To participate in the San Diego Housing Commission's Homebuyer Assistance programs, you must first apply for and obtain a first trust deed loan through one of the mortgage lenders listed below. The selection of which mortgage lender from this list that you choose to utilize is strictly your choice. The San Diego Housing Commission has no preference or requirement as to which lender you use.

Disclaimer: Each of these mortgage lenders has contacted SDHC to become involved in our first-time homebuyer programs. Once SDHC verifies the business license for a mortgage lender, their employees must attend a training session that educates them about our homebuyer assistance programs and the SDHC's requirements for loan processing of our first-time homebuyer programs. Only after completing the training is a lending institution's employee designated as a “participating lender” in our homebuyer assistance programs. SDHC makes no representation or warranties that you will receive a loan from any of these lenders and/or from the SDHC.
