Immigration Services

Immigrants Rising

Provides access to resources and support, undocumented individuals can pursue education, seek employment, and work toward long-term stability

<https://immigrantsrising.org/>

Al Otro Lado

Provides legal services through a trauma-informed approach, ensuring migrants have access to due process regardless of their country of origin.

(323) 238-9935

<https://alotrolado.org/>

Southern California Immigration Project

Provides immigrant communities with free legal support, community education, and advocacy to promote immigrant rights and safety. Focuses on accessible immigration services, including legal representation, Know-Your-Rights education, and support for those affected by detention and deportation.

(858) 2472457

<https://www.socalimmigrationproject.org/>

Immigrant Defenders Law Center

Provides pro bono and low-cost immigration legal defense for children, adults, and families facing deportation and immigration detention. Focuses on universal representation, legal education, and advocacy to uphold due process and protect the rights of immigrant communities across Southern California, including San Diego.
