

## EXECUTIVE SUMMARY

MEETING DATE: February 16, 2024

HCR24-012

SUBJECT: Fiscal Year 2025 Moving to Work Annual Plan Approval

COUNCIL DISTRICT: Citywide

ORIGINATING DEPARTMENT: Compliance and Equity Assurance

CONTACT/PHONE NUMBER: Debra Fischle-Faulk (619) 578-7411

REQUESTED ACTION:

Approve the Fiscal Year 2025 Moving to Work Annual Plan.

### EXECUTIVE SUMMARY OF KEY FACTORS:

- The San Diego Housing Commission (Housing Commission) is one of only 39 original Moving to Work (MTW) agencies out of approximately 3,200 public housing authorities nationwide. The U.S. Department of Housing and Urban Development (HUD) has announced the addition of 87 MTW agencies in 2021 and 2022.
- The MTW designation provides the Housing Commission the ability, subject to HUD's approval, to implement a variety of innovative new approaches to provide housing assistance and other services to low-income families within the City of San Diego.
- HUD requires MTW agencies to submit an annual plan, including all proposed activities and revisions to previously approved activities.
- The activities in the Housing Commission's FY 2025 MTW Annual Plan are designed to increase housing opportunities for low-income families and use federal dollars more efficiently.
- The FY 2025 MTW initiatives included in the plan are summarized as follows:
  - *Veterans Affairs Supportive Housing (VASH) Voucher Program* – The Housing Commission is requesting approval from HUD to update its VASH Voucher Program to remove the minimum rent requirement for participants.
  - *Establishment of Alternative Reasonable Cost Limits* – The Housing Commission is requesting approval from HUD to update its Establishment of Alternative Reasonable Cost Limits activity to update the methodology to determine cost limits for affordable housing development or rehabilitation activities using MTW funds.
  - *Rental Assistance Rent Reasonableness* – The Housing Commission is requesting approval from HUD on a new activity to modify the regulatory definition of rent reasonableness to limit Housing Choice Voucher rent increases to the lower of 5% plus the Consumer Price Index (CPI) or 10% within a 12-month period.

## REPORT

**DATE ISSUED:** February 8, 2024

**REPORT NO:** HCR24-012

**ATTENTION:** Chair and Members of the San Diego Housing Commission  
For the Agenda of February 16, 2024

**SUBJECT:** Fiscal Year 2025 Moving to Work Annual Plan Approval

**COUNCIL DISTRICT:** Citywide

### **REQUESTED ACTION**

Approve the Fiscal Year 2025 Moving to Work Annual Plan.

### **STAFF RECOMMENDATION**

That the San Diego Housing Commission (Housing Commission) Board of Commissioners (Board) take the following actions:

- 1) Approve the Housing Commission's Fiscal Year (FY) 2025 Moving to Work (MTW) Annual Plan.
- 2) Authorize the President and Chief Executive Officer, or designee, to execute all documents and instruments necessary and/or appropriate to implement these approvals, in a form approved by General Counsel, and to take such actions as are necessary and/or appropriate to implement these approvals, provided that a copy of the documents, signed as to form by General Counsel, is submitted to each Housing Commissioner.

### **SUMMARY**

The Housing Commission is one of only 39 original MTW agencies out of approximately 3,200 public housing authorities nationwide. The U.S. Department of Housing and Urban Development (HUD) has announced the addition of 87 MTW agencies in 2021 and 2022. The MTW designation provides the Housing Commission the ability, subject to HUD's approval, to implement a variety of innovative new approaches to provide housing assistance and other services to low-income families within the City of San Diego. HUD requires MTW agencies to submit an annual plan, including all proposed activities and revisions to previously approved activities. The activities in the Housing Commission's FY 2025 MTW Annual Plan are designed to increase housing opportunities for low-income families and use federal dollars more efficiently. The FY 2025 MTW Annual Plan provides a detailed description of the activities and specifies the methods for measuring performance. The attached plan includes updates to two activities and one new activity the Housing Commission is requesting authority to implement in FY 2025.

The FY 2025 MTW initiatives included in the plan are summarized as follows:

- *Veterans Affairs Supportive Housing (VASH) Voucher Program* – The Housing Commission is requesting approval from HUD to update its VASH Voucher Program to remove the minimum rent requirement for participants.
- *Establishment of Alternative Reasonable Cost Limits* – The Housing Commission is requesting approval from HUD to update its Establishment of Alternative Reasonable Cost Limits activity to update the methodology to determine cost limits for affordable housing development or rehabilitation activities using MTW funds.
- *Rental Assistance Rent Reasonableness* – The Housing Commission is requesting approval from HUD on a new activity to modify the regulatory definition of rent reasonableness to limit Housing Choice Voucher rent increases to the lower of 5% plus the Consumer Price Index (CPI) or 10% within a 12-month period.

### **AFFORDABLE HOUSING IMPACT**

The initiatives contained in the FY 2025 MTW Annual Plan were designed to ensure program participants can access affordable housing within the City of San Diego by increasing the availability of rental units through development and preservation.

### **FISCAL CONSIDERATIONS**

The proposed funding sources and uses approved by this action, as specified in Section VII – Sources and Uses of Funding section of the FY 2025 MTW Plan, will be included in the FY 2025 Housing Commission proposed budget.

### **HOUSING COMMISSION STRATEGIC PLAN**

This item relates to Strategic Priority Area No. 1 in the Housing Commission Housing Commission Strategic Plan for Fiscal Year (FY) 2022-2024: Increasing and Preserving Housing Solutions.

### **EQUAL OPPORTUNITY CONTRACTING AND EQUITY ASSURANCE**

The following expanded community outreach efforts have been undertaken to proactively support the Commission's commitment to equity and inclusivity:

- Increased the number of residents receiving letters from 200 households to 2,500 households that informs them of the MTW Plan and public comment period that includes households who may be directly impacted by the activities proposed in the Plan;
- Uploaded the Plan and information to the Agency's community engagement platform;
- Emailed information on the Plan and public comment period to every household on the Commission's Housing Choice Voucher program whose email address is on file: and
- Developed a high-level overview of the MTW Plan and activities being proposed which has been translated into all seven languages included in the Commission's Language Access Plan.

### **PREVIOUS COUNCIL and/or COMMITTEE ACTION**

#### **MTW Annual Plans**

On December 2, 2008, and November 21, 2008, the Housing Authority of the City of San Diego (Housing Authority) and the Housing Commission Board, respectively, authorized the Housing Commission to submit an application for reactivation of the Housing Commission's status as an MTW site and to submit the Housing Commission 2010 MTW Annual Plan to HUD.

On July 10, 2012, the Housing Authority approved resolution HA-1562, which delegated authority to

the Housing Commission Board to “make amendments to and adopt Administrative Plans and MTW initiatives as authorized by San Diego Municipal Code 98.0301(d)(3) and 98.0301(7).”

The Housing Commission Board previously has authorized the submission of MTW Annual Plans and Amendments each year for FY 2011 (July 1, 2010 – June 30, 2011) through FY 2024 (July 1, 2023 – June 30, 2024).

At the request of then-Councilmembers Georgette Gómez and Barbara Bry, pursuant to San Diego Municipal Code Section 98.0301(e)(2), the FY 2019 MTW Annual Plan was presented to and approved by the Housing Authority on April 9, 2018 (Resolution HA-1778). In this instance, once this matter was referred to the Housing Authority for final action, by the request of then-Councilmembers Georgette Gomez and Barbara Bry, in accordance with Section 98.0301(e)(2), the Chair of the Housing Authority, who is the Council President, set the matter on the next available agenda of the Housing Authority, and the action taken by the Housing Commission was advisory only. The final action on the matter was made by the full Housing Authority of the City of San Diego.

#### Standard Agreement

On June 17, 2016, the Housing Commission Board authorized the submission of the Housing Commission MTW Agreement Extension.

On May 1, 2020, the Housing Commission Board authorized the Amendment to Attachment C of the Standard MTW Agreement to HUD.

#### **COMMUNITY PARTICIPATION and PUBLIC OUTREACH EFFORTS**

The Housing Commission’s MTW Annual Plan and a notice of public hearing were posted for a public comment period of 30 days on January 12, 2024. To promote community and participant involvement, the Housing Commission placed notices in local newspapers, including San Diego’s largest circulation newspaper. Invitation letters were sent to a group of rental assistance participants requesting their participation. Additionally, invitation letters were emailed to over 10,000 households requesting their participation. The public hearing was held January 25, 2024, and all feedback and comments from the public relating to the plan were taken into consideration.

#### **KEY STAKEHOLDERS and PROJECTED IMPACTS**

The MTW program affects current and future Housing Choice Voucher and Public Housing participants and property owners. The intended impact of this program is to utilize federal dollars more efficiently, increase housing choice in the City, and encourage self-sufficiency among participants. The initiatives proposed in the FY 2025 MTW Annual Plan will increase the availability of affordable rental units to low-income families.

#### **ENVIRONMENTAL REVIEW**

The activity is not a project as defined by the California Environmental Quality Act Section 21065 and State CEQA Guidelines Section 15378(b) (4) as a government fiscal activity that does not involve commitment of funds to a specific project and Section 15378(b) (5) as an administrative activity of government that will not result in direct or indirect physical changes in the environment. The determination that this activity is not subject to CEQA, pursuant to Section 15060(c) (3), is not appealable and a Notice of Right to Appeal the Environmental Determination (NORA) is not required. Processing under the National Environmental Policy Act is not required as no federal funds are involved in this action.

Respectfully submitted,

*Debra Fischle-Faulk*

## SECTION I – INTRODUCTION AND AGENCY GOALS

### MESSAGE FROM THE PRESIDENT & CEO

Individuals and families with low income in the City of San Diego turn to the San Diego Housing Commission (SDHC) at times when they are experiencing their greatest vulnerability with something central to their basic wellness and stability—housing. As SDHC’s President & CEO, I want to be sure that our focus remains on the people we are serving. Equity, inclusion, diversity and access will be key components of our initiatives, as we build on the good work done in these areas in the past few years.

But we cannot address the housing and homelessness challenges in the City of San Diego alone. It will take innovative approaches and strong partnerships. Diverse voices further collaboration and innovation. I am a strong believer that relationship-building is a critical component to any agency’s success. I will meet with our customers and community members, City Councilmembers, SDHC Commissioners, community partners and stakeholders, and our staff to hear what they view as important priorities and goals for SDHC for the next year.

