

EXECUTIVE SUMMARY

HOUSING COMMISSION EXECUTIVE SUMMARY SHEET

MEETING DATE: November 13, 2020 HCR20-110

SUBJECT: Preliminary Bond Authorization for The Junipers

COUNCIL DISTRICT(S): 5

ORIGINATING DEPARTMENT: Real Estate Division

CONTACT/PHONE NUMBER: Colin Miller / 619-578-7429

REQUESTED ACTION:

Take the initial steps to issue Housing Authority of the City of San Diego tax-exempt Multifamily Housing Revenue Bonds to facilitate the construction of a new three-story affordable senior housing development at the northwest corner of Interstate 15 and Carmel Mountain Road in the Rancho Peñasquitos neighborhood, which will consist of 80 units affordable for 55 years for seniors earning from 50 percent to 60 percent of the San Diego Area Median Income and one unrestricted manager's unit.

EXECUTIVE SUMMARY OF KEY FACTORS:

- The proposed development is an 81-unit, affordable senior rental housing, new construction project that will located at the northwest corner of Interstate 15 and Carmel Mountain Road in the Rancho Peñasquitos neighborhood of Council District 5.
- The development includes 65 one-bedroom and 16 two-bedroom apartments. All units (excluding the manager's unit) restrict rents to 50 60 percent of San Diego Area Median Income.
- Chelsea Investment Corporation is the developer, and is seeking preliminary approvals to issue up to \$19,500,000 in tax-exempt Multifamily Housing Revenue Bonds.
- No San Diego Housing Commission (Housing Commission) loan proceeds will be provided to this development.
- Total development cost of the development is \$29,166,405.
- Staff requests the Housing Commission Board recommend to the Housing Authority approval of the following steps:
 - o Issue a bond inducement resolution for up to \$19,500,000 in Multifamily Revenue Bonds.
 - o Authorize an application to the California Debt Limit Allocation Committee
 - Approve a financing team of Kutak Rock as Bond Counsel and CSG Advisors as Financial Advisor
 - Request the City Council hold a Tax Equity and Fiscal Responsibility Act public hearing to adopt a resolution approving the issuance of the tax-exempt bonds.
 - If approved, the developer could commence construction in April 2022 and complete construction by August 2023.

REPORT

DATE ISSUED: November 6, 2020 **REPORT NO**: HCR20-110

ATTENTION: Chair and Members of the San Diego Housing Commission

For the Agenda of November 13, 2020

SUBJECT: Preliminary Bond Authorization for The Junipers

COUNCIL DISTRICT: 5

REQUESTED ACTION

Take the initial steps to issue Housing Authority of the City of San Diego tax-exempt Multifamily Housing Revenue Bonds to facilitate the construction of a new three-story affordable senior housing development at the northwest corner of Interstate 15 and Carmel Mountain Road in the Rancho Peñasquitos neighborhood, which will consist of 80 units affordable for 55 years for seniors earning from 50 percent to 60 percent of the San Diego Area Median Income and one unrestricted manager's unit.

STAFF RECOMMENDATION

That the San Diego Housing Commission (Housing Commission) recommend the Housing Authority of the City of San Diego (Housing Authority) and the San Diego City Council (City Council) take the following actions, as described in this report.

Housing Authority:

- 1) Approve the following preliminary steps to issue Housing Authority tax-exempt Multifamily Housing Revenue Bonds to facilitate the development of The Junipers at the northwest corner of Interstate 15 and Carmel Mountain Road in the Rancho Peñasquitos neighborhood, which will consist of 80 units affordable for 55 years for seniors aged 55 and older earning between 50 percent and 60 percent of the San Diego Area Median Income (AMI) and one unrestricted manager's unit:
 - a. Issue a bond inducement resolution (Declaration of Official Intent) for up to \$19,500,000 in Multifamily Housing Revenue Bonds supporting the development of The Junipers by a limited partnership formed by Chelsea Investment Corporation, Juniper CIC, LP;
 - b. Authorize an application (and subsequent applications, if necessary) to the California Debt Limit Allocation Committee (CDLAC) for an allocation of authority to issue tax-exempt private activity bonds in an amount up to \$19,500,000 for The Junipers; and
 - c. Approve the financing team of Kutak Rock as Bond Counsel and CSG Advisors as Financial Advisor; and
- 2) Authorize the Housing Commission's President & Chief Executive Officer (President & CEO), or designee, to execute any and all documents that are necessary to effectuate the transaction and implement these approvals in a form approved by General Counsel and Bond Counsel, and to take such actions as are necessary, convenient, and/or appropriate to implement these approvals upon advice of General Counsel and/or the Bond Counsel.

November 6, 2020 Preliminary Bond Authorization for The Junipers Page 2

City Council:

Hold a Tax Equity and Fiscal Responsibility Act (TEFRA) public hearing and adopt a resolution approving the issuance of tax-exempt Multifamily Housing Revenue Bonds in an amount up to \$19,500,000 to facilitate the development of The Junipers.

SUMMARY

A development summary is included as Attachment 1.

Table 1 – Development Details

1 41	the 1 – Development Details
Address	Northwest corner of Interstate 15 and Carmel
	Mountain Road
Council District	Council District 5
Community Plan Area	Rancho Peñasquitos Planning Committee
Developers	Chelsea Investment Corporation
Development Type	New Construction
Construction Type	Three Story Type V
Parking Type	Surface parking
Housing Type	Affordable Senior (55+)
Lot Size	2.1 Acres
Units	80 affordable and 1 unrestricted manager's unit
Density	40 units/acre
Unit Mix	65 one-bedroom, 16 two-bedroom
Gross Building Area	62,841 SF
Net Rentable Area	49,186 SF

The Development

The Junipers Apartments will be an 81-unit new construction development for seniors aged 55 and older, with 80 affordable units and one unrestricted manager's unit. This development will be located on a 2.1-acre parcel at the southern end of the Lennar Homes' master-planned 55+ community to be called The Junipers. Sixteen of the units will be rent restricted for very low-income seniors with income at or below 50 percent of AMI, and the remaining 64 affordable units will be rent restricted for seniors with income at or below 60 percent of AMI.

The Junipers Apartments will consist of 65 one-bedroom flat units (573 square feet) and 16 two-bedroom flat units (738 square feet) dispersed among a three-story rectangular building with an exterior courtyard in the center. The building will have stairwells and two elevators to the third floor, and the buildings will generally resemble modern ranch style architecture with white and grey tones for the color palate. The building will have pitched roofs with dark hue composition shingles.

Unit amenities include Energy Star-rated efficient appliances (stove/oven, microwave, dishwasher, garbage disposal and refrigerator), dual-glazed windows coated for limited solar heat gain, low-energy lighting,

November 6, 2020 Preliminary Bond Authorization for The Junipers Page 3

HVAC systems that utilize energy-efficient heat pumps, use of Low Volatile Organic Compound (VOC) paints and stains for interior surfaces, private patio/balconies with storage closets blinds, and vinyl-plank flooring. All ground units will be accessible pursuant to the Americans with Disabilities Act (ADA). The required number of units will have built-out accessible bathrooms and wheelchair barrier-free shower stalls.

