# HOUSING COMMISSION EXECUTIVE SUMMARY SHEET

DATE: October 4, 2019 HCR19-087

COUNCIL DISTRICT(S): 3

ORIGINATING DEPARTMENT: Real Estate Division

CONTACT/PHONE NUMBER: J.P. Correia (619) 578-7575

#### REQUESTED ACTION:

Authorize the issuance of Housing Authority of the City of San Diego Multifamily Housing Revenue Bonds/note to fund the new construction of 14th and Commercial Apartments, which will consist of three managers' units and 323 affordable rental housing units located at 1 14th Street, San Diego, that will remain affordable for 55 years, of which 93 units will be for low- and very low-income tenants and 230 units will be permanent supportive housing for very low- and low- income individuals experiencing homelessness in the City of San Diego who will receive assistance through the Project-Based Housing Voucher program, who meet income criteria, and who are identified as most appropriate for permanent supportive housing through the Coordinated Entry System.

#### EXECUTIVE SUMMARY OF KEY FACTORS:

- The proposed new construction development at 1 14th Street is affordable rental housing, featuring two contiguous residential high-rise towers. The developers determined that certain necessary financing sources could not be restricted against the same units. Thus, the developers have bifurcated the development, using a condominium overlay, into two legally separate, financeable, affordable projects without crossover subsidy from the incompatible funding sources.
- The two projects are called 14th and Commercial Apartments (14th and Commercial), which consists of 326 units, and 14C VHHP Apartments (14C VHHP), which consists of 81 units. The two projects will each be owned by legally separate partnerships.
- The development will have two separate loans, two separate bond issuances, and with two separate companion reports.
- The unit mix will consist of: 281 studio units, 17 one-bedroom units, 25 two-bedroom units (plus three managers' units) with rents restricted at 25 to 50 percent of San Diego Area Median Income.
- Supported by HOUSING FIRST-SAN DIEGO, the Housing Commission's homelessness action plan.
- The Housing Commission staff has approved 230 federal Project-Based Vouchers for this project.
- The proposed development will pay federal Davis-Bacon and State prevailing wages.
- The co-developers (the non-profit SVDP Management and the for-profit Chelsea Investment Corporation), are seeking final approvals for Housing Authority to issue up \$101,000,000 in tax-exempt Multifamily Housing Revenue Bonds.
- Total development cost is estimated at \$150,997,243 (\$463,182 per unit).
- The Housing Commission's previously approved loan subsidy is \$6,150,000 (\$18,865 per unit).
- Staff requests the Housing Commission Board recommend to the Housing Authority that:
  - O The Housing Authority authorize the issuance of up to \$101,000,000 in tax-exempt Multifamily Housing Revenue Bonds to facilitate 14th and Commercial CIC L.P.'s new construction of the 14th and Commercial Apartments.
- If approved, the co-developers estimate commencing construction in November 2019, and completing construction by November 2021.

# REPORT

**DATE ISSUED:** September 26, 2019 **REPORT NO**: HCR19-087

**ATTENTION:** Chair and Members of the San Diego Housing Commission

For the Agenda of October 4, 2019

**SUBJECT:** Final Bond Authorization for 14<sup>th</sup> & Commercial Apartments

**COUNCIL DISTRICT: 3** 

#### REQUESTED ACTIONS

Authorize the issuance of Housing Authority of the City of San Diego Multifamily Housing Revenue Bonds/note to fund the new construction of 14<sup>th</sup> and Commercial Apartments, which will consist of three managers' units and 323 affordable rental housing units located at 1 14<sup>th</sup> Street, San Diego, that will remain affordable for 55 years, of which 93 units will be for low- and very low-income tenants and 230 units will be permanent supportive housing for very low- and low- income individuals experiencing homelessness in the City of San Diego who will receive assistance through the Project-Based Housing Voucher program, who meet income criteria, and who are identified as most appropriate for permanent supportive housing through the Coordinated Entry System.

#### STAFF RECOMMENDATIONS

That the San Diego Housing Commission (Housing Commission) recommend that the Housing Authority of the City of San Diego (Housing Authority) authorize the issuance of up to \$101,000,000 in Multifamily Housing Revenue Bonds/note to facilitate 14<sup>th</sup> and Commercial CIC L.P.'s new construction of 14<sup>th</sup> and Commercial Apartments, which will consist of three managers' units and 323 affordable rental housing units located at 1 14<sup>th</sup> Street, San Diego, that will remain affordable for 55 years, of which 93 units will be for very-low and low-income tenants and 230 units will be permanent supportive housing for very low-and low-income individuals experiencing homelessness in the City of San Diego who will receive assistance through the Project-Based Housing Voucher program, who meet income criteria, and who are identified as most appropriate for permanent supportive housing through the Coordinated Entry System.

#### **SUMMARY**

A Development Summary is at Attachment 1.

#### Background

The proposed new construction development at 1 14th Street is affordable rental housing, featuring two contiguous residential high-rise towers. The developers determined that certain necessary financing sources could not be restricted against the same units. Thus, the developers have bifurcated the development, using a condominium overlay, into two legally separate, financeable, affordable projects without crossover subsidy from the incompatible funding sources.

The two projects are called 14th and Commercial Apartments (14th and Commercial), which consists of 326 units, and 14C VHHP Apartments (14C VHHP), which consists of 81 units. The two projects will each be owned by legally separate partnerships, with two separate Housing Commission loans and two

separate Multifamily Housing Revenue Bond issuances that will both close simultaneously. The developers will complete a condominium plan that will detail the two projects' legal separation. The total combined development will be located within two contiguous on-site high-rise buildings: a 14-story building and a seven-story building. The two structures will be conjoined/built upon a common base level. Distributed within the two rental complexes will be 270 permanent supportive housing units with federal Project-Based Housing Vouchers and federal Veterans Affairs Supportive Housing (VASH) Project-Based Housing Vouchers issued by the Housing Commission. Because of the separate financing structures, the proposed two bond issuances are being processed under two separate companion reports (HCR19-087 and HCR19-088).

On May 3, 2019, and on May 14, 2019, the Housing Commission (HCR19-044) and the Housing Authority (HAR19-010) respectively, approved taking certain preliminary authorization steps to issue up to \$101,000,000 of tax-exempt Multifamily Housing Revenue Bonds/note (bonds), to finance the new construction of 14<sup>th</sup> and Commercial. For 14<sup>th</sup> and Commercial, on July 17, 2019, the California Debt Limit Allocation Committee (CDLAC) approved a \$101,000,000 bonds allocation, and the California Tax Credit Allocation Committee (CTCAC) approved a non-competitive 4 percent tax credits allocation.

#### The Development

The developments' site is a currently vacant lot at the northeast corner of 14th and Commercial Streets in the East Village neighborhood of the Downtown Community Plan (Attachment 2 - Site Maps). The 14th and Commercial development is proposed to provide 323 affordable rental housing units and three managers' units, including studios, one-bedroom units, and two-bedroom units. The apartments will range from 350 square feet for studios to 830 square feet for two-bedroom units. Site amenities will include: approximately 1,000 square feet of community rooms on each of the residential floors, eight community kitchens, laundry facilities, and bicycle parking. Level two will have recreational activities, fitness, and multipurpose rooms. There will be a second-floor courtyard, a third-floor outdoor gathering area, and a tot lot. Level eight will have an exterior smoking area, a dog run area, and a community garden. Security features will include: 24-hour on-site security guard service, building entry access controls, entry door deadbolt locks, on-site tenant services staff, and monitored security cameras. Unit amenities will include: a kitchenette, cabinets, microwave oven, refrigerator, and a private bathroom. For 14th and Commercial, approximately 12,240 square feet of commercial space is proposed, which will house on-site property management, social service staff, and resident-related amenity spaces. However, neither the Housing Commission's loan funds, nor the Multifamily Housing Revenue Bond proceeds, can be used for commercial space financing nor for furnishings.