We will work with community organizations to reach populations and areas that historically have been underserved. We will enhance existing relationships and build new ones with community organizations to make the best housing opportunities and programs available. We will also rely on SDHC’s status as a Moving to Work (MTW) agency to continue to innovate. The flexibilities we have because of our status as an MTW agency are crucial to developing and implementing housing assistance programs to meet the needs of the individuals and families we serve.

In our Fiscal Year 2025 MTW Annual Plan, we are proposing an initiative to assist veterans who experienced homelessness and are working toward housing stability with a Veterans Affairs Supportive Housing (VASH) voucher. We are also proposing changes to our Establishment of Reasonable Cost Limits activity to enable SDHC to increase our ability to ensure that more affordable units are developed or rehabilitated within the City of San Diego. This will increase housing choice for households with low income.

These initiatives will continue SDHC’s track record of implementing innovative, collaborative efforts to provide the housing assistance individuals and families in our community need. The work ahead will not be easy. But working together with elected officials, government leaders, community partners, our staff and the people we serve, we will continue to move toward even more positive impacts in our community.

Sincerely,

Lisa Jones  
President & CEO  
San Diego Housing Commission

### SHORT-TERM AND LONG-TERM MTW GOALS

#### LONG-TERM GOALS

##### SDHC STRATEGIC PLAN

SDHC’s Strategic Plan provides the vision, mission, purpose, core values and strategic priorities that guide SDHC’s decisions, initiatives and day-to-day efforts.

**Vision:** Everyone in the City of San Diego has a home they can afford.

**Mission:** The San Diego Housing Commission (SDHC) fosters social and economic stability for vulnerable populations in the City of San Diego through:

- Quality, affordable housing.
- Opportunities for financial self-reliance.
- Homelessness solutions.

**Purpose:** Help individuals, families and the San Diego community thrive.

**Core Values:** At SDHC, we:

- Serve our clients with equity, dignity and respect.
- Are committed to excellence and innovation in all we do.
- Believe in transparency and being good financial stewards.

##### Strategic Priority Areas:

1. Increasing and Preserving Housing Solutions.
2. Helping Families Increase Opportunities for Self-Sufficiency and Quality of Life
3. Investing in Our Team
4. Advancing Homelessness Solutions – Supporting the City of San Diego Community Action Plan on Homelessness
5. Advocacy, Communication, Public Engagement

The SDHC Board of Commissioners approved the Strategic Plan on July 9, 2021. SDHC’s Strategic Plan builds upon the accomplishments of the agency’s previous Strategic Plans.

##### COMMUNITY ACTION PLAN ON HOMELESSNESS FOR THE CITY OF SAN DIEGO

The Community Action Plan on Homelessness for the City of San Diego (Community Action Plan), which the San Diego City Council accepted in October 2019, established short-term achievable goals, key principles and foundational strategies that provide a guide for long-term success in addressing homelessness. SDHC was one of the lead agencies in the creation of the Community Action Plan, a comprehensive, 10-year plan for the City of San Diego.

The Community Action Plan recommended the creation of a governance structure that supports cross-agency collaboration, systems level thinking and accountability, including a Leadership Council to review progress and provide direction; an Implementation Team of senior staff; and a project manager position to keep progress on track.

In fall 2022, the Leadership Council requested that an updated analysis of the crisis response and housing needs in the Community Action Plan be conducted. As a result, the Implementation Team worked with Corporation for Supportive Housing (CSH) to conduct an updated needs analysis. CSH is a nationally recognized consultant that worked with the Steering Committee to develop the Community Action Plan in 2019.

Community Action Plan updates were presented to the San Diego City Council’s Land Use and Housing Committee and the City Council in fall 2023. The updated data help communities understand the amount and types of additional investments needed to address homelessness and for more efficient use of resources.

The updates identified several key trends, including:

- The number of available crisis response and housing options has almost doubled, resulting in more people accessing the services and housing they need to end their homelessness.

- Approximately 15,000 people a year have received assistance through City of San Diego- and SDHC-funded programs since 2019.
- More people are experiencing homelessness in the City of San Diego.
- There is an increasing need for prevention resources.

These projections outline how to provide access to housing and services for those who have entered the homeless system. Continued community conversations on housing production, zoning, affordability, availability, working with hospitals and jails, as well as access to mental health and substance use treatment services are critical to ensuring the prevention of homelessness in the community and permanent solutions that solve homelessness in the long-term.

In addition, SDHC continues to maintain a dashboard, available on SDHC’s website, that provides updates about progress made toward the Community Action Plan’s goals and objectives, as well as the Community Action Plan’s accomplishments.

### SHORT-TERM GOALS

#### HOUSING OPPORTUNITY THROUGH MODERNIZATION ACT OF 2016

SDHC will be implementing all necessary policy and procedural changes by January 1, 2025, to ensure compliance with the Housing Opportunity Through Modernization Act (HOTMA), pursuant to the U.S. Department of Housing and Urban Development’s (HUD) Final Rule on HOTMA, which takes effect January 1, 2024.

This process includes notification to participants and updates of SDHC’s Administrative Plan for Section 8 Rental Assistance Programs, SDHC’s Admissions and Continued Occupancy Policy and numerous documents, forms and procedural changes to align SDHC’s rental assistance programs with HOTMA updates to the federal regulations. SDHC’s policies and procedures in which approved MTW waivers and activities supersede HOTMA will remain in effect, as allowed per the Final Rule on HOTMA published in the Federal Register on February 14, 2023.

#### HOMEKEY PROGRAM: ADDITIONAL FUNDING FOR HOMELESSNESS HOUSING

The State of California has awarded \$20.75 million to SDHC through the state’s Homekey Program to support two projects that will provide 75 permanent affordable rental housing units with supportive services for people experiencing homelessness in the City of San Diego.

On November 20, 2023, the SDHC Board of Commissioners voted 5-0 to authorize SDHC to accept and expend these funds:

- \$16.85 million for SDHC’s proposed purchase and rehabilitation of the Ramada Inn at [3737-3747 Midway Drive](#) in the Midway Community to create 62 affordable single-room occupancy (SRO) units, to be known as Pacific Village.
- \$3.9 million for SDHC’s collaboration with Wakeland Housing and Development Corporation to rehabilitate a vacant multifamily housing property at [2147 Abbott Street](#) to create 13 affordable housing units.

The County of San Diego and City of San Diego also have committed funds to these projects. SDHC has committed rental housing vouchers to help residents pay their rent at both properties when they are completed. Residents would receive access to supportive services, such as primary health care, mental and behavioral health care, and other community-based programs to best meet a resident’s individual needs.

SDHC also has submitted two additional applications for an additional \$63.5 million from the third round of funding for the Homekey program. A decision from the state on those applications is still pending. If approved, those Homekey funds would support SDHC’s purchase of two extended-stay hotel properties to create 266 additional permanent affordable rental housing units with supportive services for people experiencing homelessness.

The Homekey program requires all awarded funds to be expended within eight months of the award. All construction or rehabilitation must be completed within 12 months of the award letter, and full occupancy must be achieved within 15 months of the award letter.

#### INCREASING DENSITY AT SDHC PROPERTIES

The preliminary efforts to explore increasing density at SDHC-owned properties to create additional affordable housing opportunities are moving forward through the University Avenue Densification Pilot Project.

## SECTION I – INTRODUCTION AND AGENCY GOALS

This pilot project would increase density at Casa Colina, an SDHC-owned property which currently consists of 75 affordable units in City Heights for seniors with low income. This is part of a broader effort by SDHC to explore increasing density throughout its real estate portfolio to create additional affordable housing.

SDHC staff also continues to work with the County of San Diego regarding a parcel adjacent to Casa Colina. SDHC and the County of San Diego have come to terms on an exclusive negotiating agreement that outlines the process for SDHC to acquire the adjacent parcel and allow for the densification of it as well.

The California State Budget approved for Fiscal Year 2024 included \$2 million allocated directly to SDHC to support the densification pilot project. California State Senate President pro Tempore Toni Atkins advocated for this funding.

SDHC initially provided a presentation about the concept of increasing the density of its real estate portfolio on October 3, 2022, at the special joint meeting of the County of San Diego Board of Supervisors and the San Diego City Council. At that meeting, each jurisdiction adopted a joint resolution supporting an effort to increase density at SDHC properties as a way to increase the availability and production of affordable homes.

### SDHC COLLABORATIVE AFFORDABLE HOUSING DEVELOPMENTS

Furthering the goal of increasing and preserving affordable housing, the following SDHC collaborative developments are among approximately 2,387 affordable rental housing units that have received at least preliminary approval from the SDHC Board of Commissioners and are pending completion:

- **8th Avenue Family Housing** (new construction) – 79 affordable units for families with low income

No changes anticipated.

**VI. GENERAL DESCRIPTION OF ALL PLANNED CAPITAL EXPENDITURES DURING THE PLAN YEAR**

Narrative general description of all planned capital expenditures of MTW funds during the Plan Year.

SDHC anticipates Capital Fund Program formula funds will be used to fund the soft costs, the hard costs and administrative costs of various renovation activities throughout the (8) Public Housing properties consisting of (189) public housing units. Hard costs may include upgrades to property fencing, parking lot seal and stripe, security camera and safety improvements, limited stair upgrades, exterior area and building lighting, limited electrical, and limited site improvements. Soft costs may include architecture and engineering and third-party consultants for due diligence related activities. The property and scope selection are to be determined.

SDHC also anticipates MTW funds will be used to fund capital expenditure costs of various renovation activities in Project Based Voucher and Local, Non-Traditional units. Costs may include energy efficiency measures, upgrades to plumbing and other critical needs projects.