The Junipers master-planned community is envisioned as a new, age-qualified, active adult (aged 55 and older) residential neighborhood of primarily single-family homes that incorporates community benefits for the surrounding Glens neighborhood of Rancho Peñasquitos, including a new neighborhood park, bike paths and walking trails. The Junipers will have a total of 536 units (including the aforementioned affordable 80 affordable and one manager's unit) situated at the northwest corner of Peñasquitos Drive and Carmel Mountain Road, where the 2015 closure of the Doubletree Golf Resort opened up more than 100 acres of land. It meets all of the City's requirements for dense development and is near transit and shopping. The Junipers' developments must contribute development fees to cover expansions or renovations of community amenities, such as municipal pools, fire stations and library branches.

Project Sustainability

The development will be built as Green Point-Rated with an anticipated Gold Rating standard and comply with the California Tax Credit Allocation Committee (CTCAC) minimum energy efficiency construction standards for new construction. The roof design is focused on optimizing square footage to allow maximum area to install the Solar Photovoltaic system. The Solar Photovoltaic system will be intended to offset the house load, including all or part of domestic hot water. Water conservation will be promoted via low-water-use fixtures in kitchens and bathrooms, low-flow toilets, and low-water-use, native-plants landscaping with water-efficient irrigation controls.

The Junipers Apartments will have surface parking adequate for the residents and their guests. A community building will be located on-site and will include the leasing office as well as a community area with kitchenette and computer room. At acquisition, the site will have been rough-graded and will be generally level.

Development Team

The development team will be led by Chelsea Investment Corporation (Chelsea), an award-winning, for-profit corporation headquartered in Carlsbad, California. Since 1995, Chelsea and its affiliates have developed approximately 9,768 rental units under ownership in four states in 77 Chelsea-owned developments. Chelsea has substantial development experience in a wide range of housing developments. Along with its affiliates, Chelsea provides financial, engineering, development, asset management, construction and property management services. Chelsea has developed multiple affordable rental housing developments in San Diego using Housing Commission loan funds. Chelsea is in full compliance on its previous Housing Commission-funded loans.

Based upon the developer's past experience and performance, Housing Commission staff has determined that the co-developers have the capacity to successfully complete the proposed project.

The property will be managed by ConAm Management Corporation, a San Diego based multifamily real estate services company that operates more than 53,000 apartments across 11 states.

Other members of the development team – including the administrative general partner, the tax credit investor, any limited partners, the construction lender, etc. – will be determined prior to final bond approval and the close of construction finance as required.

General Contractor	Emmerson
Property Management	ConAm Management Corporation
Construction and Permanent Lender	TBD
Tenant Services Provider	PSCDC

Financing Structure

The Junipers has an estimated total development cost of \$29,166,405 (\$360,079 per unit). Financing for the project will include Multifamily Housing Revenue Bonds, permanent loan, 4 percent federal low-income housing tax credits, a contribution from the Master Developer (Lennar), and Deferred developer fee.

No Housing Commission loan proceeds will be provided to this development.

Estimated permanent sources and uses of financing are provided in Table 3. The developer's project proforma is provided as Attachment 4.

Table 3 – The Junipers Estimated Sources and Uses of Financing

Financing Sources	Amounts	Financing Uses	Amounts	Per Unit
Permanent Loan	\$11,090,000	Land acquisition:	\$2,835,001	\$35,000

Developer Fee

The planned net cash developer fee shall be \$3,657,535 in compliance with CTCAC and CDLAC regulations.

\$3,657,535 – Gross developer fee

-2,157,535 – Minus deferred developer fee

1,500,000 – Net cash developer fee

On April 25, 2017, the Housing Authority approved the "Request for Approval of Updated Developer Fees" (Report No. HAR17-011; Resolution No. HA-1727). That report approved certain developer fee guidelines for multifamily loans and bond issuances. Attachment 1 to that report stated: "Developer Fee [for] 4% tax credits, in project costs: 15% eligible basis...." The developer is proposing a \$3,657,535 preliminary developer fee associated with the residential portion of development, which complies with HAR17-011. The proposed fee is in conformance with the "Request for Approval of Updated Developer Fees" guidelines approved by the Housing Authority on April 25, 2017.

Prevailing Wages

The proposed project is not subject to payment of state or federal prevailing wages.

Development Cost Key Performance Indicators

Housing Commission staff has identified development cost performance indicators, which were used to evaluate the proposed development. The key performance indicators listed in Table 4 are commonly used by real estate industry professionals and affordable housing developers.

Table 4 – Key Performance Indicators

Development Cost Per Unit (\$29,166,405/81 units)	\$360,079
Housing Commission Subsidy Per Unit	\$0
Acquisition Cost Per Unit (\$2,835,001/81 units)	\$35,000
Gross Building Square Foot Hard Cost (\$17,905,262 / 62,841)	\$285
Net Rentable Square Foot Hard Cost (\$17,905,262 / 49,186)	\$364

Project Comparison Chart

Multiple factors and variables influence the cost of developing multifamily affordable housing, including but not limited to project location, site conditions, site improvements needed, environmental factors, land use approval process, community involvement, construction type, design requirements/constraints, economies of scale, City impact fees, developer experience and capacity, and amenities necessary to gain tax credit approval.

Table 5 shows a comparison of the subject property and other developments of the same construction type.

Table 5 - Comparable Development Projects

Development	Year	Construction Type	Unit	Prevailing Wage	Total Development Cost	Per Unit TDC	SDHC Subsidy	Gross Building Hard Cost per Square Foot
Subject – The Junipers	2020	V	81	No	\$29,166,405	\$360,079	\$0	\$285
East Block Family	2019	III	78	No	\$40,562,897	\$520,037	\$0	\$355
Keeler Court	2019	V	71	Yes	\$35,692,466	\$502,711	\$0	\$262
Ulric Street I	2019	V	96	Yes	\$46,427,114	\$483,616	\$72,917	\$264

The Juniper', the project's overall \$360,079 total development cost per unit is substantially lower than recent new construction projects. Two of the main cost drivers for the other developments were multilevel concrete podium style parking structures. Junipers will have surface parking, which is a less expensive parking option. The other is that Junipers is not an infill site with limited space for construction mobilization. Infill developments in dense urban areas require lane closures and have limited space for construction staging and material storage, which add to the cost of those projects.

Proposed Housing Bonds

The Housing Commission utilizes the Housing Authority's tax-exempt borrowing status to pass on lower interest rate financing (and make 4 percent low-income housing tax credits available) to developers of affordable rental housing. The Housing Authority's ability to issue bonds is limited under the U.S. Internal Revenue Code. To issue bonds for a development, the Housing Authority must first submit an application to CDLAC for a bond allocation. Prior to submitting applications to CDLAC, developments are brought before the Housing Commission, Housing Authority and City Council. Housing Authority bond inducement resolutions must be obtained prior to application submittal, and

November 6, 2020 Preliminary Bond Authorization for The Junipers Page 7

City Council TEFRA resolutions must be secured no later than 30 days after application submittal. These actions do not obligate the Housing Authority to issue bonds.