#### **Housing First**

The proposed 14th and Commercial development will provide 230 permanent supportive housing units for very low- and low- income individuals experiencing homelessness in the City of San Diego who will receive assistance through the Project-Based Housing Voucher (PBV) program, who meet income criteria, and who are identified as most appropriate for permanent supportive housing through the Coordinated Entry System. PBV would provide rental subsidies for these units. The development is supported by HOUSING FIRST – SAN DIEGO, the Housing Commission's homelessness action plan. This action plan is rooted in the national "Housing First" model of addressing homelessness – to provide housing as quickly as possible, with supportive services as needed. The current phase of HOUSING FIRST – SAN DIEGO, which launched on July 1, 2017, included \$30,000,000 over three years to support the development of affordable rental housing with supportive services for individuals experiencing homelessness.

The Housing Commission has partnered with the Regional Task Force on the Homeless to enable homeless service providers in the City of San Diego (City) to participate in a Coordinated Entry System (CES), and utilize a single regional data management repository, the Homeless Management Information System (HMIS). Organizations serving individuals and families experiencing homelessness in the region share this single system, which enables the more efficient delivery of housing and critical services to San Diegans experiencing homelessness. The database allows homeless housing providers to screen individuals experiencing homelessness for the most appropriate housing options based on who is most in need. The co-developers and service provider will participate in the CES and maintain client data in the HMIS as required by the Housing Commission.

#### The Property

The property has been owned by SVDPM since November 30, 2007. The site is near the San Diego Central Library, Father Joe's Villages' campus, and the 12th & Imperial Trolley Station. Father Joe's Villages previously operated one of the three City of San Diego Bridge Shelters at this location.

#### <u>Appraisal</u>

On January 4, 2018, the land was appraised by Lea & Company at \$24,600,000. The developer's lender is in the process of providing an updated appraisal.

#### Prevailing Wages

The development proposes to use U.S. Department of Housing and Urban Development (HUD) federal PBVs, administered by the Housing Commission, which will require the project to pay Davis-Bacon prevailing wages. The proposed use of State Housing and Community Development Affordable Housing and Sustainable Communities program (AHSC) funds will require payment of state prevailing wages. The higher of the federal or state prevailing wages will apply.

#### Relocation

The property is vacant. The co-developers' relocation consultant has determined there is no relocation requirement for persons who were residing at the City of San Diego Temporary Bridge Shelter.

#### **Accessibility**

The CTCAC requires wheelchair accessibility in 10 percent of the units, with an additional 4 percent of the units accessible to residents with visual and/or hearing impairment. The development will be 100 percent accessible for visitors. The same units will satisfy the federal HOME Investment Partnerships Program (HOME) and PBV accessibility requirement of wheelchair accessibility in 5 percent of the units, plus an additional 2 percent of the units accessible to residents with visual and/or hearing impairment. The same units can satisfy both the CTCAC and HOME accessibility requirements. The development will include Universal Design features.

#### **Project Sustainability**

The development will be designed to achieve a Leadership in Energy and Environmental Design (LEED) Gold certification. It will also comply with the CTCAC minimum energy efficiency construction standards for new construction. Sustainable features will include: Energy Star-rated efficient appliances, use of Low Volatile Organic Compound (VOC) paints and stains for interior surfaces, high-efficiency heating and cooling, energy-efficient windows, and light-emitting diode (LED) lighting. Water conservation will be promoted via drought-tolerant landscaping, and low-flow water fixtures in the kitchens and bathrooms.

#### Development Team

For 14th and Commercial, the proposed borrower will be 14th and Commercial CIC L.P., a single-asset California limited partnership. The limited partnership will include SVDPM as the Managing General Partner, CIC 14th and Commercial L.L.C. as the Administrative General Partner, and the Richman Group as the tax-credit Investor Limited Partner (Attachment 3 - Organization Chart).

The nonprofit SVDPM, dba Father Joe's Villages, will be a co-developer. SVDPM has constructed and rehabilitated five permanent affordable housing buildings, a Federally Qualified Health Center, dining facilities, resource and training centers with supportive services space, and temporary shelters. SVDPM

currently owns and operates 360 affordable housing units, including permanent supportive housing units. The Housing Commission has worked with SVDPM and Chelsea on 16th and Market, a 12-story, 136-unit affordable housing community; Boulevard Apartments, a four-story, 24-unit affordable housing community; Villa Harvey Mandel, a six-story 90-unit affordable housing community; and 15th and Commercial, a 12-story, mixed-use property with affordable housing, transitional housing, a child development center, and underground parking. SVDPM is in full compliance on its previous Housing Commission-funded loans.

The other co-developer is Chelsea, an award-winning, for-profit corporation headquartered in Carlsbad, California. Chelsea will be providing development consulting services to SVDPM, offering technical expertise related to organizing, financing, and construction management. Established in 1992, it specializes in the financing and development of affordable housing. Chelsea and its affiliates have approximately 9,600 rental units under ownership in four states. Chelsea has substantial development experience in a wide range of housing developments. Along with its affiliates, Chelsea provides financial, engineering, development, asset management, construction, and property management services. Chelsea has developed multiple affordable rental housing developments in San Diego using Housing Commission loan funds. Chelsea is in full compliance on its previous Housing Commission funded loans.

#### Supportive Services

The developments' tenant supportive services will be provided by SVDPM. The tenants will have access to an array of services and resources offered at the nearby Father Joe's Villages' campus in downtown San Diego. Since 1950, Father Joe's Villages has delivered assistance to persons experiencing homelessness. Using evidence-based practices, Father Joe's Villages' experienced staff will provide case management, life skills, and access to mental health plus substance use services.

#### FINANCING STRUCTURE

The 14th and Commercial development has an estimated total development cost of \$150,997,243 (\$463,182/unit). Financing will include a combination of sources as described in Table 3. The developers' current pro forma is included as Attachment 4 and is summarized below.

Table 3 – Estimated Permanent Sources and Uses

Financing Sources	Amounts	Financing Uses	Amounts	Per Unit
Permanent loan (bonds financed)	\$8,217,898	Property acquisition:	\$19,465,600	\$59,710

#### Developers' Fee

\$15,875,836 - gross developer fee

-12,375,836 - developer fee contribution to the project

- 1,665,110 - deferred developer fee

\$ 1,834,890 - net cash developer fee

The net cash developer fee shall be \$1,834,890 provided, however, that in the event financing terms or construction costs change and result in a financing gap, the developer may defer additional developer fee. On April 25, 2017, the Housing Authority approved the "Request for Approval of Updated Developer Fees" (HAR17-011). That report approved certain developer fee guidelines for multifamily loans and bonds issuances. Attachment 1 to that report stated: "Developer fee for 4% tax credits: in project costs 15% of eligible basis...." For this 14th and Commercial development the developers are proposing a \$15,875,836 total developer fee which complies with HAR17-011. The fee proposed is consistent with the Request for Approval of Updated Developer Fees (HAR17-011) approved by the Housing Authority on April 25, 2017.

#### **Development Cost Key Performance Indicators**

Housing Commission staff has identified development cost performance indicators, which were used to evaluate the proposed development and make a funding recommendation. The key performance indicators listed in Table 4 are commonly used by real estate industry professionals and affordable housing developers.