## SECTION III – PROPOSED MTW ACTIVITIES: HUD APPROVAL REQUESTED

### 2013-1. MTW VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) VOUCHER PROGRAM (RE-PROPOSED)

#### Activity Description

On May 27, 2010 SDHC received regulatory and statutory waivers from the Housing voucher Management and Operations Division of HUD for administration of the HUD-VASH Voucher Program using certain elements of MTW authority. In the FY 2013 MTW Annual Plan, SDHC received approval to use its MTW flexibilities to implement policies to ease administration and provide benefits to VASH participants, while ensuring that the VASH protections remain. To this end, SDHC adapted the program to implement a distinct set of policies:

- VASH applicants are subject to a less stringent review of criminal history than all other HCV program applicants. However, when a VASH applicant or participant wishes to add a member to the household, the new member is held to the higher standard. Under the approved initiative, any adult the VASH applicant/participant wishes to add to the household has a reduced criminal history initial requirement: No violent or drug-related criminal activity in the two years preceding application. The reduced criminal history requirements for family members still preclude individuals from participating in the program if subject to registration as a sex offender.
- VASH applicants/participants often have difficulty paying a minimum rent when beginning the VASH program due to initial limited/zero income. Most participants gain an income source through VA case management assistance during the first year on the program. To facilitate this transition, minimum rents may be set at zero for the first 12 months of program participation as a policy exception. After the first 12 months, minimum rents are set according to SDHC policy.
- When VASH participants obtain benefits after long periods of having no income source, garnishments for things such as child support and debt collections are attached to these income sources. This discourages these persons from seeking income and makes it more difficult to successfully pay their rent portions. A 12-month reprieve counteracts this situation for VASH participants. Thus, income garnishments are not counted as income for the first 12 months of program participation if requested by the participant.
- To coincide with SDHC's rental assistance program administration, utility reimbursements are not a part of the SDHC VASH program. This component of the initiative was implemented with Path to Success effective July 1, 2013.
- To coincide with SDHC's rental assistance program administration, VASH participants are eligible for the biennial inspection cycle. SDHC adopted a biennial inspection cycle with no qualifying criteria effective January 1, 2015 thus 100 percent of VASH households are placed on the cycle.

SDHC also received approval on April 1, 2020 to have VASH payment standards tied to 120% of the three Choice Communities payment standards.

#### VASH Minimum Rents

Currently, the minimum rent for VASH participants is zero for the first 12 months of program participation. After the first 12 months, minimum rent is set at \$50. SDHC is proposing to modify this policy so that the minimum rent for VASH families is zero dollars for the duration of their time in the program. All other aspects of how a tenant's rent portion is calculated will remain the same. If a family is paying a premium because the contract rent plus the utility allowance exceeds the payment standard, the premium will be added to the minimum rent.

Previously, the United States Department of Veterans Affairs (VA) had been able to use other grants or programs to help veterans with their minimum rent. However, these programs are no longer available and veterans have been defaulting on their rents and are at-risk of eviction and potentially experiencing homelessness. This update will help veterans on the VASH program to remain stably housed in cases where they are unable to secure any income after the initial 12-month period on the program.

#### Statutory Objectives

The activity will achieve the statutory objective to reduce cost and achieve greater cost effectiveness in Federal expenditures and increase housing choice.

**Anticipated Timeline to Achieve Objectives**

SDHC will implement the change effective July 1, 2024 or immediately after MTW and Admin Plan approval, if approval is after July 1, 2024.

**Activity Metrics Information**

MTW VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) VOUCHER PROGRAM				
METRIC	BASELINE	BENCHMARK	OUTCOME	BENCHMARK ACHIEVED?
<b>SS #1: Increase in Household Income</b> Average earned income of households affected by this policy in dollars (increase).	\$16,693	\$18,362	\$28,271	Yes
<b>SS #6: Reducing Per Unit Subsidy Costs for Participating Households</b> Average amount of Section 8 and/or Section 9 subsidy (or local, non-traditional subsidy) per household affected by this policy in dollars (decrease).	\$707	\$642	\$1,470	No

**Projected Outcomes**

SDHC anticipates that the per unit subsidy costs for participating households will increase slightly due to the elimination of minimum rent. SDHC does not anticipate any changes to household income. SDHC expects to see an increase in housing stability for zero income veterans.

**Description of Data Sources for Metrics**

Reports will be created in the housing management software to retrieve data related to the metrics and imported into an Excel spreadsheet for further analysis. Data will be analyzed on an annual basis.

**Cost Implications**

SDHC anticipates a slight increase in per unit subsidy costs for participating households due to the elimination of minimum rents.

**Need/Justification for MTW Flexibility**

HUD Waiver approval concerning the administration of HUD-VASH Vouchers dated May 27, 2010 (see attachment X). MTW Agreement Attachment C, Section D (2) (a) containing waivers of Sections 8 (o) (1), 8 (o) (2), 8 (o) (3), 8 (o) (10), and 8 (o) (13) (H-I) of the U.S. Housing Act of 1937 and 24 CFR 982.508, 982.503, and 982.518.

**Rent Reform/Term Limit Information (if applicable)**

Impact Analysis

SDHC anticipates that the implementation of the proposed policy will have a positive effect on VASH participants. The minimum rent for all households will be reduced to \$0. For households with zero income, they will no longer be responsible for a minimum rent of \$50 after their first year on the program, which will reduce their shelter burden. All other aspects of the tenant rent portion will remain the same.

There are currently 104 VASH households who have zero income and are subject to the minimum rent for VASH. 59 VASH participants are paying the \$50 minimum rent, and 45 participants are in their first year of receiving assistance and exempt from the \$50 minimum rent, but will be subject to the minimum rent after their 12 months. These, and all future participants with zero income would see a reduction to their rent portion because the minimum rent would be reduced to zero.

Hardship Case Criteria

This proposed policy will have a solely positive effect on VASH participants.

**2021-1. ESTABLISHMENT OF ALTERNATIVE REASONABLE COST LIMITS (RE-PROPOSED)**

**Activity Description**

In FY 2021, SDHC received approval to develop alternative reasonable cost limits to include Total Development Costs (TDC) and Hard Construction Costs (HCC) for the amount of Moving to Work (MTW) funds that can be contributed in SDHC’s local non-traditional development and rehabilitation activities. The San Diego metropolitan area has seen massive increases in the cost to develop and rehabilitate new and existing properties. SDHC has seen multiple projects far exceed the HUD-published limits for the San Diego region, as the Rental Housing Finance Division is a lender, conduit bond issuer, and administrator of the City of San Diego’s affordable land use programs including the Inclusionary, Density Bonus, Single-Room Occupancy, and Coastal Replacement Housing ordinances. The alternative formula allows SDHC to increase its ability to ensure that more affordable units are developed or rehabilitated within the City of San Diego, which in turn will increase housing choice for low-income families.

The current methodology approved by HUD in 2021 uses a lookback period of three years of all development and rehabilitation projects utilizing SDHC funds. SDHC proposes revising the methodology to use a lookback period of one year and removing rehabilitation projects from the analysis. All other aspects of the methodology will remain the same.

Project costs have dramatically and consistently increased year-over-year during the preceding three-year lookback period, coinciding with the onset of the COVID-19 pandemic. These increases are reflected both in hard construction costs and total development costs in projects approved by the SDHC Board, as increases in the costs for labor, materials, and real estate have continued a steep upward trend. The earlier project data points in a three-year sample are reflective of pre-COVID-19 environment. These samples are no longer relevant to the current environment and have the effect of significantly weighing down the proposed reasonable cost limits relative to more recent project comparables which more accurately reflect the industry-wide adjustments that have occurred subsequent to the pandemic. By focusing the lookback period only on the most recent and relevant project data within the last year, the proposed cost limits will be more aligned with current market conditions and thus better position SDHC to preserve, acquire and develop affordable rental housing in the City of San Diego.

The average cost per square foot using this proposed methodology can be found below.

SDHC AVERAGE COST PER SQUARE FOOT		
DEVELOPMENT TYPE*	HARD CONSTRUCTION COST (HCC)	TOTAL DEVELOPMENT COST (TDC)
WALKUP	\$523.86	\$730.61
ELEVATOR	\$395.54	\$614.44

SDHC’s proposed HCC/TDC limits are included in the table below, using the methodology described above. A full table is provided in Appendix E.

SDHC REASONABLE COST LIMITS FOR MTW FUNDS (PROPOSED)

Below, for comparison, is a table of limits using the approved methodology.

SDHC REASONABLE COST LIMITS FOR MTW FUNDS (APPROVED METHODOLOGY)

**Statutory Objectives**

The activity will achieve the statutory objective to increase housing choice for low-income families because the activity will result in additional affordable rental housing being developed in the City of San Diego.

**Anticipated Timeline to Achieve Objectives**

Once approved, the creation of updated reasonable cost limits in future years can be determined using updated development costs. If SDHC plans to update the methodology used to formulate the reasonable cost limits, SDHC will provide the proposed methodology to HUD’s review and approval.

- HC #3: Average number of months on waitlist
- HC #4: The total number of currently affordable units rehabilitated
- HC #5: Total number of units developed or rehabilitated using MTW funds in Choice and Enterprise communities

**Description of Data Sources for Metrics**

Board Reports presented to the SDHC Board of Commissioner provide total development costs, hard construction costs, square footage, and the number of units developed for each project. In addition, this information will be tracked in Salesforce that will be exported to Excel for analysis. Data will be analyzed on an annual basis.

### Cost Implications

SDHC anticipates that this activity will result in an accurate reflection of the increasing costs to develop and rehabilitate affordable housing in San Diego.

### Need/Justification for MTW Flexibility

The amended and restated Moving to Work agreement, Attachment C, Section C(16) and the Broader Uses of Funds Authority provides authorization for SDHC to establish reasonable cost formulas for development and rehabilitation activities.

### Rent Reform/Term Limit Information (if applicable)

n/a

## 2025-1. RENTAL ASSISTANCE RENT REASONABLENESS

### Activity Description

In order to foster housing stability for rental assistance participants, SDHC proposes to modify the regulatory definition of Rent Reasonableness to limit Housing Choice Voucher rent increases to the lower of 5% plus the Consumer Price Index (CPI) or 10% within a 12-month period. The modification will increase the consistency of SDHC's policy with rent control provisions in effect for unsubsidized housing in San Diego. The policies and procedures related to this activity will be detailed in SDHC's Section 8 Administrative Plan and will include ability of a landlord to appeal if this activity would create a hardship for that landlord.

By limiting the rent increases to a reasonableness percentage in this manner, SDHC, will approve rent increases according to the rent increase trends for similar unassisted units in the rental industry.

The proposed activity will further enhance participants' ability to maintain stability in their housing and may prevent terminations or evictions, and facilitate a more constant and predictable tenant rent. The activity will foster an environment where landlords implement measured and incremental rent increases rather than sudden and significant rental increases.

### Statutory Objectives

This activity will achieve the statutory objective to use federal dollars more efficiently through aligning Housing Choice Voucher rent increases with the rental industry. It will support the agency's effort to maintain effective program operations. By limiting the amount by which rents can increase and thus reducing program costs, the activity will allow SDHC to allocate funds more strategically, potentially assisting a larger number of households or providing additional supportive services. The activity also will bolster housing choice, by increasing the ability of program participants to remain housed and freeing up funding that can be used to serve additional households.

### Anticipated Impacts and Timeline to Achieve Objectives

The Rental Assistance Rent Reasonableness Policy aims to bolster housing stability through measures that limit landlords' capacity to escalate rents, thereby promoting more affordable and consistent landlord submissions of increases. This activity will provide a continuing benefit once implemented, and thus SDHC anticipates the continuation of this activity as long as local rental market conditions result in a need for it.