The developer plans to submit a bond allocation application to CDLAC in June2021 (tentative date) for an August 2021 bond allocation meeting; however, if necessary, staff will submit additional applications to CDLAC to secure a bond allocation for the development.

The developer will be seeking a CDLAC bond allocation of approximately \$19,500,000. The developer proposes to have the Housing Authority issue the bonds through a tax-exempt private placement bond issuance. The bonds will meet all requirements of the Housing Commission's Multifamily Housing Revenue Bond Program policy and will fully comply with the City of San Diego's (City) ordinance on bond disclosure.

The developer proposes that the bonds will be used to provide construction and permanent financing for the project. Housing Commission staff will later return to both the Housing Commission and Housing Authority for approval of the final bonds and transaction documents. A general description of the Multifamily Housing Revenue Bond Program and the actions that must be taken by the Housing Authority and by the City Council to initiate and finalize proposed financings are described in Attachment 5. Staff recommends assigning Kutak Rock as Bond Counsel and CSG Advisors as Financial Advisor to work on the development. The proposed financing team members have been selected in accordance with the existing policy for the issuance of bonds. Financial Advisors and Bond Counsels are selected in accordance with the Housing Commission's Bond Policy.

AFFORDABLE HOUSING IMPACT

Under the proposed bond financing, The Junipers would restrict 16 units to households with income at or below 50 percent of the San Diego Area Median Income (AMI), 64 at or below 60% AMI. The affordable units will be restricted for a 55-year term.

Table 6 – The Junipers Affordability & Monthly Estimated Rent Table

<u>Unit Type</u>	<u>AMI</u>	Number of Units	Gross Rents
One-Bedroom One-Bathroom	50%	13	\$1,082
One-Bedroom One-Bathroom	60%	52	\$1,299
Two-Bedroom One-Bathroom	50%	3	\$1,298
Two-Bedroom One-Bathroom	60%	12	\$1,558
Manager	NA	1	-
Total Units	-	81	-

Development Schedule

The estimated development timeline is as follows.

Milestone	
Housing Authority & City Council meeting for Preliminary	November 2020
Bond Inducement and TEFRA hearing	
TCAC/CDLAC application	June 2021
CDLAC Award	August 2021

SDHC Board Meeting Final Bond authorization	September 2021
Housing Authority & City Council meeting for Final Bond Authorization	September 2021
Close financing and start construction	April 2022
Complete Construction	June 2023
Lease Up Complete	August 2023

FISCAL CONSIDERATIONS

The proposed funding sources and uses approved by this action are not included in the Fiscal Year (FY) 2021 Housing Commission Budget. Approving this action will increase the FY 2021 total budget.

Funding sources approved by this action will be as follows: Bond Issuance Fees - \$48,750 (.0025 bond issuer fee x \$19,500,000)

Funding uses approved by this action will be as follows: Administration Costs - \$48,750

Approval of the bond inducement and TEFRA resolutions does not commit the Housing Authority to issue the bonds. The bonds would not constitute a debt of the City. If bonds are ultimately issued for the development, the bonds will not financially obligate the City, the Housing Authority or the Housing Commission because security for the repayment of the bonds will be limited to specific private revenue sources of the development. Neither the faith and credit nor the taxing power of the City or the Housing Authority would be pledged to the payment of the bonds. The developer is responsible for the payment of all costs under the financing, including the Housing Commission annual administrative fee, as well as Housing Commission Bond Council and Financial Advisor fees.

COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS

On July 1, 2021, the Junipers project will be presented before the Rancho Peñsaquitos Area Planning Committee by the Developer.

KEY STAKEHOLDERS and PROJECTED IMPACTS

Stakeholders include Chelsea Investment Corporation, the future residents of the Junipers and the Rancho Peñasquitos community. The project is anticipated to have a positive impact on the community, as it will contribute to the quality of the surrounding neighborhood and create 80 new affordable rental homes for seniors with low income.

ENVIRONMENTAL REVIEW

This activity is not a "project" and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(3). This determination is predicated on Section 15004 of the Guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. This action does not constitute approval of a project. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process. The proposed actions are approval of preliminary steps to issue bonds and do not constitute approval of the development activity or authorization for the issuance of bonds. Future actions to consider and approve development entitlement approvals related to the future development of the site will require

November 6, 2020 Preliminary Bond Authorization for The Junipers Page 9

additional review under the provisions of CEQA by the lead agency. Processing under the National Environmental Policy Act (NEPA) is not required as no federal funds are involved in this action.

Respectfully submitted,

Colin Miller

Approved by,

Colin Miller

ARTICLES OF INCORPORATION OF CHELSEA SERVICE CORPORATION

in the office of the Secretary of State
of the State of California

FEB 2 3 2004

KEVIN SHELLEY, Secretary of State

ļ

The name of this corporation is Chelsea Service Corporation.

11

The purpose of the corporation is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of California other than the banking business, the trust company business or the practice of a profession permitted to be incorporated by the California Corporations Code.

Ш

The name and address in the State of California of this corporation's initial agent for service of process is James J. Schmid, 215 South Highway 101, Suite 200, Solana Beach, California 92075.

IV

This corporation is authorized to issue only one class of shares of stock; and the total number of shares this corporation is authorized to issue is 1,000.

Dated: February 18, 2004

James J. Schmid, Incorporator

in the office of the Secretary of State of the State of California

CERTIFICATE OF RESTATED AND AMENDED

ARTICLES OF INCORPORATION

JAN 1 2006

OF CHELSEA SERVICE CORPORATION

James J. Schmid and Lynn Harrington-Schmid certify that:

- 1. They are the President and the Secretary, respectively, of Chelsea Service Corporation, a California corporation.
- 2. The articles of incorporation of the corporation are amended and restated to read in their entirety as follows:

ı

The name of this corporation is Chelsea Investment Corporation.

H

The purpose of this corporation is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of California other than the banking business, the trust company business or the practice of a profession permitted to be incorporated by the California Corporations Code.

Ш

This corporation is authorized to issue only one class of shares of stock; and the total number of shares which this corporation is authorized to issue, is 1,000.

IV

The Corporation is authorized to provide indemnification of agents (as the word "agents" is defined in Section 317. If the California Corporations Code) through bylaw provisions, agreements with the agents, vote of shareholders or disinterested directors, or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the California Corporations Code, subject only to the limits set forth in Section 204 of the California Corporations Code with respect to actions for breach of duty to the Corporation or its shareholders.

- 3. This Certificate, restating and amending the articles of incorporation, has been approved by the Board of Directors.
- 4. The amendment was approved by the required vote of the shareholders in accordance with Section 902 of the Corporations Code. The corporation has only one class of shares and the number of outstanding shares is 100. The number of shares

voting in favor of the amendment equaled or exceeded the vote required. The percentage vote required was more than 50%.