**Table 4 - Key Performance Indicators** 

Development Cost Per Unit	\$150,997,243 ÷ 326 units =	\$463,182
Housing Commission Subsidy Per Unit	\$6,150,000 ÷ 326 units =	\$18,865
Acquisition Cost Per Unit	\$19,465,600 ÷ 326 units =	\$59,710
Gross Building Square Foot Hard Cost	\$87,956,908 ÷ 237,174 sq. ft. =	\$371
Net Rentable Square Foot Hard Cost	\$87,956,908 ÷ 130,760 sq. ft. =	\$673

## **Project Comparison Chart**

Multiple factors and variables influence the cost of developing multifamily affordable housing, including but not limited to project location, site conditions, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City fees, developer experience and capacity, and the mission and goals of the organization developing the project. Similar construction-type developments (completed or approved) in recent years are listed in Table 5. These developments are approximately similar in terms of high-rise new construction, plus units mix, and are provided as a comparison to the subject 14th and Commercial development.

**Table 5 - Comparable Development Projects**

#### TAX-EXEMPT MULTIFAMILY HOUSING REVENUE BONDS

#### Proposed Housing Bonds/note

The Housing Commission utilizes the Housing Authority's tax-exempt borrowing status to pass on lower interest rate financing (and make 4 percent tax credits available) to developers of affordable rental housing. The Housing Authority's ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a development, the Housing Authority must first submit an application to the California Debt Limit Allocation Committee (CDLAC) for a bond allocation. Prior to submitting applications to CDLAC, developments are brought before the Housing Commission, Housing Authority, and City Council. A Housing Authority bond inducement resolution must be obtained prior to application submittal, and a City Council Tax Equity and Fiscal Responsibility Act (TEFRA) resolution must be secured no later than 30 days after application submittal. On May 14, 2019, these actions were completed for 14<sup>th</sup> & Commercial.

On May 17, 2019, an application was submitted to CDLAC for a bond allocation of up to \$101,000,000. On July 17, 2019, CTCAC and CDLAC approved an allocation of 4 percent tax credits and an up to \$101,000,000 tax-exempt Multifamily Housing Revenue Bonds allocation. The developer proposes that the Bonds/note be issued through a tax-exempt private placement bond issuance. The Bonds/note will meet all requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego's (City) ordinance on bonds disclosure.

The Bonds/note amount that will ultimately be set will be based upon development costs, revenues and interest rates prevailing at the time of the Bonds/note issuance. The Bonds/note proceeds will be used for both construction financing and permanent financing. A general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financings are described in Attachment 5.

#### Public Disclosure and Bond Authorization

The tax-exempt debt, in the form of the Bonds/note, will be sold through a private placement, purchased directly by Citi Community Capital (Citi). Citi is a "qualified institutional buyer" within the meaning of the U.S. securities laws. At closing, Citi will sign an "Investor's Letter" certifying, among other things, that it is buying the Bonds/note for its own account and not for public distribution. Because the Bonds/note is being sold through a private placement, an Official Statement will not be used. In addition, the Bonds/note will be neither subject to continuing disclosure requirements, nor credit enhanced, nor rated. Under the private placement structure for this transaction, Citi will make a loan to the Housing Authority pursuant to the terms of a Funding Loan Agreement among Citi, the Housing Authority, and US Bank as the Fiscal Agent. The loan made by Citi to the Housing Authority (Funding Loan) will be evidenced by the Bonds/note, which will obligate the Housing Authority to pay Citi the amounts it receives from the Borrower, as described below. The Housing Authority and the Borrower will enter into a Borrower Loan Agreement pursuant to which the proceeds of the Funding Loan will be advanced to the Borrower. In return, the Borrower agrees to pay the Fiscal Agent amounts sufficient for the Fiscal Agent to make payments on the Bonds/note. The Housing Authority's obligation to make payments on the Bonds/note is limited to amounts the Fiscal Agent receives from the Borrower under the Borrower Loan Agreement, and no other funds of the Housing Authority are pledged to make payments on the Bonds/note. The transfer of the Bonds/note to any subsequent purchaser will comply with Housing Commission's "Bond Issuance and Post-Issuance Compliance Policy" (policy number PO300.301). Moreover, any subsequent Bonds/note holder will be required to represent to the Housing Authority that it is a qualified institutional buyer or accredited investor who is buying the Bonds/note for investment purposes and not for resale, and it has made due investigation of any material information necessary in connection with the purchase of the Bonds/note. The following documents will be executed on behalf of the Housing Authority with respect to the Bonds/note: the Funding Loan Agreement, the Borrower Loan Agreement, the Assignment of Deed of Trust, the Regulatory Agreement, and other ancillary loan documents. At the time of docketing, documents in substantially final form will be presented to members of the Housing Authority. Any changes to the documents following Housing Authority approval require the consent of the City Attorney's Office and Bond Counsel. The Note will be issued pursuant to the Funding Loan Agreement. Based upon instructions contained in the Funding Loan Agreement and the Borrower Loan Agreement, Citi will disburse the Note proceeds for eligible costs and will, pursuant to an assignment from the Housing Authority, receive payments from the Borrower. The Borrower Loan Agreement sets out the terms of repayment and the security for the loan made by the Housing Authority to the Borrower, and the Housing Authority assigns its rights to receive repayments under the loan to Citi. The Regulatory Agreement will be recorded against the property in

order to ensure the long-term use of the project as affordable housing. The Regulatory Agreement will also ensure that the project complies with all applicable federal and state laws. An Assignment of Deed of Trust, and other loan documents, will assign the Housing Authority's rights and responsibilities as the issuer to Citi. It will be signed by the Housing Authority for the benefit of Citi. Rights and responsibilities that are assigned to Citi include the right to collect and enforce the collection of loan payments, the right to monitor project construction and related budgets, plus the right to enforce insurance and other requirements. These rights will be used by Citi to protect its financial interests as the Note holder.

#### Financial Advisor's Recommendation

Orrick Herrington & Sutcliffe will be the Bond Counsel and Ross Financial will be the Financial Advisor to work on the tax-exempt bond issuance. After evaluating the terms of the proposed financing and the public benefits to be achieved, it is the Financial Advisor's recommendation that the Housing Authority should proceed with the bond issuance. The Financial Advisor's analysis and recommendation is included as Attachment 6.

#### **AFFORDABLE HOUSING IMPACT**

The 14th and Commercial development will be subject to a Housing Commission loan's Declaration of Covenants and Restrictions, in addition to applicable tax credit and bond regulatory agreements that will restrict affordability of 323 units for 55 years. The HOME program's funds will have affordability and rent restrictions for 20 years. The 14th and Commercial development will have 323 units restricted to persons experiencing homelessness with incomes from 25 percent (estimated at \$17,050/year for a studio, one-person household) to 50 percent (\$43,800/year for a two bedroom, three-person household) of the San Diego Area Median Income (AMI). These units will include 230 permanent supportive housing units for very low- and low- income individuals experiencing homelessness in the City of San Diego who will receive assistance through the Project-Based Housing Voucher program, who meet income criteria, and who are identified as most appropriate for permanent supportive housing through the Coordinated Entry System and 93 units for low- and very low- income tenants. The remaining three units will be unrestricted managers' units. Table 6 summarizes the affordability.

On February 6, 2019, Housing Commission staff committed 270 federal PBVs and VASH PBVs for the combined two developments of 407 units, including 230 PBVs for the 14<sup>th</sup> and Commercial development. That vouchers commitment is contingent upon successful completion of a subsidy layering review, environmental review and execution of an Agreement to Enter into Housing Assistance Payment. Under this PBV program, the tenants' rent portion is determined by using the applicable minimum rent or a calculated amount based on their income level, whichever is higher, with the remainder being federally subsidized up to a gross rent level approved by the Housing Commission. The Housing Assistance Payment provides a rental subsidy for the development's residents.

