

Fiscal Year-End Message to SDHC Staff

June 30, 2020

As we transition this week into a new Fiscal Year, I thank you and commend you for another year of great work in Fiscal Year 2020.

When we started Fiscal Year 2020 last summer, none of us could have anticipated that this year we would experience the impacts of a global health crisis beyond our control.

Richard C. Gentry
SDHC President & CEO

Throughout the COVID-19 pandemic, you have maintained your professionalism, commitment, productivity and good work.

Thank you for adjusting to new realities and seamlessly continuing to provide essential housing assistance to the thousands of families, seniors, veterans and San Diegans experiencing homelessness we serve in the City of San Diego.

I have great optimism for the year ahead that is rooted in all that we have accomplished as an agency in the past year. These accomplishments reflect the excellent, collaborative work among our outstanding employees in all departments throughout the San Diego Housing Commission (SDHC).

Although we cannot be together this year for our Fiscal Year-end All-Employee Meeting, I am proud to celebrate virtually with you highlights of SDHC’s Fiscal Year 2020 (July 1, 2019 – June 30, 2020) accomplishments and look forward to gathering as a group again as soon as it is safe for us to do so.