The implementation of this activity is set to commence within 120 days following approval from HUD. SDHC will promptly notify landlords through a combination of mailed correspondence and electronic notifications to ensure comprehensive updates are provided. Additionally, the SDHC rent increase online and paper applications will undergo timely updates to reflect the changes.

**Activity Metrics Information**

ESTABLISHMENT OF ALTERNATIVE REASONABLE COST LIMITS			
METRIC	BASELINE	BENCHMARK	OUTCOME
<p><b>HC #2: Units of Housing Preserved</b></p> <p><i>Number of housing units preserved for households at or below 80% AMI that would otherwise not be available (increase).</i></p>	0	14,374	

**Projected Outcomes**

- HC #2: By including percentage limitations to the definition of Rent Reasonableness, households under the Housing Choice Voucher Program will benefit from policies to preserve housing.

**Description of Data Sources for Metrics**

Reports will be created in the housing management software to retrieve data related to the metrics and imported into an Excel spreadsheet for further analysis. Data will be analyzed on an annual basis.

**Cost Implications**

SDHC anticipates long term cost savings related to the measures contained in the Rental Assistance Rent Reasonableness Policy. The long-term cost savings cannot be definitively predicted due to fluctuations in household income, household composition, changes in payment standard amounts, inflation, and HUD funding levels and all factors associated with agency funding. However, SDHC can predict that limiting rent increases will help SDHC incrementally respond and predict HAP costs and make any necessary program adjustments.

**Need/Justification for MTW Flexibility**

The amended and restated Moving to Work agreement, Attachment C, Section (D)(2)(c) containing waivers of Sections 8(o)(l), 8(0)(2), 8(0)(3), 8(0)(10) and 8(o)(l3)(H)-(l) of the 1937 Act and 24 C.F.R. 982.508, 982.503 and 982.518 and Section (D)(2)(b) containing waivers of Section 8(0)(10) of the 1937 Act and 24 C.F.R. 982.507 as necessary to implement the Agency's Annual MTW Plan

**Rent Reform/Term Limit Information (if applicable)**

**Impact Analysis**

**1. A description of how the proposed MTW activity will impact household rent/tenant share.**

Advocating for reasonable increases ensures participants facing increases in their rent portion can more comfortably navigate and manage the financial implications to their household budget.

This activity would not have a negative impact on the household rent/tenant share.

**2. A description of how the MTW PHA will implement and track the rent reform activity and how that process will enable the identification of any unintended consequences/impacts.**

To effectively execute and monitor the policy, SDHC will continue to collect comprehensive metrics regarding interim certifications related to this initiative and will also expand metrics to include more details regarding the percent change of submitted rent increases.

**3. A numerical analysis detailing the intended/possible impacts of the rent reform activity (including changes to the amount of rent/tenant share, rent burden increases/decreases, households affected, etc.)**

A numerical analysis is unable to be conducted due to the nature of the activity. An unforeseen consequence could be a decrease in landlords’ interest in the program due to the supplementary policies associated with setting rents.

**4. A plan for how the MTW PHA will weigh the consequences/benefits of the rent reform activity to determine whether it should be adjusted/terminated/reduced/continued/expanded.**

SDHC will continue to leverage the benefits of the Landlord Partnership Program that provides financial and support incentives to landlords who rent to families who receive Section 8 Housing Choice Vouchers through its programs.

The below establish incentives will continue to aim to mitigate potential disinterest from landlords who might otherwise refrain from participations due to increased rental restrictions. Nevertheless, SDHC will continue to evaluate any such impact and whether any adjustment in the activity is needed as a result.

### **Incentive Payments**

Upon Housing Assistance Payment contract execution and tenant move-in, SDHC will disburse \$500 for each rental unit rented to a Section 8 Housing Choice Voucher household.

### **Landlord Assurance Fund**

Landlords have access to submit assurance fund claims to receive funds that will help cover expenses for repairs as a result of a tenant move out beyond normal wear and tear and rent due that exceed the security deposit. Funds are only accessible in the assurance fund within the first two years of new tenancy, and maximum reimbursement per claim is \$3,000.00. This incentive is subject to SDHC Assurance Fund Guidelines.

### **Move Flexibility Allowance**

In cases when there is a delay in the Section 8 Housing Choice Voucher tenant vacating a subsidized unit to move into a new unit, the landlord may request up to an additional five days of Housing Assistance Payment overlap to ensure neither landlord is harmed in the process. Landlords can apply for this incentive by contacting the housing assistant assigned to the tenant that is vacating the subsidized unit.

### **Mobility Counseling Program**

An SDHC Mobility Counselor assists with pre- and post-moving counseling, housing search assistance, and guidance about neighborhood features for families moving to Choice or Enterprise Communities within SDHC's Choice Communities Initiative. Mobility Counselors support families and landlords in the move process to ensure timely lease-ups.

### **SDHC Landlord Service Unit**

SDHC has established a Landlord Service Unit, which consists of seven SDHC employees who provide quality customer service to landlords and tenants in the HCV program. This includes a Landlord Liaison, who provides HCV Program education, guidance, and support to landlords who rent to HCV program participants, as well as a dedicated team of Mobility Counselors, who support families in the moving process to ensure timely lease-ups.

### **Security Deposit Loan Assistance**

Families moving to Choice or Enterprise Communities through SDHC's Choice Communities Initiative are eligible for no-interest security deposit loans up to the payment standards for the area for their voucher size.

### **Hardship Case Criteria**

Not applicable. This activity only will reduce rents for program participants in some instances and will have no negative impacts that could cause hardship for them.

### **Description of Annual Reevaluation**

To effectively execute and monitor the policy, SDHC will continue to collect comprehensive metrics regarding interim certifications related to this initiative and will also expand metrics to include more details regarding the percent change of submitted rent increases.

Reports will be created in the housing management software to retrieve data related to the metrics and imported into an Excel spreadsheet for further analysis. Data will be analyzed on an annual basis.

### **Transition Period**

The implementation of this activity is set to commence within 120 days following approval from HUD. SDHC will promptly notify landlords through a combination of mailed correspondence and electronic notifications to ensure comprehensive updates are provided. Additionally, the SDHC rent increase online and paper applications will undergo timely updates to reflect the changes.

**IMPLEMENTED ACTIVITIES**

**2022-1.  
HOMEOWNERSHIP  
PROGRAM**

**PLAN YEAR APPROVED: 2022**  
**RE-PROPOSED: N/A**

**DESCRIPTION**

Using Broader Use of Funds Authority, SDHC allocated up to \$5 million towards the existing first-time homebuyer's programs, which should assist up to 50 families under 80% AMI in being able to purchase a home in the City of San Diego. Currently, SDHC receives funding for its homeownership programs via HOME, Community Development Block Grants (CDBG), California CalHome Program funds, and the City of San Diego Affordable Housing Fund.

**2021-2.  
PRESERVATION OF  
AFFORDABLE  
HOUSING IN THE  
CITY OF SAN DIEGO**

**PLAN YEAR APPROVED: 2021**  
**RE-PROPOSED: N/A**

**DESCRIPTION**

SDHC created a Local Non-Traditional, Property-Based activity to provide financing for the preservation and rehabilitation of properties that are not owned by SDHC. In seeking funding for preservation or rehabilitation, landlords will be incentivized to maintain the affordability of the units and improve housing stock as they provide safe, decent and sanitary dwelling units.

SDHC is committed to preserving affordable housing within the City of San Diego, by developing methods of financing to incentivize property owners to preserve their existing affordable housing units. Financing received through SDHC will help these property owners complete necessary health and safety upgrades to dwelling units that could normally be cost-prohibitive, leading to an increase in rent for tenants. In receiving this funding, this ensures that properties receiving SDHC funds remain affordable to low-income families for the foreseeable future.

During FY 2021 and FY 2022, NOFAs were developed aimed at the preservation of deed-restricted and naturally occurring affordable housing (NOAH).

**2021-1.  
ESTABLISHMENT OF  
ALTERNATIVE  
REASONABLE COST  
LIMITS**

**PLAN YEAR APPROVED: 2021**  
**RE-PROPOSED: N/A**

**DESCRIPTION**

SDHC received permission to develop alternative reasonable cost limits to include Total Development Costs (TDC) and Hard Construction Costs (HCC) for the amount of Moving to Work funds that can be contributed in SDHC's local non-traditional development and rehabilitation activities. Over the past several years, the San Diego metropolitan area has seen massive increases in the cost to develop and rehabilitate new and existing properties.

SDHC has seen multiple projects exceed HUD-published limits for the San Diego region, as the Rental Housing Finance Division is a lender, conduit bond issuer, and administrator of the City of San Diego's affordable land use programs including the Inclusionary, Density Bonus, Single-Room Occupancy, and Coastal Replacement Housing ordinances. Using the alternative reasonable cost formula, SDHC was able to increase its ability to ensure that more affordable units are developed or rehabilitated within the City of San Diego.

*Prior Updates*

- FY 2023: The alternative reasonable cost limits were updated using the approved activity methodology

**2016-3. HOMELESS  
SHELTER BEDS**

**PLAN YEAR APPROVED: 2016  
RE-PROPOSED: N/A**

**DESCRIPTION**

In FY 2016, SDHC received approval under Broader Uses of Funds Authority to subsidize shelter beds in the City of San Diego. Shelter programs serve a variety of needs and subpopulations. SDHC and regional partners have identified, similar to housing interventions, that a continua of options is needed to engage certain sub-populations, especially those that are historically hesitant to enter traditional congregate shelter. This approach aligns with the goals and practices set forth in the Community Action Plan on Homelessness for the City of San Diego. All contracted programs are required to follow Housing First principles with low barriers to entry and align with regional Continuum of Care community standards and national best practices as detailed in contracted scopes of work. In alignment with national best practice to provide low-barrier shelter access, only criminal history related to life-time sex offender status and convictions resulting from manufacturing methamphetamine in federally assisted housing will be considered.

*Prior Updates*

- FY 2022: SDHC will provide MTW funding to shelter providers through a competitive process, to develop and/or acquire new family congregate sites. In addition, the program budget will be increased to \$12.8 million, based on an average cost of \$52.06 per night.
- FY 2020: The program MTW budget was increased to \$8 million.

**PLANNED NON-SIGNIFICANT CHANGES:** SDHC may provide MTW funding for homelessness sector programs/services to provide shelter services and to develop and/or acquire new traditional congregate or alternative safe sheltering sites.