Table 6 – Affordability and Monthly Estimated Rent Table

Unit Type (Housing Commission & CTCAC Restrictions)	ANAT	Number	CTCAC
· · · · · · · · · · · · · · · · · · ·	AMI	of Units	Gross Rents

There will be 25 total HOME restricted units, including 21 studio units, two one-bedroom units, and two two-bedroom units. The same units may satisfy the affordability requirements from the tax credits and from the HOME funds. The more stringent of the funding sources' affordability/rent restrictions will take precedence during the term of their applicability.

#### FISCAL CONSIDERATIONS

The funding sources and uses proposed for approval by this action are included in the Fiscal Year (FY) 2020 Budget. Approving this action will not change the FY 2020 total budget.

<u>Funding sources approved by this action will be as follows:</u>
Bond Issuance Fees - \$252,500 (\$101,000,000 X .0025 = \$252,500)

Funding uses approved by this action will be as follows:

Rental Housing Finance Program Administration Costs - \$252,500

There are no fiscal impacts to the Housing Commission, or to the City of San Diego, or to the Housing Authority associated with the requested bond actions. The Bonds/note will not constitute a debt of the City of San Diego. If the Bonds/note is ultimately issued for the project, the Bonds/note will not financially obligate the City, the Housing Authority, or the Housing Commission because security for the repayment of the Bonds/note will be limited to specific private revenue sources. Neither the faith and credit nor the taxing power of the City, nor the faith and credit of the Housing Authority will be pledged to the payment of the Bonds/note. The developer is responsible for the payment of all costs under the financing, including the Housing Commission Bond Counsel and Financial Advisor fees. Additionally the developer is responsible for payment of the Housing Commission's .0025 bond amount issuer fee (estimated at \$252,500 with a \$101,000,000 bond issue) and the Housing Commission's annual administrative fee (estimated at \$10,272) with an estimated \$8,217,898 outstanding bonds amount at permanent financing conversion.

## Development Schedule

The estimated development timeline is as follows:

Milestones	<b>Estimated Dates</b>
Housing Authority consideration of final bond authorization	• October 15, 2019
<ul> <li>Estimated bond issuance and escrow/loan closing</li> </ul>	• October 25, 2019
<ul> <li>Estimated start of construction work</li> </ul>	November 2019
<ul> <li>Estimated completion of construction work</li> </ul>	November 2021

#### PREVIOUS COUNCIL and/or COMMITTEE ACTION

In November 2017, the 1 14th Street 407-unit combined development received discretionary design review from Civic San Diego.

#### COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS

On November 8, 2017, the Downtown Community Planning Committee voted 11-5 in support of Civic San Diego granting design review approval. The developers report that those in opposition supported concerns that there is an overconcentration of permanent supportive housing units in the East Village neighborhood.

#### **KEY STAKEHOLDERS & PROJECTED IMPACTS**

Stakeholders include SVDPM and Chelsea as the co-developers, the Housing Authority as the Bonds/note issuer, the County of San Diego as a lender, the State Department of Housing and Community Development as a lender, and the East Village neighborhood. The 14th and Commercial development is anticipated to have a positive impact on the community as it will contribute to the quality of the surrounding neighborhood and create new affordable units for low-income persons.

#### STATEMENT FOR PUBLIC DISCLOSURE

Developer Disclosure Statements for SVDPM and Chelsea are provided at Attachments 7A and 7B.

#### **ENVIRONMENTAL REVIEW**

#### California Environmental Quality Act

Development within the Downtown Community Planning area is covered under the following documents, all referred to as the "Downtown FEIR": Final Environmental Impact Report (FEIR) for the San Diego Downtown Community Plan, Centre City Planned District Ordinance, and 10th Amendment to the Centre City Redevelopment Plan, certified by the former Redevelopment Agency ("Former Agency") and the City Council on March 14, 2006 (Resolutions R-04001 and R-301265, respectively); subsequent addenda to the FEIR certified by the Former Agency on August 3, 2007 (Former Agency Resolution R-04193), April 21, 2010 (Former Agency Resolution R-04510), and August 3, 2010 (Former Agency Resolution R-04544), and certified by the City Council on February 12, 2014 (City Council Resolution R-308724) and July 14, 2014 (City Council Resolution R-309115); and, the Final Supplemental Environmental Impact Report for the Downtown San Diego Mobility Plan certified by the City Council on June 21, 2016 (Resolution R-310561). Development within the Downtown Community Planning area is also covered under the following documents, all referred to as the "CAP FEIR": FEIR for the City of San Diego Climate Action Plan (CAP), certified by the City Council on July 12, 2016 (City Council Resolution R-310596). The Downtown FEIR and CAP FEIR are both "Program EIRs" prepared in compliance with California Environmental Quality Act (CEQA)

Guidelines Section 15168. The information contained in the Downtown FEIR and the CAP FEIR reflects the independent judgement of the City of San Diego as the lead agency. The Downtown FEIR and CAP FEIR are located on the City of San Diego's website:

(https://www.sandiego.gov/planning/programs/ceqa#Final CEQA Documents). Consistent with best practices suggested by Section 15168, a Downtown 15168 Consistency Evaluation ("Evaluation") will be completed to evaluate the project's consistency with the findings of the Downtown FEIR and CAP FEIR. If the evaluation concludes that the environmental impacts of the project were adequately addressed in the Downtown FEIR and CAP FEIR, the project within the scope of the development program described within both documents for the purposes of CEQA; and, that none of the conditions listed in Section 15162 exist, no further environmental documentation will be required under CEQA. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process.

#### National Environmental Policy Act

Federal funds will constitute a portion of the funding for the project. A final reservation of federal funds shall occur only upon satisfactory completion of the environmental review and receipt by the City of San Diego of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58 of the National Environmental Policy Act (NEPA). The parties agree that the provision of any federal funds to the project is conditioned on the City of San Diego's determination to proceed with, modify, or cancel the project based on the results of a subsequent environmental review under NEPA. The Housing Commission received final NRPA clearance and authorizations to use grant funds from HUD on June 30, 2018, and August 14, 2018, respectively.

## HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as "private activity bonds" because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith and credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AML The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks) Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

#### **Approval Process:**

• Inducement Resolution: The bond process is initiated when the issuer (Housing Authority) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, Housing Authority, or the developer to proceed with the financing.

• TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): To assure that projects making use of tax-exempt financing meet appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located (City Council). This process does not make the City financially or legally liable for the bonds or for the project.

[Note: Members of the City Council may be asked to take two actions at this stage in the bond process---one 'in their capacity as the City Council (TEFRA hearing and resolution) and another as the Housing Authority (bond inducement). Were the issuer (Housing Authority) a more remote entity, the TEFRA hearing and resolution would be the only opportunity for local elected officials to weigh in on the project.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Authority and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the issuance of bonds through adoption of a final resolution authorizing the issuance. Prior to final consideration of the proposed bond issuance, the project must comply with all applicable financing, affordability, and legal requirements and undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders. If rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.

Re: 14th & Commercial Apartments/14C VHHP Apartments

Dear Mr. Correia:

The San Diego Housing Commission (the "Commission") has retained Ross Financial as its municipal advisor to analyze the feasibility of issuing tax-exempt and taxable obligations, as the case may be (the "Notes"), for the 14<sup>th</sup> & Commercial Apartments ("14<sup>th</sup> & Commercial") and for the 14C VHHP Apartments ("VHHP" and collectively with 14<sup>th</sup> & Commercial, the "Developments).