We declare under penalty of perjury under the laws of the State of California that the statements set forth in this certificate are true and correct of our own knowledge and that this declaration was executed on December 27, 2005 at San Diego, California.

Dated: December 27, 2005

Report of Independent Auditors

To the Stockholder of Chelsea Investment Corporation and Subsidiaries

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Chelsea Investment Corporation and Subsidiaries, which comprise the consolidated balance sheet as of December 31, 2019, and the related consolidated statements of operations, stockholder's equity, and cash flows for the year then ended, and related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Chelsea Investment Corporation and Subsidiaries as of December 31, 2019, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Changes in Accounting Principles

Novogodac & Company LLP

As discussed in Note 1 to the consolidated financial statements, Chelsea Investment Corporation and Subsidiaries adopted changes in accounting principles related to revenue recognition, presentation and disclosure of the statements of cash flows, and financial instruments. Our opinion is not modified with respect to those matters.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization and purpose

Chelsea Investment Corporation (the "Company") was established in February 2004, as a real estate company focusing on the financing and development of affordable housing in Arizona, California and New Mexico. The Company provides financial engineering, development, asset management, and property management services, as well as legal and labor services to its development and investment partners and clients.

Basis of accounting

The Company prepares its consolidated financial statements on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America.

Principles of consolidation

The accompanying consolidated financial statements include the assets, liabilities, and financial activities of the Company and its wholly-owned subsidiaries CIC Calipatria, LLC, CIC Heber, LLC, CIC Beachwind, LLC, and Ajax-Natomas, LLC. In addition, the Company is required to consolidate the financial statements of 15th Investment CIC, LLC, as the Company is deemed to have control. All inter-company accounts and transactions have been eliminated in consolidation.

Estimates

The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Economic concentrations

The Company develops property for the affordable rental housing market. Future operations could be affected by changes in economic or other conditions in the Company's geographical area or by changes in the demand for housing.

Cash and cash equivalents

Cash and cash equivalents include all cash balances on deposit with financial institutions and highly liquid investments with a maturity of three months or less at the date of acquisition.

Concentration of credit risk

The Company maintains its cash in bank deposit accounts which at times may exceed the federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

<u>Investments in securities</u>

The Company's investments in marketable securities are recorded at fair value measured at each reporting period. The fair value of the investments is based on quoted prices in active markets, and any gain or loss is reported on the statement of operations. The cost of securities sold is based on the specific identification method. Interest on marketable securities is included in investment and interest income on the accompanying consolidated statement of operations.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements

The Company applies the accounting provisions related to fair value measurements. Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. As prescribed in ASC 820, fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. This accounting guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three levels of the fair value hierarchy: (1) the fair value is based on quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date; (2) the fair value is based on significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data; and (3) the fair value is based on significant unobservable inputs that reflect the Company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Accounts receivable

Accounts receivable is stated at the amount management expects to collect from outstanding balances. Management closely monitors outstanding balances and provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that remain outstanding after management has used reasonable collection efforts are generally written off through a charge to the valuation allowance and a credit to trade accounts receivable. As of December 31, 2019, the balance of the partnership management fees receivable and the allowance for doubtful accounts for partnership management fees receivable was \$1,155,243. Bad debt expense for the year ended December 31, 2019 was \$391,160.

Fixed assets

The Company records all depreciable assets at cost. Property and equipment are depreciated on a straight-line method over their estimated useful lives of five to seven years. Leasehold improvements are depreciated on a straight-line method over their estimated useful lives of fifteen years.

Loans receivable and allowance for loan losses

Loans receivable are stated at unpaid principal balances, less an allowance for loan losses.

The allowance is increased by a provision for loan losses, which is charged to expense, and reduced by charge-offs, net of recoveries. Management's periodic evaluation of the adequacy of the allowance is based on the Company's past loan loss experience, known and other risks inherent in the portfolio, specific impaired loans, and adverse situations. Although management uses available information to recognize losses on loans, because of uncertainties associated with local economic conditions, collateral values, and future cash flows on impaired loans, it is reasonably possible that a material change could occur in the allowance for loan losses in the near term. However, the amount of the change that is reasonably possible cannot be estimated.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Loans receivable and allowance for loan losses (continued)

The Company considers a loan impaired when based on current information or factors, it is probable that the Company will not collect the principal and interest payments according to the loan agreement. Management considers many factors in determining whether a loan is impaired, such as payment history and value of collateral. Loans that are contractually delinquent less than 90 days are generally not considered impaired, unless the borrower has claimed bankruptcy or the Company has received specific information concerning the loan impairment. The Company reviews delinquent loans to determine impaired accounts. The Company measures impairment on a loan-by-loan basis by either using the fair value of collateral or the present value of expected cash flows. Substantially all of the Company loans that are identified as impaired have been measured using the fair value of the collateral.

The Company's key credit quality indicator is a loan's performance status, defined as accruing or non-accruing. Performing loans are considered to have a lower risk of loss, while nonaccrual loans are those which the Company believes have a higher risk of loss. Loans that are 90 days or more past due, based on the contractual terms of the loan, are classified on nonaccrual status. Loans may also be placed on nonaccrual status when management believes, after considering economic conditions, business conditions, and collection efforts, that the loans are impaired or collection of interest is doubtful. Uncollectible interest previously accrued is charged off, or an allowance is established by a charge to interest income. Interest income on nonaccrual loans is recognized only to the extent cash payments are received and the principal balance is believed to be collectible.

A loan previously classified on nonaccrual status will resume accruing interest based on the contractual terms of the loan when payments on the loan become current. Loans may also resume accruing interest if management no longer believes a loan is impaired or the collection of principal and interest is no longer in doubt.

Partnership investments

The consolidated wholly-owned subsidiaries of the Company hold co-general partner interests in affiliated affordable housing limited partnerships. These co-general partner interests are recorded at cost pursuant to the measurement alternative provided by FASB ASC 321. The fair value of the investments is not estimated if there are no identified changes that may have a significant adverse effect on the fair value of the investments. As of December 31, 2019, the investment of the subsidiaries in the affiliated affordable housing limited partnerships was \$0.

Non-controlling interest in subsidiary

The non-controlling interest represents the aggregate positive balance of the other members' interest in 15th Investment CIC, LLC, and is reported in the aggregate on the consolidated balance sheet within equity and on the consolidated statement of stockholder's equity, separately from the Company's equity.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Impairment of long-lived assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the asset to the future net undiscounted cash flows expected to be generated and any estimated proceeds from the eventual disposition. If the long-lived assets are considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the asset exceeds the fair value as determined from an appraisal, discounted cash flow analysis, or other valuation technique. There were no impairment losses recognized during 2019.

Income taxes

By consent of the stockholder, the Company elected to be taxed as an S corporation beginning with the year ended December 31, 2004. Federal and state income taxes on the earnings of an S corporation are payable by the sole stockholder. However, California assesses an additional tax of 1.50% on the taxable income, net of certain credits.

