For the Agenda of April 16, 2010

SUBJECT: Offer to Purchase 634 42nd Street (Council District 4)

SUMMARY:

In August 2009, the Housing Authority approved a revision to the Neighborhood Stabilization Program (NSP) guidelines to allow the Housing Commission to purchase single family dwellings or condominium units that have been abandoned or foreclosed in order to resell the homes to eligible low and moderate income first time homebuyers.

On January 13, 2010, the Housing Commission acquired the single family dwelling located at 634 42nd Street. The Housing Commission purchased the property for \$109,000 and paid \$1,750 in closing costs for a total cost to acquire of \$110,750. The Commission's projected expenses to close escrow through the resale are included in the sales price of \$116,500. L. Batista and S. Garcia submitted an Offer to Purchase 634 42nd Street at the asking price. The Housing Commission accepted the offer pending approval by the Board and Housing Authority.

The net proceeds are estimated to be \$110,750 and will become NSP income funds. NSP regulations allow the recipient five years to use the program income on eligible activities.

STAFF RECOMMENDATION:

That the San Diego Housing Commission recommends final Housing Authority approval to:

1. Accept the \$116,500 offer to purchase the property at 634 42nd Street as submitted by L. Batista and S. Garcia under the City's NSP; and
2. Authorize the President and Chief Executive Officer, or designee, to execute any and all documents and receive the sale proceeds.

SUBJECT: Offer to Purchase 634 42nd Street (Council District 4)

REQUESTED ACTION:

Recommend Housing Commission and Housing Authority acceptance of the \$116,500 offer to purchase the property located at 634 42nd Street.

STAFF RECOMMENDATION:

The San Diego Housing Commission recommends final Housing Authority approval to:

1. Accept the \$116,500 offer to purchase the property at 634 42nd Street as submitted by L. Batista and S. Garcia under the City's Neighborhood Stabilization Program (NSP); and
2. Authorize the President and Chief Executive Officer, or designee, to execute any and all documents and receive the sale proceeds.

BACKGROUND:

In August 2009, the Housing Authority approved a revision to the NSP guidelines to allow the Housing Commission to purchase single family dwellings or condominium units that have been abandoned or foreclosed in order to resell the homes to eligible low and moderate income first time homebuyers.

On January 13, 2010, the Housing Commission acquired a three bedroom, one and a half bathroom, 1,225 square foot single family dwelling located at 634 42nd Street. The property is located in the Mount Hope area of San Diego (see Location Map). The Housing Commission purchased the property for \$109,000 and paid \$1,750 in closing costs for a total cost to acquire of \$110,750. At the time of acquisition the Housing Commission obtained an appraisal stating the "as-is" market value to be \$130,000. The home was built in 1950; therefore, during the due diligence period the Commission obtained inspections for lead based paint, asbestos, and termites. The costs for these inspections are included in the closing costs noted above.

On February 12, 2010, letters and fliers describing the subject property were sent to all prequalified NSP buyers. Under the NSP guidelines, if more than one buyer is interested in purchasing a home, a random drawing is held to select the buyer. Five letters of interest were received and through a drawing, L. Bautista and S. Garcia were selected. The proposed buyers have submitted an Offer to Purchase 634 42nd Street for the asking price of \$116,500. The Housing Commission made a counter offer accepting the offer subject to Commission and Housing Authority approval.

The following is a summary showing the estimated NSP expenses and net proceeds from the sale of 634 42nd Street:

SDHC Purchase Transaction		Sale Transaction		Projected Program Income	
Purchase Price	\$109,000	Sales Price	\$116,500	Sales Price	\$116,500
Closing Costs	\$ 1,750	Buyer 3% DP	\$ 3,495	Est. SDHC Closing Cost	\$ 1,090
Total Cost	\$110,750	1st Trust Deed	\$113,005	RE Commission	\$ 4,660
"As-is" Value	\$130,000				
Discount	16%	Loan to Value	97%	Net Proceeds	\$110,750

As displayed in the graph, the total cost to acquire the subject property was \$110,750. The Housing Commission's projected expenses to close escrow through the resale are included in the sales price of \$116,500. The estimated net proceeds of \$110,750 will become NSP income funds. NSP regulations allow the recipient five years to reuse the program income on eligible activities.

Buyers are required to have a minimum down payment from their personal funds of three percent. In accordance with the approved NSP guidelines, eligible buyers can apply for a deferred second trust deed loan up to 17 percent of the purchase price, a closing cost recoverable grant up to three percent of the purchase price, a mortgage credit certificate, and a rehabilitation loan for needed repairs.

FISCAL CONSIDERATIONS:

Sale of the property at 634 42nd Street for \$116,500 would result in an estimated recovery of \$110,750 as NSP income funds.

ENVIRONMENTAL REVIEW:

This activity is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15060(c)(3) of the state CEQA guidelines (the activity is not a project as defined in Section 15378).
