SDHC contracts with Legal Aid Society of San Diego to operate the City of San Diego Eviction Prevention Program (EPP). EPP helps renters with low income in the City of San Diego who are facing eviction for not paying their rent.

Eligible households may receive full legal representation throughout the pre-eviction and eviction process, in settlement negotiations and through trial, if necessary. EPP also offers limited legal services for eligible tenants through clinics, hotlines or appointments (virtual or in person), such as help submitting formal responses to eviction notices; formal responses to Unlawful Detainers; and requests for reasonable accommodations.

Data for program activities from December 2021 through June 2023 are available at https://sdhc.org/eviction-prevention-program-data-as-of-06302023/.