This feasibility analysis reviews the following items:

- Overview of the Developments
- Proposed financing approach
- Benefits and risks to Commission
- Public purpose
- Recommendations

Ross Financial has based its analysis of the Developments' financial feasibility on materials provided by Chelsea Investment Corporation ("Chelsea"), which, along with SVDP Management, has created the developer and borrower entities for the Developments. The materials include: (1) the joint applications to the California Debt Limit Allocation Committee ("CDLAC") and California Tax Credit Allocation Committee ("CTCAC"), (2) the financing commitments from Citibank, N.A., as construction and permanent lender (the "Lender") for each of the Developments, (3) the market study performed by Kinetic Valuation Group in support of the applications to CDLAC and CTCAC, and (4) Chelsea's pro forma financial schedules for the Developments. Ross Financial has not visited the site of the proposed Developments and had no role in the selection of the Lender.

#### **OVERVIEW OF DEVELOPMENTS**

**Development Summary**. The Developments are new construction multifamily rental housing developments located in two contiguous and conjoined high rise residential towers of 14 and 7 stories. 14<sup>th</sup> & Commercial will contain an aggregate of 326 studio, 1-bedroom and 2-bedroom apartments. 14C VVHP will contain an aggregate of 81 studio and 1-bedroom apartments. 14<sup>th</sup> & Commercial and 14C VHHP will be delineated by two legally separated condominium parcels.

The Developments will share a podium surface level parking facility that will provide 65 spaces for 14th & Commercial and 16 spaces for 14C VHHP. Each of the Developments will contain commercial space that will house on-site property management, social services staff and certain resident-related amenities. Site amenities include approximately 1,000 square feet of community rooms on each of the residential floors, 8 community kitchens, laundry facilities, bicycle parking, recreational activities, fitness and multipurpose rooms, an exterior smoking area, a dog run area, a community garden, assembly space and a tot lot. Unit amenities will include a kitchenette, cabinets, microwave oven, refrigerator, and a private bathroom.

*Unit and Affordability Mix.* The unit mix and affordability restrictions for each of the Developments are expected to be as follows:

14th & Commercial	Unit Mix	25-35% AMI**	50% AMI**
Studio/1 Bath	281	281	un bes
1 Bedroom/1 Bath	17		17
2 Bedroom/1 Bath	28*		25
Total Units	326	281	42

<sup>\*</sup>Includes 3 manager's units

<sup>\*\*</sup> AMI = Area median income; Manager's unit is not subject to affordability restrictions

14C VHHP	Unit Mix	30% AMI**	60% AMI**
Studio/1 Bath	76	40	36
1 Bedroom/1 Bath	5*		4
Total Units	81	40	40

<sup>\*</sup>Includes 1 manager's unit

For 14<sup>th</sup> & Commercial, of the 281 units restricted to households earning between 25% to 35% of AMI, 230 units will be rented to homeless individuals who reside in San Diego, meet income criteria under the project based voucher program and are identified as most appropriate for permanent supportive housing through the Coordinated Entry System. Project based vouchers will provide rental subsidies for these units.

For 14C VHHP, of the 40 units restricted to households earning no more than 30% of AMI, (a) 24 units will be rented to homeless individuals who reside in San Diego, meet the income criteria for the project based voucher program and are identified as most

<sup>\*\*</sup> AMI = Area median income; Manager's unit is not subject to affordability restrictions

appropriate for permanent supportive housing through the Coordinated Entry System and (b) 16 units will be rented to chronically homeless veterans, who reside in San Diego and who meet the criteria for the Veterans Affairs Supportive Housing (VASH) project based vouchers.

**Description of Project Site**. The Developments are to be constructed on a 1.06 acre site located at 1 14<sup>th</sup> Street.

Located in the East Village neighborhood of San Diego, the Project Site is 0.1 mile from the Imperial Avenue Transit Center serving all San Diego trolley lines and four bus lines; 0.3 mile from the San Diego Central Library, 0.3 mile from Fault Line Park and 0.4 mile from Walmart. The following resources will be accessible by residents within the area:

- Employment/Career Centers (PATH Connections San Diego, SDHC Achievement Academy and Father Joe's Village Main Campus)
- Healthcare (Logan Heights Family Health Center)
- Homeless Service Providers (Neil Good Day Center, Transitional Storage Center, Father Joe's Village Main Campus, YWCA)
- Schools: Students that reside at the Developments will be zoned to attend Perkins Elementary, Memorial Prep Middle School and E3 Civic High School
- Parks (Crosby, Chicano, Martin Luther King Jr. Promenade)

Ownership of the Developments/Borrowers. The ownership entities for the Developments will be the following single asset California limited partnerships:

14<sup>th</sup> & Commercial: 14<sup>th</sup> & Commercial CIC, L.P., consisting of: (1) S.V.D.P Management, Inc., a 501(c)(3) nonprofit public benefit corporation ("SVDP"), which will act as the managing general partner; (2) CIC 14<sup>th</sup> & Commercial LLC, an entity created by Chelsea, which will act as the administrative general partner; and (3) an investor limited partner that will be formed by Raymond James Tax Credit Funds.

<u>VHHP</u>: 14<sup>th</sup> & Commercial CIC-VHHP, L.P., consisting of: (1) SVDP, which will act as the managing general partner; (2) CIC-VHHP 14<sup>th</sup> & Commercial LLC, an entity created by Chelsea, which will act as the administrative general partner; and (3) an investor limited partner that will be formed by Raymond James Tax Credit Funds.

<u>Chelsea Experience</u>. According to Chelsea, the firm has 33 years of experience in financing, developing and/or rehabilitating multifamily rental housing. This experience encompasses 10,000 units in the Western United States, including more than 2,100 affordable housing units in San Diego, Chula Vista and Carlsbad. Chelsea's most recent activity with the Housing Commission includes:

- Civita II Apartments, a 203-unit new construction project within the Creekside District of the Quarry Falls Specific Plan, which commenced construction in April 2018;
- Town & Country Apartments, a 145-unit acquisition-rehabilitation project in the Mountain View Community Plan Area in San Diego, which was completed in July 2018;
- Mesa Verde Apartments, a 90-unit new construction project in the eastern central portion of San Diego which was completed in April 2018;
- Torrey Vale Apartments, a 28-unit new construction project in the Pacific Highlands Ranch, construction of which was completed in September 2016;
- Westminster Manor, a 158-unit acquisition-rehabilitation project in Centre City, completed in December 2015; and
- Fairbanks Square a 100-unit construction project in Black Mountain Ranch, completed in December 2014.

CDLAC/CTCAC. On May 17, 2019, the Housing Authority filed joint applications to CDLAC and CTCAC requesting private activity bond allocations of \$101,000,000 for 14<sup>th</sup> & Commercial and \$22,000,000 for 14C VHHP, along with a reservation of 4% tax credits. On July 17, 2019, CDLAC awarded private activity bond allocations in the requested amounts and CTCAC reserved the requested 4% tax credits. The CDLAC allocations will expire in 180 days – on January 13, 2020.

In connection with the CDLAC/CTCAC application process, on May 14, 2019, the Housing Authority adopted resolutions of intent to issue tax-exempt obligations for the Developments and authorized the submission of applications to CDLAC. On the same date, TEFRA hearings, duly noticed, were held before the City Council at which time each of the Developments were approved for purposes of Section 147 of the Internal Revenue Code. The TEFRA approvals were signed May 17, 2019.