**2016-2. THE  
GUARDIAN  
SCHOLARS  
PROGRAM**

**PLAN YEAR: 2016  
RE-PROPOSED: N/A**

**DESCRIPTION**

Using Broader Uses of Funds Authority, SDHC provides funding to San Diego State University to assist students with the housing component of their education. The target population is former foster care youth, wards of the court, or unaccompanied homeless youth. SDHC provides \$200,000 annually and matches up to an additional \$400,000 of philanthropic funds for an aggregate total of \$600,000 annually.

*Prior Updates*

- FY 2023: The SDHC will determine how frequently it will revisit based on market trends and funding availability the compensation to award the program
- FY 2021: A modified alternate HQS policy will be used for the units funded through the program.

**2016-1. THE MONARCH SCHOOL PROJECT**

**PLAN YEAR: 2016**  
**RE-PROPOSED: 2020**

**DESCRIPTION**

Using Broader Uses of Funds Authority, SDHC created a pilot program to provide housing subsidy to homeless families with minors enrolled in Monarch School. The Achievement Academy delivers work readiness services (such as job placement and training) to the adult family members.

*Prior Updates*

- FY 2024: In order to prevent housing instability and encourage self-sufficiency for families participating in the Monarch Program, in FY 2024 SDHC updated its administrative plan to detail that SDHC may provide continued assistance to families even if they no longer have a student enrolled in the Monarch School. If a family moved to a different school district or the youngest child has completed 12th grade and/or is no longer attending school continuously, SDHC will determine the appropriateness of future rental assistance and supportive services that best meets the family's needs as outlined in the SDHC Admin Plan.
- FY 2020: Activity was re-proposed, broadens the initiative to allow for permanent supporting housing as required.
- FY 2018: Activity now utilizes the Coordinated Entry System (CES) for programmatic referrals.

<p><b>2013-6. TRANSITIONAL PROJECT-BASED SUBSIDIES FOR THE HOMELESS</b></p>	<p><b>DESCRIPTION</b> Utilizing Broader Uses of Funds Authority, SDHC partners with agencies to craft a transitional housing program using project-based subsidies paired with supportive services, offered by the selected provider agency. SDHC is currently partnering with PATH, Episcopal Community Services, and Senior Community Center in this endeavor.</p> <p><i>Prior Updates</i></p> <ul style="list-style-type: none"> <li>• FY 2022: SDHC revised the maximum subsidy to be aligned with the HCV housing assistance payments per unit cost (PUC) per bed, and this may be adjusted periodically to account for rising costs of administering the program including, but not limited to, rising rental costs.</li> <li>• FY 2020: A modified alternate HQS policy will be used for the beds funded through the program.</li> <li>• FY 2017: The target populations are expanded to include homeless veterans and victims of human trafficking.</li> <li>• FY 2016: Due to the success of the activity, SDHC is expanding the program to include funding beds in addition to units. The maximum subsidy is \$700 per bed. The target populations are expanded to include homeless veterans and victims of human trafficking.</li> <li>• FY 2015: RFP solicitation process to include for-profit entities in addition to non-profit entities. Additionally, SDHC may award the subsidies to an SDHC-owned development without a competitive process. Partnering agencies may utilize the VI-SPDAT model to refer applicants for the housing program.</li> </ul> <p><b>PLANNED NON-SIGNIFICANT CHANGES:</b> Project-based subsidy for these programs will be awarded on a competitive basis. The exception will be if the program is housed in an SDHC-owned and/or SDHC-controlled development (for example long-term, master lease), in which case the subsidy will be awarded non-competitively, per a prior HUD-approved MTW activity.</p> <p><b>PLANNED CHANGES TO METRICS / DATA COLLECTION:</b> The baseline and benchmark for CE# 1 have been updated to reflect the current HUD administrative reimbursement rate.</p> <p><b>PLANNED SIGNIFICANT CHANGES:</b> None</p>	<p><b>PLAN YEAR: 2013</b> <b>RE-PROPOSED: N/A</b></p>

**2011-3. TWO YEAR OCCUPANCY TERM FOR PBV TENANTS**

**PLAN YEAR: 2011  
RE-PROPOSED: 2013**

**DESCRIPTION**

Requires Project-Based Voucher holders to complete two years of occupancy before becoming eligible to receive a tenant-based voucher. Waivers allow SDHC to determine waiting list procedures differing from current program requirements. The Mason Hotel and Parker-Kier contracts contain this requirement.

*Prior Updates*

- FY 2016: The Fiscal Year 2012 Report increased the threshold of the vacancy policy from 15% to 35%, a percent consistent with the baseline vacancy rate. The policy change benefits PBV households.
- FY 2013: Re-proposed to allow SDHC to create a policy stating, "No more than 15% of the tenants in any given development who become eligible to transition to a tenant-based voucher in any given year and no more than 10% in any given month can move from the PBV assisted complex. Policy change effective 2/1/2014.

**IMPLEMENTED ACTIVITIES**

**2010-9. EXPAND  
THE PROJECT-BASED  
VOUCHER PROGRAM**

**PLAN YEAR: 2010  
RE-PROPOSED: 2015**

**DESCRIPTION**

SDHC allocates a greater percent of budget authority to project-based vouchers to serve persons experiencing homelessness and low-income households in the City of San Diego. Authorizations waived allow SDHC to project-base 100 percent of the units in a development; create project-specific waitlists; utilize creative measures to allocate PBV in vacant and foreclosed properties; and designate greater than 20 percent of SDHC's allocation to PBV.

*Prior Updates*

- FY 2022: New PBV developments focused on Permanent Supportive Housing (PSH) may use Certificates of Occupancy or Temporary Certificates of Occupancy in lieu of an HQS inspections for units. This allows for inspections that have been performed for satisfying Tax Credit or HOME program requirements, as well as inspections by other governmental agencies that are substantially equivalent to HQS requirements. Subsequent inspections shall follow the standard biennial HQS process.
- FY 2021: SDHC changed the rent change period from HAP anniversary month to reexamination month. This will further streamline the process by allowing rent increases to be processed concurrently with the reexamination on the optimized reexamination effective date
- FY 2015: Re-proposed to adopt additional flexibilities to require residents to participate in supportive services as a condition of tenancy; allow project-specific waiting lists maintained by the owners or non-profit providers; approve exception payment standards exceeding 110 percent of the FMR without requiring HUD approval; and increase the number of designated PBV units in a contract after the first three years of the contract have elapsed.

**PLANNED NON-SIGNIFICANT CHANGES:** In alignment with national best practice and housing first principles, engagement in supportive services is not a condition of tenancy. However, project-based programs that serve special populations are expected to make available a variety of supportive services to best meet a specific population’s needs. These expectations are memorialized in contract documents.

**PLANNED CHANGES TO METRICS / DATA COLLECTION:** The baseline and benchmark for CE# 1 have been updated to reflect the current HUD administrative reimbursement rate.

**PLANNED SIGNIFICANT CHANGES:** None

**IMPLEMENTED ACTIVITIES**

**]2010-7. ADOPT A  
LOCAL INTERIM  
CERTIFICATION  
POLICY**

**PLAN YEAR: 2010  
RE-PROPOSED: 2012**

**DESCRIPTION**

The local interim policy applies to non-elderly/non-disabled households and limits the number of interim adjustments to income to once in a 12-month timeframe. Additionally, decrease of income interims will be granted only if the loss of income is through no fault of the family, the decreased income results in a decrease to the rent portion greater than 20 percent, the decrease is not due to a sanction on public assistance income, and the family provides verification of eligibility or ineligibility for unemployment benefits if the reduced income is due to loss of employment. If it is determined that a reduction of rent is warranted, the reduced rent will begin the first of the month after receipt of all verifications of decrease and any replacement income.

When a change of family composition is reported in a timely manner, the effective date of the rent portion changes are as follows:

- Increases in the tenant rent due to family changes are effective on the first of the month, after at least 30-days' notice to the family. Decreases in the tenant rent are effective the first of the month following the month in which verifications are received.
- When the family composition change is not reported timely by the family, the increase in tenant rent will be effective retroactive to the date it would have been effective had it been reported in a timely manner. The family will be liable for any overpaid HAP and may be required to sign a repayment agreement or make a lump sum payment.
- A decrease in tenant rent will be effective on the first of the month following the month that the verification is received.

*Prior Updates*

- FY 2020: A technical amendment was approved in April 2020 to allow for modifications to the activity during periods of emergency operations.
- FY 2018: Effective July 1, 2018, SDHC eliminated the "No Fault of Your Own" policy as a reason to deny an interim request for a decrease in the rent portion. A review and analysis of the policy indicated minimal benefits.
- FY 2015: The policy applies to work-able families as defined under Path to Success. The activity utilizes the authority to implement an interim certification protocol differing from current mandates, thus allowing for locally driven policies concerning income change interims for families categorized as "Work-Able".
- FY 2012: Re-proposed to adopt a policies stating an interim adjustment of income will not be processed unless the change to the rent portion is greater than 20% and the loss of income must not occur through fault of the family. Baselines, benchmarks, and metrics were modified in the Fiscal Year 2012 Plan Amendment due to the re-proposal.

**2010-6. SIMPLIFY  
INCOME AND ASSET  
VERIFICATION  
SYSTEMS TO REDUCE  
ADMINISTRATIVE  
BURDEN**

**PLAN YEAR: 2010  
RE-PROPOSED: 2016**

**DESCRIPTION**

Restructures the verification hierarchy, and assets valued at less than \$10,000 are not verified. The activity utilizes the authority to adopt and implement policies to calculate the rent differing from program requirements. At admission and subsequent reexaminations, SDHC accepts self-certification if participant or applicant declares assets to be less than \$100,000 and that they do not own a home suitable for occupancy by the participant or applicant, third-party verification is not required. SDHC also accepts documents provided by applicants and participants without requiring third-party verification at admission or subsequent reexaminations.

*Prior Updates*

- FY 2016: Re-proposed to eliminate assets from the verification and rent calculation process, gain the ability to deny program admission to applicants owning homes, and incorporate activity 2011-5 into the initiative.

**PLANNED NON-SIGNIFICANT CHANGES:** None

**REVISED INSPECTION  
PROTOCOL**

**DESCRIPTION**

The modified inspection protocol reduces the number of required inspections by placing qualifying units on a Biennial Inspection Cycle and allowing owners to self-certify Housing Quality Standards for minor fail items.