The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires the Company to report information regarding its exposure to various tax positions taken by the Company. Management has determined whether any tax positions have met the recognition threshold and has measured the Company's exposure to those tax positions. Management believes that the Company has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Company are recorded in operating expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements.

Lease expenses

Expenses resulting from leases are recognized when incurred. Lease expense from an operating lease is incurred on a straight-line basis over the lease term. Interest expense is incurred on a capital lease obligation to produce a constant periodic rate of interest on the remaining balance of the obligation.

Lease classifications

The Company considers multiple factors in determining the classification of leases as either capital or operating leases, such as ownership at the end of the lease term, bargain purchase options, lease term, present value of minimum lease payments, fair value and useful life of the underlying asset(s), and whether there is significant uncertainty regarding future costs or collectability of lease payments. See Notes 4 and 6 for further discussion of the Company's lease transactions.

Revenue recognition

The Company recognizes revenue when it is realized or realizable and earned. Revenue consists of the income from various partnerships, including incentive management fees, partnership administration fees, and consulting fees. The Company considers revenue realized or realizable and earned when it has persuasive evidence of an arrangement, the services have been provided and collectability is reasonably assured.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue from contracts with customers

Revenue from contracts with customers consists of fees earned for construction and development services provided. The Company considers revenue from contracts with customers realized or realizable and earned when it has satisfied certain performance obligations pursuant to such contracts. Performance obligations are satisfied over time as services are rendered and revenue is recognized based on the estimated percentage of time incurred for each performance obligation. The Company records contract assets for revenue recognized in excess of the amount billed to and received from the customer, which are included in developer fees receivable on the accompanying consolidated balance sheet.

<u>Deferred compensation expenses</u>

The costs of deferred compensation arrangements are accrued over the period of employees' service to which they relate.

Advertising

Advertising costs are expensed as incurred. For the year ended December 31, 2019, the Company incurred \$104,469 in advertising costs.

Changes in accounting principles

On January 1, 2019, the Company adopted a new accounting standard that affects the accounting for revenue. The Company's revenue is mainly derived from fees earned for development and construction services provided, which is impacted by this standard. The accounting change increased the beginning balance of retained earnings and developer fees receivable by \$4,361,429.

On January 1, 2019, the Company adopted new accounting standards that affect the statement of cash flows. These new standards address how certain cash receipts and payments are presented and classified in the statement of cash flows, including that debt prepayments and other debt extinguishment related payments are required to be classified as financing activities, when previously these payments were classified as an operating activity. The new standards also require the statement of cash flows to explain the change in cash, cash equivalents and restricted cash. Previously, changes in restricted cash were presented in the statement of cash flows as operating, investing or financing activities depending upon the intended purpose of the restricted funds. Because none of the Company's cash is restricted, there were no quantitative impact on the consolidated statement of cash flows for the year ended December 31, 2019.

On January 1, 2019, the Company adopted a new accounting standard for financial instruments that affects the accounting for certain equity investments (formerly cost-method investments). The new standard requires such investments to be reported at fair value unless such investments do not have a readily determinable fair value and the Company elects a measurement alternative. Adopting the standard did not have a quantitative impact on the consolidated financial statements due to the nature of the Company's investments.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2019

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Changes in accounting principles (continued)

On January 1, 2019, the Company adopted a new accounting standard for financial instruments that affects the accounting for investments in marketable securities. The new standard requires such investments to be reported at fair value, with changes reported in net income. Adopting the standard did not have a quantitative impact on the consolidated financial statements due to the nature of the Company's investments.

NOTE 2 – MARKETABLE SECURITIES

Marketable securities held by the Company consist of investments purchased at an aggregate cost of \$2,246,504. As of December 31, 2019, the fair market value of the marketable securities was \$2,281,624. Gains and losses are reported in net income on the accompanying consolidated statement of operations. During 2019, the gain on marketable securities was \$82,132.

NOTE 3 – FIXED ASSETS

Fixed assets consist of the following as of December 31, 2019:

Property and equipment, at cost	\$ 646,040
Leasehold improvements, at cost	217,719
Accumulated depreciation	 (609,626)
Total fixed assets, net	\$ 254,133

Depreciation expense for the year ended December 31, 2019 was \$106,792.

NOTE 4 – RELATED PARTY TRANSACTIONS

Notes receivable

Notes receivable with related parties consist of the following as of December 31, 2019:

	A	mount
The Company had a promissory note with a related party for \$175,000. This note bears interest at 1.00% per annum. The entire unpaid principal and interest accrued were due on December 31, 2019. During 2019, the entire balance of unpaid principal and interest accrued on this promissory note were paid in full.	\$	-
The Company has a promissory note with a related entity for \$72,774. This note bears no interest and is payable in whole or in part any time with no penalty. As of December 31, 2019, the balance on this promissory note was \$29,000.		29,000
Total notes receivable – related parties	\$	29,000

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 4 – **RELATED PARTY TRANSACTIONS (CONTINUED)**

Project cost advances

The Company and its affiliates have expended certain amounts for projects that it expects will be funded and completed in the future. These amounts are capitalized as the Company expects they will be reimbursed in the future. Any costs associated with projects that cease being feasible for future development are expensed, when the determination is made that feasibility is no longer assured.

Project costs advances consist of the following as of December 31, 2019:

Total project cost advances – related parties	\$ 4,812,513
Less: current portion of project costs advances – related parties	 (2,966,650)
Project cost advances – related parties, less current portion	\$ 1,845,863

Developer fees

Developer fees are fees the Company receives for providing development and construction services to associated projects, which are based on contracts with various project developer entities associated with the Company. Balances are recorded at amounts expected to be realized as performance obligations are satisfied under the contracts, as further discussed in Note 1. For the year ended December 31, 2019, developer fees earned were \$10,929,343.

The developer fees receivable balance is recorded at amounts expected to be realized in excess of the amount billed to and received from the customer. Payments for developer fees are due upon scheduled equity installments which correspond to certain milestones achieved for each project. These milestone payments typically begin upon the start of construction and end upon the receipt of IRS Form 8609s by each project. As of December 31, 2019, management estimated no allowance for uncollectible developer fees receivable.

As of December 31, 2019, the contract assets balance is as follows:

Beginning balance	\$ 8,033,037
Revenue recognized	10,929,343
Revenue received	 (6,594,662)
Ending balance	\$ 12,367,718

Developer fees receivable consist of the following as of December 31, 2019:

Total developer fees receivable – related parties	\$ 12,367,718
Less: current portion of developer fees receivable – related parties	 (7,191,196)
Developer fees receivable- related parties, less current portion	\$ 5,176,522

Partnership management fees

The Company receives partnership management fees from associated properties after they have been completed. The management fees are accrued on the Company's books as services are rendered and are paid out of available cash flow, if any, of the partnerships. For the year ended December 31, 2019, partnership management fees of \$117,036 were earned and are included in management fees revenue on the consolidated statement of operations. During 2019, an allowance of \$117,036 was reserved for the partnership management fees receivable which is included in bad debt expense on the accompanying consolidated statement of operations.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 4 – **RELATED PARTY TRANSACTIONS (CONTINUED)**

Partnership management fees (continued)

Partnership management fees receivable consist of the following as of December 31, 2019:

Total partnership management fees receivable – related parties	\$ 1,155,243
Less: reserve for allowance for doubtful accounts	 (1,155,243)
Partnership management fees receivable – related parties, net	\$

<u>Incentive management fee</u>

Pursuant to an incentive management fee agreement between the Company and CIC PHR, LP ("PHR") dated September 1, 2002, an incentive management fee equal to 5.4% of gross revenues or 76.5% of remaining cash flow from PHR, shall be earned by the Company for consultative services. For the year ended December 31, 2019, a management fee of \$52,317 was earned and paid, and is included in management fees revenue on the accompanying consolidated statement of operations.

