## REPORT

**DATE ISSUED:** May 8, 2009

**REPORT NO:** HCR 09-032

**ATTENTION:** Chair and Members of the Housing Commission  
For the Agenda of May 15, 2009

**SUBJECT:** Affordable Housing Fund Fiscal Year 2010 Annual Plan (Citywide)

**REQUESTED ACTION:**

Provide direction on the proposed Affordable Housing (AHF) Fiscal Year 2010 (FY10) Annual Plan (Annual Plan) and approve submission of the Annual Plan to the City Council for approval.

**STAFF RECOMMENDATION:**

That the Housing Commission receive public comments on the draft Annual Plan, make modifications as necessary, and recommend approval by the City Council.

**BACKGROUND:**

In June 2003, the San Diego City Council revised Municipal Code Chapter 9, Article 8, Division 5 (the Ordinance) to create an Affordable Housing Fund. The AHF is a permanent, annually renewable source of revenue to address the housing needs of the City's very low- to moderate-income households. The AHF includes revenues from both the Inclusionary Housing Fund (IHF) and the San Diego Housing Trust Fund (HTF).

Section 98.0507 of the Ordinance requires City Council approval of an AHF Annual Plan by June 30 of each year. The Annual Plan describes the programs to be funded by the AHF, intended beneficiaries of the programs, anticipated revenues, and allocation of revenues. The Ordinance provides parameters for the use of AHF revenues, but allows some flexibility within this framework. Attachment 2 is the proposed Annual Plan for FY10; it incorporates the Housing Commission's FY10 Model Programs. In addition to allocating anticipated revenues among eligible activities, the Annual Plan provides an opportunity to review and update the Model Programs in response to community needs and past performance.

**FISCAL CONSIDERATIONS:**

The Annual Plan FY10 budget is \$4,429,974, which is comprised of unrestricted HTF and IHF estimated revenues and is incorporated into the Housing Commission's proposed FY10 Budget (it does not include funds restricted to Rehabilitation programs). The Housing Commission or City Council can redirect the proposed distribution of funds among housing activities or modify specific model programs. However, redistribution of funds would be subject to the Ordinance's requirements and limitations regarding the percentage of funds that can be allocated to benefit recipients with very low, low and moderate incomes. Attachment 1 is the proposed allocation of FY10 AHF revenues by activity.

**PREVIOUS COUNCIL and/or COMMITTEE ACTION:**

City Council has adopted a funding plan each year in accordance with the Ordinance.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

Housing Commission staff attended recent community group meetings in Golden Hill, Navajo, Pacific Beach, and the Community Planners Committee to solicit written suggestions on the programs to be funded by the AHF. No written comments were received.

ENVIRONMENTAL REVIEW:

This activity is not a project and no further action is required under the California Environmental Quality Act. Processing under the National Environmental Policy Act is not required as no federal funds are implicated in the action.

KEY STAKEHOLDERS & PROJECTED IMPACT

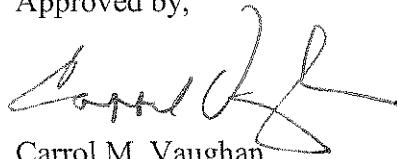

The beneficiaries of AHF programs are very low- to moderate-income households in the City of San Diego. Residential developers, nonprofit housing providers and financial institutions may also be impacted by program changes. Should all anticipated FY10 revenues be collected and allocated as proposed, the estimated affordable housing production impact would be: 1) 600 transitional housing beds and 175 permanent supportive housing units for very low-income, formerly homeless individuals and families; 2) 24 loans and grants to very low-income home owners for rehabilitation and preservation of single family and mobile homes; 3) 18 low- to moderate-income homebuyers assisted; 4) 30 rental units created for very low-income families; and 5) 20 rental units created to provide permanent or transitional housing for extremely low-income persons with special needs.

Respectfully submitted,

Cissy Fisher  
Assistant Vice President  
Housing Development & Finance

Approved by,

Carroll M. Vaughan  
Executive Vice President &

## **SAN DIEGO AFFORDABLE HOUSING FUND**

### **FY 2010 ANNUAL PLAN**

#### **INTRODUCTION**

The City of San Diego's Affordable Housing Fund is a permanent, annually renewable source of funds to help meet the housing assistance needs of the city's very low- to moderate-income households. The City Council expressed this intent in Municipal Code Sections 98.0501-98.0518. In general, the Affordable Housing Fund's purposes are to:

- 1) Meet a portion of the need for housing affordable to households with very low, low, median and moderate incomes;
- 2) Leverage every one dollar of City funds with two dollars of non-City subsidy capital funds;
- 3) Support the Balanced Communities Policy by fostering a mix of family incomes in projects assisted by the Fund and dispersing affordable housing projects throughout the City;
- 4) Preserve and maintain renter and ownership affordable housing; and
- 5) Encourage private sector activities that advance these goals.

The Annual Plan implements the City Council's intent by adopting an overall strategy for use of Affordable Housing Fund moneys. Development of this Annual Plan is guided by the Housing Commission's annual Budget process, FY2010 Business Plan, and the Consolidated Plan, which is required by the federal Department of Housing and Urban Development.

The Affordable Housing Fund contains two main revenue accounts: the Housing Trust Fund account and the Inclusionary Housing account. Information including revenue forecasts and fund allocation and production, is provided in this 2010 Plan.

Allocation of Affordable Housing Fund resources takes into consideration the policy parameters set by the Affordable Housing Fund Ordinance, the availability and requirements of other funding sources, and Housing Commission goals and objectives set forth in the Housing Commission's FY2010 Budget and FY2010 Business Plan.