*Prior Updates*

- FY 2020: A technical amendment was approved in April 2020 to allow for modifications to the activity during periods of emergency operations.
- FY 2016: Through the initiative, SDHC will modify the requirements to "gain entry" into every 24 months to make a "first attempt to access" the unit every 24 months to comply with Federal requirements.
- FY 2015: Modified the activity to remove the qualifying criteria and authorize placement of all MTW units onto a Biennial Inspection Cycle.
- FY 2014: Results for HQS inspections occurring before implementation of the activity may not be considered for purposes of placement on the biennial inspection cycle.

<b>2023-1. BLENDED SUBSIDIES IN FAIRCLOTH-TO-RAD CONVERSIONS</b>	<p><b>DESCRIPTION</b></p> <p>SDHC received permission for blended subsidies using MTW funds for Faircloth to RAD conversions. SDHC has been actively involved in creating and preserving additional affordable housing within the City of San Diego in other approved MTW activities through acquisitions, rehabilitations, and new developments. In addition, SDHC has an active activity relating to public housing development. Documentation from the PIH office of Capital Improvements, as of September 30, 2021, showed that SDHC had an availability of 1,220 units remaining under the Faircloth limit. Due to the remaining units in SDHC’s Faircloth cap, SDHC is actively researching opportunities where a Faircloth-to-RAD conversion would be feasible. This activity would be utilized to make up the difference between the combined tenant paid portion and the RAD HAP subsidy up to the contract rent for converted units.</p> <p><b>IMPLEMENTATION DATE TIMELINE:</b> None</p> <p><b>STATUS UPDATE:</b> SDHC is actively reviewing options to implement this activity.</p> <p><b>DESCRIPTION OF NON-SIGNIFICANT CHANGES/MODIFICATIONS SINCE APPROVAL:</b> None</p>	<p><b>PLAN YEAR APPROVED:</b> 2023</p> <p><b>RE-PROPOSED:</b> N/A</p>

<b>2010-8. ESTABLISH AN HCV HOMEOWNERSHIP PROGRAM</b>	<p><b>PLAN YEAR APPROVED:</b> 2010</p> <p><b>RE-PROPOSED:</b> N/A</p> <p><b>DESCRIPTION</b></p> <p>A homeownership program was created to assist income-eligible HCV participants with purchasing a home. Housing assistance payments are utilized to assist with a mortgage payment rather than as a rental payment. Incentives to purchase a foreclosed home are also program components. Waivers were enacted to modify the eligibility requirements for the program related to the minimum monetary threshold for savings accounts as well as implement the incentives for purchasing foreclosed homes.</p> <p><b>REASON PLACED ON HOLD</b></p> <p>The program was placed on hold due to decreasing housing stock and the resulting increasing housing prices, thus creating a housing market no longer accessible to low-income Housing Choice Voucher participants. <p><b>2014-4. HOUSING SUBSIDY PROGRAM FOR HOMELESS YOUTH</b></p>	<p><b>PLAN YEAR APPROVED:</b> 2014</p> <p><b>RE-PROPOSED:</b> N/A</p> <p><b>DESCRIPTION</b> Using Broader Uses of Funds Authority, SDHC created a time-limited pilot program to provide flat housing subsidies while a partnering agency delivers supportive services such as job placement, education, training, and case management.</p> <p><b>REASON(S) CLOSED OUT</b> The activity was not implemented. SDHC published several competitive solicitations to procure a partner agency without success. Due to the inability to award a contract, SDHC closed out the activity.</p>	<p><b>IMPLEMENTATION DATE:</b> N/A</p> <p><b>DATE CLOSED OUT:</b> JULY 1, 2022</p>
<p><b>2014-1. TRANSITIONAL SUBSIDY PROGRAM FOR HOMELESS VETERANS</b></p>	<p><b>PLAN YEAR APPROVED:</b> 2014</p> <p><b>RE-PROPOSED:</b> N/A</p> <p><b>DESCRIPTION</b> Using Broader Uses of Funds Authority, SDHC partners with Veteran's Village of San Diego (VVSD) to craft a transitional housing program using flat subsidies paired with supportive services. SDHC provides the housing subsidy while VVSD provides the supportive services.</p> <p><b>REASON(S) CLOSED OUT</b> Veteran's Village of San Diego, the intended partnering agency for the program, indicated a preference to pursue an alternative rental subsidy program.</p>	<p><b>IMPLEMENTATION DATE:</b> JAN 01, 2014</p> <p><b>DATE CLOSED OUT:</b> OCT 01, 2014</p>
<p><b>2013-9. A Final Rule FR 5743-F-03 was published, reactivating the streamlining measure.</p>	<p><b>IMPLEMENT DATE:</b> SEP 01, 2012</p> <p><b>DATE CLOSED OUT:</b> JULY 01, 2020</p>

<b>2012-4. PROJECT-BASED SUBSIDY PROGRAM FOR THE HOMELESS</b>	<b>PLAN YEAR APPROVED:</b> 2012 <b>RE-PROPOSED:</b> N/A	<b>IMPLEMENTATION DATE:</b> N/A <b>DATE CLOSED OUT:</b> DEC 31, 2014
	<b>DESCRIPTION</b> Using Broader Uses of Funds Authority, SDHC created a program which provides a flat subsidy based on the number of authorized units in the development; all program administration is performed by the development owner with monitoring and auditing performed by SDHC.	
	<b>REASON(S) CLOSED OUT</b> SDHC determined the program structure as not advantageous to the agency's approach to ending homelessness on the City of San Diego. Efforts are focused in other development capacities.	
<b>2011-10. BROADER USES OF FUNDS FOR IDAs</b>	<b>PLAN YEAR APPROVED:</b> 2011 <b>RE-PROPOSED:</b> N/A	<b>IMPLEMENTATION DATE:</b> JUL 01, 2010 <b>DATE CLOSED OUT:</b> JUN 30, 2011
	<b>DESCRIPTION</b> SDHC received permission to utilize MTW broader use of funds authority to subsidize IDAs not authorized by federal regulations.	
	<b>REASON(S) CLOSED OUT</b> The activity is a Section 8 activity not requiring regulatory waivers or broader uses of funds authority, but rather single-fund flexibility. The activity is no longer active.	
<b>2011-9. ENHANCE FAMILY SELF-SUFFICIENCY PROGRAM</b>	<b>PLAN YEAR:</b> 2011 <b>RE-PROPOSED:</b> N/A	<b>IMPLEMENTATION DATE:</b> OCT 01, 2010 <b>DATE CLOSED OUT:</b> JUL 01, 2014
	<b>DESCRIPTION</b> In the event the head of household is unable to enroll in the FSS program (such as due to a disability), an adult household member may enroll in the program as the sole participant.	
	<b>REASON(S) CLOSED OUT</b> Per HUD's recommendation, the initiative will be combined with the FSS Reinvention activity via a re-proposal in the Fiscal Year 2015 MTW Annual Plan.	
<b>2011-5. DISREGARD RETIREMENT ACCOUNTS</b>	<b>PLAN YEAR:</b> 2011 <b>RE-PROPOSED:</b> N/A	<b>IMPLEMENTATION DATE:</b> AUG 01, 2010 <b>DATE CLOSED OUT:</b> JUN 30, 2015
	<b>DESCRIPTION</b> SDHC disregards retirement accounts when verifying an applicant or participant's assets.	
	<b>REASON(S) CLOSED OUT</b> The re-proposal of activity 2010-6 wherein assets are eliminated from the rent calculation eliminates the need for the activity.	
<b>2010-10. UNDERTAKE PUBLIC HOUSING DEVELOPMENT</b>	<b>PLAN YEAR:</b> 2010 <b>RE-PROPOSED:</b> N/A	<b>IMPLEMENTATION DATE:</b> JUL 01, 2010 <b>DATE CLOSED OUT:</b> JUN 30, 2011
	<b>DESCRIPTION/UPDATE</b> Acquire, rehabilitate, or produce housing units as public housing.	
	<b>REASON(S) CLOSED OUT</b> This activity was closed out in the Fiscal Year 2011 MTW Report. Public Housing development will occur under the Fiscal Year 2011 Public Housing Development initiative which combines the authorizations and flexibilities.	
<b>2010-3. TRIENNIAL REEXAMINATIONS FOR ELDERLY AND DISABLED HOUSEHOLDS</b>	<b>PLAN YEAR:</b> 2010 <b>RE-PROPOSED:</b> N/A	<b>IMPLEMENTATION DATE:</b> OCT 01, 2009 <b>DATE CLOSED OUT:</b> JUL 01, 2015
	<b>DESCRIPTION/UPDATE</b> Allows families defined as Elderly/Disabled to participate in a Triennial Reexamination Cycle. COLA updates to social security and veteran's benefits are processed in the "off" years. The activity was implemented using the authority to redefine the cycle utilized for the full reexamination of income and household composition.	
	<b>REASON(S) CLOSED OUT</b> SDHC closed out the activity to streamline the reexamination process for Path to Success participants and rental assistance staff. Multiple reexamination processes for households proved difficult to administer when population changes occurred between Work-Able and Elderly/Disabled households. Path to Success households are placed on a biennial reexamination process effective with July 2015 reexamination. The PBV and FUP programs remain on an annual reexamination cycle.	

<p><b>2009-1.</b> <b>ACHIEVEMENT</b> <b>ACADEMY OF THE</b> <b>SAN DIEGO</b> <b>HOUSING</b> <b>COMMISSION</b></p>	<p><b>PLAN YEAR:</b> 2009 <b>RE-PROPOSED:</b> N/A <b>DESCRIPTION/UPDATE</b> The SDHC Achievement Academy, formerly known as the Economic Development Academy, offers a broad range of one-on-one services and workshops geared toward workforce preparation, financial literacy, and homeownership education. <b>REASON(S) CLOSED OUT</b></p>	<p><b>IMPLEMENTATION DATE:</b> OCT 01, 2010 <b>DATE CLOSED OUT:</b> JUN 30, 2011</p>
	<p>The activity is a Section 8 activity not requiring regulatory waivers or broader uses of funds authority. The activity is ongoing but reported as a single fund flexibility activity in Section 5 of the Plan</p>

#### III. DESCRIPTION OF PLANNED USE OF MTW SINGLE FUND FLEXIBILITY

SDHC utilizes single-fund flexibility to fund the Achievement Academy and to provide funding for services in support of the Community Action Plan on Homelessness and the SDHC Housing Intervention Continua. The Achievement Academy is a learning and skills center available to families participating in the Housing Choice Voucher and Public Housing programs. Programs offered at the Achievement Academy are geared to workforce readiness and financial literacy. The Family Self-Sufficiency program is another component of the Achievement Academy. Please note: Individual Development Accounts are no longer funded with MTW single-fund flexibility. Please see the following pages for a thorough discussion of each activity.

