Coordinated Shelter Intake Referrals Summary

**Intakes into shelter were suspended in April due to relocation of the shelter at Golden Hall from the first floor to the second floor, which occurred April 1 – 11, and to accommodate shelter referrals for individuals and families exiting the County of San Diego Emergency Temporary Shelter (STP) Program from April 1 – 14 and April 18 – 30. Due to the suspension of intakes, referrals to the Coordinated Shelter Intake Program were reclassified as ‘Other’.**

Data review during February resulted in revised, updated shelter referral data for the month of January 2024, which are reflected in the fiscal year-to-date information in this table.

Total referrals are duplicative. An individual counted as an incomplete referral on one or more occasions may also be included as a completed referral upon shelter placement.

Most Frequent Reasons for Incomplete Referrals

Charts reflect the top five reasons that resulted in an incomplete referral during the reporting period.