The FY2010 Annual Plan includes the suggested allocation of Housing Trust Fund and Inclusionary Housing Fund forecasted revenues for FY2010, an Ordinance Compliance Analysis for the Housing Trust Fund, and a description of model programs and beneficiaries.

## AFFORDABLE HOUSING FUND

### Use

The Affordable Housing Fund contains two main revenue accounts: the Housing Trust Fund account and the Inclusionary Housing account.

#### **The Housing Trust Fund:**

Housing Trust funds, as per Ordinance O-17454 may be used in any manner, through loans, grants, or indirect assistance for the production and maintenance of assisted units and related facilities. To comply with the Ordinance, Housing Trust Fund monies shall be allocated:

- At least 10 percent to Transitional Housing;
- At least 60 percent to very low-income households (defined as households with incomes at or below 50 percent of area median income);
- No more than 20 percent to housing for low-income households (defined as households with incomes between 50 percent and 80 percent of area median income) and
- No more than 20 percent to moderate income first-time homebuyers (for purposes of the Housing Trust Fund, defined as households with incomes between 81 and 120 percent of area median income).

#### **Inclusionary Housing Fund:**

San Diego Municipal Code Section 98.0505 governs the priority of expenditure of Inclusionary Housing funds. Inclusionary regulations require that rental housing is affordable to households earning =65% AMI and for sale housing is affordable to households earning =120% AMI. As allowed by Section 98.0505, FY2010 Inclusionary Housing funds shall be invested in:

- Construction of new affordable rental housing, including Special Purpose Housing. Rental units shall be affordable at/below 65% of AMI for a minimum of 55 years.
- Acquisition and rehabilitation of affordable rental housing.
- Preservation of affordable rental housing.
- Land Banking: Housing Commission purchase of land or improved property for future development.
- Homeownership Opportunities – either new construction of affordable for-sale housing or financing programs to encourage and increase homeownership opportunities for low or moderate-income households (at/below 120% AMI).

San Diego Municipal Code section 98.0505 generally provides that priority for spending Inclusionary Housing funds shall be given to the Community Planning Area from which the funds were collected. The Housing Commission maintains records regarding the amount of

money collected from each Community Planning Area and is responsible for reinvesting the funds collected. Sufficient funds must be collected and investment opportunities must exist in specific geographic areas for a precise match between the area of collection and the use of funds to occur in this manner.

Recognizing the significant need for affordable housing, the rising costs of construction, and the desire to provide housing opportunities as soon as possible, the Housing Commission will invest Inclusionary Housing funds as follows:

**Rental Housing Production**

1. Applications for funding will be accepted via the Housing Commission's Notice of Funding Availability for the Construction, Acquisition, and Operation of Affordable Rental Housing. Funding awards shall be in accordance with Housing Commission policies and program rules.
2. Funds shall be invested in the Community Planning Area (CPA) of origin when possible.

**Homeownership**

1. Purchasers apply through participating lenders subject to the loan policies of the Housing Commission. Funding shall be in accordance with Housing Commission policies and program rules.
2. Funds shall be invested in the Community Planning Area (CPA) of origin when possible.

**Revenue Forecast**

Approximately \$4.4 million is expected to be available in FY2010, consisting of \$2.36 million in new revenue (linkage fees, inclusionary fees and loan repayments) and \$2.06 million in estimated carryover.

**Fund Allocation and Production**

Funding recommendations are made in accordance with established Housing Commission policies and require Housing Commission or Housing Authority approval of specific projects and activities. Some discretionary transfer of funds between eligible activities is permitted, but all funding recommendations must be consistent with the Annual Plan.

The proposed allocation of Affordable Housing Fund funds for FY2010 is as follows:

PROGRAM	BUDGET	% OF BUDGET	PRODUCTION
Rental Housing Development New Rental Housing Existing Rental Housing	\$2,200,204	50%	31 units
Special Purpose Rental Housing	\$205,000	5%	12 units
Homeownership Shared Appreciation Program Downpayment/Closing Cost Assistance Program Acquisition with Rehabilitation Foreclosure Prevention	\$400,000	9%	8 units
Rehabilitation Owner-occupied Rehabilitation Nonprofit Owner-Occupied Mobile Home Repair Grant Accessibility Grants for Tenants with Disabilities	\$100,000	2%	24 units
Transitional & Permanent Supportive Housing Operations	\$1,100,000	25%	600 transitional housing beds & 175 units
Nonprofit Capacity Building Predevelopment Financial Assistance Emergency Loan Fund Program Nonprofit Technical Assistance Nonprofit Support	\$60,000	1%	2 projects
Reserves & Targets of Opportunity	\$45,000	1%	2 projects
Administration	\$259,770	6%	
Legal	\$60,000	1%	
<b>TOTAL</b>	<b>\$4,429,974</b>	<b>100%</b>	

Since the inception of the Housing Trust Fund in 1991, over \$76 million has been invested in San Diego communities, leading to the production of over 8,100 affordable units and supporting an average of approximately 480 transitional housing beds per year.

## **HOUSING COMMISSION MODEL PROGRAMS OVERVIEW**

Funding is allocated on an annual basis among the various activities authorized by Chapter 9, Article 8, Division 5 of the San Diego Municipal Code.

To assure that the City serves its residents in the best possible manner, the Housing Commission continues to solicit ideas for improving the Model Programs to better respond to community needs for affordable housing and quality neighborhoods. Model Programs change from time to
