BE IT FURTHER RESOLVED that the proposed development activities set forth in Housing Commission Report HCR19-019 are covered under the following:

The action being taken at this time involves only the consideration of a loan. This activity is not a “project” and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(3). This determination is predicated on Section 15004 of the Guidelines, which provides direction to lead agencies on the appropriate timing for environmental review. This action does not constitute approval of a project. Approval will occur once the environmental review has been completed in accordance with CEQA Section 15004. This action will not foreclose review of alternatives or mitigation measures by the public as part of the CEQA process. The proposed actions are approval of a loan and do not constitute approval of the

development activity. Future actions to consider and approve development entitlement approvals related to the development of the site, if applicable, will require additional review under the provisions of CEQA by the lead agency.

HOME Investment Partnerships Program (HOME) funds and Federal Project-Based Housing Vouchers constitute a portion of the funding for the project. A final award shall occur only upon satisfactory completion of the environmental review and receipt by the City of San Diego of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58 of the National Environmental Policy Act (NEPA). The parties agree that the provision of any HOME funds and Federal Project-Based Housing Vouchers to the project is conditioned on the City of San Diego's determination to proceed with, modify or cancel the project based on the result of a subsequent environmental review under NEPA.

THIS ACTION BECAME FINAL ON FEBRUARY 15, 2019, pursuant to the provisions of San Diego Municipal Code Section 98.0301(e)(1).