Pursuant to an incentive management fee agreement between the Company and CIC Villas II, LP ("Villa Glen") dated June 1, 2002, an incentive management fee equal to 5.4% of gross revenues or 76.5% of remaining cash flow from Villa Glen, shall be earned by the Company for consultative services. For the year ended December 31, 2019, a management fee of \$29,050 was earned and paid, and is included in management fees revenue on the accompanying consolidated statement of operations.

Operating lease

The Company leases certain building space from a related party under a non-cancelable operating lease that will expire December 31, 2026. This agreement requires aggregate monthly payments of \$23,430 plus the proportionate share of common area maintenance expenses, with monthly payments increasing 3% annually every January. Rent expense, which includes common area expenses, for the year ended December 31, 2019 was \$293,357. As of December 31, 2019, accrued rent payable was \$134,906.

Future minimum lease payments, by year end and in the aggregate, under the non-cancelable lease, consist of the following as of December 31, 2019:

2020	\$ 307,231
2021	316,448
2022	325,941
2023	335,720
2024	345,791
Thereafter	 723,015
Total	\$ 2,354,146

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 4 – **RELATED PARTY TRANSACTIONS (CONTINUED)**

Operating lease – sublease

The Company subleases certain building space under non-cancelable operating leases with CIC Management Inc. ("CICM") and Emmerson Construction, Inc. ("Emmerson") that will expire December 31, 2028. Under the sub-lease with CICM, CICM subleases 10% of the office space for a monthly payment of \$2,486, with monthly payments increasing 3% annually every January. Under the sublease with Emmerson, Emmerson subleases 40% of the office space for a monthly payment of \$9,943, with monthly payments increasing 3% annually every January. Sublease income, which includes reimbursements for common area expenses, for the year ended December 31, 2019 was \$508,933. As of December 31, 2019, sublease rent receivable was \$121,306, which is included in due from related parties on the accompanying consolidated balance sheet.

Future minimum lease payments receivable, by year end and in the aggregate, under the non-cancelable lease, consist of the following as of December 31, 2019:

2020	\$ 153,616
2021	158,224
2022	162,971
2023	167,860
2024	172,896
Thereafter	 745,037
Total	\$ 1,560,604

Advances due from related parties

The Company has advanced funds to certain related parties that it expects will be reimbursed. Such advances do not bear interest. As of December 31, 2019, the outstanding amount of advances due from related parties was \$1,052,825, which is included in due from related parties on the accompanying consolidated balance sheet.

Note payable

On December 28, 2018, the Company entered into a promissory note with a related party for \$500,000. The note bore interest at 5.00% per annum and interest payments were due in monthly installments commencing the month following the execution of the note through December 31, 2019 (the "Maturity Date"). During 2019, the entire unpaid principal balance and all interest accrued were paid in full.

On April 17, 2019, the Company entered into a promissory note with a related party for \$1,950,000. The note bears interest at 6.00% per annum and interest payments are due in monthly installments commencing the month following the execution of the note through April 17, 2020 (the "Maturity Date"). The entire unpaid principal balance and any interest accrued are due on the Maturity Date. As of December 31, 2019, the outstanding principal balance was \$1,950,000 and there was no accrued interest.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 5 – LINE OF CREDIT

The Company has a line of credit agreement with Banner Bank, with an available credit line of \$3,000,000, which is scheduled to mature on September 25, 2021. The line of credit bears interest at a variable interest rate. As of December 31, 2019, the interest rate was 5.00%. As of December 31, 2019, the outstanding balance on the line of credit was \$2,000,000.

The line of credit agreement contains certain financial covenants, which if not met, could make the debt callable. The Company is in compliance with all covenants at December 31, 2019.

NOTE 6 – CAPITAL LEASE

The Company leases two copy machines under a non-cancelable capital lease that will expire July 12, 2020. This agreement requires monthly payments of \$4,424, plus applicable charges and taxes. As of December 31, 2019, the outstanding lease liability was \$34,144.

Future minimum lease payments under the non-cancelable capital lease consist of the following as of December 31, 2019:

2020	\$ 34,732
Less: Amount representing interest	 (588)
Present value of minimum lease payments	\$ 34,144

NOTE 7 – COMMITMENT AND CONTINGENCIES

The Company is a party to certain payment and completion guarantees in connection with bank construction loans made for eleven projects as of December 31, 2019 in the aggregate amount of \$123,019,148. All eleven projects are currently on schedule and are expected to be completed in 2020 and 2021. As of December 31, 2019, the Company expects that it will not be liable for any amount under the guarantees for these eleven projects.

The Company is liable for guarantees of funding at various operating projects in the event that operating deficits occur. These guarantees, if required, are satisfied by making loans to such projects. The obligations to fund the operating deficits expire between 3 and 5 years after the projects convert to permanent financing. As of December 31, 2019, the Company has made an operating deficit loan in the amount of \$29,000, as shown in Note 4.

The Company has committed to third party Investor Limited Partners, in connection with their investment made in various projects, to maintain a net worth and liquid assets of not less than \$5,000,000 during the project construction period and a net worth of not less than \$5,000,000 and liquid assets of not less than \$2,500,000 thereafter until the end of the 15 year compliance period. As of December 31, 2019, the Company was in compliance with these covenants.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2019

NOTE 8 – PROVISION FOR INCOME TAXES

The Company is a California S Corporation and pays California a tax of 1.5%, a minimum of \$800 each year, on its apportioned taxable income, net of credits. The consolidated subsidiaries are primarily California limited liability companies that pay a California annual minimum tax of \$800.

The provision for income taxes consisted of the following for the year ended December 31, 2019:

Current income tax provision – state

\$ 22,592

NOTE 9 – EMPLOYEE RETIREMENT PLAN

On August 16, 2006, the Company adopted a 401(k) plan and profit sharing plan covering substantially all employees of the Company. Annual discretionary employer matching contributions, if any, are equal to a safe harbor matching contribution provided by the Company to employees who elect the salary deferral. For the year ended December 31, 2019, the matching contributions paid by the Company were \$155,937, which is included in general and administrative expense on the accompanying consolidated statement of operations.

