

**REPORT**

DATE ISSUED: April 18, 2008 REPORT NO: HCR08-39

ATTENTION: Chair and Members of the Housing Commission  
For the Agenda of April 25, 2008

SUBJECT: Affordable Housing Fund Fiscal Year 2009 Annual Plan (Citywide)

**REQUESTED ACTION:**

Provide direction on the proposed Affordable Housing Fund (AHF) Fiscal Year 2009 (FY09) Annual Plan and approve submission of the Annual Plan to the City Council for approval.

**STAFF RECOMMENDATION:**

That the Housing Commission receive public comments on the draft AHF FY09 Annual Plan, make modifications as necessary, and forward to City Council for action.

**BACKGROUND:**

In June 2003, the San Diego City Council revised Municipal Code Chapter 9, Article 8, Division 5 to create an Affordable Housing Fund. The AHF is a permanent and annually renewable source of revenue to address the housing needs of the City's very low, low, and median-income households. The AHF includes revenues from both the Inclusionary Housing Fund (IHF) and the San Diego Housing Trust Fund (HTF).

Section 98.0507 of the Municipal Code requires an AHF Annual Plan to be prepared each year that describes the programs to be funded, the intended beneficiaries of the programs, and the anticipated revenues and allocation of those revenues, including the amount of funds budgeted for administrative expenses, exclusive of legal fees. Attachment 1 is the proposed Annual Plan for FY09. The Ordinance provides the framework for use of the AHF revenues, but allows some flexibility within this framework. In addition to allocating anticipated revenues among eligible activities, the Annual Plan provides an opportunity to review and update the Model Programs in response to community needs and past program performance.

**Proposed Changes to Homebuyer Programs**

Some of the Housing Commission's First Time Homebuyer programs are available to households who earn 100% of Area Median Income (AMI). On March 14, 2008 the Housing Commission recommended a proposed amendment to the San Diego Housing Trust Fund Ordinance that would increase the income limit of these programs to 120% AMI. The proposed amendment will be presented to the Land Use & Housing Committee and, if accepted, to the City Council. Should the amendment be made to the HTF Ordinance, the First Time Homebuyer programs that are currently limited to households earning up to 100% AMI would be available to moderate-income households earning up to 120% AMI.

In the Housing Commission's Business Plan, staff proposes to use HTF monies for foreclosure prevention grants. The one-time grants would be up to \$5,000 for households earning less than

80% AMI that demonstrate the grant will be sufficient to correct past-due mortgage payments.

**FISCAL CONSIDERATIONS:**

The AHF Annual Plan FY09 budget is \$12,984,862, which is comprised of HTF and IHF estimated revenues and is incorporated into the Housing Commission’s proposed FY09 Budget.

The proposed allocation of FY09 AHF revenues by activity is as follows:

<b>PROGRAM</b>	<b>BUDGET</b>	<b>% OF BUDGET</b>	<b>PRODUCTION</b>
Rental Housing Development New Rental Housing Existing Rental Housing	\$6,367,825	49%	100 units
Special Purpose Rental Housing	\$1,000,000	8%	20 units
Homeownership Shared Equity Program Downpayment/Closing Cost Assistance Acquisition with Rehabilitation Foreclosure Prevention	\$2,704,584	21%	45 units
Rehabilitation Owner-occupied Rehabilitation Nonprofit Owner-Occupied Mobile Home Repair Grant Accessibility Grants for Tenants with Disabilities	\$597,985	4%	80 units
Transitional Housing & Permanent Supportive Housing Operations	\$1,300,000	10%	500 transitional housing beds & 175 units
Nonprofit Capacity Building Predevelopment Financial Assistance Emergency Loan Fund Program Nonprofit Technical Assistance Nonprofit Support	\$60,000	<1%	2 projects
Reserves & Targets of Opportunity	\$20,000	<1%	2 projects
Administration	\$874,468	7%	
Legal	\$60,000	<1%	
<b>TOTAL</b>	<b>\$12,984,862</b>	<b>100%</b>	

The Housing Commission or City Council can redirect the proposed distribution of funds among housing activities or modify specific model programs. However, any redistribution of funds would be subject to the Affordable Housing Fund Ordinance requirements and limitations regarding the percentage of funds that can be allocated to benefit recipients with very low, low, and median incomes.

