Please stop siting housing for the poor in environmentally dangerous locations like the Mayor's proposal for Kettner and Vine and the former Central School site at the SR Freeway and University Avenue. Both sites have air quality challenges and load noise. The Central Avenue site is directly adjacent to or over a very large old, high pressure gas pipeline -older and larger than the gas line that exploded in San Bruno.

Second, Please consider an ownership opportunity for housing following the very successful Singapore Housing design - https://en.wikipedia.org/wiki/Public_housing_in_Singapore
