SUMMARY

The Department has issued a NOFA, dated March 29, 2023, for the Homekey Program, which continues a statewide effort to sustain and rapidly expand housing for persons experiencing homelessness or at risk of homelessness, and who are, thereby, disproportionately impacted by and at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases. The Department has issued the NOFA for Homekey Program grant funds pursuant to Assembly Bill 140 (2021-2022 Regular Session), which provided the statutory basis for Round 3 of the Homekey Program by adding section 50675.1.3 to the California Health and Safety Code.

The Housing Commission is requesting the Housing Commission Board's approval to submit an application to the Department's Homekey Program for grant funds. Acceptance of the grant funds, if awarded, will be presented to the Housing Authority of the City of San Diego together with staff-recommended actions to approve the proposed project that the Homekey Program funds would support.

Through the Homekey Program, the Department is making \$736 million in grant funding available to local public entities, including cities, counties, or other local public entities, including housing authorities or federally recognized tribal governments within California. Awarded funds may be used for acquisition or rehabilitation of hotels, apartments, or homes, including manufactured housing, to be converted into permanent or interim housing; conversion of nonresidential properties into residential units; new construction; master leasing of properties for non-congregate housing; purchase of affordability covenants and restrictions for units; relocation costs for individuals being displaced as a result of the Homekey Program project; and capitalized operating subsidies for units purchased, converted, constructed, or altered.

The Housing Commission's proposed application, if funds are awarded, would support the acquisition and development of the Ramada Inn at 3737-3747 Midway Drive, San Diego, CA 92110, in Council District 2, to be known as Pacific Village. The proposed development would consist of 62 units dedicated to individuals experiencing homelessness and one manager's unit. The Housing Commission has committed federal Project-Based Housing Vouchers to help pay rent for residents of 62 affordable units this project would create for people experiencing homelessness. It is anticipated that fifteen of the 62 Project-Based Housing Vouchers will be Veterans Affairs Supportive Housing (VASH) vouchers for veterans experiencing homelessness. Residents would receive supportive services to support housing stabilization, enhance quality of life and make connections to community resources, including but not limited to, primary health needs, mental and behavioral health needs and other community-based programs to best meet a resident's individual needs.

The remaining population intended for this site would consist of people experiencing chronic homelessness; people experiencing literal homelessness; and Transition-Age Youth in need of permanent affordable rental housing with supportive services. Residents would be identified through referrals from the Coordinated Entry System and would include individuals experiencing chronic homelessness with serious mental illness and veterans experiencing chronic homelessness.

The proposed project aligns with the goals of the Community Action Plan on Homelessness for the City of San Diego to increase access to permanent housing solutions for people experiencing homelessness and increase access to services for people with behavioral health needs.

Homekey Program funds consist of \$435 million derived from the federal Coronavirus State Fiscal Recovery Fund (CSFRF), established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117- 2), and \$301 million from the state’s General Fund.

The Department is authorized to administer the Homekey Program pursuant to the Multifamily Housing Program (Chapter 6.7, commencing with Section 50675, of Part 2 of Division 31 of the Health and Safety Code). Homekey Program funding allocations are subject to the terms and conditions of the NOFA, ARPA guidance, the Application, the Department-approved STD 213, Standard Agreement (Standard Agreement), and all other legal requirements of the Homekey Program.

AFFORDABLE HOUSING IMPACT

This application, if selected for funding, would increase funds available for use within the City of San Diego by \$18,000,000 to support the development of affordable rental housing for individuals experiencing homelessness.

FISCAL CONSIDERATIONS

If Homekey Program funds are awarded to the Housing Commission, the award is anticipated to occur early in Fiscal Year 2024. The potential award of Homekey Program funds is not included in the Housing Commission’s proposed Fiscal Year 2024 budget, which is scheduled to be presented to the Housing Authority of the City of San Diego for action on June 12, 2023. If the Housing Commission is authorized to apply for funds and if the funds are awarded to the Housing Commission, it will increase the Fiscal Year 2024 funding sources and uses available by up to \$18,000,000 to support the proposed project.

Funding sources and uses approved by this action will be as follows:

EQUAL OPPORTUNITY CONTRACTING AND EQUITY ASSURANCE

ENVIRONMENTAL REVIEW

The City of San Diego conducted an environmental review and determined the project is exempt from CEQA pursuant to CEQA Guidelines Section 15301 (d) (Existing Facilities), 15302 (c) (Replacement or Reconstruction), and 15304 (Minor Alterations to Land). This activity is exempt pursuant to CEQA Guidelines Section 15301 (d) (Existing Facilities), as there are no changes planned to the building footprint or property use and it will restore or rehabilitate the facility to meet current standards of public health and safety. The activity is also exempt pursuant to CEQA Guidelines Section 15302 (c) (Replacement or Reconstruction), which consists of the replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity, and CEQA Guidelines Section 15304 (Minor Alterations to Land) that consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees. None of the exceptions to the exemptions outlined in CEQA Guidelines Section 15300.2 would apply as no cumulative impacts were identified, no significant effects on the environment were identified, the project is not adjacent to a scenic highway, and no historical resources would be affected by the action. The parties agree that the provision of any federal funds as the result of this action is conditioned on the City of San Diego’s final NEPA review and approval.