**PREVIOUS COUNCIL and/or COMMITTEE ACTION:**

City Council has adopted a funding plan each year in accordance with the Municipal Code.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

Housing Commission staff attended community group meetings in Otay Mesa, Uptown, University City, and the Community Planners Committee during March and April to solicit and collect suggestions on the programs to be funded by the AHF. A summary of the written comments received to date is included as Attachment 2.

ENVIRONMENTAL REVIEW:

This activity is not a project and no further action is required under the California Environmental Quality Act.

KEY STAKEHOLDERS & PROJECTED IMPACT

The beneficiaries of AHF programs are very low, low, and median-income households in the City of San Diego. Residential developers and financial institutions may also be impacted by program changes. Should all anticipated FY09 revenues be collected and allocated as proposed, the estimated affordable housing production impact would be: 1) 500 transitional housing beds and 175 permanent supportive housing units for very low-income, formerly homeless individuals and families; 2) 80 loans and grants to very low-income home owners for rehabilitation and preservation of single family and mobile homes; 3) 45 low- to moderate-income homebuyers assisted; 4) 100 rental units created for very low-income families; and 5) 20 units created to provide permanent or transitional housing for extremely low-income persons with special needs.

Respectfully submitted,

# SAN DIEGO AFFORDABLE HOUSING FUND

## FY 2009 ANNUAL PLAN

### INTRODUCTION

The City of San Diego's Affordable Housing Fund is a permanent, annually renewable source of funds to help meet the housing assistance needs of the city's very low-, low-, median- and moderate-income households. The City Council expressed this intent in Municipal Code Sections 98.0501-98.0518. In general, the Affordable Housing Fund's purposes are to:

- 1) Meet a portion of the need for housing affordable to households with very low, low, median and moderate incomes;
- 2) Leverage every one dollar of City funds with two dollars of non-City subsidy capital funds;
- 3) Support the Balanced Communities Policy by fostering a mix of family incomes in projects assisted by the Fund and dispersing affordable housing projects throughout the City;
- 4) Preserve and maintain renter and ownership affordable housing; and
- 5) Encourage private sector activities that advance these goals.

The Annual Plan implements the City Council's intent by adopting an overall strategy for use of Affordable Housing Fund moneys. Development of this Annual Plan is guided by the Housing Commission's annual Budget process, FY2009 Business Plan, and the Consolidated Plan, which is required by the federal Department of Housing and Urban Development.

The Affordable Housing Fund contains two main revenue accounts: the Housing Trust Fund account and the Inclusionary Housing account. Information including revenue forecasts and fund allocation and production, is provided in this 2009 Plan.

Allocation of Affordable Housing Fund resources takes into consideration the policy parameters set by the Affordable Housing Fund Ordinance, the availability and requirements of other funding sources, and Housing Commission goals and objectives set forth in the Housing Commission's FY2009 Budget and FY2009 Business Plan.

The FY2009 Annual Plan includes the suggested allocation of Housing Trust Fund and Inclusionary Housing Fund forecasted revenues for FY2009, an Ordinance Compliance Analysis for the Housing Trust Fund, and a description of model programs and beneficiaries.

## **AFFORDABLE HOUSING FUND**

### **Use**

The Affordable Housing Fund contains two main revenue accounts: the Housing Trust Fund account and the Inclusionary Housing account.

### **The Housing Trust Fund:**

Housing Trust funds, as per Ordinance O-17454 may be used in any manner, through loans, grants, or indirect assistance for the production and maintenance of assisted units and related facilities. To comply with the Ordinance, Housing Trust Fund monies shall be allocated:

- At least 10 percent to Transitional Housing;
- At least 60 percent to very low-income households (defined as households with incomes at or below 50 percent of area median income);
- No more than 20 percent to housing for low-income households (defined as households with incomes between 50 percent and 80 percent of area median income) and
- No more than 20 percent to moderate income first-time homebuyers.