## SINGLE FUND FLEXIBILITY NARRATIVE

### ENVISION CENTER DEMONSTRATION PROGRAM

In June of 2018, HUD announced the designation of EnVision Centers in 17 communities across the nation. SDHC was selected for the only location in California, and only one of three co-located within a designated Promise Zone.

Initially implemented with two locations to provide client flexibility, the Southeast San Diego location closed due to the pandemic. The SDHC Achievement Academy location is temporarily closed to in-person participation while staff members continue to work remotely. In response to the COVID-19 pandemic, the SDHC Achievement Academy began offering meetings and workshops by video conference. The change in service delivery made programs more accessible and convenient for many clients, resulting in increased participation in workshops and programmatic events. Services continue to be offered online, with some activities available at alternate in-person sites, such as local libraries or specific program training locations. EnVision Center services are available to any households with low income in the City of San Diego, predominately SDHC rental assistance participants, public housing residents and participants in certain homelessness programs.

EnVision Centers leverage public and private resources to help clients achieve goals to secure economic security. To foster long-lasting self-sufficiency, EnVision Centers provide support in the following four areas of focus: Economic Empowerment; Education; Health/Wellness; and Character/Leadership.

### FAMILY SELF-SUFFICIENCY: EDEN HOUSING INC.

In November 2020, the SDHC Achievement Academy signed a contract with Eden Housing, Inc., a California nonprofit public benefit corporation, to implement a Family Self-Sufficiency (FSS) program at two of its San Diego properties. This marks the first time HUD has authorized a public housing authority to run an FSS program for a private multifamily developer. The FSS program will operate under HUD's guidelines for the traditional five-year program and not the Achievement Academy's MTW approved two-year program.

### ACHIEVEMENT ACADEMY

SDHC uses single-fund flexibility in support of MTW activities to enhance self-sufficiency programming. SDHC combines funds from public housing operating and capital fund assistance (authorized by section 9 of the United States Housing Act of 1937 [the Act]) and voucher funds (authorized by section 8 (o) of the Act) to implement a block grant/single-fund budget approach to budgeting and accounting. SDHC has consolidated public housing and HCV program funds to implement the approved Moving to Work initiatives described in previously approved MTW Plans and will continue to do so in future Plans.

SDHC uses single-fund flexibility to conduct a variety of activities geared toward self-sufficiency. The Achievement Academy offers a broad range of one-on-one services and workshops geared toward workforce readiness and financial literacy. Partnerships with a variety of external organizations specializing in their fields enable SDHC to provide assistance to participants with different interests, career focuses, and skill levels. Leveraging funding from outside sources increases the services provided to participants. When possible, staff looks for grants that provide funding and coaching to assist both staff and participants. Following the Financial Opportunity Center (FOC) model, created by funding from the Local Initiatives Support Corporation (LISC), the Achievement Academy is able to provide robust services to participants that go beyond job leads and help support self-sufficiency. The resources offered at the Achievement Academy are a vital component of the Path to Success rent reform activity as participants are incentivized to increase income and work towards self-sufficiency. SDHC plans to continue and grow these partnerships to better serve our families and increase economic self-reliance. The narrative below describes some of the services offered at the Achievement Academy.

It is worth noting that while the COVID-19 pandemic temporarily disrupted and altered the Achievement Academy's service delivery model, it did not prevent services from reaching clients in new and creative ways. Like most businesses across the country and elsewhere, SDHC Achievement Academy staff quickly reworked in-person meetings and workshops to Zoom or other online platforms. The change in service delivery proved to be more accessible and convenient for many clients resulting in increased participation in workshops and programmatic events.

### EMPLOYMENT/WORKFORCE DEVELOPMENT

#### Job Developer

One of the Achievement Academy Workforce Readiness Specialist (WRS) positions serves as a job developer and makes connections with employers of in-demand occupations; organizes job fairs; and coordinates employment services with partner organizations. Training for participants covers such topics as on-line job search, résumé writing, interviewing tips, and customer service. The Achievement Academy also partners with Manpower, an industry leader in employment services. Manpower helps to leverage connections in the business community to help open doors to companies that typically have been a struggle for participants to get into in the past.

#### One-Stop Career Center

The San Diego Workforce Partnership (SDWP) provides services via a satellite One-Stop Career Center at the local downtown public library. SDWP staff offers workforce development services including labor market information, career development, assessment, job search/retention skills, job placement assistance, and referrals to training opportunities.

#### Small Business Development Training

The SDHC Achievement Academy partners with Access to support entrepreneurs who want to start or expand a small business. Microenterprise services and training offered to clients include creating, or expanding, a business plan; obtaining a business license; one-on-one business counseling; market training & research; and financial literacy support among other services.

#### Employment/Workforce Development Workshops

The SDHC Achievement Academy offers employment readiness workshops and provides access to temporary and permanent employment through employer connections. Workshops include: Returning to the Workforce; The Job Search Rollercoaster; Teamwork Skills Everyone Needs; and 10 Keys for Professional Success among others. The Achievement Academy also hosts recruitment fairs via Zoom. Participants are invited to presentations from hiring organizations and hear directly from human resources representatives how to get hired at their company. Topics covered range from the job application and résumé submittal process to interview preparedness and communication skills. Many of the participating recruitment organizations guarantee, at minimum, an interview to SDHC clients.

#### Youth Programs

Staff at the Achievement Academy strives to offer innovative programming in an effort to keep participants interested and engaged. One WRS position focuses on developing programming for “opportunity youth”, defined as young adults between sixteen and twenty-four years of age who are not working and not enrolled in school. Students receive education counseling or career guidance. The Achievement Academy has partnered with Access, Inc. to provide additional training and services to these young adults.

#### Academy Computer Lab

The SDHC Achievement Academy computer lab is currently closed to in-person activity as staff continues to work remotely. During the early shutdown of the pandemic SDHC partnered with Computers2Kids to provide laptops to assist with digital access to SDHC families. This partnership, made possible with a grant from the Local Initiatives Support Corporation (LISC), allows families to participate in on-line school and job search activities. Currently, families are referred to local libraries where free Wi-Fi devices and equipment may be checked out.

### INCOME SUPPORTS

#### Benefits Screening

SDHC Achievement Academy staff work with clients on benefits screening. Application assistance is currently offered for an array of program such as CalWorks, Women Infants and Children (WIC), California Healthy Families, Child Care Assistance, MediCal, and Supplemental Nutrition Assistance Program (SNAP). Additionally, clients are referred to Dreams for Change for tax assistance programs.

### FINANCIAL EDUCATION

#### Financial Coaching

The Achievement Academy has been able to have several WRS positions trained as certified Financial Counselors. The Financial Counselors offer credit counseling in debt reduction, credit repair, budgeting, and cash management skills. These services have been incorporated into the FOC service delivery model utilized within the Achievement Academy.

**Financial Skills Education Workshops**

Financial Education workshops are routinely offered in the following topic areas: Debt and credit repair; credit score improvement; controlling expenses; maintaining a financial fitness plan; electronic banking and direct employee deposits; budget management, ordering, reviewing, and repairing credit report; investments strategies and options; and pensions/retirement planning.

**Financial Coaching Training**

SDHC WRS staff utilize the LISC Financial Counseling Model to implement innovative coaching methods during one-on-one appointments with participants. SDHC is also positioned to assist participants with improving credit through a partnership with Credit Builders Alliance. The ability to internally pull credit reports allows SDHC to further assist participants with accessing current credit ratings in order to begin aligning client goals for credit improvement to future financial and career goals.

The chart below contains a summary of the results of Achievement Academy activities at the close of Fiscal Year 2023.

**FLEXIBLE FUNDING FOR SUPPORTIVE SERVICES**

In addition to the Achievement Academy, SDHC utilizes MTW funds to provide supportive services that would align with the City of San Diego’s Community Action Plan on Homelessness. The Community Action Plan on Homelessness identified a homeless-crisis-response-system service gap. Households can often present in significant crisis, and in the early stage of the crisis presentation it can be challenging to determine whether the homelessness/housing crisis is due to situational or structural factors/barriers in the household/individual. Flexible funding used towards supportive services, in this instance, help fund a central point of contact and centralized resources for households as they move between the various programs available.

Examples of supportive services that SDHC seeks to provide via flexible funding include, but are not limited to:

- Centralized Case Management
- Mental Health Services
- Physical Healthcare Services
- Behavioral Healthcare
- Substance Use Services

- Life Skills Training
- Education Services
- Employment Assistance
- HIV Services

This flexible supportive services approach creates individualized emergency intervention and housing planning for the household/individual to best meet the participant’s needs with a focus on aligning the right level of intervention with the critical need, promoting self-sufficiency and identifying the best resource to help participants thrive and overcome both situational and structural barriers to long-term housing stability.

For example, SDHC has drafted a Housing Intervention Continua, which delves into how at-risk populations can be served via centralized resources if funded via this proposed activity. The Continua contains multiple approved local non-traditional MTW activities, in which case management is operated separately. Currently, if a household moves from one program to another, this could necessitate a change in who their point of contact is. This continua could utilize flexible funding to focus on using centralized case management in order to help households more successfully navigate available programs, which includes Homeless Shelter Beds, Prevention and Diversion Programs, Moving Home, Sponsor-Based Subsidies, as well as the Achievement Academy and other approved programs. In this instance, centralized case management would remain with participating household from the beginning and continue with them in order to direct which program is most appropriate for their situation. Flexible funding would ensure that even if the household move into another housing program, their case management point of contact would remain with them until exit.

While funding for supportive services within the aforementioned Homeless Housing Continua could be an immediate use of the activity, it is expected that flexible funding for supportive services could also be used towards other households and programs eligible for assistance from SDHC. In addition, funding may be utilized to support administrative staff whose main job duties are to develop, monitor, or support efforts that align with this initiative and SDHC’s commitment to further progress towards goals of the Community Action Plan on Homelessness for the City of San Diego. Another potential application SDHC recently encountered occurred during an acquisition using CARES Act funding. While funding was available for the acquisition, the supportive services that were needed were not included. This, if approved, could be used to bridge similar gaps encountered in the acquisition and development process based on other funding sources used.