#### PROPOSED FINANCING

**Project Costs and Funding.** According to most recent projections provided by Chelsea, the total costs of the Developments, including construction and all soft costs, are estimated at \$150,997,242 for 14<sup>th</sup> & Commercial and \$39,954,379 for VHHP. The estimated sources and uses of funds will differ during the construction period and following construction and lease-up ("at permanent"), as shown in the following tables based on the most recent projections:

The Notes and Bank Funding Approach. The expectation (based on the most recent proformas) is that the Housing Authority will issue:

- For 14<sup>th</sup> & Commercial –The Notes for 14<sup>th</sup> & Commercial Notes will be issued as a single tax-exempt series in the estimated amount of \$94,164,571 (but in no case to exceed \$101,000,000).
- For VHHP The Notes for VHHP will be issued in two series:
  - o A tax-exempt series in the amount of \$22,000,000 (maximum tax-exempt amount) and
  - o A taxable series in the amount of \$869,135 (but in no case to exceed \$2,000,000).

The Notes will have the following features:

- Each Note will be funded by Citibank, N.A. (the "Lender");
- The Notes will be issued on a draw down basis, with interest payable only on the amounts drawn;
- During construction and lease up (approximately 36 months), each tax-exempt Note will bear a variable interest rate estimated at approximately 4.00% and the taxable Note for VHHP will bear a variable interest rate estimated at approximately 4.25%;
- Following construction and lease up (at "conversion"),
  - o The Note for 14<sup>th</sup> & Commercial will be repaid in an amount that will leave outstanding an estimated principal amount of \$8,217,898 (subject to final underwriting);
  - The tax-exempt Note for VHHP will be repaid in an amount that will leave outstanding an estimate principal amount of \$3,335,629 (subject to final underwriting).
  - o The taxable Note for VHHP will be repaid in full.
  - The sources of repayment for the Notes at conversion are expected to be a combination of low income tax credit proceeds and loans from the

California Department of Housing and Community Development ("HCD").

- o The remaining Notes at permanent will bear a fixed rate currently estimated at 4.12%.
- The remaining Notes will amortize on a 20-year basis and are anticipated to have a stated final maturity of 20 years after conversion.
- The Notes are expected to close on or about late October/early November.

The Lender will execute a document with certain required representations to the effect that it has sufficient knowledge and experience to evaluate the risks and merits associated with making the loans evidenced by the Notes and has indicated its intention to hold the Notes for its account. The Lender may transfer all or a portion of the Notes only to transferees that execute a document with similar representations.

Housing Commission Financial Involvement. The Housing Commission will be providing residual receipts loans in the amount of up to \$6,150,000 for 14<sup>th</sup> & Commercial and in the amount of up to \$5,350,000 for VHHP (collectively, the "Housing Commission Loans") to fund a portion of each Development's construction costs. For 14<sup>th</sup> & Commercial, the sources of funding are: \$2,000,000 from HOME funds and \$4,150,000 from the City of San Diego's Affordable Housing Fund; for VHHP, the sources of funding are: \$2,000,000 from HOME funds and \$3,350,000 from the City of San Diego's Affordable Housing Fund.

The Housing Commission Loans will be payable from each of the Developments' residual receipts with the following basic terms:

• Interest Rate: 3% simple interest

• Payments: 50% of residual cash flow after repayment of the non-

subordinated portion of the deferred Developer Fee, subject to

sharing with other subordinate lenders (i.e., HCD)

• Term: 55 years

• Affordability: <u>14<sup>th</sup> & Commercial</u>: 60 studio units @ 25% AMI; 59 studio units

@ 30% AMI; 49 studio units @ 35% AMI; 22 studio units @ 40% AMI; 42 units (17 1-bedroom and 25 2-bedroom) @ 50%

AMI

<u>VHHP</u>: 40 Studio units @ 30% AMI; 40 units (36 studio and 4 1-

bedroom) @ 60% AMI

Affordability Restrictions. The Developments will be subject to the following regulatory restrictions and terms:

• Tax-Exempt Note Regulatory Agreement requirements (including voluntary elections made to CDLAC) for a 55-year term;

September 10, 2019

- Tax Credit Regulatory Agreement requirements under which all units must be affordable at 60% AMI for a 55-year term to remain eligible for tax credits; and
- Housing Commission's Loan Agreement and Declaration of Covenants, Conditions and Restrictions for each of the Developments under which the units will be restricted for 55 years.

### PUBLIC PURPOSE

The Notes are expected to result in the long-term affordability of an aggregate of 403 studio, one and two-bedroom units in the City of San Diego: 321 units will be restricted and affordable to households earning 25% to 35% AMI; 42 units will be restricted and affordable to households earning 50% AMI; and 40 units will be restricted and affordable to households earning 60% AMI. 4 units will be occupied by resident managers. The 321 units that are restricted to 25% to 35% AMI will be rented to individuals experiencing homelessness with an identified disability, residing in San Diego, and identified as most appropriate for permanent supportive housing through the Coordinated Entry System.

The Notes, Tax Credit Regulatory Agreements and Housing Commission's Loan Agreement will require that these affordability levels be maintained for a period of 55 years.

### BENEFITS AND RISKS TO THE COMMISSION

The Notes provides a vehicle for financing a portion of the construction costs of the Developments. As proposed, the Notes will result in the long-term affordability of 403 studio, one and two-bedroom units in the City of San Diego with units restricted to income levels described in "Public Purpose" above.

The Notes do not pose undue financial risk to the Housing Authority. The Notes are not direct obligations of the Housing Authority or the City of San Diego. The Notes will evidence loans to be funded by the Lender, which has indicated its intention to hold the Notes for its own account. The Notes are expected to be repaid down to \$8,217,898 with respect to 14<sup>th</sup> & Commercial and \$3,335,629 with respect to VHHP after their construction and lease-up – a reduction of approximately 93% in the case of 14<sup>th</sup> & Commercial and 85% in the case of VHHP.

The primary risk is construction and lease-up risk – that the Developments are not completed and/or leased up. Given the development experience of Chelsea and SVDP, the target tenant population, the amount of subsidy committed to the Developments and the demand for deeply affordable units, this risk seems remote.

If the Housing Authority issues the Notes, the Commission would receive an issuer fee at Note closing of \$235,419 with respect to 14<sup>th</sup> & Commercial and \$57,173 with respect to VHHP: equal to 0.25% times the initial aggregate par amount of the Notes (\$94,167,571 for 14<sup>th</sup> & Commercial and \$22,869,121 for VHHP, based on current projections). The Commission also would receive estimated aggregate annual fees of \$146,296 to monitor the Notes during the construction period and an estimated \$81,322 following conversion (based on an annual fee equal to: (a) the permanent loan amount (estimated at \$8,217,898 for 14<sup>th</sup> & Commercial and \$3,335,629 for VHHP) times 0.125% (subject to a \$10,000 minimum for VHHP) plus (b) a per unit monitor fee of \$150/unit).

Costs of issuance will be funded by each Borrower from low income housing tax credit contributions and/or other funds. The Borrowers have agreed to indemnify the Housing Authority and Commission as to matters relating to the Notes. However, each Borrower is a single purpose entity with no significant assets or sources of income other than the respective Development and is generally not required to make up any cash flow shortfalls. Accordingly, Chelsea will be providing its indemnification.

