DATE ISSUED: November 6, 2009

REPORT NO: HCR 09-094

ATTENTION: Chair and Members of the Housing Commission
For the Agenda of November 13, 2009

SUBJECT: Landscape Maintenance Services (Citywide)

SUMMARY:

The Housing Commission has an ongoing requirement for landscape maintenance services at its residential sites. The scope of services of this contract includes, but is not limited to standard maintenance of the landscaped areas, trimming and pruning of trees and shrubs, mowing, fertilization, aeration, weed control, and cultivation. In order to improve operational efficiencies, as suggested by the recent Performance Audit, staff is recommending that the Housing Authority delegate authority to the Housing Commission for contract awards that relate to the maintenance and improvements of the Housing Commission owned or managed properties, under specific conditions.

STAFF RECOMMENDATION:

- 1) Recommend that the Housing Commission approve the award of a contract to AZTEC Landscaping, Inc. in the amount of \$245,714 for landscape maintenance services at Housing Commission owned and/or managed sites for the period of one year (1) with three additional one (1) year options, at a negotiated rate not to exceed the base contract amount plus the increase in the Consumer Price Index for All Urban Consumers (CPI-U).
- 2) Authorize the President and Chief Executive Officer, or his designee, to execute the contract with AZTEC Landscaping, Inc. substantially as it appears in Attachment 1 and authorize the expenditure of up to a ten percent contingency (\$24,571), if necessary, for items not anticipated in the original scope of work.
- 3) Recommend that the Housing Commission seek authority from both the Housing Authority and the City Council to award maintenance, modernization, and improvement related contracts at Housing Commission owned and/or managed properties when (1) a public procurement process has been followed and there are no protests and (2) when funds for this type of work have been approved previously in the Housing Commission annual budget.

FISCAL CONSIDERATIONS:

Funding for this contract is included in the FY10 Housing Commission budget previously approved by the Housing Commission and Housing Authority on May 15, 2009 and June 16, 2009, respectively.

201. Status of Contractor

This Agreement calls for the performance of the services of the consultant as an independent contractor. Contractor will not be considered an employee of the Commission for any purpose.

202. Ownership of Materials and Documents

Any and all sketches, drawings and other materials and documents prepared by the Contractor shall be the property of the Commission from the moment of their preparation, and the Contractor shall deliver such materials and documents to the Commission whenever requested to do so by the Commission. The designs, plans, reports, investigations, materials, and documents prepared or acquired by the Contractor pursuant to this Agreement (including any duplicate copies kept by the Contractor) shall not be shown or disclosed to any other public or private person or entity directly or indirectly, except as authorized by the Commission. The Contractor shall not disclose to any other public or private person or entity directly or indirectly, any information regarding the activities of the Commission during the term of this Agreement or at any time thereafter except as authorized by the Commission.

204. Conflict of Interest

(a) For the duration of this Agreement, the Contractor will not act as a consultant or perform services of any kind for any person or entity which would conflict with the services to be provided herein, without the written consent of the Commission.

(b) A conflict occurs when circumstances, known to the Contractor, place the Commission and the Contractor's new client in adverse, hostile or incompatible positions wherein the interests of the Commission, the Authority, or the City of San Diego may be jeopardized. Contractor shall promptly notify the Commission in the event that such a conflict occurs.

(c) In the event of such a conflict, Contractor shall meet and confer with the Commission to agree upon modifications of its relationship with said new client or Commission in order to continue to perform services for said client and/or Commission without compromising the interests of either. Should no agreement regarding modification be reached, Commission may

terminate this Agreement with Contractor.

(d) When consent has been given, Contractor shall endeavor to avoid involvement on behalf of said new client which would in any manner undermine the effective performance of services by Contractor for Commission. Under no circumstances may Contractor convey, utilize, or permit to be utilized, confidential information gained through its association with Commission for the benefit of any other client.

(e) Contractor agrees to alert every client for whom consent is required, to the existence of this conflict of interest provision and to include language in its agreement with said client which would enable Contractor to comply fully with its terms. This last paragraph shall not apply to existing clients of the Contractor for which Contractor has previously received the Commission's consent.

(f) This Agreement may be unilaterally and immediately terminated by the Commission if Contractor employs an individual who, within twelve months immediately preceding such employment, in their capacity as a Commission employee, participated in negotiations with or otherwise had an influence on the selection of the Contractor.

205. Contractor's Liability

(a) The Contractor shall be responsible for all injuries to persons and for all damages to real or personal property of the Commission or others, caused by or resulting from the negligence of itself, its employees, or its agents during the progress of or connected with the rendition of services hereunder.

(b) Contractor shall indemnify, hold harmless and defend the Commission, the Housing Authority of the City of San Diego, the City of San Diego, and all officers and employees of each agency from any and all liability, claims, costs (including reasonable attorney's fees), damages, expenses and causes of action:

- 1) for damages to real or personal property, or personal injury to any third party resulting from the negligence of Contractor, its employees or its agents; or
- 2) for any breach of any obligations, duties or covenants of Contractor under this Agreement or transactions related to it.

208. Equal Opportunity Programs

During the performance of this Agreement, the Contractor agrees as follows:

because of race, color, religion, ancestry, gender, disability or national origin or any other basis prohibited by law. Contractor shall ensure that applicants for employment and employees are treated equally without regard to their race, color, religion, ancestry, gender, disability or national origin or any other basis prohibited by law.

An acceptable plan to correct the identified underrepresented categories must be submitted within 30 days. Once the EEO has been approved by the Commission, the Contractor must adhere to said plan. In the case of multi-year contracts, the Contractor will be required to submit annual workforce reports and EEO updates as requested.

(e) Contractor understands that failure to comply with the above requirements and/or submitting false information in response to these requirements may result in penalties provided for in State and Federal law. (a) No services covered by this Agreement shall be subcontracted without the prior written consent of the Commission.

(b) In order to obtain consent, Contractor shall submit a list of all potential subcontractors, and a description of work to be performed by each subcontractor, to the Commission. Once this list has been approved, no changes to the list will be allowed except by written approval of the Commission.

(c) The Contractor shall be as fully responsible to the Commission for the acts and omissions of his subcontractors, and of persons directly or indirectly employed by them, as he is for acts and omissions of persons directly employed by him.

211. Assignability

(a) The Contractor shall not assign any interest in this Agreement and shall not transfer any interest in the same (whether by assignment or novation) without the prior written approval of the Commission.

(b) Claims for money due or to become due to the Contractor from the Commission under this Agreement may be assigned to a bank, trust company, or other financial institutions, or to a Trustee in Bankruptcy, without such approval. Notice of any such assignment or transfer shall be furnished promptly to the Commission.

The Commission may, from time to time, request changes in the Scope of Services of the Agreement to be performed hereunder. Such changes, including any increase or decrease in the amount of the Contractor's compensation, which are mutually agreed upon, by and between the Commission and the Contractor, shall be incorporated into this Agreement.

The contract and subcontract numbers and dollar amounts shall be contained in a separate section of such document or written report.

215. Attorney's Fees and Costs

If any legal action or any arbitration or other proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement, the successful or prevailing Party or Parties shall be entitled to recover reasonable attorneys' fees and other costs incurred in that action or proceeding, in addition to any other relief to which it or they may be entitled.

216. Entire Agreement

This Agreement represents the sole and entire agreement between the Commission and Contractor and supersedes all prior negotiations, representations, agreements, arrangements or understandings, either oral or written, between or among the parties hereto, relating to the subject matter of this Agreement, which are not fully expressed herein. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by a duly authorized representative of both the Commission and Contractor.

217. Partial Invalidity