### **Inclusionary Housing Fund:**

San Diego Municipal Code Section 98.0505 governs the priority of expenditure of Inclusionary Housing funds. Inclusionary regulations require that rental housing is affordable to households earning  $\geq 65\%$  AMI and for sale housing is affordable to households  $\leq 120\%$  AMI. As allowed by Section 98.0505, FY2009 Inclusionary Housing funds shall be invested in:

- Construction of new affordable rental housing, including Special Purpose Housing. Rental units shall be affordable at/below 65% of AMI for a minimum of 55 years.
- Acquisition and rehabilitation of affordable rental housing.
- Preservation of affordable rental housing
- Land Banking: Housing Commission purchase of land or improved property for future development
- Homeownership Opportunities – either new construction of affordable for-sale housing or financing programs to encourage and increase homeownership opportunities for low or moderate-income households (at/below 120% AMI)

San Diego Municipal Code section 98.0505 generally provides that priority for spending Inclusionary Housing funds shall be given to the Community Planning Area from which the funds were collected. The Housing Commission maintains records regarding the amount of money collected from each Community Planning Area and is responsible for reinvesting the funds collected. Sufficient funds must be collected and investment opportunities must exist in

specific geographic areas for a precise match between the area of collection and the use of funds to occur in this manner.

Recognizing the significant need for affordable housing, the rising costs of construction, and the desire to provide housing opportunities as soon as possible, the Housing Commission will invest Inclusionary Housing funds as follows:

#### Rental Housing Production

1. Applications for funding will be accepted via the Housing Commission's Notice of Funding Availability for the Construction, Acquisition, and Operation of Affordable Rental Housing. Funding awards shall be in accordance with Housing Commission policies and program rules.
2. Funds shall be invested in the Community Planning Area (CPA) of origin when possible.

#### Homeownership

1. Purchasers apply through participating Lenders subject to the loan policies of the Housing Commission. Funding shall be in accordance with Housing Commission policies and program rules.
2. Funds shall be invested in the Community Planning Area (CPA) of origin when possible.

#### Revenue Forecast

A total of approximately \$12.9 million is expected to be available in FY2009, consisting of \$4 million in new revenue (linkage fees, inclusionary fees and loan repayments) and \$8.9 million in estimated carryover.

#### Fund Allocation and Production

Funding recommendations are made in accordance with established Housing Commission policies and require Housing Commission or Housing Authority approval of specific projects and activities. Some discretionary transfer of funds between eligible activities is permitted, but all funding recommendations must be consistent with the Annual Plan.

The proposed allocation of Affordable Housing Fund funds for FY2009 is as follows:

PROGRAM	BUDGET	% OF BUDGET	PRODUCTION
Rental Housing Development New Rental Housing Existing Rental Housing	6,367,825	49%	100 units
Special Purpose Rental Housing	\$1,000,000	8%	20 units
Homeownership Shared Equity Program Downpayment/Closing Cost Assistance Program Acquisition with Rehabilitation Foreclosure Prevention	\$2,704,584	21%	45 units
Rehabilitation Owner-occupied Rehabilitation Nonprofit Owner-Occupied Mobile Home Repair Grant Accessibility Grants for Tenants with Disabilities	\$597,985	4%	80 units
Transitional & Permanent Supportive Housing Operations	\$1,300,000	10%	500 transitional housing beds & 175 units
Nonprofit Capacity Building Predevelopment Financial Assistance Emergency Loan Fund Program Nonprofit Technical Assistance Nonprofit Support	\$60,000	<1%	2 projects
Reserves & Targets of Opportunity	\$20,000	<1%	2 projects
Administration	\$874,468	7%	
Legal	\$60,000	<1%	
<b>TOTAL</b>	<b>\$12,984,862</b>	<b>100%</b>	

Since the inception of the Housing Trust Fund in 1991, over \$68 million has been invested in San Diego communities, leading to the production of over 8,000 affordable units and supporting an average of approximately 480 transitional housing beds per year.

### HOUSING COMMISSION MODEL PROGRAMS OVERVIEW