NOTE 10 - NONQUALIFIED DEFERRED COMPENSATION PLAN

On December 1, 2014, the Company adopted an unfunded nonqualified deferred compensation plan (the "Plan") for certain eligible employees of the Company. Pursuant to the Plan, a discretionary contribution is made each year for each active participant. The participant is fully vested in a contribution for a given year upon remaining continuously employed by the Company for a duration of five years following the end of the year for which the contribution is made while active in the Plan. A rate of return of 3% is earned on the beginning balance of active participant accounts at the end of each year. During 2019, the expense for deferred compensation was \$115,000. As of December 31, 2019, the outstanding Plan liability was \$370,000.

The Plan activity consisted of the following during 2019:

Beginning balance, January 1, 2019	\$ 523,773
Company contributions during 2019	100,000
Earnings accrued during 2019	 15,713
Ending balance, December 31, 2019	\$ 639,486

As of December 31, 2019, the balance fully vested to employees under the plan was \$5,000.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2019

NOTE 11 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through April 7, 2020, which is the date the consolidated financial statements were available to be issued. The following is a summary of significant transactions through April 7, 2020.

The spread of a novel strain of coronavirus (COVID-19) in the first quarter of 2020 has caused significant volatility in U.S. markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. economy. The extent of the impact of COVID-19 on the Company's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, and the impact on customers, employees and vendors, all of which are uncertain and cannot be determined at this time.

Chelsea Investment Corporation ("Chelsea") is a real estate company focused on the financing and development of affordable housing. Incorporated in 1986 by James J. Schmid, who still serves as CEO, Chelsea is a vertically integrated company with asset management, construction, and community investment affiliates.

Having developed over 10,000 units throughout the western United States, at a total cost in excess of \$2 billion, Chelsea meets and exceeds the level of experience necessary to develop affordable housing in today's complex financing environment. Chelsea has developed infill, rural, inclusionary, senior, special needs, and mixed-use projects with a variety of non-profit partners, such as Father Joe's Villages, Serving Seniors, Housing Development Partners, Alpha Project, Weingart Center Associates, and Southern California Housing Collaborative.

Of the rental homes completed, approximately 2,500 are in urban infill sites, 4,000 are located in suburban locations, and 2,000 are in rural areas. Approximately 3,300 have satisfied inclusionary obligations, 2,000 units are senior housing and 1,100 units are supportive housing. Additionally, while Chelsea has primarily focused on new construction projects, the company has developed about 1,000 units through acquisition and rehabilitation. Virtually all projects have been developed with soft residual receipts loans through public-private partnerships with the federal, state or local government.

Chelsea has successfully integrated AHP, MHP, CDBG, HOME, IIG, TOD, MHSA and redevelopment housing set-aside funds into many projects, in addition to the 4% and 9% low income housing tax credits and tax-exempt bond financing. In one project alone, Chelsea utilized loan and grant subsidies from 14 different funding sources.

- To date, Chelsea has developed over 100 affordable communities throughout California, New Mexico and Arizona.
- Total tax credit equity of over \$652 million.
- Total permanent loan and tax-exempt bond proceeds of over \$329 million.
- Annually included among the Top 50 Affordable Housing Developers in the country by Affordable Housing Finance magazine.
- 2015 and 2018 Builder of the Year Building Industry Association of San Diego
- Chelsea and its communities are consistently recognized in many categories, including awards for design excellence, preservation of affordable housing, housing for the developmentally disabled, and supportive housing.

HISTORY

Emmerson Construction, Inc. (ECI) was formed in 2000 to construct residential and mixed-use projects, with a specialization in affordable multifamily housing. ECI's team of experienced professionals work together to achieve the common goal of providing enhanced value, consistent quality, efficient scheduling, and risk mitigation.

EXPERIENCE

- 64 General Contractor contracts completed: 4,738 units; \$578M
- 8 General Contractor ongoing projects: 747 units; \$158M
- 6 Construction
 Management contracts
 completed:
 585 units;
 \$77M
- 81 Total developments: 6,543 units; \$864M

AREAS OF EXPERTISE

General Contractor

ECI is committed to delivering products and services of exceptional quality while always focusing on schedule, safety, and budget. Building structures commonly consist of reinforced or post-tensioned concrete slabs with wood frame construction, stucco exteriors, and several completed projects feature podium decks. Since 2010, nineteen of ECI's developments have been LEED or GreenPoint certified.

Construction Management

ECI also offers construction management services. Under this arrangement, ECI provides owners with project oversight, budget and schedule review, quality assurance, and related services.

TEAM MEMBERS

PRESIDENT - Charles Schmid

Charles began his career in multifamily housing development in 1986, and applies experience with real estate finance, and management in his role as President of Emmerson. As a licensed general contractor, he has supervised the construction of more than 6,000 units. Charles has a degree from UC, San Diego, and a thorough understanding of the life cycle of apartment development, from feasibility analysis through lease-up. Recent projects range from rural development of 80 units to urban and suburban San Diego projects of more than 200 units.

CHIEF FINANCIAL OFFICER - Tim Gray

Tim has over 25 years of professional accounting experience with a primary focus on the construction industry. He obtained his CPA while working with Ernst & Young and PricewaterhouseCoopers and holds a CCIFP designation. Tim has managed accounting teams of up to 50 employees and has been involved in over 300 communities during all stages of development, construction and property management. He currently serves on several construction associations including CFMA-Treasurer, ABC-Director, and ICCIFP-Secretary.

DIRECTOR OF CONSTRUCTION - Zion Patton

Zion has more than 25 years of experience constructing affordable and market rate multi-family housing. Contract values have ranged from \$10 to \$120 million and include projects in excess of 300 units. He has completed more than 2,500 new construction units and the rehabilitation of over 900 units. Zion also has expertise in developing and implementing renovation protocols that facilitate complete renovation on a highly expedited basis while maintaining quality and efficiency without displacing tenants.

SENIOR PROJECT MANAGER - Janice Patterson

Janice has worked in the construction industry for over 30 years and she has drawn on her extensive experience to deliver nearly 20 quality affordable communities for Emmerson, with a contract value of more than \$150 million. Prior to joining Emmerson, Janice's project experience included single-family and multifamily market rate homes, in subdivisions from 8 to 175 homes built in multiple phases.

PROJECT MANAGER - Theresa DeMarco

Theresa has been in the construction industry for over 20 years. In addition to multifamily construction, she has extensive renovation and tenant improvement experience. She was previously with Crown Acquisitions as a Project Manager, where she managed multifamily construction projects and was responsible for implementing project management software and establishing in-house protocols for construction operations. As a general contractor, Theresa has designed and completed extensive multifamily remodeling projects on complexes with 280-320 units.

PROJECT MANAGER - Martin Apicella

Martin joined the Emmerson team after working ten years as Project Manager at KBS, a top construction firm in Virginia. A veteran of the US Army, Martin holds a BS degree in Construction Management and Real Estate from Virginia Tech and studied Architecture at Technical University of Darmstadt in Germany. His wide-ranging experience includes construction of a 400-unit luxury residential building, transformation of a historic naval industrial facility into 45,000 sf mixed-use complex, and the adaptive reuse of a Lucky Strike tobacco factory into 131 luxury apartments. Martin is a LEED AP BD+C.