### RECOMMENDATIONS

Ross Financial recommends that the Housing Authority proceed with the issuance of the Notes based on the following findings:

- The Notes will achieve a public purpose by providing an aggregate of 403 affordable units, with all units restricted to income levels at 25% to 35%, 50% and 60% of AMI.
- The Notes will evidence tax-exempt loans funded by a well-established, highly capitalized bank that is active in affordable housing lending. The Notes will be subject to restrictive transfer limitations at all times.
- Each Borrower has agreed to indemnify the Housing Authority and the Commission regarding matters relating to the financing. Each Borrower will pay issuance costs from sources other than Note proceeds.
- Based on estimates provided by Chelsea on behalf of each Borrower, there should be sufficient funds to complete the Developments and the Developments provide adequate cash flow to cover permanent loan debt service on the Notes.

If there is any additional information you require concerning the Developments, Ross Financial will be pleased to provide a supplemental analysis.

Very truly yours,

Tun 86 Tue

Peter J. Ross Principal

Dear Taxpayer:

This is in response to your Aug. 13, 2010, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in August 1995.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

nichele M. Sullivas

#### Report on the Financial Statements

We have reviewed the accompanying consolidated financial statements of Chelsea Investment Corporation, an S Corporation (the "Company") and Subsidiaries, which comprise the balance as of December 31, 2015, and the related consolidated statement of operations, stockholder's equity, and cash flows for the year then ended, and related notes to the consolidated financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement whether due to fraud or error.

#### Accountants' Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the consolidated financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

#### Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2015

#### NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Operations

Chelsea Investment Corporation (the "Company") was established in February 2004, as a real estate company focusing on the financing and development of affordable housing in Arizona, California and New Mexico. The Company provides financial engineering, development, asset management, and property management services, as well as legal and labor services to its development and investment partners and clients.

#### Basis of Accounting

The Company prepares its financial statements on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America.

#### Principles of Consolidation

The accompanying consolidated financial statements include the assets, liabilities, and financial activities of the Company and its wholly-owned subsidiaries CIC Calipatria, LLC, CIC Heber, LLC, CIC Beachwind, LLC, and Ajax-Natomas, LLC. In addition, the Company is required to consolidate the financial statements of 15<sup>th</sup> Investment CIC, LLC, as the Company is deemed to have control. All inter-company accounts and transactions have been eliminated in the consolidation.

#### Estimates

The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### **Economic Concentrations**

The Company develops property for the affordable rental housing market. Future operations could be affected by changes in the economic or other conditions in that geographical area or by changes in the demand for housing.

#### Cash and Cash Equivalents

Cash and cash equivalents include all cash balances on deposit with financial institutions and highly liquid investments with a maturity of three months or less at the date of acquisition.

#### Concentration of Credit Risk

The Company maintains its cash in bank deposit accounts which at times may exceed the federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

#### Revenue Recognition

The Company recognizes revenue when it is realized or realizable and earned. Revenue consists of the income from various partnerships, including developer fees, incentive management fees, partnership administration fees, and consulting fees. The Company considers revenue realized or realizable and earned when it has persuasive evidence of an arrangement, the services have been provided and collectability is reasonably assured.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2015

# NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Income Taxes

Deferred income tax assets and liabilities result from temporary differences. Temporary differences are differences between the tax basis of assets and liabilities and their reported amounts in the financial statements that will result in taxable or deductible amounts in future years.

By consent of the stockholder, the Company elected to be taxed as an S corporation beginning with the year ended December 31, 2004. Federal and state income taxes on the earnings of an S corporation are payable by the sole stockholder. However, California assesses an additional tax of 1.50% on the taxable income, net of certain credits.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Company to report information regarding its exposure to various tax positions taken by the Company. Management has determined whether any tax positions have met the recognition threshold and has measured the Company's exposure to those tax positions. Management believes that the Company has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Company are recorded in operating expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements.

#### Partnership Investments

The consolidated wholly-owned subsidiaries of the Company hold general partner interests in affiliated affordable housing limited partnerships. These general partner interests are recorded using the cost method, under which the original contributions are only adjusted for any distributions in excess of prior gains. The investments cannot be reduced below zero. Any distributions in excess of gains are recorded as investment income. As of December 31, 2015, the investment of the subsidiaries in the affiliated affordable housing limited partnerships was \$0.

#### Non-Controlling Interest in Subsidiary

The non-controlling interest represents the aggregate positive balance of the other members' interest in 15th Investment CIC, LLC, and is reported in the aggregate on the consolidated balance sheet within equity and on the consolidated statement of stockholder's equity, separately from the Company's equity.

#### Fixed Assets

The Company records all depreciable assets at cost. Property and equipment are depreciated on a straight-line method over their estimated useful lives of five to seven years. Leasehold improvements are depreciated on a straight-line method over their estimated useful lives of fifteen years.

#### Subsequent Events

Subsequent events have been evaluated through March 28, 2016, which is the date the financial statements were available to be issued, and there are no subsequent events requiring disclosure.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

#### Project Cost Advances

The Company and its affiliates have expended certain amounts for projects that it expects will be funded and completed in the future. These amounts are capitalized as the Company expects they will be reimbursed in the future. Any costs associated with projects that cease being feasible for future development are expensed, when the determination is made that feasibility is no longer assured.

Project costs advances consist of the following as of December 31, 2015:

Total project cost advances – related parties  Less: current portion of project costs advances – related parties	\$ 1,390,947 <u>(798,042</u> )
Project cost advances – related parties, less current portion	\$ 592,905

#### Developer Fees

Developer fees are fees the Company receives for providing development and construction services to associated projects, which are based on fee sharing agreements with various project developer entities associated with the Company. Balances are recorded at amounts expected to be realized and any amounts received and deemed unearned by the Company are classified as unearned revenue. For the year ended December 31, 2015, developer fees earned were \$4,536,388.

The developer fees receivable balance is recorded at amounts expected to be realized. As of December 31, 2015, management estimated no allowance for uncollectible developer fees receivable.

Developer fees receivable- related parties, less current portion	<u>\$</u>	121,984

#### Partnership Management Fees

The Company receives partnership management fees from associated properties after they have been completed. The management fees are accrued on the Company's books as services are rendered and are paid out of the available cash flow, if any, of the partnerships. For the year ended December 31, 2015, partnership management fees of \$114,353 were earned and are included in management fees revenue on the consolidated statement of operations. As of December 31, 2015, partnership management fees receivable were \$707,158.

#### Incentive Management Fee

Pursuant to an incentive management fee agreement between the Company and CIC PHR, LP ("PHR") dated September 1, 2002, an incentive management fee equal to 5.4% of gross revenues or 76.5% of remaining cash flow from PHR, shall be earned by the Company for consultative services. For the year ended December 31, 2015, a management fee of \$43,972 was earned and paid, and is included in management fees revenue on the consolidated statement of operations.

#### Management Fee

Pursuant to a services agreement between the Company and Chelsea Asset Corporation ("CAC") dated January 1, 2015, a management fee of \$2,500 shall be earned by the Company for services provided. For the year ended December 31, 2015, a management fee of \$2,500 was earned and paid, and is included in management fees revenue on the consolidated statement of operations.

#### NOTE 5 - LINE OF CREDIT

The Company has a line of credit agreement with the American West Bank, with an available credit line of \$2,500,000, which is scheduled to mature on June 25, 2017. The line of credit bears interest at a variable interest rate with a floor of 3.5%, which was the interest rate as of December 31, 2015. The outstanding balance on the line of credit as of December 31, 2015 was \$0.

