WHEREAS, as a part of financing the Project, the Authority desires to reimburse the Borrower, but only from Bond proceeds, for expenditures (Reimbursement Expenditures) made in connection with the Project within the period from the date 60 days prior to the date of adoption of this Resolution to the date of issuance of the Bonds; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the California Government Code governs the allocation of the state ceiling among governmental units in the State of California

having the authority to issue private activity bonds; and

WHEREAS, section 8869.85 of the California Government Code requires a local agency desiring an allocation of the state ceiling to file an application with the California Debt Limit Allocation Committee (CDLAC) for such allocation, and CDLAC has certain policies that are to be satisfied in connection with any such allocation.

NOW, THEREFORE, BE IT RESOLVED, by the San Diego Housing Commission, as follows:

Section 1. Findings and Determinations.

(a) The above recitals, and each of them, are true and correct. The Housing Commission hereby determines that it is necessary and desirable to provide financing to the Borrower for the Project (including reimbursement of the Reimbursement Expenditures) by the Authority's issuance and sale of Bonds pursuant to the Act in aggregate principal amount not to exceed \$7,500,000, as set forth in Exhibit A, subject to authorization of the issuance of the Bonds by resolution of the Authority at a meeting to be held for such purpose. The expected date of issue of the Bonds is within eighteen (18) months of the later of the date the first Reimbursement Expenditure was made and the first date the Project is placed in service and, in no event, later than three years after the date of the first Reimbursement Expenditure.

(b) Proceeds of the Bonds to be used to reimburse for Project costs are not expected to be used directly or indirectly to pay debt service with respect to any obligation or to be held as a reasonably required reserve or replacement fund with respect to an obligation of the Authority, the Housing Commission or any entity related in any manner to the Authority, or to reimburse any expenditure that was originally paid with the proceeds of any obligation, or to replace funds that are or will be used in such manner.

(c) As of the date hereof, the Housing Commission has a reasonable expectation that the Authority will issue the Bonds to reimburse Project costs. This Resolution is consistent with the budgetary and financial circumstances of the Authority, as of the date hereof. The Bonds will be repaid solely from proceeds of the Bonds and amounts paid by the Borrower. No other moneys are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside by the Authority (or any related party) pursuant to its budget or financial policies to repay the Bonds.

Section 2. Declaration of Official Intent. This Resolution is being adopted by the Housing Commission in part for purposes of establishing compliance with the requirements of sections 1.103-8(a)(5) and 1.150-2 of the Treasury Regulations. In such regard, the Housing Commission, for and on behalf of the Authority hereby declares the official intent to use proceeds of the Bonds to reimburse the Reimbursement Expenditures. This action is taken expressly for the purpose of inducing the Borrower to undertake the Project, and nothing contained herein shall be construed to signify that the Project complies with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the Authority, the Housing Commission, the City of San Diego (City) or any officer or agent of the City will grant any such approval, consent or permit that may be required in connection with the acquisition, construction and equipping of the Project, or that any of the Authority, the Housing Commission or the City will make any expenditure, incur any indebtedness, or proceed with the financing of the Project.

Section 3. Applications to CDLAC. The staff of the Housing Commission are hereby authorized and directed to apply to CDLAC for an allocation from the state ceiling of private activity bonds to be issued by the Authority for the Project in an amount not to exceed \$7,500,000, and to take any and all other actions as may be necessary or appropriate in connection with such

application, including but not limited to the payment of fees, the posting of deposits and the provision of certificates, additional applications to CDLAC (if necessary), and any such actions heretofore taken by such officers and program managers are hereby ratified, approved and confirmed.

Section 4. Approval of Bond Counsel and Financial Advisor. The financing team of Jones Hall, A Professional Law Corporation, as bond counsel (Bond Counsel) and PFM Financial Advisors LLC, as financial advisor, is approved for this Project.

Section 5. Authority of President & Chief Executive Officer of Housing Commission. The President & Chief Executive Officer of the Housing Commission, or designee, is hereby authorized to execute all necessary documents, in a form approved by the Housing Commission's General Counsel and/or Bond Counsel, and to perform such acts as are necessary to implement the approvals provided for in this Resolution.

Section 6. Effective Date. This Resolution shall take effect immediately upon its adoption.