Another example could be providing assistance to households in obtaining broadband access that is increasingly necessary for education and remote work opportunities, this could include flexible funding for tenant-based households or the use of funds to provide high speed internet access at SDHC-owned and/or controlled properties. As a result of the COVID-19 pandemic, in the City of San Diego, there has been an expansion of remote learning opportunities that may persist for educational outreach after a return to in person classes. Remote learning and conferencing often requires video capabilities, which means that broadband access is required. Not all households have access to this resource, and flexible funding could help provide for households in need in order to prevent a long-term disadvantage. In addition, families with children that would have access would also help their parents or guardians in additional access to job search resources, as well as provide them the ability to work possibly work remotely.

Flexible funding would help to fund case management staff and financial assistance to stabilize a household’s immediate housing crisis. Coupled with financial assistance to address immediate needs, case management helps to minimize the negative impact of unstable housing for individuals and families who are at risk of or actively experiencing homelessness. Prevention and Diversion assistance is individualized to each household’s unique needs and stabilization activities may include:

- Short-term, light-touch case management
- Housing search assistance
- Financial literacy resources

- Workforce readiness resources
- Landlord/roommate conflict mediation
- Connection to services and/or public assistance benefits

### PREVENTION/DIVERSION

SDHC will utilize MTW flexible funds to provide services that reduce the inflow into the current homelessness system through prevention and diversion. Prevention and Diversion services strive to prevent homelessness before it occurs as well as to divert individuals who are experiencing homelessness to other housing opportunities outside of the region’s homeless crisis response system. Prevention and Diversion is aligned with the Housing First model of addressing homelessness, an approach to successfully connect households at risk of or experiencing homelessness to services, programs, and housing options without preconditions and barriers to entry. Preventing or shortening an episode of homelessness for individuals and families greatly reduces the likelihood of another occurrence of housing instability or progression to chronic homelessness. Further, these efforts also help minimize the impact for overburdened shelter systems in San Diego. In addition to supportive services through case management, Prevention and Diversion utilizes financial assistance in the form of rent, rent arrears, utility payments, security deposits and application fees to stabilize housing for individuals and families facing a housing crisis. Depending on the nature of the housing crisis being addressed through our Prevention and Diversion programs, SDHC may choose to use habitability checks in lieu of HQS inspections.

### LANDLORD ENGAGEMENT AND ASSISTANCE PROGRAM (LEAP)

SDHC will utilize MTW flexible funds to the Landlord Engagement and Assistance Program or LEAP, which aims to increase access to the existing market of available units for individuals and families experiencing homelessness. LEAP is aligned with the Housing First model of addressing homelessness, an approach to successfully connect households experiencing homelessness to services, programs, and housing options without preconditions and barriers to entry. Depending on the nature of the housing crisis being addressed, SDHC may choose to use habitability checks in lieu of HQS inspections.

LEAP works directly with landlords and property management companies within the City of San Diego to help move individuals and families into housing quickly. LEAP offers incentives to landlords as well as the Landlord Contingency Fund and landlord liaison services. Flexible funding used towards LEAP services would help to fund a SDHC staff landlord liaison, support to individuals and families to identify housing units and financial assistance for them to pay move-in costs like security deposits including holding fees, application fees, utility assistance, rent arrears and vacancy loss.

## SECTION V – SOURCES AND USES OF MTW FUNDS

### IV. PLANNED APPLICATION OF PHA UNSPENT OPERATING FUND AND HCV FUNDING

ORIGINAL FUNDING SOURCE	BEGINNING OF FY – UNSPENT BALANCES	PLANNED APPLICATION OF PHA UNSPENT FUNDS DURING FY
HCV HAP*	\$26,861,326	\$26,861,326
HCV Admin Fee	\$0	\$0
PH Operating Subsidy	\$1,321,109	\$1,321,109
<b>TOTAL:</b>	<b>\$28,182,435</b>	<b>\$28,182,435</b>

#### Description of Planned Expenditures of Unspent Operating Fund and HCV Funding:

SDHC anticipates HCV HAP unspent balance will be used to cover increased voucher costs due to utilization rate being greater than 100%; to cover program administration cost; to fund the acquisition, preservation, and renovation of affordable housing units in the City of San Diego; and to fund local non-traditional including homelessness programs costs.

Public Housing unspent fund balances are operating and replacement reserves related to SDHC regulatory agreement with the Department of Housing and Community Development, a public agency of the State of California, for public housing projects CA063000009 and CA063000010.

\* Unspent HAP funding should not include amounts recognized as Special Purpose Voucher reserves

\*\*HUD's approval of the MTW Plan does not extend to a PHA's planned usage of unspent funds amount entered as an agency's operating reserve. Such recording is to ensure agencies are actively monitoring unspent funding levels and usage(s) to ensure successful outcomes as per the short- and long-term goals detailed in the Plan

### LOCAL ASSET MANAGEMENT PLAN

Did the MTW PHA allocate costs within statute in the Plan Year?	Yes
Did the MTW PHA implement a local asset management plan (LAMP) in the Plan Year?	No
Did the MTW PHA provide a LAMP in the appendix?	No

If the MTW PHA has provided a LAMP in the appendix, please provide a brief update on implementation of the LAMP. Please provide any actual changes (which must be detailed in an approved Annual MTW Plan/Plan amendment) or state that the MTW PHA did not make any changes in the Plan Year.

SDHC did not operate a Local Asset Management Plan during Fiscal Year 2023

### RENTAL ASSISTANCE DEMONSTRATION (RAD) PARTICIPATION

#### DESCRIPTION OF RAD PARTICIPATION

The MTW PHA shall provide a brief description of its participation in RAD. This description must include the proposed and/or planned number of units to be converted under RAD, under which component the conversion(s) will occur, and approximate timing of major milestones. The MTW PHA should also give the planned/actual submission dates of all RAD Significant Amendments. Dates of any approved RAD Significant Amendments should also be provided.

#### Rental Assistance Demonstration (RAD) Participation Description:

N/A

Has the MTW PHA submitted a RAD Significant Amendment in the appendix? A RAD Significant Amendment should only be included if it is a new or amended version that requires HUD approval.

N/A

If the MTW PHA has provided RAD Significant Amendment in the appendix, please state whether it is the first RAD Significant Amendment submitted or describe any proposed changes from the prior RAD Significant Amendment?

### STATE FUNDING FOR HOMELESSNESS OUTREACH

The State of California allocated \$750,000 in its Fiscal Year 2023-2024 budget to SDHC for SDHC's Multidisciplinary Outreach Program to address homelessness. California State Assemblymember Brian Maienschein advocated for these funds.

This Multidisciplinary Outreach Program serves individuals and families who are among the most vulnerable people experiencing unsheltered homelessness in the City of San Diego. The program focuses on people experiencing unsheltered homelessness who are among the highest utilizers of the criminal justice, emergency services or homelessness services systems. Many are chronically homeless, living with untreated medical and behavioral health conditions and have not been stably housed in years despite attempts by other programs to serve them. Outreach to these individuals requires more time and attention than other programs. The additional funding from the State will enable the program to assist additional individuals experiencing homelessness.

The outreach team includes a nurse practitioner, outreach specialists, a medical assistant, peer support specialists and a substance-abuse counselor. SDHC contracts with People Assisting the Homeless (PATH) to operate the program. PATH subcontracts with Father Joe's Villages.

Assemblymember Maienschein, San Diego Mayor Todd Gloria and San Diego City Council President Sean Elo-Rivera announced the state funds at a media event in October.

### EXPANDING HOMEOWNERSHIP OPPORTUNITIES FOR PEOPLE OF COLOR

Help to navigate the process necessary to become first-time homebuyers is a phone call or email away for middle-income Black, Indigenous, People of Color (BIPOC) households through a joint effort of the San Diego Housing Commission (SDHC) and the San Diego Homeownership Equity Collaborative.

In September 2023, SDHC announced a dedicated phone number and email address to connect households of color with a Homeownership Advisor who works for SDHC. The Homeownership Advisor helps homebuyers of color by answering their questions; performing an initial assessment of their financial preparedness; and referring and connecting them to organizations for services, such as more in-depth evaluation of financial readiness, financial coaching, developing a plan to be ready for a mortgage, increasing their credit score, managing debt and overcoming financial challenges.

Major funding for the Homeownership Advisor is from the Wells Fargo Foundation's Wealth Opportunities Realized Through Homeownership (WORTH) initiative. Wells Fargo awarded a \$7.5 million WORTH grant to SDHC, on behalf of the San Diego Homeownership Equity Collaborative, to help create 5,000 new homeowners of color in San Diego County by the end of 2025.

### STATE FUNDING: \$45 MILLION TO CREATE AFFORDABLE HOMES

Proposed developments that would create more than 1,180 affordable homes would receive financial support through a \$45 million grant the State of California awarded to SDHC.

The state awarded SDHC the maximum amount available for large cities through the grant program. SDHC applied for the grant on behalf of the City of San Diego.

The state program made grants available to fill gaps in financing for infrastructure and improvements to existing buildings that are necessary for specific residential or mixed-use projects in urban areas, known as infill developments. The projects funded as part of San Diego's application build upon policies pioneered by the City of San Diego to address housing affordability, including using surplus state land, building on underused land at a trolley stop owned by the Metropolitan Transit System, and leveraging a local community land trust. The SDHC Board of Commissioners on April 6, 2023, authorized SDHC to apply for the grant.

According to the California Department of [Housing and Community Development](#), which administers the state grant program, the grant awarded to SDHC will fund site preparation, including demolition, excavation, grading, soil stabilization, erosion control, weed control, and dewatering. Surface improvements will include concrete paving and traffic signals. In addition, the funds will support new residential parking for the housing developments, and transit investments will fund new pathways, bus shelters, and bike facilities.

### 'SENIORS SAFE AT HOME' INITIATIVE

SDHC is collaborating with Serving Seniors and the Lucky Duck Foundation, with support from the City of San Diego, on a new program known as "Seniors Safe at Home." This program will help seniors aged 55 and older with low income, experiencing a housing crisis and at risk of homelessness.

San Diego City Council President Sean Elo-Rivera, who chairs the Housing Authority of the

## APPENDIX B: DOCUMENTATION OF PUBLIC PROCESS

City of San Diego, County of San Diego Board of Supervisors Chair Nora Vargas, Serving Seniors President & CEO Paul Downey, and Lucky Duck Foundation Executive Director Drew Moser announced the program at a news conference on September 29.

The program will provide time-limited case management and a specific rental assistance amount per month for eligible, participating seniors. SDHC will receive referrals from SDHC's HOUSING FIRST - SAN DIEGO phone hotline and determine household eligibility. SDHC will process the rental assistance payment and refer the household to Serving Seniors for ongoing case management and connection to community resources.

The Lucky Duck Foundation is investing \$500,000 in philanthropic funds to make this program possible.