The line of credit agreement contains certain financial covenants, which if not met, could make the debt callable. The Company is in compliance with all covenants at December 31, 2015.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2015

#### **NOTE 6** – OPERATING LEASE

The Company leases certain building space under a non-cancelable operating lease that will expire October 31, 2016. This agreement requires aggregate monthly payments of \$17,496 plus the proportionate share of common area maintenance expenses, with monthly payments increasing 3% annually every September. On March 12, 2013, the agreement was amended to include 5,000 feet of warehouse space to the existing premises in an adjacent building. After an initial 6 month grace period, the amendment requires aggregate monthly payments of \$3,900 plus electricity used in the warehouse space, with monthly payments increasing 3% every September. Rent expense, which includes common area expenses, for the year ended December 31, 2015 was \$212,688 (net of sublease income).

Future minimum lease payments, by year end and in the aggregate, under the non-cancelable lease, consist of the following as of December 31:

2016	\$ 239,730
Total	\$ 239,730

#### **NOTE 7 – COMMITMENT AND CONTINGENCIES**

The Company is a party to certain payment and completion guarantees in connection with bank construction loans made for twelve projects as of December 31, 2015 in the aggregate amount of \$92,855,632. Nine of the twelve projects with construction loans in the aggregate amount of \$56,820,023 as of December 31, 2015 are nearing completion and are expected to be paid off in 2016. The other projects are currently on schedule and are expected to be completed in 2016. As of December 31, 2015, the Company expects that it will not be liable for any amount under the guarantees for these twelve projects.

The Company is liable for guarantees of funding at various operating projects in the event that operating deficits occur. These guarantees, if required, are satisfied by making loans to such projects. The obligations to fund the operating deficits expire between 3 and 5 years after the projects convert to permanent financing. As of December 31, 2015, the Company has made an operating deficit loan in the amount of \$29,000, as shown in Note 4.

The Company has committed to third party Investor Limited Partners, in connection with their investment made in various projects, to maintain a net worth and liquid assets of not less than \$3,750,000 during the project construction period and a net worth of not less than \$3,750,000 and liquid assets of not less than \$1,875,000 thereafter until the end of the 15 year compliance period. As of December 31, 2015, the Company was in compliance with these covenants.

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2015

#### NOTE 8 – PROVISION FOR INCOME TAXES

The Company is a California S Corporation and pays California a tax of 1.5%, a minimum of \$800 each year, on its apportioned taxable income, net of credits. The consolidated subsidiaries are primarily California limited liability companies (LLC's) that pay a California annual minimum tax of \$800.

The provision for income taxes consisted of the following at December 31, 2015:

Current income tax provision - state

\$ 15,160

At December 31, 2015, the Company had a net long term deferred tax asset of \$21,000. No valuation allowance has been recorded as of December 31, 2015.

#### NOTE 9 - EMPLOYEE RETIREMENT PLAN

On August 16, 2006, the Company adopted a 401(k) plan and profit sharing plan covering substantially all employees of the Company. Annual discretionary employer matching contributions, if any, are equal to a safe harbor matching contribution provided by the Company to employees who elects the salary deferral. For the year ended December 31, 2015, the matching contributions paid by the Company were \$40,655.

#### NOTE 10 - MARKETABLE SECURITIES - SHORT-TERM

Marketable securities held by the Company consist of accounts at Vanguard Inc. in the aggregate amount of \$2,013,012. As of December 31, 2015, the total amount of marketable securities held by the Company was \$2,013,012.

#### **NOTE 11** – LOSS CONTINGENCY

In 2014, a class action lawsuit was brought against the Company and its affiliates under the Fair Housing Act by tenants of an apartment complex in San Diego, the Windwood Village Apartments, for which the Company was the developer. On November 24, 2015, the Company and its affiliates reached a settlement with the plaintiffs. The settlement amount will be covered completely by the Company's insurance provider except the portion of self-insured retention in the amount of \$50,000, which the Company reasonably expects to incur in relation to the litigation. As a result, the Company has accrued a loss contingency equal to the expected liability of \$50,000. As of December 31, 2015, the accrued loss contingency was \$50,000.

#### AREAS OF EXPERTISE

#### **General Contractor**

Emmerson is committed to delivering products and services of exceptional quality while always focusing on schedule, safety, and budget. The building structures normally consist of reinforced or post-tensioned concrete slabs with wood frame construction and stucco exteriors. A number of projects feature podium decks. The buildings typically exceed Title 24 standard energy efficiency standards with features such as dual pane windows with low E glass, 2x6 framing, and energy efficient appliances. Completed jobs include multiple LEED certified projects up to the prestigious LEED Platinum level.

#### **Construction Management**

Emmerson also offers construction management services to thirdparty general contractors. Under this arrangement, Emmerson provides owners with project oversight, budget and schedule review, quality assurance, and related services.

#### TEAM MEMBERS

#### PRESIDENT - Charles Schmid

Charles started with Chelsea in 1986, and applies experience with real estate finance, development and management in his role as President of Emmerson. With a background in development of multifamily projects and as a licensed general contractor, he has supervised the construction of more than 4,000 units in California and Arizona. Charles has a degree from the University of California, San Diego, and a thorough understanding of the life cycle of apartment development, from feasibility analysis through lease-up. Recent projects range from rural development of 80 units to urban and suburban San Diego projects of more than 200 units.

# CHIEF FINANCIAL OFFICER - Tim Gray

Tim has over 25 years of professional accounting experience with a primary focus on the construction industry. He obtained his CPA while working with Ernst & Young and PricewaterhouseCoopers and holds an accredited CCIFP designation. Formerly with Viewpoint Construction Software, Tim's experience includes managing accounting teams of up to 50 in various leadership roles. Companies also include Holiday Retirement, Matrix Development, Zephyr Communities, Legend Homes and DR Horton. Tim has been involved in over 300 communities during all stages of development, construction and property

management. He currently serves on several construction associations including CFMA-Treasurer, ABC-Director, and ICCIFP-Secretary.

#### DIRECTOR OF CONSTRUCTION - Zion Patton

Zion has more than 25 years of experience constructing affordable and market rate multi-family housing. Contract values have ranged from \$10 to \$120 million and include projects in excess of 300 units. Zion has completed more than 2,500 new construction units. Additionally, Zion has completed the rehabilitation of over 900 units and was also hired to establish rehabilitation programs for other general contractors. He created schedules allowing the complete rehabilitation on a highly expedited basis while maintaining quality and efficiency without displacing tenants.

#### SENIOR PROJECT MANAGER - Janice Patterson

Previously with Barratt American as Project Manager Janice's project experience included subdivisions from 8 to 175 homes built in multiple phases and multifamily projects. During her time at Emmerson, Janice has completed 10 family and senior apartment projects from two to five stories. Her completed projects at Emmerson have a combined contract value of approximately \$100 million.

#### PROJECT MANAGER - Theresa DeMarco

Theresa has been in the construction industry for over 20 years. In addition to multifamily construction, she has extensive renovation and tenant improvement experience. She was previously with Crown Acquisitions as a Project Manager, where she managed multifamily construction projects and was responsible for implementing project management software and establishing in-house protocols for construction operations. Theresa's prior experience also includes time at Centex Homes as a Senior Superintendent. As a general contractor, Theresa has designed and completed extensive multifamily remodeling projects on complexes with 280-320 units.

#### PROJECT MANAGER - Martin Apicella

Martin Apicella joined the Emmerson Construction team after working ten years as Project Manager at KBS, a top construction firm in Virginia. A veteran of the US Army, Martin holds a BS degree in Construction Management and Real Estate from Virginia Tech and studied Architecture at Technical University of Darmstadt in Germany. His wide-ranging experience includes projects such as construction of a 400-unit luxury residential building, transformation of a historic naval industrial manufacturing facility into 45,000 sf retail and office complex, and the renovation/reuse of a Lucky Strike tobacco factory into 131 luxury apartments. Martin is a LEED AP BD+C.
