liability of the Owner under this Regulatory Agreement to any person or entity, including, but not limited to, the Noteowner Representative, the Fiscal Agent or the Governmental Lender and their successors and assigns, is limited to the Owner's interest in the Project, the Pledged Revenues and the amounts

held in the funds and accounts created under the Funding Loan Agreement, or any rights of the Owner under any guarantees relating to the Project, and such persons and entities shall look exclusively thereto, or to such other security as may from time to time be given for the payment of obligations arising out of this Regulatory Agreement or any other agreement securing the obligations of the Owner under this Regulatory Agreement; and (ii) from and after the date of this Regulatory Agreement, no deficiency or other personal judgment, nor any order or decree of specific performance (other than pertaining to this Regulatory Agreement, any agreement pertaining to any Project or any other agreement securing the Owner's obligations under this Regulatory Agreement), shall be rendered against the Owner, the assets of the Owner (other than the Owner's interest in the Project, this Regulatory Agreement, amounts held in the funds and accounts created under the Funding Loan Agreement, or any rights of the Owner under the Funding Loan Agreement or any other documents relating to the Governmental Lender Notes or any rights of the Owner under any guarantees relating to the Project), its partners, members, successors, transferees or assigns and each of their respective officers, directors, employees, partners, agents, heirs and personal representatives, as the case may be, in any action or proceeding arising out of this Regulatory Agreement, the Funding Loan Agreement or any agreement securing the obligations of the Owner under this Regulatory Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding, except to the extent provided in the Loan Agreement.

Section 27. Property Management. The Owner agrees that at all times the Project shall be managed by a property manager (i) approved by the Governmental Lender in its reasonable discretion and (ii) who has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects (the "Manager"). The Governmental Lender has approved Royal Property Management Group, a California corporation, as the initial Manager. The Owner shall submit to the Governmental Lender from time to time such information about the background, experience and financial condition of any existing or proposed Manager as the Governmental Lender may reasonably require to determine whether such Manager meets the requirements for a Manager set forth herein. The Governmental Lender reserves the right to conduct periodic reviews of the management practices and of the Manager to determine if the Project is being operated and managed in accordance with the requirements and standards of this Regulatory Agreement. The Owner agrees to cooperate with the Governmental Lender in such reviews.

Replacement of Manager. If the Governmental Lender determines in its reasonable judgment that the Project is not being operated and managed in accordance with one or more of the material requirements or standards of this Regulatory Agreement, the Governmental Lender may deliver written notice to the Owner, the Fiscal Agent and the Noteowner Representative requesting replacement of the Manager, which notice shall state clearly the reasons for such request. The Owner agrees that, upon receipt of such notice, it shall within 60 days submit to the Governmental Lender, with copies to the Fiscal Agent and the Noteowner Representative, a proposal to engage a new Manager meeting the requirements of this Section 27. Each of the Governmental Lender and the Noteowner Representative shall respond within 30 days to such

proposal or such approval shall be deemed given. Upon receipt of such consent or deemed consent, the Owner shall within 60 days terminate the existing Manager's engagement and engage the new Manager.

Notwithstanding any other provision of this Section 27 to the contrary, the Noteowner Representative may at any time by written instruction to the Governmental Lender, the Fiscal Agent and the Owner deny the Governmental Lender's request for a replacement Manager and direct that the existing Manager be retained.

Section 28. Third-Party Beneficiary. CDLAC is intended to be and shall be a third-party beneficiary of this Regulatory Agreement. CDLAC shall have the right (but not the obligation) to enforce the CDLAC Conditions and to pursue an action for specific performance or other available remedy at law or in equity in accordance with Section 17 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Holders of the Governmental Lender Notes.