PROJECT MANAGER - Khalid Malik

Khalid has over 25 years of experience in construction management, including projects in Saudi Arabia and United Arab Emirates such as a theme park, shopping mall, 400-bed hospital, and 1400-unit master planned community, at costs from \$15 to \$226 million. He has a BS degree in Civil Engineering from University of Engineering and Technology, Lahore – Pakistan and a Master's degree in Project Management from Colorado Technical University, Colorado Springs. Khalid's accreditations include PMP, PSP, and LEED AP BD+C.

PROJECT MANAGER/ESTIMATOR - DONALD DICKSON

Donald has been in the multifamily construction industry for more than 20 years, including both affordable and market rate developments. His experience encompasses project management, preconstruction, and estimating for garden apartments, mid-rise, and high-rise developments throughout the western United States. Prior to joining Emmerson, Donald worked on the lender side as a Construction Manager, and prior to that, as Director of Preconstruction with Trammell Crow Residential.

PROJECT MANAGER - Haley Blair

Haley has worked in the construction industry since 2010. Her multifamily building experience includes on-grade construction, podium structures, and renovations. She received her Master's degree in Real Estate from the University of San Diego, and her undergraduate degree from UC Davis.

INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

To the Board of Directors Emmerson Construction, Inc. Carlsbad, California

Management is responsible for the accompanying financial statements of Emmerson Construction, Inc. (an S corporation), which comprise the balance sheet as of December 31, 2019, and the related statements of income and retained earnings, and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about Emmerson Construction, Inc.'s financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Supplemental Information

The supplemental information contained in Schedules I - VI is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplemental information was subject to our compilation engagement. We have not audited or reviewed the supplemental information and do not express an opinion, a conclusion, nor provide any assurance on such information.

HOUSING COMMISSION MULTIFAMILY HOUSING REVENUE BOND PROGRAM SUMMARY

General Description: The multifamily housing bond program provides below-market financing (based on bond interest being exempt from income tax) for developers willing to set aside a percentage of project units as affordable housing. Multifamily housing revenue bonds are also known as "private activity" bonds because the projects are owned by private entities, often including nonprofit sponsors and for-profit investors.

Bond Issuer: Housing Authority of the City of San Diego. There is no direct legal liability to the City, the Housing Authority or the Housing Commission in connection with the issuance or repayment of bonds. There is no pledge of the City's faith, credit or taxing power nor of the Housing Authority's faith or credit. The bonds do not constitute a general obligation of the issuer because security for repayment of the bonds is limited to specific private revenue sources, such as project revenues. The developer is responsible for the payment of costs of issuance and all other costs under each financing.

Affordability: Minimum requirement is that at least 20% of the units are affordable at 50% of Area Median Income (AMI). Alternatively, a minimum of 10% of the units may be affordable at 50% AMI with an additional 30% of the units affordable at 60% AMI. The Housing Commission requires that the affordability restriction be in place for a minimum of 15 years. Due to the combined requirements of state, local, and federal funding sources, projects financed under the Bond Program are normally affordable for 30-55 years and often provide deeper affordability levels than the minimum levels required under the Bond Program.

Rating: Generally "AAA" or its equivalent with a minimum rating of "A" or, under conditions that meet IRS and Housing Commission requirements, bonds may be unrated for private placement with institutional investors (typically, large banks). Additional security is normally achieved through the provision of outside credit support ("credit enhancement") by participating financial institutions that underwrite the project loans and guarantee the repayment of the bonds. The credit rating on the bonds reflects the credit quality of the credit enhancement provider.

Approval Process:

- Inducement Resolution: The bond process is initiated when the issuer (Housing Authority) adopts an "Inducement Resolution" to establish the date from which project costs may be reimbursable from bond proceeds (if bonds are later issued) and to authorize staff to work with the financing team to perform a due diligence process. The Inducement Resolution does not represent any commitment by the Housing Commission, Housing Authority, or the developer to proceed with the financing.
- TEFRA Hearing and Resolution (Tax Equity and Fiscal Responsibility Act of 1982): To assure that projects making use of tax-exempt financing meet

appropriate governmental purposes and provide reasonable public benefits, the IRS Code requires that a public hearing be held and that the issuance of bonds be approved by representatives of the governmental unit with jurisdiction over the area in which the project is located (City Council). This process does not make the City financially or legally liable for the bonds or for the project.

[Note: It is uncommon for the members of the City Council to be asked to take two actions at this stage in the bond process---one in their capacity as the City Council (TEFRA hearing and resolution) and another as the Housing Authority (bond inducement). Were the issuer (Housing Authority) a more remote entity, the TEFRA hearing and resolution would be the only opportunity for local elected officials to weigh in on the project.]

- Application for Bond Allocation: The issuance of these "private activity bonds" (bonds for projects owned by private developers, including projects with nonprofit sponsors and for-profit investors) requires an allocation of bond issuing authority from the State of California. To apply for an allocation, an application approved by the Housing Authority and supported by an adopted inducement resolution and by proof of credit enhancement (or bond rating) must be filed with the California Debt Limit Allocation Committee (CDLAC). In addition, evidence of a TEFRA hearing and approval must be submitted prior to the CDLAC meeting.
- Final Bond Approval: The Housing Authority retains absolute discretion over the issuance of bonds through adoption of a final resolution authorizing the issuance. Prior to final consideration of the proposed bond issuance, the project must comply with all applicable financing, affordability, and legal requirements and undergo all required planning procedures/reviews by local planning groups, etc.
- Funding and Bond Administration: All monies are held and accounted for by a third party trustee. The trustee disburses proceeds from bond sales to the developer in order to acquire and/or construct the housing project. Rental income used to make bond payments is collected from the developer by the trustee and disbursed to bond holders. If rents are insufficient to make bond payments, the trustee obtains funds from the credit enhancement provider. No monies are transferred through the Housing Commission or Housing Authority, and the trustee has no standing to ask the issuer for funds.

Bond Disclosure: The offering document (typically a Preliminary Offering Statement or bond placement memorandum) discloses relevant information regarding the project, the developer, and the credit enhancement provider. Since the Housing Authority is not responsible in any way for bond repayment, there are no financial statements or summaries about the Housing Authority or the City that are included as part of the offering document. The offering document includes a paragraph that states that the Housing Authority is a legal entity with the authority to issue multifamily housing bonds and that the Housing Commission acts on behalf of the Housing Authority to issue the

bonds. The offering document also includes a paragraph that details that there is no pending or threatened litigation that would affect the validity of the bonds or curtail the ability of the Housing Authority to issue bonds. This is the extent of the disclosure required of the Housing Authority, Housing Commission, or the City. However, it is the obligation of members of the Housing Authority to disclose any material facts known about the project, not available to the general public, which might have an impact on the viability of the project.

PROJECT: JUNIPERS