Section 29. Requirements of CDLAC. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 4 through 6 hereof, the Owner hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 29, as follows:

(a) The Owner shall comply with the CDLAC Resolution attached hereto as Exhibit D and the CDLAC Conditions set forth in Exhibit A thereto (collectively, the "CDLAC Conditions"), which conditions are incorporated herein by reference and made a part hereof. The Owner will prepare and submit to the Governmental Lender, not later than February 1 of each year, until the Project is completed, and on February 1 every three years thereafter until the end of the Compliance Period, a Certificate of Compliance II for Qualified Residential Rental Projects, in substantially the form attached to the CDLAC Conditions or otherwise as provided by CDLAC from time to time, executed by an authorized representative of the Owner. Such Certificate of Compliance II for Qualified Residential Rental Projects shall be prepared pursuant to the terms of the CDLAC Conditions. Additionally, the Owner will prepare and submit to the Governmental Lender, a Certificate of Completion, in substantially the form attached to the CDLAC Conditions or otherwise provided by CDLAC from time to time, executed by an authorized representative of the Owner certifying among other things to the substantial completion of the Project. Following the submission of the Certificate of Completion, the Owner will prepare and submit to the Governmental Lender, not later than February 1, every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions are the responsibility of the Owner to report to the Governmental Lender.

(b) The Owner acknowledges that the Governmental Lender shall monitor the Owner's compliance with the terms of the CDLAC Conditions. The Owner acknowledges that the Governmental Lender will prepare and submit to CDLAC, not later than March 1 of each year, until the Project is completed, and on March 1 every three years thereafter until the end of the

Compliance Period, a Self-Certification Certificate in the form provided by CDLAC. The Owner will cooperate fully with the Governmental Lender in connection with such monitoring and reporting requirements.

(c) Except as otherwise provided in Section 13 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least fifty percent (50%) of the units in the Project are first occupied or otherwise after the commencement of the Qualified Project Period.

(d) The Owner shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the Governmental Lender, (iii) any change in the name of the Project or the Manager; (iv) any material default under the Funding Loan Agreement, the Loan Agreement or this Regulatory Agreement, including, but not limited to, such defaults associated with the Tax-Exempt status of the Series D-1 Governmental Lender Note, and the income and rental requirements as provided in Sections 4 and 6 hereof and the CDLAC Conditions; or (v) termination of this Regulatory Agreement.

(e) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Owner after the Closing Date at any time, that are not more restrictive than the original CDLAC Conditions; provided however, that, with the prior consent of the Lender, which shall not be unreasonably withheld: (i) any changes in the terms and conditions of such revised CDLAC Conditions prior to the recordation against the Project in the real property records of the County of a regulatory agreement between Owner and the California Tax Credit Allocation Committee (“TCAC Regulatory Agreement”) shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Owner or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of such revised CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26 and/or 37 of Exhibit A to the CDLAC Conditions to any change in terms and conditions requested by Owner and approved by CDLAC. The Governmental Lender may, in its sole and absolute discretion, require the Owner to record or cause to be recorded in the real property records of the County an amendment to this Regulatory Agreement containing such revised CDLAC Conditions, executed by the parties hereto or their successor in title and pay any expenses in connection therewith. The Owner shall provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

Any of the foregoing requirements of the CDLAC contained in this Section 29 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 29 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Governmental Lender has received an opinion of Bond Counsel that any such provision is not required by the Housing Law and may be waived without adversely affecting the exclusion from gross income of interest on the Series D-1 Governmental Lender Note for federal income tax purposes; and (ii) any requirement of this Section 29 shall be void and of no force and effect if the Governmental Lender and the Owner receive a written opinion of Bond Counsel to the effect that compliance with any such requirement

would cause interest on the Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Housing Law or any other state or federal law.

Section 30. Annual Reporting Covenant. No later than January 31 of each calendar year (commencing January 31, 2025), the Owner, on behalf of the Governmental Lender, agrees to provide to the California Debt and Investment Advisory Commission, by any method approved by the California Debt and Investment Advisory Commission, with a copy to the Governmental Lender, the annual report information required by Section 8855(k)(1) of the California Government Code. This covenant shall remain in effect until the later of the date (i) the Governmental Lender Notes are no longer outstanding or (ii) the proceeds of the Governmental Lender Notes and the Loan have been fully spent.

IN WITNESS WHEREOF, the Governmental Lender, the Fiscal Agent and the Owner have executed this Regulatory Agreement by duly authorized representatives, all as of the date first above written.
